- (1) The debt securities registered hereby will be offered from time to time on a delayed basis pursuant to Rule 415 under the Securities Act. The registrant will determine the proposed maximum offering price per security as the debt securities registered hereunder are offered and sold. The proposed maximum aggregate offering price of the debt securities being registered hereby as set forth herein has been estimated solely for the purpose of calculating the registration fee pursuant to Rule 457(o) under the Securities Act.
- (2) The registrant previously paid a registration fee of \$1,500,000 in connection with a registration statement on Form S-3 that the registrant and several co-registrants, all of which are wholly-owned subsidiaries of the registrant, initially filed on July 6, 2001 (Registration No. 333-64740). \$500,000,000 of debt securities registered by means of that registration statement have not been issued. Pursuant to Rule 457(p) under the Securities Act, the registrant is offsetting \$125,000 of the registration fee related to unissued debt securities registered pursuant to that registration statement against the registration fee of \$920,000 to be paid in connection with this registration statement, leaving a balance of \$795,000 to be paid in connection with this registration statement.

The registrant hereby amends this registration statement on such date or dates as may be necessary to delay its effective date until the registrant shall file a further amendment which specifically states that this registration statement shall thereafter become effective in accordance with Section 8(a) of the Securities Act of 1933 or until the registration statement shall become effective on such date as the Commission, acting pursuant to said Section 8(a), may determine.

Table of Contents**RATIO OF EARNINGS TO FIXED CHARGES**

The following table sets forth the ratio of our earnings to fixed charges, for the periods indicated:

Year Ended January 31,					Nine Months Ended October 31,	
1998	1999	2000	2001	2002	2001	2002
5.33x	6.24x	6.76x	5.54x	5.56x	5.13x	6.25x

For the purpose of computing our ratios of earnings to fixed charges, we have defined earnings to mean our earnings before income taxes and fixed charges, excluding capitalized interest and earnings attributable to minority interests owned by others in our subsidiaries.

We have defined fixed charges to mean:

- the interest that we pay; plus
- the capitalized interest that we show on our accounting records; plus
- amortized premiums, discounts and capitalized expenses related to indebtedness; plus
- the portion of the rental expense for real and personal property that we believe represents the interest factor in those rentals.

Our fixed charges do not include any dividend requirements with respect to preferred stock because we do not have any shares of preferred stock outstanding.

USE OF PROCEEDS

Except as we otherwise specifically described in the applicable prospectus supplement, we will use the net proceeds from the sale of the debt securities:

- to repay the short-term borrowings that we have incurred for corporate purposes, including to finance capital expenditures such as the purchase of land and construction of stores and other facilities;
- to finance acquisitions;
- to repay long-term debt as it matures or to refinance debt of our subsidiaries;
- to repay short-term borrowings that we have incurred to acquire other companies and assets;
- to repay short-term borrowings that we have incurred to acquire our common stock pursuant to our share repurchase program; and
- to meet our other general working capital requirements.

Before we apply the net proceeds to one or more of these uses, we may invest those net proceeds in short-term marketable securities.

We may also incur from time to time additional debt other than through the offering of debt securities under this prospectus.

Table of Contents

DESCRIPTION OF THE DEBT SECURITIES

We will issue the debt securities in one or more series under an indenture, dated as of December 11, 2002, between us and Bank One Trust Company, NA, as the indenture trustee.

The indenture is a contract between us and the trustee. The trustee has two main roles. First, the trustee can enforce your rights against us if an event of default, as that term is described below, occurs under the indenture in relation to debt securities we have issued. Second, the trustee performs certain administrative duties for us.

We have summarized below material provisions of the debt securities that we will offer and sell pursuant to this prospectus and material provisions of the indenture. However, you should understand that this is only a summary. We have not described all of the provisions of the indenture. We have filed the indenture with the SEC, and we suggest that you read the indenture. We are incorporating by reference the provisions of the indenture referred to by section numbers and summarized below. The following summary is qualified in its entirety by those provisions of the indenture.

We will describe the particular terms and conditions of a particular series of debt securities offered in a prospectus supplement relating to the offer of that series of debt securities. The prospectus supplement, which we will file with the SEC, may or may not modify the general terms found in this prospectus. For a complete description of any series of debt securities offered pursuant to this prospectus, you should read both this prospectus and the prospectus supplement relating to that series of debt securities.

General

As a holder of the debt securities issued under the indenture, you will be one of our unsecured creditors and will have a right to payment equal to that of our other unsecured creditors.

The debt securities offered by this prospectus will be limited to a total of \$10,000,000,000, which will include the equivalent amount of any debt securities that we issue that are denominated in any non-U.S. currency. The indenture, however, does not limit the amount of debt securities that may be issued under it and provides that debt securities may be issued under it from time to time in one or more series.

With respect to each particular series of debt securities that we offer by this prospectus, the prospectus supplement will describe the following terms of each series of debt securities:

- the title of the series;
- the maximum aggregate principal amount, if any, established for debt securities of the series;
- the maximum aggregate initial public offering price, if any, established for the debt securities of the series;
- the date or dates on which the principal will be paid;
- the conditions pursuant to which and the times at which any premium on the debt securities of the series will be paid;
- the annual rate or rates, if any, which may be fixed or variable, at which the debt securities of the series shall bear interest, or the method or methods by which the rate or rates, if any, at which the debt securities of the series shall bear interest may be determined;
- the date or dates from which interest, if any, shall accrue;
- the dates on which any accrued interest shall be payable and the record dates for the interest payment dates;
- the percentage of the principal amount at which the debt securities of the series will be issued, and if less than face amount, the portion of the principal amount that will be payable upon acceleration

of those debt securities maturity or at the time of any prepayment of those debt securities or the method for determining that amount;

- if we may prepay the debt securities of the series in whole or part, the terms of our prepayment right, the time or times at which any such prepayment may be made, whether the prepayment may be made in whole or may be made in part from time to time and the terms and conditions on which such prepayment may be made, including the obligation to pay any premium or any other make-whole amount in connection with any prepayment;
- the offices or agencies where the debt securities of the series may be presented for registration of transfer or exchange;
- the place or places where the principal of, premium, if any, and interest, if any, on debt securities of the series will be paid;
- if we will have the right to redeem or repurchase the debt securities of the series, in whole or in part, at our option, the terms of our redemption or repurchase right, when those redemptions or repurchases may be made, the redemption or repurchase price or the method or methods for determining the redemption or repurchase price, and any other terms and conditions relating to any such redemption or repurchase by us;
- if we will be obligated to redeem or repurchase the debt securities of the series in whole or part at any time pursuant to any sinking fund or analogous provisions or without the benefit of any sinking fund or analogous provisions, the terms of our redemption or repurchase obligation, including when and at whose option we will be obligated to redeem or repurchase the debt securities of the series, and the redemption or repurchase price or the method for determining the redemption or repurchase price;
- if the debt securities of the series will be convertible into or exchangeable for any other of our securities, the terms of the conversion or exchange rights, including when the conversion or exchange right may be exercised, the conversion or exchange price or the ratio or ratios or method of determining the conversion or exchange price or ratios and any other terms and conditions, including anti-dilution terms, upon which conversion or exchange may occur;
- if other than denominations of \$1,000 and any integral multiple thereof, the denominations in which we will issue debt securities of the series;
- the currency in which we will pay principal, any premium, interest or other amounts owing with respect to the debt securities of the series, which may be U.S. dollars, a foreign currency or a composite currency;
- any index, formula or other method that we must use to determine the amount of any payment of principal, any premium or interest on the debt securities of the series;
- if we are required to pay any additional amounts, the terms of our obligation to pay additional amounts and under what conditions we will be required to pay such amounts;
- whether the debt securities of the series will be issued in certificated or book-entry form;
- any addition to, or change in, the events of default with respect to, or covenants relating to, the debt securities in the series;
- whether the debt securities of the series will be subject to defeasance as provided in the indenture; and
- any other specific terms and conditions of the series of debt securities.

(Section 3.01)

If we sell any series of debt securities for, that we may pay in, or that are denominated in, one or more foreign currencies, currency units or composite currencies, we will disclose any material applicable restrictions,

Table of Contents

elections, tax consequences, specific terms and other information with respect to that series of debt securities and the relevant currencies, currency units or composite currencies in the prospectus supplement relating to that series.

We may offer and sell series of the debt securities as original issue discount securities, bearing no interest or interest at a rate that at the time of issuance is below market rates, or at a substantial discount below their stated principal amount. We will describe the income tax consequences and other special considerations applicable to any original issue discount securities of that kind described in the prospectus supplement relating to that series.

Conversion or Exchange Rights

Debt securities offered by this prospectus may be convertible into or exchangeable for other securities, including, for example, shares of our equity securities. We will describe the terms and conditions of conversion or exchange in the applicable prospectus supplement. The terms and conditions will include, among others, the following:

- the conversion or exchange price or prices or the ratio or ratios or method of determining the conversion or exchange prices or ratios;
- the conversion or exchange period;
- provisions regarding our ability or the ability of the holder to convert or exchange the debt securities;
- events requiring adjustment to the conversion or exchange price; and
- provisions affecting conversion or exchange in the event of our redemption of the debt securities.

Events of Default and Waiver

An event of default with respect to debt securities of a series issued will occur if:

- we fail to pay interest on any outstanding debt securities of that series when it is due and payable and that failure continues for 30 days;
- we fail to pay principal of, or premium, if any, on any outstanding debt securities of that series when it is due and payable;
- we fail to perform or we breach any covenant or warranty in the indenture with respect to any outstanding debt securities of that series and that failure continues for 90 days after we receive written notice of that default;
- certain events of bankruptcy, insolvency or reorganization occur with respect to us; or
- any other event occurs that is designated as an event of default with respect to the particular series of debt securities when that particular series of debt securities is established.

(Section 7.01)

An event of default with respect to a particular series of debt securities issued under the indenture does not necessarily constitute an event of default with respect to any other series of debt securities issued under the indenture. If an event of default with respect to any series of outstanding debt securities occurs and is continuing, the trustee or the holders of not less than 25% in aggregate principal amount of the outstanding debt securities of that series may declare the principal amount of the outstanding debt securities of that series to be immediately due and payable. (Section 7.02) The holders of a majority in aggregate principal amount of the outstanding debt securities of a series may waive an event of default resulting in acceleration of the debt securities of that series and rescind and annul that acceleration, but only if all other events of default with respect to the debt securities of that series have been remedied or waived and all payments due with respect to the debt securities of that series, other than those due as a result of acceleration, have been made. (Section 7.02) If an event of default occurs and is

Table of Contents

continuing with respect to the debt securities of a series, the trustee may, in its discretion, and will, at the written request of holders of not less than a majority in aggregate principal amount of the outstanding debt securities of that series and upon reasonable indemnity against the costs, expenses and liabilities to be incurred in compliance with such request and subject to certain other conditions set forth in the indenture, proceed to protect the rights of the holders of the debt securities of that series. (Section 7.03; Section 7.12) The holders of a majority in aggregate principal amount of the debt securities of that series may waive any past default under the indenture and its consequences except a default in the payment of principal of, premium, if any, or interest on, those debt securities and any covenant or provision of the indenture that cannot be waived without the consent of each holder of debt securities of that series. Upon such a waiver, the default and any event of default arising out of the default will be deemed cured for all purposes of the debt securities of that series. (Section 7.13)

The indenture provides that upon the occurrence of an event of default described in the first two bullet points in the first paragraph under Events of Default and Waiver with respect to debt securities of a series, we will, upon the trustee's demand, pay to the trustee for the benefit of the holders of the outstanding debt securities of that series, the whole amount then due and payable on the debt securities of that series for principal, premium, if any, and interest. The indenture also provides that if we fail to pay such amount forthwith upon such demand, the trustee may, among other things, institute a judicial proceeding for the collection of those amounts. (Section 7.03)

The indenture also provides that, notwithstanding any other provision of the indenture, the holder of any debt securities of a series will have the right to institute suit for the enforcement of any payment of principal of, and interest on, the debt securities of that series or any redemption price or repurchase price when due and that that right will not be impaired without the consent of that holder. (Section 7.08)

The trustee is required, within 90 days after the occurrence of a default with respect to the debt securities of a series, to give to the holders of the debt securities of that series notice of all uncured defaults known to it. However, except in the case of default in the payment of principal or interest on any of the debt securities of that series, the trustee will be protected in withholding that notice if the trustee in good faith determines that the withholding of that notice is in the interest of the holders of the debt securities of that series. The term default, for the purpose of this provision only, means the occurrence of any event that is or would become, after notice or the passage of time or both, an event of default with respect to that series. (Section 8.02)

We are required to file annually with the trustee a written statement as to the existence or non-existence of defaults under the indenture or any series of debt securities. (Section 5.05)

Legal Defeasance and Covenant Defeasance

We may, at our option and at any time, elect to have all of the obligations discharged with respect to the outstanding debt securities or as to any series thereof, except for:

- the rights of holders of debt securities to receive payments of principal and interest from the trust referred to below when those payments are due;
- our obligations respecting the debt securities concerning issuing temporary notes, registration of transfers of debt securities, mutilated, destroyed, lost or stolen debt securities, the maintenance of an office or agency for payment and money for debt security payments being held in trust;
- the rights, powers, trusts, duties and immunities of the trustee and our obligations in connection therewith; and
- the provisions of the indenture relating to such a discharge of obligations.

We refer to a discharge of this type as defeasance. (Section 11.02)

In addition, other than our covenant to pay the amounts due and owing with respect to a series of debt securities, we may elect to have our obligations as the issuer of a series of debt securities released with respect to covenants relating to that series of debt securities. Thereafter, any failure to comply with those obligations will not constitute a default or event of default with respect to the debt securities of that series. If such a release of our

Table of Contents

covenants occurs, our failure to perform or our breach of the covenants or warranties defeased will no longer constitute an event of default with respect to those debt securities. (Section 11.03)

To exercise either of the rights we describe above, certain conditions must be met, including:

- we must irrevocably deposit with the trustee, in trust for the debt security holders benefit, moneys in the currency in which the securities are denominated, securities issued by a government, governmental agency or central bank of the country in whose currency the securities are denominated, or a combination of cash and such securities, in amounts sufficient to pay the principal of and interest on all of the then outstanding debt securities to be affected by the defeasance at their stated maturity;
- the trustee must receive an opinion of counsel confirming that the holders of the outstanding debt securities will not recognize income, gain or loss for U.S. federal income tax purposes as a result of that defeasance and will be subject to U.S. federal income tax on the same amounts, in the same manner and at the same times as would have been the case if that defeasance had not occurred, which opinion, only in the case of the type of defeasance described first above, will be based on a ruling of the Internal Revenue Service or a change in federal income tax law to that effect occurring after the date of the indenture;
- no default or event of default exists on the date of such deposit, subject to certain exceptions; and
- the trustee must receive an opinion of counsel to the effect that, after the 91st day following the deposit, the trust funds will not be part of any estate formed by the bankruptcy or reorganization of the party depositing those funds with the trustee or subject to the automatic stay under the United States Bankruptcy Code or, in the case of covenant defeasance, will be subject to a first priority lien in favor of the trustee for the benefit of the holders.

(Section 11.04)

Satisfaction and Discharge

If we so request, the indenture will cease to be of further effect, other than as to certain rights of registration of transfer or exchange of the notes, as provided for in the indenture, and the trustee, at our expense, will execute proper instruments acknowledging satisfaction and discharge of the indenture and the debt securities when:

- either all the debt securities previously authenticated and delivered under the indenture, other than destroyed, lost or stolen securities that have been replaced or paid and notes that have been subject to defeasance, have been delivered to the trustee for cancellation; or
- all of the securities issued under the indenture not previously delivered to the trustee for cancellation have become due and payable, will become due and payable at their stated maturity within 60 days or will become due and payable at redemption within 60 days under arrangements satisfactory to the trustee for the giving of notice of redemption by the trustee in our name and expense; and
- in each of the foregoing cases, we have irrevocably deposited or caused to be deposited with the trustee cash in U.S. dollars, certain United States government securities or a combination thereof, in trust for the purpose and in an amount sufficient to pay and discharge the entire indebtedness arising under the debt securities issued pursuant to the indenture not previously delivered to the trustee for cancellation, for principal and premium, if any, on and interest on these securities to the date of such deposit (in the case of notes that have become due and payable) or to the stated maturity of these securities or redemption date, as the case may be; and
- we have paid or caused to be paid all sums payable under the indenture by us; and
- no default or event of default then exists; and
- we have delivered to the trustee an officers certificate and an opinion of counsel, each stating that all conditions precedent provided in the indenture relating to the satisfaction and discharge of the indenture and the securities issued under the indenture have been complied with.

(Section 11.08)

Modification of the Indenture

The indenture provides that, with the consent of the holders of not less than a majority in aggregate principal amount of the outstanding debt securities of each affected series, modifications and alterations of the indenture may be made which affect the rights of the holders of such debt securities. However, no such modification or alteration may be made without the consent of the holder of each debt security affected if the modification or alteration would, among other things:

change the maturity of the principal of, or of any installment of interest on, any such debt security, or reduce the principal amount of any such debt security, or change the method of calculation of interest or the currency of payment of principal or interest on, or reduce the minimum rate of interest thereon, or impair the right to institute suit for the enforcement of any such payment on or with respect to any such debt security, or

reduce the above-stated percentage in principal amount of outstanding debt securities required to modify or alter the indenture.

(Section 9.02)

The trustee and we, without the consent of the holders of the debt securities, may execute a supplemental indenture to, among other things:

evidence the succession of another corporation to us and the successor's assumption to our respective covenants with respect to the debt securities and the indenture;

add to our covenants further restrictions or conditions that our board of directors and the trustee consider to be for the protection of holders of all or any series of the debt securities and to make the occurrence of a default in any of those additional covenants, restrictions or conditions a default or an event of default under the indenture subject to certain limitations;

cure ambiguities or correct or supplement any provision contained in the indenture or any supplemental indenture that may be defective or inconsistent with another provision;

add additional events of default with respect to all or any series of the debt securities;

add to, change or eliminate any provision of the indenture provided that the addition, change or elimination will not affect any outstanding debt securities;

provide for the issuance of debt securities whether or not then outstanding under the indenture in coupon form and to provide for exchangeability of the coupon form securities with other debt securities issued under the indenture in fully registered form;

establish new series of debt securities and the form or terms of such series of debt securities and to provide for the issuance of securities of any series so established; and

evidence and provide for the acceptance of appointment of a successor trustee and to change the indenture as necessary to have more than one trustee under the indenture.

(Section 9.01)

Amalgamation, Consolidation, Merger or Sale of Assets

The indenture provides that we may, without the consent of the holders of any of the outstanding debt securities of any series, amalgamate, consolidate with, merge into or transfer our assets substantially as an entirety to any person, provided that:

any successor to us assumes our obligations on the debt securities and under the indenture;

Table of Contents

any successor to us must be an entity incorporated or organized under the laws of the United States;

after giving effect thereto, no event of default, as defined in the indenture, shall have occurred and be continuing; and

certain other conditions under the indenture are met.

Any such amalgamation, consolidation, merger or transfer of assets substantially as an entirety that meets the conditions described above would not constitute a default or event of default that would entitle holders of the debt securities or the trustee, on their behalf, to take any of the actions described above under Events of Default and Waiver. (Section 10.01; Section 10.02)

No Limitations on Additional Debt and Liens

The indenture does not contain any covenants or other provisions that would limit our right to incur additional indebtedness, enter into any sale and leaseback transaction or grant liens on our assets.

The Indenture Trustee

Bank One Trust Company, NA is the trustee under the indenture governing the debt securities and will also be the registrar and paying agent for each series of debt securities unless otherwise noted in the prospectus supplement. The trustee is a national banking association with its principal offices in Chicago, Illinois.

The trustee has two main roles under the indenture. First, the trustee can enforce your rights against us if any of the actions described above under Events of Default and Waiver occurs. Second, the trustee performs certain administrative duties related to the debt securities for us. The trustee is entitled, subject to the duty of the trustee during a default to act with the required standard of care, to be indemnified by the holders of the debt securities before proceeding to exercise any right or power under the indenture at the request of those holders. The indenture provides that the holders of a majority in principal amount of the debt securities may direct, with regard to that series, the time, method and place of conducting any proceeding for any remedy available to the trustee, or exercising any trust or power conferred on the trustee, with respect to the debt securities, although the trustee may decline to act if that direction is contrary to law or if the trustee determines in good faith that the proceeding so directed would be illegal or would result in personal liability to it.

Bank One Trust Company, NA also serves as trustee under an indenture, dated as of July 5, 2001, between it, us and three of our finance subsidiaries. As of September 30, 2002, we had issued a total of \$5.50 billion of our senior unsecured securities under that indenture. Bank One Trust Company, NA also serves as trustee under an indenture, dated as of April 1, 1991, between it and us, as supplemented through the date of this prospectus. As of May 31, 2001, we had issued a total of \$17.46 billion of our senior unsecured securities under that indenture. Bank One Trust Company, NA also serves as trustee under an indenture, dated as of December 1, 1986, covering secured bonds issued in the aggregate principal amount of \$137,082,000 by the owner trustees of approximately 24 SAM S Clubs store properties that are leased to one of our subsidiaries. Bank One Leasing Corporation, an affiliate of Bank One Trust Company, NA, established a business trust that purchased 15 Wal-Mart discount stores for \$53,661,785 and leased the stores back to us for an initial term of 20 years in a transaction consummated on December 22, 1992. On November 10, 1994, a second business trust of which Bank One Leasing Corporation is a beneficiary purchased an additional 23 Wal-Mart discount stores for \$128,842,500 and leased the stores back to us for an initial term of 20 years. Bank One Trust Company, NA also serves as trustee under an indenture, dated as of April 27, 2001, between Wal-Mart Canada Venture Corp., one of our subsidiaries, us, as guarantor, and it. On April 27, 2001, Wal-Mart Canada Venture Corp. issued a total of \$325,000,000 of its senior unsecured debt securities under that indenture, which debt securities we have guaranteed.

We expect to maintain banking relationships in the ordinary course of business with Bank One, NA, an affiliate of Bank One Trust Company, NA.

TAX CONSEQUENCES TO HOLDERS

A prospectus supplement may describe the principal U.S. federal income tax consequences of acquiring, owning and disposing of debt securities of some series in certain circumstances, including the following:

- payment of the principal, interest and any premium in a currency other than the U. S. dollar;
- the issuance of any debt securities with original issue discount, as defined for U.S. federal income tax purposes;
- the issuance of any debt securities with an associated bond premium, as defined for U.S. federal income tax purposes; and
- the inclusion of any special terms in debt securities that may have a material effect for U.S. federal income tax purposes.

In addition, if the tax laws of foreign countries are material to a particular series of debt securities, a prospectus supplement may describe the principal income tax consequences of acquiring, owning and disposing of debt securities of some series in similar circumstances under those foreign tax laws.

- through a combination of any of those methods of sale.

We may effect the distribution of the debt securities from time to time in one or more transactions either:

The dealer, who may be deemed to be an underwriter, as that term is defined in the Securities Act of 1933, may then resell those debt securities to the public at varying prices to be determined by that dealer at the time of resale.

If we use an underwriter or underwriters in the sales, we will execute an underwriting agreement with those underwriters at the time of sale of the debt securities, and the name of the underwriters will be set forth in the prospectus supplement, which will be used by the underwriters, along with this prospectus, to make resales of the

Underwriters, dealers, agents and other persons may be entitled, under agreements that may be entered into with us, to indemnification by us against certain civil liabilities, including liabilities under the Securities Act of 1933, or to our contributing to payments those underwriters, dealers, agents and other persons are required to make.

Underwriters, dealers and agents may engage in transactions with, or perform services for, us or any of our subsidiaries in the ordinary course of business.

LEGAL MATTERS

The validity of the debt securities offered by this prospectus and any prospectus supplement will be passed upon for us by Hughes & Luce, L.L.P., our counsel.

ITEM 15. INDEMNIFICATION OF DIRECTORS AND OFFICERS.

The By-Laws of Wal-Mart Stores, Inc., as amended to date, provide that each person who was or is made a party to, or is involved in, any action, suit or proceeding by reason of the fact that he or she was a director or officer of Wal-Mart Stores, Inc. (or was serving at the request of Wal-Mart Stores, Inc. as a director, officer, employee or agent for another entity) will be indemnified and held harmless by us to the full extent authorized by the Delaware General Corporation Law.

Section 145 of the Delaware General Corporation Law provides, among other things, that Wal-Mart Stores, Inc. may indemnify any person who was or is a party or is threatened to be made a party to any threatened, pending or completed action, suit or proceeding, whether civil, criminal, administrative or investigative (other than an action by or in the right of Wal-Mart Stores, Inc.) by reason of the fact that the person is or was a director, officer, employee or agent of Wal-Mart Stores, Inc., or is or was serving at the request of Wal-Mart Stores, Inc. as a director, officer, employee or agent of another corporation, partnership, joint venture, trust or other enterprise, against expenses (including attorneys' fees), judgments, fines and amounts paid in settlement actually and reasonably incurred by the person in connection with such action, suit or proceeding. This power to indemnify applies only if the person acted in good faith and in a manner the person reasonably believed to be in or not opposed to the best interests of Wal-Mart Stores, Inc. and, with respect to any criminal action or proceeding, had no reasonable cause to believe his or her conduct was unlawful.

This power to indemnify applies to actions brought by or in the right of Wal-Mart Stores, Inc. as well, but only to the extent of defense expenses (including attorney's fees but excluding amounts paid in settlement) actually and reasonably incurred and not to any satisfaction of a judgment or settlement of the claim itself, and with the further limitation that in such actions no indemnification shall be made in the event of any adjudication of liability to Wal-Mart Stores, Inc., unless the court believes that in light of all the circumstances indemnification should apply.

To the extent that a present or former director or officer of Wal-Mart Stores, Inc. is successful on the merits or otherwise in defense of any action, suit or proceeding, or in defense of any claim, issue or matter therein, such person shall be indemnified against expenses (including attorneys' fees) actually and reasonably incurred by such person in connection therewith.

The Restated Certificate of Incorporation of Wal-Mart Stores, Inc., as amended to date, provides that, to the fullest extent permitted by the Delaware General Corporation Law as the same exists or may hereafter be amended, a director of Wal-Mart Stores, Inc. shall not be liable to Wal-Mart Stores, Inc. or its stockholders for monetary

Table of Contents

damages for breach of fiduciary duty as a director. The Delaware General Corporation Law permits Delaware corporations to include in their certificates of incorporation a provision eliminating or limiting director liability for monetary damages arising from breaches of their fiduciary duty. The only limitations imposed under the statute are that the provision may not eliminate or limit a director's liability (i) for breaches of the director's duty of loyalty to the corporation or its stockholders, (ii) for acts or omissions not in good faith or involving intentional misconduct or known violations of law, (iii) for the payment of unlawful dividends or unlawful stock purchases or redemptions, or (iv) for transactions in which the director received an improper personal benefit.

Wal-Mart Stores, Inc. is insured against liabilities that it may incur by reason of its indemnification of officers and directors in accordance with its By-Laws. In addition, directors and officers are insured, at Wal-Mart Stores, Inc.'s expense, against certain liabilities that might arise out of their employment and are not subject to indemnification under its By-Laws.

The foregoing summaries are necessarily subject to the complete text of the statute, the Restated Certificate of Incorporation, as amended, the By-Laws and the agreements referred to above and are qualified in their entirety by reference thereto.

ITEM 17. UNDERTAKINGS.

(a) The undersigned registrant hereby undertakes:

(1) To file, during any period in which offers or sales are being made, a post-effective amendment to this registration statement:

(i) To include any prospectus required by Section 10(a)(3) of the Securities Act of 1933;

(ii) To reflect in the prospectus any facts or events arising after the effective date of the registration statement (or the most recent post-effective amendment thereof) which, individually or in the aggregate, represent a fundamental change in the information set forth in the registration statement. Notwithstanding the foregoing, any increase or decrease in volume of securities offered (if the total dollar amount of securities offered would not exceed that which was registered) and any deviation from the low or high end of the estimated offering range may be reflected in the form of a prospectus filed with the Commission pursuant to Rule 424(b) if, in the aggregate, the changes in volume and price represent no more than a 20 percent change in the maximum aggregate offering price set forth in the Calculation of Registration Fee table in the effective Registration Statement;

(iii) To include any material information with respect to the plan of distribution not previously disclosed in the registration statement or any material change to such information in the registration statement.

(2) That, for the purpose of determining any liability under the Securities Act of 1933, each such post-effective amendment shall be deemed to be a new registration statement relating to the securities offered therein, and the offering of such securities at the time shall be deemed to be the initial *bona fide* offering thereof.

(3) To remove from registration by means of a post-effective amendment any of the securities being registered which remain unsold at the termination of the offering.

(b) The undersigned registrant hereby undertakes that, for purposes of determining any liability under the Securities Act of 1933, each filing of the registrant's annual report pursuant to Section 13(a) or 15(d) of the Securities Exchange Act of 1934 (and, where applicable, each filing of an employee benefit plan's annual report pursuant to Section 15(d) of the Securities Exchange Act of 1934) that is incorporated by reference in the registration statement shall be deemed to be a new registration statement relating to the securities offered therein, and the offering of such securities at that time shall be deemed to be the initial *bona fide* offering thereof.

(c) Insofar as indemnification for liabilities arising under the Securities Act of 1933 may be permitted to directors, officers and controlling persons of the registrant pursuant to the foregoing provisions, or otherwise, the registrant has been advised that in the opinion of the Securities and Exchange Commission such indemnification is against public policy as expressed in the Act and is, therefore, unenforceable. In the event that a claim for indemnification against such liabilities (other than the payment by the registrant of expenses incurred or paid by a director, officer or controlling person of the registrant in the successful defense of any action, suit or proceeding) is asserted by such director, officer or controlling person in connection with the securities being registered, the registrant will, unless in the opinion of its counsel in the matter has been settled by controlling precedent, submit to a court of appropriate jurisdiction the question whether such indemnification by it is against public policy as expressed in the Act and will be governed by the final adjudication of such issue.
