Item 1.01 Entry into a Material Definitive Agreement.

On September 30, 2015, FS Bancorp, Inc., (the "Company") the parent corporation of 1st Security Bank of Washington (the "Bank"), entered into a \$10.0 million subordinated unsecured term loan commitment pursuant to a Subordinated Loan Agreement (the "Loan Agreement") with Community Funding CLO, Ltd., ("Community") a Cayman Islands exempted company incorporated with limited liability. Subject to the terms of the Loan Agreement, the funding of the subordinated loan (the "Closing") is expected to held on October 15, 2015. The loan will have an annual interest rate of 6.50%. The loan is intended to qualify as Tier 2 capital under the applicable capital adequacy rules and regulations promulgated by the Federal Reserve.

The loan will rank equally with all other unsecured subordinated debt, except any which by its terms is expressly stated to be subordinated to the loan. The loan will rank senior to all current and future junior subordinated debt obligations, preferred stock and common stock of the Company. The loan will be recorded as a long-term liability on the Company's balance sheet; however, for regulatory purposes the loan will be treated as Tier 2 capital by the Company and, to the extent proceeds are contributed to the Bank, as Tier 1 capital by the Bank.

The loan will mature on October 1, 2025 but may be prepaid at the Company's option and with regulatory approval at any time on or after five years after Closing or at any time upon certain events, such as a change in the regulatory capital treatment of the loan or the loan no longer being deductible by the Company for United States federal income tax purposes. The proceeds of the loan are expected to be used to fund general working capital and operating expenses.

The Company has agreed to indemnify Community and its affiliates for losses related to a breach of the representations and warranties by the Company under the Loan Agreement or any action instituted against Community or its affiliates due to the transactions contemplated by the Loan Agreement, subject to certain limitations.

Item 2.03 Creation of a Direct Financial Obligation or an Obligation under an Off-Balance Sheet Arrangement of a Registrant.

The information set forth in Item 1.01 of this Current Report on Form 8-K is incorporated herein by reference.
