## Section 2 - Financial Information

### Item 2.01 Completion of Acquisition or Disposition of Assets

On November 1, 2010, PPL Corporation (“PPL” or the “Company”) issued a press release announcing that it had completed its acquisition (the “Acquisition”) of all of the limited liability company interests of E.ON U.S. LLC (“EUS”), the owner of Louisville Gas and Electric Company (“LG&E”) and Kentucky Utilities Company (“KU”), from a wholly owned subsidiary of E.ON AG. Upon completion of the Acquisition, EUS will be renamed LG&E and KU Energy LLC (“Kentucky Holdings”). The approximately \$7.590 billion purchase price was paid at closing by the assumption of approximately \$764 million of indebtedness principally in the form of pollution control revenue bonds previously issued by LG&E and KU, and the payment in cash of approximately \$6.826 billion representing approximately \$2.467 billion paid for the EUS limited liability interests and approximately \$4.359 billion to repay certain intercompany indebtedness owed by EUS and its affiliates to affiliates of E.ON AG. PPL paid the cash portion of the purchase price primarily from a combination of the approximately \$3.525 billion of net proceeds from the Company’s June 2010 issuance of 103.5 million shares of its common stock and 23 million equity units, together with \$3.2 billion of interim financing provided by loans from affiliates derived from borrowings under PPL Energy Supply, LLC’s \$4.0 billion Revolving Credit Agreement, dated October 19, 2010, among the lenders party thereto and Wells Fargo Bank, National Association. Interim financing amounts are expected to be repaid through the issuance of long-term indebtedness by affiliates of PPL and from cash on hand. Upon completion of the Acquisition, the Company’s previously disclosed \$6.5 billion Senior Bridge Term Loan Credit Agreement, dated as of June 9, 2010, among PPL Capital Funding, Inc. and PPL, as guarantor, and the lenders and agents party thereto, terminated in accordance with its terms and without any amounts having been borrowed thereunder.

A copy of the Company’s November 1, 2010 press release announcing completion of the Acquisition is filed herewith as Exhibit 99.1.

The financial statements and pro forma financial information required to be filed with respect to the Acquisition pursuant to the instructions to this Item and Item 9.01 will be filed within 71 calendar days of November 5, 2010.

### Item 2.03 Creation of a Direct Financial Obligation or an Obligation under an Off-Balance Sheet Arrangement of a Registrant

As previously announced in June 2010, PPL Corporation arranged for (1) a \$400 million Revolving Credit Agreement, to be dated and effective as of the Effective Date described below, among LG&E, as Borrower, and Wells Fargo Bank, National Association, as Administrative Agent, Swingline Lender and Issuing Lender, and the other Lenders party thereto (the “Lenders”) and (2) a \$400 million Revolving Credit Agreement, to be dated and effective as of the Effective Date described below, among KU, as Borrower, and Wells Fargo Bank, National Association, as Administrative Agent, Swingline Lender and Issuing Lender, and the other Lenders party thereto (the “Lenders”) (collectively, the “Credit Agreements”). On November 1, 2010 (the “Effective Date”), each Credit Agreement became effective and replaced certain existing credit agreements of the Borrowers.

Each Credit Agreement allows for borrowings at market-based rates plus a spread, which is based upon the applicable Borrower’s senior unsecured long-term debt rating. In addition, each Borrower may request the Issuing Lenders under the applicable Credit Agreement to issue letters of credit, which issuances reduce available borrowing capacity. Each Borrower intends to use its respective credit facility for general corporate purposes of such Borrower and its respective subsidiaries, including for working capital purposes, to backstop certain variable rate pollution control bonds, to issue letters of credit to support certain variable rate pollution control bonds and as a commercial paper backstop. The Borrowers will pay customary commitment and letter of credit issuance fees under these Credit Agreements.

Each Credit Agreement contains a financial covenant requiring the applicable Borrower's debt to total capitalization to not exceed 70% (as calculated pursuant to the Credit Agreements), and other customary covenants. Failure to meet the covenants beyond applicable grace periods and certain other events, including the occurrence of a Change of Control (as defined in each Credit Agreement), could result in acceleration of due dates of any borrowings, cash collateralization of outstanding letters of credit and/or termination of the Credit Agreements. Each Credit Agreement also contains certain customary representations and warranties that must be made and certain other conditions that must be met for the applicable Borrower to borrow or to cause the Issuing Lender to issue letters of credit.

Under certain conditions, each Borrower may request that its respective facility's principal amount be increased by up to \$100 million.

#### Section 4 - Matters Related to Accountants and Financial Statements

##### Item 4.01 Changes in Registrant's Certifying Accountant

In connection with the Acquisition described in Item 2.01 above, PPL's audit committee appointed PricewaterhouseCoopers LLP as independent accountant for LG&E, KU and Kentucky Holdings (collectively, the "Kentucky Entities"), and on whose report Ernst & Young LLP is expected to express reliance in its audit opinion on the consolidated financial statements of PPL Corporation. PricewaterhouseCoopers LLP was the independent accountant of the Kentucky Entities prior to the Acquisition.

#### Section 9 - Financial Statements and Exhibits

##### Item 9.01 Financial Statements and Exhibits
