

**Item 1.01 Entry into a Material Definitive Agreement.**

As previously reported, on October 18, 2005, we and one of our subsidiaries entered into an Agreement and Plan of Merger (the “Acquisition Agreement”) with NT Corporation (“NTC”), providing for our acquisition of NTC. As part of the closing of the acquisition of NTC under the Acquisition Agreement, we entered into an Escrow Agreement (the “Escrow Agreement”), pursuant to which a portion of the cash consideration payable to the holders of NTC’s preferred stock was deposited in escrow to be held as security for certain indemnification obligations to us. A copy of the Acquisition Agreement, with the form of the Escrow Agreement included as an exhibit thereto, was filed as an exhibit to a previous report by us.

**Item 2.01 Completion of Acquisition or Disposition of Assets.**

On January 3, 2006, we completed our acquisition of NTC as provided in the Acquisition Agreement, a copy of which was previously filed with the Securities and Exchange Commission. NTC was privately held and is a facilities-based competitive local exchange carrier serving business customers primarily in the Southeast United States. Under the terms of the Acquisition Agreement, at the effective time of the acquisition on January 3, 2006, our subsidiary was merged into NTC, NTC became our indirect wholly owned subsidiary and, in exchange for all of the stock of NTC, we paid approximately \$18 million in cash, of which approximately \$1.8 million has been deposited in escrow, pursuant to the Escrow Agreement discussed in Item 1.01 of this Report, to be held as security for certain indemnification obligations to us under the Acquisition Agreement.

**Item 7.01 Regulation FD Disclosure**

On January 4, 2006, we issued a release announcing that we had completed the acquisition of NTC and that we had made inducement stock option grants to incoming new employees to acquire an aggregate of 250,000 shares of our common stock at an exercise price equal to the closing price of our common stock on January 3, 2006, the date of grant. A copy of the release is furnished as Exhibit 99.1 of this Report.
