The aggregate purchase price of the call options exercisable into 65,300 Shares held in the Separately Managed Accounts is approximately \$44,287, including brokerage commissions.

Item 4. Purpose of Transaction.

The Reporting Persons purchased the securities of the Issuer reported herein based on their belief that such securities, when purchased, were undervalued and represented an attractive investment opportunity. The Reporting Persons may endeavor to increase or decrease their position in the Issuer through, among other things, the purchase or sale of securities of the Issuer on the open market or in private transactions or otherwise.

On January 9, 2015, FrontFour Capital delivered a letter to Joseph M. Scaminace, the Issuer's Chairman of the Board and CEO, expressing serious concerns with the Issuer's performance and destruction of shareholder value. FrontFour Capital discussed in the letter the clear trend of missed financial targets by the Issuer as evidenced by the material downward revision of EBITDA guidance twice during 2014 along with the reduction in long term revenue growth expectations. The Issuer has generated poor returns on capital while unfortunately continuing to pursue an M&A strategy that has destroyed significant value. Additionally, the Issuer has a bloated cost structure, and is significantly overcapitalized given the Issuer's net cash position and the excess cash trapped within working capital. FrontFour Capital also believes these cumulative factors have caused the Issuer's Shares to significantly underperform both the broader equity markets and its peer group over a sustained period of time.

CUSIP NO. 670872100

FrontFour Capital believes the Issuer is deeply undervalued and a clear path to value creation exists through a cost-cutting opportunity of at least \$50 million, the release of \$30 million in working capital and a \$250 million stock buyback. Given management's track record to date, FrontFour Capital believes meaningful change in the form of oversight, accountability and a fresh perspective is necessary to realize this value. FrontFour Capital stated in the letter that if it cannot reach an agreement with the Issuer on Board composition and implementation of these necessary changes, including an immediate moratorium on future acquisitions, it is prepared to nominate 3 individuals for election to the Board at the upcoming 2015 annual meeting of shareholders of the Issuer. FrontFour Capital has been successful in effectuating significant operational improvements in a number of companies within the industry, and looks forward to maintaining a constructive dialogue with the Board during this transition process. A copy of this letter is attached hereto as Exhibit 99.1 and is incorporated herein by reference. FrontFour Capital also issued a press release publicly disclosing the letter, a copy of which is attached hereto as Exhibit 99.2 and is incorporated herein by reference.

No Reporting Person has any present plan or proposal which would relate to or result in any of the matters set forth in subparagraphs (a) - (j) of Item 4 of Schedule 13D except as set forth herein or such as would occur upon or in connection with completion of, or following, any of the actions discussed herein. The Reporting Persons intend to review their investment in the Issuer on a continuing basis. Depending on various factors the Reporting Persons may in the future take such actions with respect to their investment in the Issuer as they deem appropriate including, without limitation, engaging in communications with management and the Board of the Issuer, engaging in discussions with stockholders of the Issuer and others (including investment banks and other members of the investment community) about the Issuer and the Reporting Persons' investment, making proposals to the Issuer concerning changes to the capitalization, ownership structure, board structure (including the addition or removal of directors) or changing their intention with respect to any and all matters referred to in Item 4.

Item 5. Interest in Securities of the Issuer.

(a) The aggregate percentage of Shares reported owned by each person named herein is based upon 30,817,045 Shares outstanding as of October 28, 2014, which is the total number of Shares outstanding as reported in the Issuer's Quarterly Report on Form 10-Q filed with the Securities and Exchange Commission on October 29, 2014.

FrontFour Capital, as the investment manager of the Master Fund and the Separately Managed Accounts, may be deemed to beneficially own the 1,698,471 Shares directly beneficially owned in the aggregate by the Master Fund and held in the Separately Managed Accounts, constituting approximately 5.5% of the Shares outstanding.

Each of the Reporting Persons, as a member of a “group” with the other Reporting Persons for purposes of Rule 13d-5(b)(1) of the Securities Exchange Act of 1934, as amended (the “Exchange Act”), may be deemed to beneficially own the securities of the Issuer owned by the other Reporting Persons. The filing of this Schedule 13D shall not be deemed an admission that the Reporting Persons are, for purposes of Section 13(d) of the Exchange Act, the beneficial owners of any securities of the Issuer he or it does not directly own. Each of the Reporting Persons specifically disclaims beneficial ownership of the securities reported herein that he or it does not directly own.

CUSIP NO. 670872100

Each of the Canadian Fund, FrontFour Corp. and Messrs. Loukas, Lorber and George have shared power to vote or direct the vote of, and to dispose or direct the disposition of, the Shares owned directly by the Canadian Fund.

(c) The transactions in the securities of the Issuer effected by the Reporting Persons during the past 60 days are set forth on Schedule B attached hereto. All of such transactions were effected in the open market except as otherwise set forth therein.

(d) No person other than the Reporting Persons is known to have the right to receive, or the power to direct the receipt of dividends from, or proceeds from the sale of, the Shares.

(e) Not applicable.

Item 6. Contracts, Arrangements, Understandings or Relationships With Respect to Securities of the Issuer.
