Semi-Annual Report

June 30, 2003

THE INDIA FUND, INC.

THE INDIA FUND, INC.

August 1, 2003

DEAR FUND SHAREHOLDER,

We are pleased to present you with the unaudited financial statements of The India Fund, Inc. (the "Fund") for the six-month period ended June 30, 2003.

The Fund's net asset value (NAV) closed at \$14.21 on June 30, 2003, representing an increase of 11.71% during the six months ended on that date. The Fund outperformed its benchmark, the IFC Investable Index which gained 7.73% during the same period.

We believe that economically India will continue to thrive. We believe fiscal year 2004 gross domestic product will be driven by services and a rebound in agriculture aided by the strong start of the monsoon season. In our opinion, retail lending remains strong particularly in the housing sector and corporate lending has begun to show signs of revival especially in key sectors such as steel and textiles.

On behalf of the Board of Directors, we thank you for your participation and continued support of the Fund. If you have any questions, please do not hesitate to call our toll-free number, (800) 421-4777.

Sincerely,

/S/ BRYAN MCKIGNEY

Bryan McKigney
Chairman and President

CHANGE IN INVESTMENT POLICY

On April 30, 2002, the Board of Directors of the Fund approved a change to the Fund's investment policies in connection with new Rule 35d-1 under the Investment Company Act of 1940. Under normal conditions, the Fund will invest at least 80% of the value of its assets in equity securities of Indian Companies (as defined in the Fund's prospectus.) Previously, the Fund's investment policies stated that the Fund would invest at least 65% of the value of its assets in such securities. The Board also adopted a policy to provide the stockholders of the Fund with 60 days' notice of any change to the investment policy adopted if such notice is required by Rule 35d-1.

FUNDAMENTAL PERIODIC REPURCHASE POLICY

The Fund has adopted the following fundamental policy regarding periodic repurchases:

- a) The Fund will make offers to repurchase its shares at semi-annual intervals pursuant to Rule 23c-3 under the Investment Company Act of 1940, as amended from time to time ("Offers"). The Board of Directors may place such conditions and limitations on Offers as may be permitted under Rule 23c-3.
- b) 14 days prior to the last Friday of the Fund's first and third fiscal quarters, or the next business day if such Friday is not a business day, will be the deadline (the "Repurchase Request Deadline") by which the Fund must receive repurchase requests submitted by stockholders in response to the most recent Offer.
- c) The date on which the repurchase price for shares is to be determined (the "Repurchase Pricing Date") shall occur no later than the last Friday of the Fund's first and third fiscal quarters, or the next business day if such day is not a business day.
- d) Offers may be suspended or postponed under certain circumstances, as provided for in Rule 23c-3.

SHARE REPURCHASE PROGRAM

The Board of Directors of the Fund previously had authorized the Fund to repurchase from time to time in the open market up to 4,000,000 shares of the Fund's common stock at such times and in such amounts as management believed will enhance shareholders value, subject to review by the Fund's Board of Directors. During the year ended December 31, 2002, the Fund repurchased a total of 89,000 shares of its common stock. This repurchase program has been suspended by the Board of Directors since the Fund's stockholders approved an interval fund structure at the Annual Meeting of Stockholders held on April 23, 2003. (For details regarding shares repurchased by the Fund, see Note E to the Financial Statements.)

NOTES TO FINANCIAL STATEMENTS

NOTE A: SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

The India Fund, Inc. (the "Fund") was incorporated in Maryland on December 27, 1993, and commenced operations on February 23, 1994. The Fund operates through a branch in the Republic of Mauritius. The Fund is registered under the Investment Company Act of 1940, as amended, as a closed-end, non-diversified management investment company.

The preparation of financial statements in accordance with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts and disclosures in the financial statements. Actual results could differ from those estimates.

Edgar Filing: INDIA FUND INC - Form N-CSRS

SIGNIFICANT ACCOUNTING POLICIES ARE AS FOLLOWS:

PORTFOLIO VALUATION. Investments are stated at value in the accompanying financial statements. All securities for which market quotations are readily available are valued at:

- (i) the last sales price prior to the time of determination, if there was a sale on the date of determination,
- (ii) at the mean between the last current bid and asked prices, if there was no sales price on such date and bid and asked quotations are available, and
- (iii) at the bid price if there was no sales price on such date and only bid quotations are available.

Securities that are traded over-the-counter are valued, if bid and asked quotations are available, at the mean between the current bid and asked prices. Securities for which sales prices and bid and asked quotations are not available on the date of determination may be valued at the most recently available prices or quotations under policies adopted by the Board of Directors. Investments in short-term debt securities having a maturity of 60 days or less are valued at amortized cost which approximates market value. Securities for which market values are not readily ascertainable, which totaled \$658,804 (0.17% of net assets) at June 30, 2003, are carried at fair value as determined in good faith by or under the supervision of the Board of Directors. The net asset value per share of the Fund is calculated weekly and at the end of each month.

INVESTMENT TRANSACTIONS AND INVESTMENT INCOME. Investment transactions are accounted for on the trade date. The cost of investments sold is determined by use of the specific identification method for both financial reporting and income tax reporting purposes. Interest income is recorded on the accrual basis; dividend income is recorded on the ex-dividend date or, using reasonable diligence, when known. The collectibility of income receivable from Indian securities is evaluated periodically, and any resulting allowances for uncollectible amounts are reflected currently in the determination of investment income.

NOTES TO FINANCIAL STATEMENTS (CONTINUED)

At December 31, 2002, the Fund had a capital loss carryover of \$76,658,179 which is available to offset future net realized gains on securities transactions to the extent provided for in the Internal Revenue Code. Of the aggregate capital losses, \$9,970,780 will expire in 2005, \$34,828,858 will expire in 2006, \$20,935,877 will expire in 2009 and \$10,922,664 will expire in 2010.

Edgar Filing: INDIA FUND INC - Form N-CSRS

The Fund's realized capital losses incurred after October 31, 2002, but before December 31, 2002, are deemed to arise on the first business day of the following year. The Fund incurred and elected to defer such realized capital losses of \$3,018,507.

FOREIGN CURRENCY TRANSLATION. The books and records of the Fund are maintained in U.S. dollars. Foreign currency amounts are translated into U.S. dollars on the following basis:

- (i) market value of investment securities, assets and liabilities at the prevailing rates of exchange on the valuation date; and
- (ii) purchases and sales of investment securities and investment income at the relevant rates of exchange prevailing on the respective dates of such transactions.

The Fund generally does not isolate the effect of fluctuations in foreign exchange rates from the effect of fluctuations in the market prices of securities. However, the Fund does isolate the effect of fluctuations in foreign currency rates when determining the gain or loss upon the sale of foreign currency denominated debt obligations pursuant to U.S. Federal income tax regulations; such amounts are categorized as foreign currency gains or losses for federal income tax purposes. The Fund reports certain realized foreign exchange gains and losses as components of realized gains and losses for financial reporting purposes, whereas such amounts are treated as ordinary income for Federal income tax reporting purposes.

Securities denominated in currencies other than U.S. dollars are subject to changes in value due to fluctuations in foreign exchange. Foreign security and currency transactions may involve certain considerations and risks not typically associated with those of domestic origin as a result of, among other factors, the level of governmental supervision and regulation of foreign securities markets and the possibility of political or economic instability, and the fact that foreign securities markets may be smaller and have less developed and less reliable settlement and share registration procedures.

DISTRIBUTION OF INCOME AND GAINS. The Fund intends to distribute annually to shareholders, substantially all of its net investment income, including foreign currency gains, and to distribute annually any net realized gains after the utilization of available capital loss carryovers. An additional distribution may be made to the extent necessary to avoid payment of a 4% Federal excise tax.

NOTES TO FINANCIAL STATEMENTS (CONTINUED)

Distributions to shareholders are recorded on the ex-dividend date. The amount of dividends and distributions from net investment income and net realized gains are determined in accordance with Federal income tax regulations, which may differ from accounting principles generally accepted in the United States of America. These "book/tax" differences are either considered temporary or permanent in nature. To the extent these differences are permanent in nature, such amounts are reclassified within the capital accounts based on their Federal tax-basis treatment; temporary differences do not require reclassification. Dividends and distributions which exceed net investment income and net realized

Edgar Filing: INDIA FUND INC - Form N-CSRS

capital gains for financial reporting purposes but not for tax purposes are reported as dividends in excess of net investment income and net realized capital gains. To the extent they exceed net investment income and net realized gains for tax purposes, they are reported as distributions of additional paid-in capital.

During the period ended December 31, 2002, the Fund reclassified \$137,200 from accumulated net realized loss on investments to overdistribution of net investment income as a result of permanent book and tax differences relating primarily to realized foreign currency losses. Net investment income and net assets were not affected by the reclassifications.

NOTE B: MANAGEMENT, INVESTMENT ADVISORY AND ADMINISTRATIVE SERVICES

Advantage Advisers, Inc. ("Advantage"), a subsidiary of Oppenheimer Asset Management Inc. and an affiliate of Fahnestock & Co. Inc. ("Fahnestock"), serves as the Fund's Investment Manager (the "Investment Manager") under the terms of a management agreement dated June 5, 2003 (the "Management Agreement"). Imperial Investment Advisors Private Limited ("Imperial"), an Indian company and subsidiary of Fahnestock and Advantage India, Inc., serves as the Fund's Country Adviser (the "Country Adviser") under the terms of an advisory agreement dated June 5, 2003 (the "Country Advisory Agreement"). From August 1, 2001 to April 30, 2002, Advantage India, Inc. served as the Fund's Country Adviser under similar terms. Pursuant to the Management Agreement, the Investment Manager supervises the Fund's investment program and is responsible on a day-to-day basis for investing the Fund's portfolio in accordance with its investment objective and policies. Pursuant to the Country Advisory Agreement, the Country Adviser provides statistical and factual information and research regarding economic, political factors and investment opportunities in India to the Investment Manager. For their services, the Investment Manager receives monthly fees at an annual rate of 1.10% of the Fund's average weekly net assets and the Country Adviser receives from the Investment Manager a fee to be agreed upon by the Investment Manager and the Country Adviser from time to time. For the six months ended June 30, 2003, fees earned by the Investment Manager amounted to \$1,852,824.

Fahnestock, a registered investment advisor and an indirect wholly-owned subsidiary of Fahnestock Viner Holdings Inc. ("FVH"), serves as the Fund's Administrator (the "Administrator") pursuant to an administration agreement dated June 5, 2003. The Administrator provides certain administrative services to the Fund. For its services, the Administrator receives a monthly fee at an annual rate of 0.20% of the Fund's average weekly net assets. For the six months ended June 30, 2003, administration

fees amounted to \$336,877 (Prior to June 5, 2003, administration fees were paid to CIBC World Markets Corp.). The Administrator subcontracts certain of these services to PFPC, Inc. In addition, Multiconsult Ltd. (the "Mauritius Administrator") provides certain administrative services relating to the operation and maintenance of the Fund in Mauritius. The Mauritius Administrator receives a monthly fee of \$1,500 and is reimbursed for certain additional expenses. For the six months ended June 30, 2003, fees and expenses of the Mauritius Administrator amounted to \$16,057.

Edgar Filing: INDIA FUND INC - Form N-CSRS

On December 10, 2002, Canadian Imperial Bank of Commerce, CIBC World Markets Corp. ("CIBC WM"), Fahnestock and FVH announced that Fahnestock had agreed to acquire the U.S. brokerage and asset management businesses of CIBC WM. The acquisition of the U.S. brokerage business closed on January 3, 2003. As required under the Investment Company Act of 1940, as amended (the "1940 Act"), the Fund's then existing Management Agreement and Country Advisory Agreement provided for their automatic termination in the event of their "assignment" as defined in the 1940 Act. Consummation of the acquisition by Fahnestock and FVH of the asset management business of CIBC WM constituted an assignment of the Fund's then existing Management Agreement and Country Advisory Agreement. At a meeting on January 17, 2003, the Board of Directors of the Fund, including a majority of the independent Directors, approved a new investment management agreement between the Fund and Advantage and a new Country Advisory Agreement between Advantage and Imperial. As required by the 1940 Act, stockholders of the Fund approved the new investment management agreement and the new country advisory agreement at the Fund's 2003 annual meeting of stockholders. Fahnestock completed its acquisition of the asset management business on June 4, 2003. Fahnestock replaced CIBC WM as the Fund's administrator and FVH acquired ultimate control of Advantage and Imperial.

The Fund pays each of its directors who is not a director, officer or employee of the Investment Manager, the Country Adviser or the Administrator or any affiliate thereof an annual fee of \$5,000 plus up to \$700 for each Board of Directors meeting attended. In addition, the Fund reimburses all directors for travel and out-of-pocket expenses incurred in connection with Board of Directors meetings.

NOTE C: PORTFOLIO ACTIVITY

Purchases and sales of securities, other than short-term obligations, aggregated \$47,098,643 and \$56,976,562 respectively, for the six months ended June 30, 2003.

NOTE D: FOREIGN INCOME TAX

The Fund conducts its investment activities in India as a tax resident of Mauritius and expects to obtain benefits under the double taxation treaty between Mauritius and India (the "tax treaty" or "treaty"). To obtain benefits under the double taxation treaty, the Fund must meet certain tests and conditions, including the establishment of Mauritius tax residence and related requirements. The Fund has obtained

19

THE INDIA FUND, INC.

NOTES TO FINANCIAL STATEMENTS (CONTINUED)

(UNAUDITED)

a certificate from the Mauritian authorities that it is a resident of Mauritius under the double taxation treaty between Mauritius and India. Under current regulations, a fund which is a tax resident in Mauritius under the treaty, but has no branch or permanent establishment in India, will not be subject to capital gains tax in India on the sale of securities but is subject to a 15% withholding tax on dividends declared, distributed or paid by an Indian company prior to June 1, 1997 and after March 31, 2002. During the period June 1, 1997 through March 31, 2002, dividend income from domestic companies was exempt from Indian income tax. Effective April 1, 2003, dividend income from domestic

Edgar Filing: INDIA FUND INC - Form N-CSRS

companies is exempt from Indian tax. The Fund is subject to and accrues Indian withholding tax on interest earned on Indian securities at the rate of 20.5% effective April 1, 2003, 21% between April 1, 2002 and April 1, 2003, and 20% prior to April 1, 2002.

The Fund will, in any year that it has taxable income for Mauritius tax purposes, elect to pay tax on its net income for Mauritius tax purposes at any rate between 0% and 35%.

In March 2000, the Indian tax authorities issued an assessment order ("March 2000 Assessment Order") with respect to the Fund's Indian income tax return filed for the fiscal year ended March 31, 1997 which denied the benefits of the tax treaty between India and Mauritius. In the March 2000 Assessment Order, the Indian tax authorities held that the Fund is not a resident of Mauritius and assessed tax on the dividend income for the year ended March 31, 1997 at the rate of 20%, instead of the 15% rate claimed by the Fund under the tax treaty between India and Mauritius. Similar assessment orders were issued to several other mutual fund companies relying on the tax treaty between India and Mauritius. On April 13, 2000, the Central Board of Direct Taxes ("CBDT") of the Ministry of Finance in India issued a circular ("Circular 789") "clarifying" its position on Indian taxation under the tax treaty between India and Mauritius that, wherever a certificate of residence is issued by the Mauritian authorities, such certificate will constitute sufficient evidence for accepting the status of residence as well as beneficial ownership for applying the tax treaty between India and Mauritius. The Fund, relying on Circular 789 and in absence of a rectification order from the assessing officer, filed an appeal against the March 2000 Assessment Order with the Indian tax authorities. Hearings on the appeal were scheduled in which the Fund made submissions to the Indian tax authorities, however, the hearings were adjourned by Indian tax authorities, each time without a decision.

Previously, however, an Indian public interest group had initiated litigation in the Indian courts challenging Circular 789. In connection with this litigation, the Delhi High Court, in May 2002, passed an order invalidating Circular 789. The history of past assessments by the Indian tax authorities (prior to issuance of Circular 789) and the arguments made in the recent Delhi High Court ruling suggest that the Indian tax authorities may adopt an aggressive position and investigate the taxability of Mauritius based funds, i.e., the Indian tax authorities may look beyond the tax residency certificate issued by Mauritius tax authorities to Mauritius based funds. The Indian tax authorities may also seek to reopen previously completed assessments of the Fund's Indian income tax returns and deny

20

THE INDIA FUND, INC.

JUNE 30, 2003

NOTES TO FINANCIAL STATEMENTS (CONTINUED)

(UNAUDITED)

the benefits of the tax treaty between India and Mauritius to the Fund. During the period the public interest litigation was pending with the high courts in India, the Indian tax authorities were generally allowing the benefits of the tax treaty between India and Mauritius to Mauritius based funds relying on Circular 789, however, the assessment orders issued were conditional upon the outcome of the public interest litigation.

The Government of India had filed a Special Leave Petition against the Delhi High Court Order. Newspaper reports indicate that the matter has come up for

Edgar Filing: INDIA FUND INC - Form N-CSRS

hearing and the Supreme Court has reserved its judgement in this matter.

To the extent that it is later determined that the Fund would be unable to obtain the benefits of the treaty, the Fund would be subject to tax on capital gains in India on the prior sale of securities, which are currently at the rates of 10.25% on long-term capital gains and 30.75% on short-term capital gains (10.5% and 31.5%, respectively, between April 1, 2002 and April 1, 2003 and 10% and 30%, respectively, prior to April 1, 2002). Further, the Fund, if the treaty benefits are denied, would be subject to tax on dividend income earned by the Fund prior to June 1, 1997 at 20% and subsequent to March 31, 2002 at 21%. As already stated above, from April 1, 2003 dividend income is exempt from tax.

In addition, for the fiscal years for which the assessment of the Fund's Indian tax returns has been completed, the Indian tax authorities have denied the carryforward of realized capital losses incurred by the Fund in such fiscal years on the grounds that the Fund was not subject to taxes on realized capital gains in India due to the application of the benefits of the tax treaty between India and Mauritius to the Fund. Therefore, the Fund may not, in a year in which it has net realized capital gains and the benefits of the tax treaty between India and Mauritius are denied by the Indian tax authorities, be able to offset capital losses realized in previous years.

The Fund continues to: (i) comply with the requirements of the tax treaty between India and Mauritius; (ii) be a tax resident of Mauritius; and (iii) maintain that its central management and control resides in Mauritius and therefore management believes that the Fund will be able to obtain the benefits of the tax treaty between India and Mauritius. Accordingly, no provision for Indian income taxes has been made in accompanying financial statements of the Fund.

The foregoing is based upon current interpretation and practice and is subject to future changes in Indian or Mauritian tax laws and in the treaty between India and Mauritius.

Although management of the Fund expects to obtain the benefits of the tax treaty, if the Fund were denied such benefits retrospectively, the Fund could be subject to cumulative income taxes, interest and penalties. Management estimates that the amount of taxes and interest, based on realized gains

THE INDIA FUND, INC.

through June 30, 2003 and unrealized gains as of June 30, 2003 could be in the range of \$23.0 million to \$43.8 million (6% to 11% of the Fund's net assets at June 30, 2003). This range does not include penalties which could be assessed as such penalties are not determinable. The aforementioned range is estimated utilizing various assumptions as to how the Indian tax authorities might interpret the calculation of Indian income taxes if the tax treaty benefits were denied. Actual amounts, if incurred, could differ significantly from the aforementioned estimate.

NOTE E: CAPITAL STOCK

During the year ended December 31, 2002, the Fund purchased 89,000 shares of capital stock on the open market at a total cost of \$920,118. The weighted

Edgar Filing: INDIA FUND INC - Form N-CSRS

average discount of these purchases, comparing the purchase price to the net asset value at the time of purchase, was 17.29%. These shares were purchased pursuant to the Fund's Stock Repurchase Plan previously approved by the Fund's Board of Directors authorizing the Fund to purchase up to 4,000,000 shares of its capital stock on the open market.

At a meeting of the Board of Directors held on January 29, 2002, the Board of Directors approved a tender offer. Pursuant to the tender offer, the Fund offered to purchase up to 10% of the Fund's outstanding shares of common stock for cash at a price equal to 95% of the Fund's net asset value per share as of the closing date. The tender offer commenced on August 30, 2002 and expired on September 27, 2002. In connection with the tender offer, the Fund purchased 3,063,433 shares of capital stock at a total cost of \$33,375,712, including expenses of \$168,098.

In February 2003, the Board of Directors approved, subject to stockholder approval, a fundamental policy whereby the Fund would adopt an "interval fund" structure pursuant to Rule 23c-3 under the Investment Company Act of 1940. Stockholders of the Fund were to approve the policy at the Annual Meeting of Stockholders held on April 23, 2003, however the proposal was adjourned and later approved on April 30, 2003. As an interval fund, the Fund will make semi annual repurchase offers at net asset value (less a 2% repurchase fee) to all Fund stockholders. The percentage of outstanding shares that the Fund can repurchase in each offer will be established by the Fund's Board of Directors shortly before the commencement of each quarterly offer, and will be between 5% and 25% of the Fund's then outstanding shares.

NOTE F: CONCENTRATION OF RISKS

At June 30, 2003, substantially all of the Fund's net assets were invested in Indian securities. The Indian securities markets are among other things substantially smaller, less developed, less liquid, subject to less regulation and more volatile than the securities markets in the United States. Consequently, and as further discussed above, acquisitions and dispositions of securities by the Fund involve special risks and considerations not present with respect to U.S. securities. At June 30, 2003, the Fund has a concentration of its investment in computer and technology-related industries. The values of such investments may be affected by changes in such industry sectors.

THE INDIA FUND, INC.

DIVIDENDS AND DISTRIBUTIONS

DIVIDEND REINVESTMENT AND CASH PURCHASE PLAN

The Fund intends to distribute annually to shareholders substantially all of its net investment income, and to distribute any net realized capital gains at least annually. Net investment income for this purpose is income other than net realized long and short-term capital gains net of expenses.

Pursuant to the Dividend Reinvestment and Cash Purchase Plan (the "Plan"), shareholders whose shares of Common Stock are registered in their own names will be deemed to have elected to have all distributions automatically reinvested by the Plan Agent in Fund shares pursuant to the Plan, unless such shareholders elect to receive distributions in cash. Shareholders who elect to receive distributions in cash will receive all distributions in cash paid by check in dollars mailed directly to the shareholder by the dividend paying agent. In the case of shareholders such as banks, brokers or nominees, that hold shares for others who are beneficial owners, the Plan Agent will administer the Plan on the basis of the number of shares certified from time to time by the shareholders as representing the total amount registered in such shareholders' names and held for the account of beneficial owners that have not elected to receive distributions in cash. Investors that own shares registered in the name of a bank, broker or other nominee should consult with such nominee as to participation in the Plan through such nominee, and may be required to have their shares registered in their own names in order to participate in the Plan.

The Plan Agent serves as agent for the shareholders in administering the Plan. If the directors of the Fund declare an income dividend or a capital gains distribution payable either in the Fund's Common Stock or in cash, nonparticipants in the Plan will receive cash and participants in the Plan will receive Common Stock, to be issued by the Fund or purchased by the Plan Agent in the open market, as provided below. If the market price per share on the valuation date equals or exceeds net asset value per share on that date, the Fund will issue new shares to participants at net asset value; provided, however, that if the net asset value is less than 95% of the market price on valuation date, then such shares will be issued at 95% of the market price. The valuation date will be the dividend or distribution payment date or, if that date is not a New York Stock Exchange trading day, the next preceding trading day. If net asset value exceeds the market price of Fund shares at such time, or if the Fund should declare an income dividend or capital gains distribution payable only in cash, the Plan Agent will, as agent for the participants, buy Fund shares in the open market, on the New York Stock Exchange or elsewhere, for the participants' accounts on, or shortly after, the payment date. If, before the Plan Agent has completed its purchases, the market price exceeds the net asset value of a Fund share, the average per share purchase price paid by the Plan Agent may exceed the net asset value of the Fund's shares, resulting in the acquisition of fewer shares than if the distribution had been paid in shares

Edgar Filing: INDIA FUND INC - Form N-CSRS

issued by the Fund on the dividend payment date.

25

THE INDIA FUND, INC.

DIVIDENDS AND DISTRIBUTIONS (CONTINUED)

DIVIDEND REINVESTMENT AND CASH PURCHASE PLAN

Because of the forgoing difficulty with respect to open market purchases, the Plan provides that if the Plan Agent is unable to invest the full dividend amount in open market purchases during the purchase period or if the market discount shifts to a market premium during the purchase period, the Plan Agent will cease making open-market purchases and shareholders will receive the uninvested portion of the dividend amount in newly issued shares at the close of business on the last purchase date.

Participants have the option of making additional cash payments to the Plan Agent, annually, in any amount from \$100 to \$3,000, for investment in the Fund's Common Stock. The Plan Agent will use all such funds received from participants to purchase Fund shares in the open market on or about February 15.

Any voluntary cash payment received more than 30 days prior to this date will be returned by the Plan Agent, and interest will not be paid on any uninvested cash payment. To avoid unnecessary cash accumulations, and also to allow ample time for receipt and processing by the Plan Agent, it is suggested that participants send in voluntary cash payments to be received by the Plan Agent approximately ten days before an applicable purchase date specified above. A participant may withdraw a voluntary cash payment by written notice, if the notice is received by the Plan Agent not less than 48 hours before such payment is to be invested.

The Plan Agent maintains all shareholder accounts in the Plan and furnishes written confirmations of all transactions in an account, including information needed by shareholders for personal and tax records. Shares in the account of each Plan participant will be held by the Plan Agent in the name of the participant, and each shareholder's proxy will include those shares purchased pursuant to the Plan.

There is no charge to participants for reinvesting dividends or capital gains distributions or voluntary cash payments. The Plan Agent's fees for the reinvestment of dividends and capital gains distributions and voluntary cash payments will be paid by the Fund. There will be no brokerage charges with respect to shares issued directly by the Fund as a result of dividends or capital gains distributions payable either in stock or in cash. However, each participant will pay a pro rata share of brokerage commissions incurred with respect to the Plan Agent's open market purchases in connection with the reinvestment of dividends and capital gains distributions and voluntary cash payments made by the participant. Brokerage charges for purchasing small amounts of stock for individual accounts through the Plan are expected to be less than the usual brokerage charges for such transactions, because the Plan Agent will be purchasing stock for all participants in blocks and prorating the lower commissions thus attainable.

26

THE INDIA FUND, INC.

Edgar Filing: INDIA FUND INC - Form N-CSRS

DIVIDENDS AND DISTRIBUTIONS (CONCLUDED)

The receipt of dividends and distributions under the Plan will not relieve participants of any income tax that may be payable on such dividends or distributions.

Experience under the Plan may indicate that changes in the Plan are desirable. Accordingly, the Fund and the Plan Agent reserve the right to terminate the Plan as applied to any voluntary cash payments made and any dividend or distribution paid subsequent to notice of the termination sent to members of the Plan at least 30 days before the record date for such dividend or distribution. The Plan also may be amended by the Fund or the Plan Agent, but (except when necessary or appropriate to comply with applicable law, rules or policies of a regulatory authority) only by at least 30 days' written notice to participants in the Plan. All correspondence concerning the Plan should be directed to the Plan Agent at 301 Bellevue Parkway, Wilmington, Delaware 19809.
