## Portfolio of Investments (unaudited)

September 30, 2005

\* Non-income producing security.

\*\* The cost of investments for federal income tax purposes was \$2,380,449,749. The tax basis gross unrealized appreciation and depreciation of portfolio securities were \$211,439,584 and \$162,548,114, respectively.

□ At September 30, 2005, the Tri-Continental Financial Division comprised two investments that were purchased through private offerings and cannot be sold without prior registration under the Securities Act of 1933 or pursuant to an exemption therefrom. These investments are valued at fair value as determined in accordance with procedures approved by the Board of Directors of the Corporation. The acquisition dates of investments in the limited partnerships, along with their cost and values at September 30, 2005, were as follows:

Investment	Acquisition Date(s)	Cost	Value
WCAS Capital Partners II, L.P.	12/11/90 to 3/24/98	\$ 4,301,124	\$ 1,792,911

(1) All or part of the security is held as collateral for options written.

ADR - American Depositary Receipt.

Security Valuation - Securities (including options) traded on an exchange are valued at the last sales price on the primary exchange or market on which they are traded. Securities not listed on an exchange or security market, or securities for which there is no last sales price, are valued at the mean of the most recent bid and asked prices or are valued by J. & W. Seligman & Co. Incorporated (the "Manager") based on quotations provided by primary market makers in such securities. Securities for which market quotations are not readily available or are otherwise no longer valid or reliable are valued at fair value determined in accordance with procedures approved by the Board of Directors. This can occur in the event of, among other things, natural disasters, acts of terrorism, market disruptions, inter-day market disruptions, intra-day trading halts, and extreme market volatility.

Short-term holdings that mature in more than 60 days are valued at current market quotations. Short-term holdings maturing in 60 days or less are valued at amortized cost.

ITEM 2. CONTROLS AND PROCEDURES.

- a. The registrant's principal executive officer and principal financial officer have concluded, based upon their evaluation of the registrant's disclosure controls and procedures as conducted within 90 days of the filing date of this report, that these disclosure controls and procedures provide reasonable assurance that material information required to be disclosed by the registrant in the report it files or submits on Form N-Q is recorded, processed, summarized and reported, within the time periods specified in the Commission's rules and forms and that such material information is accumulated and communicated to the registrant's management, including its principal executive officer and principal financial officer, as appropriate, in order to allow timely decisions regarding required disclosure.
- b. The registrant's principal executive officer and principal financial officer are aware of no changes in the registrant's internal control over financial reporting that occurred during the registrant's last fiscal quarter that has materially affected, or is reasonably likely to materially affect, the registrant's internal control over financial reporting.

ITEM 3. EXHIBITS.

- (a) Certifications of principal executive officer and principal financial officer as required by Rule 30a-2(a) under the Investment Company Act of 1940.
-
