PROXY STATEMENT

This proxy statement contains information related to the 2008 Annual Meeting of Stockholders (the "Meeting") of Rodman & Renshaw Capital Group, Inc., a Delaware corporation, to be held at our corporate headquarters located at 1251 Avenue of the Americas, New York, New York 10020, 20th Floor, on Monday, October 27, 2008, at 8:00 A.M., EDT, and at any postponements or adjournments thereof. The approximate date of mailing for this proxy statement, proxy card and a copy of our annual report on Form 10-K for the year ended December 31, 2007 is October 2, 2008.

SOLICITATION AND REVOCATION OF PROXIES

A form of proxy is being furnished herewith by the Company to each stockholder and, in each case, is solicited on behalf of the Board of Directors of the Company (the "Board") for use at the Meeting. Stockholders are requested to complete, date and sign the accompanying proxy and return it promptly to the Company. Your execution of the enclosed proxy will not affect your right as a stockholder to attend the Meeting and to vote in person. Any stockholder giving a proxy has the right to revoke it at anytime by either (i) a later-dated proxy, (ii) a written revocation sent to and received by the Secretary of the Company prior to the Meeting or (iii) attendance at the Meeting and voting in person.

The entire cost of soliciting these proxies will be borne by the Company. The Company may pay persons holding shares in their names or the names of their nominees for the benefit of others, such as brokerage firms, banks, depositories, and other fiduciaries, for costs incurred in forwarding soliciting materials to their principals. Members of the management of the Company may also solicit some stockholders in person, or by telephone, e-mail or fax, following solicitation by this Proxy Statement, but will not be separately compensated for such solicitation services.

If your shares are registered directly in your name with Corporate Stock Transfer, Inc., our transfer agent, you are considered a stockholder of record. As a stockholder of record at the close of business on September 30, 2008 (the "Record Date"), you can vote in person at the Meeting or you can provide a proxy to be voted at the Meeting by signing and returning the enclosed proxy card. If you submit a proxy card, we will vote your shares as you direct. If you submit a proxy card without giving specific voting instructions, those shares will be voted as recommended by the Board. If your shares are held in a stock brokerage account or other nominee, you are considered the beneficial owner of those shares, and your shares are held in "street name." If you hold your shares in "street name," you will receive instructions from your broker or other nominee describing how to vote your shares. If you do not instruct your broker or nominee how to vote such shares, they may vote your shares as they decide as to each matter for which they have discretionary authority under the rules of the New York Stock Exchange.

STOCKHOLDER'S VOTING RIGHTS

Only holders of record of the Company's Common Stock, \$0.001 par value ("Common Stock"), at the close of business on the Record Date will be entitled to notice of, and to vote at, the Meeting or at any adjournment or postponements thereof. On the Record Date there were 36,085,174 shares of Common Stock outstanding with one vote per share.

Our bylaws provide that the holders of a majority of the shares of our Common Stock issued and outstanding and entitled to vote at the Meeting, present in person or represented by proxy, will constitute a quorum for the transaction of business at the Meeting. Abstentions and [broker non-votes] will be counted as present for the purpose of determining the presence of a quorum. With respect to the election of directors, abstentions and [broker non-votes] will be deemed not to have been cast and will have no legal effect in the election of directors. With respect to the other matters described herein, abstentions will have the same effect as a vote against such proposals, and broker non-votes will be deemed not to have been cast and will have no legal effect on the proposals.

A complete list of stockholders entitled to vote at the annual meeting will be available for examination by any stockholder at our corporate headquarters, 1251 Avenue of the Americas, New York, New York 10020, during normal business hours for a period of ten days before the Meeting and at the time and place of the Meeting.

With respect to the election of directors, assuming a quorum is present, the affirmative vote of a plurality of the votes cast by the holders of the Company's common stock present in person or represented by proxy is required to elect each nominee. Election by a plurality means that the director nominee with the most votes for a particular slot is elected for that slot.

With respect to the proposals to approve an amendment to our 2007 Stock and Incentive Plan, assuming a quorum is present, the affirmative vote of a majority of the votes cast on each of these proposals at the Meeting is required. As discussed above, for purposes of the vote on each of these proposals, abstentions are tantamount to a [no] vote and [broker non-votes] will not be counted and therefore will have no impact on the outcome.

We have retained our transfer agent, Corporate Stock Transfer, Inc., as independent inspector of election to receive and tabulate the votes. Our transfer agent will also certify the results and perform any other acts required by the Delaware General Corporation Law.

CORPORATE GOVERNANCE AND BOARD COMMITTEES

Board Composition

Currently, the Board of Directors consists of eleven members. Our charter provides for the annual election of directors. At each annual meeting of stockholders, our directors will be elected for a one-year term and serve until their respective successors have been elected and qualified.

Director Independence

Six of our eleven directors, Messrs. Cohen, Churchill, Drake, Dryden, Friedman and Haas, qualify as independent under the rules and regulations of the SEC and NASDAQ.

Board Meetings

The Board met four times during 2007. A majority of the directors attended all of the meetings of the Board. All persons who were directors during 2007 attended at least 75% of these meetings. Absent special circumstances, each director is expected to attend the annual meeting of stockholders.

Committees Established by the Board

The Board of Directors has established three standing committees: an Audit Committee, a Compensation Committee and a Corporate Governance and Nominating Committee. Each committee has three members, all of whom qualify as "independent" under the rules and regulations of the SEC and NASDAQ.

Audit Committee. The Board of Directors has appointed Richard Cohen, Winston Churchill and Peter F. Drake as the members of the Audit Committee. Mr. Cohen is the chairman of the committee and also qualifies as an "audit committee financial expert" within the meaning of the rules of the SEC and NASDAQ. The Audit Committee reviews and reports to the Board of Directors on our internal accounting and financial controls and on the accounting principles and auditing practices and procedures to be employed in preparing and reviewing our consolidated financial statements. The Audit Committee is also responsible for engaging and overseeing our independent public auditors, the scope of the audit to be undertaken by such auditors and the pre-approval of any audit and permitted non-audit services provided by such auditors. A copy of the Charter of the Audit Committee is posted on our website at www.rodman.com.

Compensation Committee. The Board of Directors has appointed Mark L. Friedman, Sam Dryden and Marvin I. Haas as the members of the Compensation Committee. Mr. Friedman serves as chairman of the committee. The Compensation Committee reviews and, as it deems appropriate, recommends to the Board of Directors policies, practices and procedures relating to the compensation of the officers and other managerial employees, including the determination in its discretion of the amount of annual bonuses, if any, for our executive officers and other professionals, and the establishment and administration of employee benefit plans. The Compensation Committee exercises all authority under our employee equity incentive plans and will advise and consult with our senior executives as may be requested regarding managerial personnel policies. A copy of the Charter of the Compensation Committee is posted on our website at www.rodman.com.

Corporate Governance and Nominating Committee. The Board of Directors has appointed Winston Churchill, Peter F. Drake and Mark L. Friedman as the members of the Corporate Governance and Nominating Committee. Mr. Churchill serves as chairman of the committee. The Corporate Governance and Nominating Committee identifies and recommends nominees to the Board of Directors and oversees compliance with our corporate governance guidelines.

Executive Session. The non-management directors of the Board of Directors meet in executive session at each meeting of the Board of Directors. The non-management directors have the authority to retain outside consultants and to schedule additional meetings in their discretion.

Stockholder Recommendation for Director Nominations

As noted above, the Corporate Governance and Nominating Committee considers and establishes procedures regarding recommendations for nomination to the board, including nominations submitted by stockholders. Recommendations of stockholders should be sent to us in a timely manner, either in person or by certified mail, to the attention of our Corporate Secretary. Any recommendations submitted to the Secretary should be in writing and should include whatever supporting material the stockholder considers appropriate in support of that recommendation but must include the information that would be required to be disclosed under the SEC's rules in a proxy statement soliciting proxies for the election of such candidate and a signed consent of the candidate to serve as our director if elected. The Corporate Governance and Nominating Committee will evaluate all potential candidates in the same manner, regardless of the source of the recommendation. Based on the information provided to the Corporate Governance and Nominating Committee, it will make an initial determination whether to conduct a full evaluation of a candidate. As part of the full evaluation process, the Corporate Governance and Nominating Committee may conduct interviews, obtain additional background information and conduct reference checks of the candidate, among other things. The Corporate Governance and Nominating Committee may also ask the candidate to meet with management and other members of the Board.

Communications with Non-Management Members of the Board

The Company's Corporate Governance Policies set forth a process by which stockholders and other interested third parties can send communications to the non-management members of the Board. When interested third parties have concerns, they may make them known to the non-management directors by communication via <https://rodmanandrenshaw.silentwhistle.com/ethfeedback/index.jsp> or toll free number (866) 851-9745. All such correspondence is provided to the presiding chairman at, or prior to, the next executive session held at a regular Board meeting.

CERTAIN RELATIONSHIPS AND RELATED PARTY TRANSACTIONS

Distributions

From January 1, 2004 through June 30, 2007, we distributed an aggregate of \$9.2 million in cash to Revere and RRCG, Inc. (RRCG), the members of Holding, which then distributed an aggregate of \$7.7 million to John J. Borer III and Thomas Pinou (our former Chief Financial Officer), stockholders of RRCG, and to Edward Rubin, and the ARF Trust, the beneficiaries of which are the wife and children of Michael Vasinkevich, the members of Revere. This is in addition to any amount paid to Messrs. Vasinkevich, Borer, Rubin and Pinou as compensation. In addition, pursuant to a Distribution Agreement, dated as of July 9, 2007, on July 9, 2007 Holding distributed \$5.0 million to Revere and RRCG, of which \$4.2 million was then distributed to John J. Borer III, Thomas Pinou, Edward Rubin and the ARF Trust. This distribution represented approximately 70% of the taxes payable on our estimated taxable income for the period beginning on January 1, 2007 and ending on July 10, 2007 based on the maximum combined individual federal, New York State and New York City income tax rate of 45.498%. In March 2007, we distribute approximately \$1.4 million to the former members of Revere and the former stockholders of RRCG representing the balance due to them under the Distribution Agreement. Of this amount, approximately \$1.2 million was distributed to Messrs. Vasinkevich, Rubin, Borer and Pinou.

In March 2007, Holding distributed 85% of the beneficial interests in equity securities, including stock and warrants, of 62 companies, to Revere (59.5%) and RRCG (25.5%), retaining 15%. Holding, Revere and RRCG then contributed their respective interests in these securities to RRPR, LLC (RRPR) in exchange for membership interests in the same proportion that Holding owned the securities. Revere is owned two-thirds by a trust whose beneficiaries are the wife and children of Michael Vasinkevich, and one-third by Edward Rubin, and RRCG was owned 40.7% by John J. Borer III and 7.2% by Thomas Pinou. The value of the securities on the date of transfer was \$11.9 million. As a result of the Exchange, we own 40.5% of RRPR - 15.0% through our ownership of Holding and 29.5% through our ownership of RRCG.

In March 2007, Holding assigned its rights to fees associated with three pending financing transactions to its members, Revere and RRCG, in accordance with their then ownership interests in Holding. These financing

transactions were consummated in April, July and September 2007 and the net fees associated with these transactions were paid to Revere and the former stockholders of RRCG.

Related Employees

Cynthia Van Osch, the wife of John Borer a director, our Head of Investment Banking and our former Chief Executive Officer, is employed by the broker-dealer as vice president, institutional trading. During 2007 Ms. Van Osch received \$417,399 for services rendered.

Director and Officer Indemnification

We have entered into indemnity agreements with our directors and officers indemnifying them against all losses, damages, costs and expenses incurred by them arising out of their service in such capacity, subject to the limitations imposed by Delaware law. This agreement is in addition to our indemnification obligations under our bylaws.

Tax Indemnification Agreement

Prior to the July 10, 2007, we operated as a limited liability company (treated as a partnership for income tax purposes) and, as such, our former members, Revere and RRCG, generally, will be liable for adjustments to taxes (including federal and state income taxes) attributable to our operations prior to July 10, 2007. In connection with our conversion to a corporation which occurred on July 10, 2007, we entered into a tax indemnification agreement to indemnify Revere and RRCG, and their respective members and stockholders, including John J. Borer III, Edward Rubin, Thomas Pinou and a trust for the benefit of the wife and children of Michael Vasinkevich, against increases in taxes that relate to our activities prior to becoming a corporation. The tax indemnification agreement includes provisions that permit us to control any tax proceeding or contest which might result in our being required to make a payment under the tax indemnification agreement.

Policies and Procedures for Related Party Transactions

We have adopted a code of business conduct and ethics, pursuant to which our executive officers, directors and principal stockholders, including their immediate family members and affiliates, are not permitted to enter into a related party transaction with us without the prior consent of our Audit Committee, or other independent committee of the Board of Directors in the case where it is inappropriate for our Audit Committee to review such a transaction due to a conflict of interest. All of our directors, executive officers and employees are required to report to our Audit Committee any such related party transaction. In approving or rejecting the proposed transaction, our Audit Committee will consider the relevant facts and circumstances available and deemed relevant to the Audit Committee, including, but not limited to the risks, costs and benefits to us, the terms of the transaction, the availability of other sources for comparable services or products, and, if applicable, the impact on a director's independence. The Audit Committee will approve only those agreements that, in light of known circumstances, are in, or are not inconsistent with, our best interests, as the Audit Committee determines in the good faith exercise of its discretion.

Compensation of Directors

Each member of the Board of Directors who is not an employee receives, as compensation for service on the Board of Directors: (i) an annual retainer of \$20,000; (ii) \$1,000 for each meeting of the Board of Directors attended either in person or telephonically; and (iii) a grant of Restricted Stock Units (RSUs) on the date of each annual meeting of stockholders at which they are first elected and re-elected to the Board of Directors in an amount equal to 110% of the Black Scholes value of the grant of 10,000 stock options on such date. The RSUs: (i) cover a number of shares equal to the dollar amount of the grant divided by the fair market value of a share of common stock on the date of grant; (ii) vest immediately on the date of grant; and (iii) have a selling restriction for two years following the date of grant. Non-employee directors also receive \$750 for each committee meeting attended either in person or telephonically. Finally, each committee chairman receives an additional annual retainer as follows: (i) Audit Committee □ \$12,500; (ii) Compensation Committee □ \$7,500; and (iii) Corporate Governance and Nominating Committee □ \$5,000. Such additional compensation is intended to reflect special efforts of such board

members. Board members will be reimbursed for reasonable travel expenses associated with attending any board or committee meetings.

The following table sets forth the compensation paid to our non-employee directors for the year ended December 31, 2007.

EXECUTIVE COMPENSATION

Compensation Discussion and Analysis

Overview

Our executive compensation program is designed to incentivize our executive officers to effectively lead, manage and grow our business. Because the compensation of our executive officers plays an integral role in our success, our compensation programs are designed to attract, retain, and motivate top quality and effective executives and professionals. We refer to our Chief Executive Officer, our Chief Financial Officer and our three other most highly compensated executive officers during 2007 as our named executive officers.

A substantial portion of each named executive officer's total compensation is variable and delivered on a pay-for-performance basis. We believe this model provides the greatest incentive to motivate management to achieve our business objectives. The executive compensation program provides compensation opportunities, contingent upon performance, that are competitive with practices of other similar investment banking firms. We are committed to utilizing the executive compensation program to maintain our ownership culture and to broaden executive ownership over time. We strongly believe that the cash and equity components of our compensation plans will align the interests of our named executive officers and other key employees with our stockholders and will promote the creation of long-term stockholder value.

The Compensation Committee has set a compensation and benefits expense target for the 2007 and 2008 fiscal years at 55% excluding equity-based compensation granted prior to September 30, 2007 and insurance premiums paid in respect of key-man life insurance policies for our benefit.

Determination of Compensation

In allocating compensation to our named executive officers, the primary emphasis, in addition to our performance, is on each individual's contribution and business unit performance and on compensation recommendations of the Compensation Committee, which has the primary responsibility and authority to determine and recommend the compensation of our named executive officers and other key employees. We may utilize third-party compensation consultants and surveys to provide industry data to better support our determination of the key elements of our named executive officer compensation programs. Compensation of our named executive officers will be determined by the Compensation Committee.

Compensation Components

The most significant components of the compensation program for our named executive officers in 2007 were base salary, cash bonuses and, to the extent applicable, profit allocations on membership interests. Beginning with the current fiscal year, the key components of our compensation program will be base salary, cash bonus and

equity-based awards and we are targeting our total compensation and benefits expense, excluding equity-based compensation granted prior to September 30, 2007 and insurance premiums paid in respect of [key-man] life insurance policies for our benefit, to be approximately 55% of total consolidated cash revenues.

Base Salary

Consistent with industry practice, the base salaries for our named executive officers account for a relatively small portion of their overall compensation. We believe that relatively modest salaries are accepted in the industry and the potential for substantial bonus compensation is seen by senior management personnel as the more important component. Named executive officer base salaries and subsequent adjustments, if any, are expected to be determined annually based on a review of relevant market data and each executive's performance for the prior year, as well as each executive's experience, expertise and position.

Cash Bonus

Cash bonus compensation has been a key component of our executive compensation program. We have in the past, and our Compensation Committee will, in the future, award discretionary cash bonuses based on a number of variables that are linked to our overall, and the executive's individual, performance.

In March 2007, we established an executive bonus plan (the [March Bonus Plan]) for three of our named executive officers, Michael Vasinkevich, Edward Rubin and John J. Borer III (the [Principals]). Although certain limitations on the payment of bonuses under the Bonus Plan would have terminated when we converted to corporate status, we and the Principals agreed to continue the March Bonus Plan through 2007 and to target our total compensation and benefits expense, excluding equity-based compensation granted prior to July 1, 2007, at 55% of total consolidated cash revenues. The compensation and benefits payable to each of the Principals in any year will be determined before the end of each fiscal year, by reference to the individual's productivity during such year and his overall contribution to our profits and success during that period.

In August 2007, the Compensation Committee and the Board of the Directors unanimously approved and adopted and our stockholders approved, a revised Executive Bonus Plan (the [August Bonus Plan]). The August Bonus Plan includes the following key provisions:

The plan is administered by the Compensation Committee of the Board of Directors.

The plan has a term of five years ending August 31, 2012.

The initial participants in the plan are Michael Vasinkevich, Michael Lacovara, Edward Rubin and John J. Borer III. The Compensation Committee may designate other employees as participants.

The Compensation Committee shall determine the size of the bonus pool to be distributed to the participants and the amount to be allocated to each participant based on performance criteria that it establishes.

In no event may the amount distributed in any single fiscal year to a participant exceed 25% of our total consolidated gross revenues for such year, as reported on our financial statements.

In no event shall the amounts payable pursuant to the plan in any one fiscal year, when added to all of our other compensation and benefits expenses for that year, as reported on our financial statements, exceed 60% of our total consolidated gross revenues for that year, excluding insurance premiums paid with respect to [key-man] life insurance policies for our benefit and equity-based compensation attributable to awards granted prior to September 30, 2007. For 2007, the Board of Directors has set the target at 55% of consolidated gross revenues.

Profit Distributions on Membership Interests

Prior to the July 10, 2007, we operated as a limited liability company, taxable as a partnership for federal and state income tax purposes. Accordingly, we were able to distribute profits based on special allocations to our senior executive officers in their capacities as members. Since July 10, 2007, we have operated as a [C] corporation and, as such, we no longer have the ability to make profits distributions to our senior executives based on special allocations.

Equity-based Compensation

In August 2007, the Compensation Committee and the Board of Directors unanimously approved and adopted and our stockholders ratified, the 2007 Stock and Incentive Plan (the "2007 Plan"). The purpose of the 2007 Plan is to align the interests of the participants with those of our stockholders through equity-based compensation alternatives, thereby promoting our long-term financial interests and enhancing long-term stockholder return. The 2007 Plan is intended to enhance our ability to effectively recruit, motivate and retain the caliber of employees essential for our success and provide them with incentive compensation opportunities that are competitive with those of similar companies and to give us needed certainty and flexibility in designing and managing equity-based compensation to meet the needs of its growing business over an extended period of time.

The following is a brief summary of the material features of the 2007 Plan.

The 2007 Plan is administered by a committee of directors (each of whom is a "non-employee director" for purposes of Rule 16b-3 promulgated by the Securities and Exchange Commission and an "outside director" for purposes of Section 162(m) of the Internal Revenue Code) designated from time to time by the Board of the Directors. The Compensation Committee has been charged with the responsibility of administering our stock-based compensation programs including the 2007 Plan.

Subject to certain restrictions that are set forth in the 2007 Plan, the committee has complete and absolute authority to make any and all decisions regarding the administration of the 2007 Plan, including the authority to construe and interpret the plan and awards under the plan, establish administrative rules and procedures, select award recipients, determine the type of awards, establish the terms, conditions and other provisions of awards and amend awards. Subject to certain restrictions that are set forth in the 2007 Plan, the committee may delegate any of its authority and responsibility to management, except for determinations and decisions regarding awards to be made, which must be made by the committee itself.

The persons eligible to receive awards under the 2007 Plan include all employees, directors, officers and agents of, and other service providers to, us and our subsidiaries.

The number of shares of common stock that are authorized and available for issuance under the 2007 Plan is 5,250,000. No more than 5,000,000 shares, however, can be issued pursuant to awards in the form of: (i) incentive stock options; or (ii) performance units and restricted stock, as described below. In September 2007, pursuant to the 2007 Plan, we issued 750,000 shares of restricted common stock to our new Chief Executive Officer, Michael Lacovara and also agreed to grant Mr. Lacovara options to purchase 750,000 shares of common stock, which were subsequently issued. See "Employment Arrangements" below. If the shares of stock that are subject to an award are not issued or cease to be issuable because the award is terminated, forfeited or expires unexercised, those shares will then become available for future awards. The number of shares authorized and available for issuance under the plan is subject to adjustment in the event of a stock split, stock dividend, recapitalization, spin-off or similar action.

Awards under the 2007 Plan may take the form of restricted stock units, stock options (either incentive stock options or non-qualified options), stock appreciation rights, restricted stock or performance units. Subject to restrictions that are set forth in the 2007 Plan, the committee will have complete and absolute authority to set the terms, conditions and provisions of each award, including the size of the award, the exercise or base price, the vesting and exercisability schedule (including provisions regarding acceleration of vesting and exercisability) and termination and forfeiture provisions.

The committee is subject to the following specific restrictions regarding the types and terms of awards:

No participant may receive in any calendar year awards of (i) options and stock appreciation rights, or (ii) restricted stock and performance units, that in each case cover more than 2,000,000 shares.

The exercise price for a stock option may not be less than 100% of the fair market value of the stock on the date of grant.

No award may be granted more than ten years after the date of the 2007 Plan.

No stock option can be repriced without the consent of stockholders and of the option holder if the effect would be to reduce or increase the exercise price per share. For this purpose, repricing includes a tandem

cancellation and re-grant or any other amendment or action that would have substantially the same effect as decreasing or increasing the exercise price.

If the applicable award agreement so provides, upon certain events constituting a "change in control," as specified in the 2007 Plan, immediately prior to the occurrence of the change in control all restricted stock units, options and stock appreciation rights subject to the award will become immediately exercisable, the expiration of the restrictions applicable to any restricted stock grant made under the award shall immediately be accelerated, and such other results shall take place with respect to other awards as may be set forth in the relevant award agreement.

To the extent permitted by law, the Board of Directors, without the consent or approval of any plan participant, may amend, suspend or terminate the 2007 Plan, so long as that action does not adversely affect the rights of any holder under any award then outstanding. Without the approval of the stockholders, however, in general the Board of Directors may not amend the 2007 Plan to increase the number of shares available for issuance or to modify the requirements regarding eligibility in the 2007 Plan. No Awards will be granted under the 2007 Plan after the tenth anniversary of its effective date.

Other Compensation

All of our executives are eligible to participate in our employee benefit plans, including medical, dental, life insurance and 401(k) plans. These plans are available to all salaried employees and do not discriminate in favor of senior executive officers. It is generally our policy to not extend significant perquisites to our executives that are not available to our employees generally. We have no current plans to make changes to levels of benefits and perquisites provided to senior executives.

Employment Arrangements

In March 2007, we entered into an employment agreement with each of Michael Vasinkevich, Edward Rubin and John J. Borer III, subsequently modified in July 2007. Each of these agreements is substantially identical and their salient provisions are as follows:

Term: Three years, terminating February 28, 2010, with a 90-day "evergreen" provision.

Base Salary: \$150,000 per annum, subject to increase in the sole discretion of the Compensation Committee.

Incentive Compensation: For each fiscal year during the term of their agreements, an amount to all of the Principals, which, when added to the amount of salaries, bonuses, the cost of benefits and all other employee-related expenses (including employment taxes), but excluding equity-based compensation granted prior to October 16, 2007, does not exceed in the aggregate 55% of our gross revenues for such fiscal year, although we may increase this percentage for years subsequent to 2007 with their consent. The amount of incentive compensation will be determined by the Compensation Committee based on our overall revenue and profits and the relative productivity of the individual.

Benefits. Each individual is entitled to participate in our group health, dental and life insurance plans, 401(k) savings plan and equity incentive plan.

Termination of Employment. Upon termination other than for cause (as defined in the respective agreements), the individual is entitled to, in addition to his base salary and incentive compensation for the year in which the termination occurs, a lump-sum payment equal to twelve times his "Monthly Salary" amount, which is defined in the respective agreements to mean one-twelfth of the sum of (a) the individual's then current base salary plus (b) the average of the annual incentive compensation paid to the individual for the full fiscal year periods immediately preceding the termination, commencing with the fiscal year period ended December 31, 2006.

In June 2007, we amended and restated an employment agreement with Wesley K. Clark. His employment had commenced January 30, 2006. Under the agreement, Mr. Clark serves as our Chairman. His annual base salary is \$250,000. In addition, he is eligible to receive the following cash bonuses: (i) up to 15% of fees received by Rodman, our broker-dealer affiliate, in connection with any transaction introduced by him; and (ii) a discretionary amount at the end of each calendar quarter. In addition, the agreement:

granted him options to purchase 425,980 shares of our common stock at \$3.78 per share, subject to a vesting schedule; and provides for payment of an amount if there is a "Change of Control Event" during the period of employment. In general, the amount cannot exceed \$1,514,942, and reduces to the extent that the fair market value of a share of our common stock is less than \$3.78 per share (as adjusted) on the date of the Change of Control Event. We may make the payment, in our absolute discretion, in cash or other property, including the shares or other property which may have been received in the transaction which constituted the Change of Control Event. A "Change of Control Event," in general, means the acquisition by any one person, or a group, of more than 50% of the total fair market value or total voting power of our capital stock or of substantially all of our assets.

In August 2007, we entered into an employment agreement with Michael Lacovara, which provides for Mr. Lacovara to serve as our Chief Executive Officer. Mr. Lacovara's employment agreement was unanimously approved by the Board and the Compensation Committee and the performance-based compensation provisions it contains were also approved by our stockholders.

The material terms of Mr. Lacovara's employment agreement are as follows:

Term: September 4, 2007 through December 31, 2009, with a 90-day "evergreen" provision.

Title: Chief Executive Officer and a member of the Board of Directors.

Base compensation: \$150,000 per year.

Level One Incentive Compensation: Year ended 12/31/07 - \$616,666; Year ended 12/31/08 - \$800,000 plus \$1,050,000 if our consolidated gross revenues for the year ended December 31, 2008 is more than 110% of our consolidated gross revenues for the year ended December 31, 2007; Year ended 12/31/09 - \$800,000 plus \$1,050,000 if our consolidated gross revenues for the year ended December 31, 2009 is more than 120% of our consolidated gross revenues for the year ended December 31, 2007.

Additional Incentive Compensation: Mr. Lacovara will be eligible to participate in the August Bonus Plan as well as any other plan we adopt for our executives.

Section 16(a) Beneficial Ownership Reporting Compliance

Section 16(a) of the Exchange Act requires our directors and executive officers, and persons who own more than 10% of our equity securities that are registered pursuant to Section 12 of the Exchange Act, to file with the SEC initial reports of ownership and reports of changes in ownership of our equity securities. Officers, directors and greater than 10% stockholders are required by SEC regulations to furnish us with copies of all Section 16(a) reports they file.

Based solely upon a review of the Forms 3, 4 and 5 (and amendments thereto) furnished to us for the fiscal year ended December 31, 2007, we have determined that our directors, officers and greater-than-10% beneficial owners complied with all applicable Section 16 filing requirements except that Mr. Drake inadvertently omitted the purchase of 3,000 shares from a Form 4 filed on December 6, 2007 (which Form 4 was amended on August 18, 2008).

This report is submitted on behalf of the members of the Compensation Committee:

Mark L. Friedman (Chairman)
Sam Dryden
Marvin I. Haas

Notwithstanding anything to the contrary set forth in any of our previous filings under the Securities Act of 1933, or the Securities Exchange Act of 1934, that might incorporate future filings, including this Proxy Statement, in whole or in part, the foregoing Report of the Compensation Committee shall not be incorporated by reference into any such filings.

PROPOSAL NO. 2

APPROVAL OF AMENDMENT TO THE 2007 STOCK AND INCENTIVE PLAN TO INCREASE AUTHORIZED SHARES

The Board of Directors adopted a resolution approving an amendment to the 2007 Plan to increase the number of shares available for issuance thereunder from 5,250,000 to 10,000,000 shares and directing that the proposed amendment be submitted to a vote of the stockholders at the Meeting. The Board of Directors determined that the proposed amendment is in the best interests of the Company and recommends approval by the stockholders. A copy of the proposed amendment is attached as Appendix A to this Proxy Statement.

Background and Reason for the Proposal

In August 2007, the Compensation Committee and the Board of Directors unanimously approved and adopted and our stockholders ratified, the 2007 Plan. The purpose of the 2007 Plan is to align the interests of the participants with those of our stockholders through equity-based compensation alternatives, thereby promoting our long-term financial interests and enhancing long-term stockholder return. The 2007 Plan is intended to enhance our ability to effectively recruit, motivate and retain the caliber of employees essential for our success and provide them with incentive compensation opportunities that are competitive with those of similar companies and to give us needed certainty and flexibility in designing and managing equity-based compensation to meet the needs of its growing business over an extended period of time.

The following is a brief summary of the material features of the 2007 Plan.

The 2007 Plan is administered by a committee of directors (each of whom will be a [non-employee director] for purposes of Rule 16b-3 promulgated by the SEC and an [outside director] for purposes of Section 162(m) of the Internal Revenue Code) designated from time to time by the Board of the Directors. The Compensation Committee has been charged with the responsibility of administering our stock-based compensation programs, including the 2007 Plan.

Subject to certain restrictions that are set forth in the 2007 Plan, the committee will have complete and absolute authority to make any and all decisions regarding the administration of the 2007 Plan, including the

authority to construe and interpret the plan and awards under the plan, establish administrative rules and procedures, select award recipients, determine the type of awards, establish the terms, conditions and other provisions of awards and amend awards. Subject to certain restrictions that are set forth in the 2007 Plan, the committee may delegate any of its authority and responsibility to management, except for determinations and decisions regarding awards to be made, which must be made by the committee itself.

The persons eligible to receive awards under the 2007 Plan include all employees, directors, officers and agents of, and other service providers to, us and our subsidiaries.

The number of shares of common stock that are authorized and available for issuance under the 2007 Plan is 5,250,000. No more than 5,000,000 shares, however, can be issued pursuant to awards in the form of: (i) restricted stock units; (ii) incentive or non-qualified stock options; or (iii) performance units and restricted stock. If the shares of stock that are subject to an award are not issued or cease to be issuable because the award is terminated, forfeited or expires unexercised, those shares will then become available for future awards. The number of shares authorized and available for issuance under the plan is subject to adjustment in the event of a stock split, stock dividend, recapitalization, spin-off or similar action. At September 30, 2008, there were options outstanding under the 2007 Plan covering 750,000 shares, restricted stock grants outstanding under the 2007 Plan covering 1,178,216 shares and restricted stock unit grants outstanding under the 2007 Plan covering 2,720,321 shares. At September 30, 2008, 808,763 shares remained available for grant under the 2007 Plan.

Awards under the 2007 Plan may take the form of restricted stock units, stock options (either incentive stock options or non-qualified options), stock appreciation rights, restricted stock or performance units. Subject to restrictions that are set forth in the 2007 Plan, the committee will have complete and absolute authority to set the terms, conditions and provisions of each award, including the size of the award, the exercise or base price, the vesting and exercise schedule (including provisions regarding acceleration of vesting and exercise) and termination and forfeiture provisions.

The committee is subject to the following specific restrictions regarding the types and terms of awards:

No participant may receive in any calendar year awards of (i) options and stock appreciation rights, or (ii) restricted stock and performance units, that in each case cover more than 2,000,000 shares.

The exercise price for a stock option may not be less than 100% of the fair market value of the stock on the date of grant.

No award may be granted more than ten years after the date of the 2007 Plan.

No stock option can be [repriced] without the consent of stockholders and of the option holder if the effect would be to reduce or increase the exercise price per share. For this purpose, [repricing] includes a tandem cancellation and re-grant or any other amendment or action that would have substantially the same effect as decreasing or increasing the exercise price.

If the applicable award agreement so provides, upon certain events constituting a [change in control], as specified in the 2007 Plan, immediately prior to the occurrence of the change in control all restricted stock units, options and stock appreciation rights subject to the award will become immediately exercisable, the expiration of the restrictions applicable to any restricted stock grant made under the award shall immediately be accelerated, and such other results shall take place with respect to other awards as may be set forth in the relevant award agreement.

To the extent permitted by law, the Board of Directors, without the consent or approval of any plan participant, may amend, suspend or terminate the 2007 Plan, so long as that action does not adversely affect the rights of any holder under any award then outstanding. Without the approval of the stockholders, however, in general the Board of Directors may not amend the 2007 Plan to increase the number of shares available for issuance or to modify the requirements regarding eligibility in the 2007 Plan. No Awards will be granted under the 2007 Stock and Incentive Plan after the tenth anniversary of its effective date.

Section 162(m) of the Internal Revenue Code generally disallows public companies from deducting compensation to covered employees in excess of \$1 million in any tax year beginning on or after January 1, 1994.

Compensation that qualifies as “performance-based compensation” is excluded from the \$1 million deductibility cap, and therefore remains fully deductible by the company that pays it. We intend that options granted to

employees whom the committee expects to be covered employees at the time a deduction arises in connection with options, will qualify as such “performance-based compensation,” so that options will not be subject to the Section 162(m) deductibility cap of \$1 million. Future changes in Section 162(m) or the regulations thereunder may adversely affect our ability to ensure that options under the Plan will qualify as “performance-based compensation” that is fully deductible by us under Section 162(m).

The information set forth above is a summary only and does not purport to be complete. In addition, the information is based upon current federal income tax rules and therefore is subject to change when those rules change. Moreover, because the tax consequences to any recipient may depend on his particular situation, each recipient should consult his tax adviser as to the federal, state, local and other tax consequences of the grant or exercise of an award or the disposition of our common stock acquired as a result of an award.

In order to continue our program of equity-based incentive compensation to attract and retain the personnel necessary for our success and to provide more flexibility to the Compensation Committee, our Board has approved the Amendment and recommends approval by our stockholders.

Equity Compensation Plan Information

Information about the 2007 Plan is set forth in the section Equity-Based Compensation above.

The following table summarizes the options and restricted stock granted under the 2007 Plan as well as options granted outside the Plan as of December 31, 2007. REPORT OF THE AUDIT COMMITTEE TO THE BOARD

The Audit Committee of the Board is responsible for providing oversight of our accounting and financial reporting functions. The Board appoints the Audit Committee and its chairman annually, with the committee consisting of at least three directors.

The Audit Committee received the written disclosures and the letter from Marcum & Kliegman, LLP, the Company's independent registered public accounting firm, that are required by the Independence Standards Board Standard No. 1 (Independence Standards Board Standard No. 1, *Independence Discussions with Audit Committees*), as adopted by the Public Company Accounting Oversight Board in Rule 3600T. The disclosures described the relationships and fee arrangements between the firm and the Company. Consistent with Independence Standards Board Standard No. 1 and the rules and regulations of the SEC, the Audit Committee considered whether the provision of non-audit services by the independent registered public accounting firm to the Company for the fiscal year ended December 31, 2007 is compatible with maintaining Marcum & Kliegman, LLP's independence and has discussed with Marcum & Kliegman, LLP the firm's independence from the Company.

Management is responsible for the Company's financial reporting process including its system of internal controls, and for the preparation of the consolidated financial statements in accordance with generally accepted accounting principles. The Company's independent registered public accounting firm is responsible for auditing those financial statements and issuing a report thereon.

The Audit Committee reviewed and discussed with the Company's independent registered public accounting firm the matters required to be discussed by the Statement on Auditing Standards No. 61, as amended (AICPA, *Professional Standards*, Vo. 1 AU Section 380), as adopted by the Public Company Accounting Oversight Board in Rule 3200T. The Audit Committee reviewed and discussed with management and the Company's independent registered public accounting firm, the audited financial statements of the Company for the year ended December 31, 2007.

Based on the above-mentioned reviews and discussions with management and the Company's independent registered public accounting firm, the Audit Committee, exercising its business judgment, recommended to the Board that the Company's audited financial statements be included in the Annual Report on Form 10-K for the year ended December 31, 2007, for filing with the SEC.

This report is submitted on behalf of the members of the Audit Committee:

Richard Cohen, Chairman
Winston Churchill
Peter F. Drake

Notwithstanding anything to the contrary set forth in any of our previous filings under the Securities Act of 1933, or the Securities Exchange Act of 1934, that might incorporate future filings, including this Proxy Statement, in whole or in part, the foregoing Report of the Audit Committee shall not be incorporated by reference into any such filings.

PRINCIPAL INDEPENDENT ACCOUNTANT FEES AND SERVICES

The Board of Directors has reviewed the following audit and non-audit fees that we paid to Marcum & Kliegman, LLP for purposes of considering whether such fees are compatible with maintaining the auditor's independence. The policy of the Board of Directors is to pre-approve all audit and non-audit services performed by its independent public accountants before the services are performed.

	2007	2006
Audit Fees	\$ 685,000	\$ 457,000
Audit Related Fees ⁽¹⁾	110,000	--
Tax Fees ⁽²⁾	34,000	21,000
	\$ 829,000	\$ 478,000

- (1) Audit services in connection with accounting consultations and internal control reviews.
- (2) Consists primarily of tax compliance and planning.

PRINCIPAL INDEPENDENT ACCOUNTANTS

Effective on August 14, 2008 (the "Effective Date"), we dismissed Marcum & Kliegman LLP ("MK") from serving as our independent accountants and engaged KPMG LLP as our new independent accountants. Our Audit Committee unanimously approved and authorized the change, directed the process of review of candidate firms to replace MK and made the final decision to engage KPMG LLP.

The reports of MK on our financial statements for the years ended December 31, 2006 and 2007 contained no adverse opinion or disclaimer of opinion and were not qualified or modified as to uncertainty, audit scope or accounting principle. In connection with its audits of the years ended December 31, 2006 and 2007 and reviews of our financial statements as of June 30, 2008 and through the Effective Date, there were no disagreements with MK on any matter of accounting principles or practices, financial statement disclosure, or auditing scope or procedure, which disagreements, if not resolved to the satisfaction of MK, would have caused them to make reference thereto in their reports on the financial statements.

During the two most recent fiscal years and through the Effective Date, we have not consulted with KPMG LLP on any matter that (i) involved the application of accounting principles to a specified transaction, either completed or proposed, or the type of audit opinion that might be rendered on our financial statements, in each case where a written report was provided or oral advice was provided that KPMG LLP concluded was an important factor considered by us in reaching a decision as to the accounting, auditing or financial reporting issue; or (ii) was either the subject of a disagreement, as that term is defined in Item 304(a)(1)(iv) of Regulation S-K and the related instructions to Item 304 of Regulation S-K, or a reportable event, as that term is defined in Item 304(a)(1)(v) of Regulation S-K.

A representative of KPMG LLP will be available at the Meeting to respond to stockholder questions.

Householding

The SEC's rules permit companies and intermediaries such as brokers to satisfy delivery requirements for proxy statements and annual reports with respect to two or more stockholders sharing the same address by delivering a single proxy statement and annual report addressed to those stockholders. This process, which is commonly referred to as householding, potentially provides extra convenience for stockholders and cost savings for companies. Some brokers household proxy materials and annual reports, delivering a single proxy statement and annual report to multiple stockholders sharing an address, although each stockholder will receive a separate proxy card. Once you have received notice from your broker that they will be householding materials to your address, householding will continue until you are notified otherwise or until you revoke your consent. If at any time you no longer wish to participate in householding and would prefer to receive a separate proxy statement and annual report,

please notify your broker. If you would like to receive a separate copy of this year's Proxy Statement or Annual Report from us directly, please contact us by:
