PROXY STATEMENT
ANNUAL MEETING OF SHAREHOLDERS
TO BE HELD ON OCTOBER 16, 2001

INFORMATION CONCERNING SOLICITATION AND VOTING

General

The enclosed Proxy is solicited on behalf of the Board of Directors of Medix Resources, Inc., a Colorado corporation (the "Company"), for use at the Annual Meeting of Shareholders to be held on October 16, 2001, at 10:00 a.m., local time, or at any adjournment(s) thereof, for the purposes set forth herein and in an accompanying Notice of Annual Meeting of Shareholders. The Annual Meeting will be held at the Company's office at 180 Tices Lane, East Brunswick, New Jersey. The telephone number of that office is (732) 937-5050. These proxy solicitation materials were mailed on or about September 7, 2001 to all shareholders listed in the shareholder records of the Company as of the Record Date (as that term is defined below). The Company will bear the cost of this solicitation.

Record Date and Quorum

Shareholders of record at the close of business on August 29, 2001 (the "Record Date") are entitled to vote at the Annual Meeting. On the Record Date, 52,010,304 shares of the Company's common stock, \$0.001 par value per share (the "Common Stock"), were outstanding. Shareholders holding at least one-third of all shares of Common Stock represented in person or by proxy, shall constitute a quorum for the transaction of business at the Annual Meeting.

Revocability of Proxies

Any Proxy given pursuant to this solicitation may be revoked by the person or entity giving it at any time before its use by delivering to the Company a written notice of revocation or a duly executed Proxy Card bearing a later date or by attending the Annual Meeting and voting in person. An appointment of proxy is revoked upon the death or incapacity of the shareholder appointing the proxy if the Secretary or other officer or agent of the Company who is authorized to tabulate votes receives notice of such death or incapacity before the proxy exercises his authority under the appointment.

Voting and Solicitation

Each outstanding share of Common Stock shall be entitled to one (1) vote on

Edgar Filing: MEDIX RESOURCES INC - Form DEF 14A

each matter submitted to a vote at the Annual Meeting. Assuming a quorum is present, those candidates receiving the most votes shall be elected as directors of the Company. Approval of the increase from 10 million shares to 13 million shares authorized and reserved for issuance under the Company's 1999 Stock Option Plan will occur if the proposal receives a majority of the total votes cast in person or by proxy, assuming a quorum is present. The ratification of the appointment of our independent public accountants will be approved by the shareholders if the number of votes cast for such ratification exceeds the number of votes cast against it, assuming a quorum is present. Where brokers have not received any instructions from their clients on how to vote on a particular proposal, brokers are permitted to vote on routine proposals but not on non-routine matters. The absence of votes on non-routine matters are "broker non-votes." Abstentions and broker non-votes shall be counted towards the presence of a quorum. However, they will not be counted and will have no effect in the election of directors and the vote on the ratification of the appointment of independent public accountants. In voting on the increase in the number of shares authorized under the Company's 1999 Stock Option Plan, abstentions will have the effect of "no" votes, and broker non-votes will not be counted as votes cast.

The principal executive offices of the Company are located at 305 Madison Avenue, Suite 2033, New York, New York 10165. In addition to the use of the mails, proxies may be solicited personally, by telephone or by facsimile, and the Company may reimburse brokerage firms and other persons holding shares of the Company's Common Stock in their names or in the names of their nominees, for their reasonable expenses in forwarding proxy solicitation materials to the beneficial owners. The Company may retain the services of a professional proxy solicitation firm, in which case the Company will pay such firm its standard fees for such services and reimburse such firm for its out-of-pocket expenses.

Matters to Be Brought Before the Annual Meeting

The matters to be brought before the Annual Meeting include: (1) the election of four (4) members of the Company's Board of Directors; (2) the approval of the increase in the number of shares authorized and reserved under the Company's 1999 Stock Option Plan from 10 million to 13 million; (3) the ratification of the appointment of Ehrhardt Keefe Steiner & Hottman PC, independent public accountants, to audit the financial statements of the Company for the fiscal year ending December 31, 2001; and (4) the transaction of such other business as may properly come before the Annual Meeting or any adjournment(s) thereof.

Deadline for Receipt of Shareholder Proposals for Next Annual Meeting

Shareholders of the Company who intend to present proposals at the Company's 2002 Annual Meeting of Shareholders must deliver such proposals to us no later than March 31, 2002 in order to be included in the Proxy Statement and form of Proxy relating to the 2002 Annual Meeting of Shareholders. In addition, if we receive notice of a shareholder proposal after that date, then the persons named in that Proxy Statement and form of Proxy will have discretionary authority to vote on such shareholder proposal, without discussion of such proposal in the Proxy Statement and without such proposal appearing as a separate item on the form of Proxy.

ELECTION OF DIRECTORS

Nominees

Our Board of Directors currently consists of seven directors. Our Directors are Mr. Samuel H. Havens, Ms. Joan E. Herman, Mr. Patrick W. Jeffries, Mr. John T. Lane, Mr. John R. Prufeta, Mr. Guy L. Scalzi, and Dr. David B. Skinner. Pursuant to the Company's Articles of Incorporation, whenever our Board consists

Edgar Filing: MEDIX RESOURCES INC - Form DEF 14A

of six or more members, the Board shall be classified into three classes as nearly equal in number as possible. Because two of our directors have been elected by the Board of Directors to fill vacancies on the Board since the last Annual Meeting, four directors will be elected at the upcoming Annual Meeting. The Board of Directors has nominated current directors to fill these four Board positions. The Board of Directors recommends that the Shareholders vote "FOR" the director nominees listed below. Unless otherwise instructed, the proxy holder will vote the proxies received by him for management's four nominees, as listed below. Because of the staggered terms of the Company's Board of Directors, three directors will be elected for a new term of three years, and one director will be elected to complete a term with one year remaining. Messrs. John R. Prufeta, Patrick W. Jeffries and Ms. Joan E. Herman will be elected for three years, and Mr. Guy L. Scalzi will be elected for one year. At the next Annual Meeting, unless a vacancy on the Board is filled during the year, only two directors will be elected for a three-year term each.

In the event any management nominee is unable or declines to serve as a director at the time of the Annual Meeting, the proxies will be voted for any nominee who shall be designated by the current Board of Directors to fill the vacancy. It is not expected that any nominee will be unable or will decline to serve as a director. The term of office of each person elected as a director will continue until the end of his or her respective term as stated above, and until such person's successor has been elected and qualified.

The nominees are as follows:

Board and Committee Meetings in 2000

During the same period, the Audit Committee of the Board of Directors met five times (once in person and four by telephone) and signed one Unanimous Written Consent, the Nominating Committee met three times by telephone, the Executive Committee met once in person and the Compensation Committee did not meet. During 2000, all members of the Company's Board of Directors attended over 75% of the meetings of the Board of Directors and its Committees on which they served that occurred while they were directors. The Nominating Committee will consider Board nominee suggestions from our shareholders. Any such suggestions in connection with the 2002 Annual Meeting should be made to the Committee in writing on or before March 31, 2002.

Directors Compensation

The Company has adopted the policy of compensating non-employee Directors, \$1,000 for attending each regular quarterly Board meeting in person, and \$250 for attendance at Board meetings by telephone. The Board of Directors has also authorized payment of reasonable travel or other out-of-pocket expenses incurred

Edgar Filing: MEDIX RESOURCES INC - Form DEF 14A

by non-employee Directors for attending Board or committee meetings. Notwithstanding this policy, during 2000, payments to directors were significantly below this level. Ms. Joan Herman waived her Director fees altogether, and other Directors elected to eliminate their fees for some portion of the year. As a result, during 2000, Ms. Joan Herman, Mr. Samuel Havens, Dr. David Skinner and Mr. John T. Lane were each paid \$0, \$3,750, \$3,750, and \$3,750, respectively, for their services to the Company as Directors. CERTAIN BUSINESS RELATIONSHIPS

We have adopted a policy that any transactions with directors or officers or any entities in which they are also officers or directors or in which they

Edgar Filing: MEDIX RESOURCES INC - Form DEF 14A

have a financial interest, will only be on terms that would be reached in an arms-length transaction, consistent with industry standards and approved by a majority of our disinterested directors. This policy provides that no such transaction shall be either void or voidable solely because of such relationship or interest of such directors or officers or solely because such directors are present at the meeting of the Board of Directors or a committee thereof that approves such transaction or solely because their votes are counted for such purpose. In addition, interested directors may be counted in determining the presence of a quorum at a meeting of the Board of Directors or a committee thereof that approves such a transaction. We have also adopted a policy that any loans to officers, directors and 5% or more shareholders are subject to approval by a majority of the disinterested directors.

Before Mr. Prufeta was elected to our Board of Directors in 1999, OnPoint Partners (formerly known as Creative Management Strategies) ("OPP"), a company partially owned by Mr. John Prufeta, entered into agreements with us to provide executive search services and sales and marketing services to us. In connection with those agreements, we issued a 3-year option to acquire up to 25,000 shares of our Common Stock at an exercise price of \$0.55 per share to OPP. We also paid such company \$71,000 during 1999. In addition, for Mr. Prufeta's service to us as Chief Executive Officer until he became a full-time employee, and the above services provided by the affiliated company, we have paid \$110,000 to OPP in 2000. At the time Mr. Prufeta became a full-time employee of the Company in January of 2000, such agreements with OPP were terminated. During 2000, we have paid OPP approximately \$ 93,000 as reimbursements for rents and services for our New York office space, which is leased in the name of OPP. In addition, we have paid OPP employee search fees of approximately \$ 152,000 during 2000, for their employee search services. OPP is a recognized provider of executive and employee search services to all areas of the health care industry, and provides its services to us at standard rates. The Board of Directors, through the Audit Committee, reviews and approves of our contractual arrangements with OPP.

During 1999, we paid two companies affiliated with Mr. David Pfeil, a former officer and director of the Company, approximately \$135,000 for Mr. Pfeil's services, approximately \$36,000 in reimbursements for his travel and related expenses, and approximately \$113,000 for software development and web-site hosting and development services and purchases of computer equipment. During 2000, we have paid such companies approximately \$54,000 for software development services, \$12,000 for travel and related expenses and \$118,000 for purchases of computer equipment.

On March 15, 2000, our subsidiary, Cymedix Lynx Corporation, merged with Automated Design Concepts, Inc. ("ADC"), which had been wholly-owned by Mr. Pfeil. Mr. Pfeil received \$100,000 in cash and 60,400 shares of our common stock valued at \$374,000, as consideration for such acquisition. In connection with that acquisition, we leased certain office space used by the acquired business from Mr. Pfeil and his wife. The lease has a term two-year term ending February 28, 2002 and provides for rental payments at the rate of \$1,000 per month. Prior to the merger, the leased offices were used by ADC and another company owned by Mr. Pfeil, who moved from a consulting role to positions as President and Chief Operating Officer of Cymedix in connection with the merger. Mr. Pfeil has since also become Executive Vice President and Chief Technology Officer of Medix.

During 1999, we entered into an agreement with Wellpoint Pharmacy Management ("WPM") to implement a pilot program for the introduction of Cymedix(R) software to healthcare providers identified by WPM. After the required testing of the software, the agreement provides for a production program to install the software broadly among WPM managed providers. The agreement provides that the Company will nominate a representative of WPM to be elected to the Company's Board of Directors. Ms. Herman is that representative. The agreement also provided the WPM would be granted warrants covering up to 6,000,000 shares of Common Stock, which vest upon the occurrence of certain performance criteria.

Edgar Filing: MEDIX RESOURCES INC - Form DEF 14A

The agreement provides for the grant of warrants covering 3,000,000 shares with an exercise price of \$0.30 per share, and warrants covering 3,000,000 shares with an exercise price of \$0.50 per share, all expiring five years from the date of grant. The warrants vest in 1,000,000 share increments. At August 29, 2001, warrants covering 1,000,000 shares had vested.

During 1998, in connection with its acquisition of the predecessor Cymedix Corporation, the Company assumed an obligation to pay the law firm of Douglas Stahl, Esq., a former director of the Company, \$82,127 in fees and reimbursements owed to it by Cymedix Corporation. During 1998, the Company paid \$32,978 of those fees and fees for additional legal services to Mr. Stahl's firm. During 1999, the Company paid Mr. Stahl's firm \$66,355.

We have entered into a consulting agreement with Mr. Samuel Havens, which provides that we pay Mr. Havens \$5,000 per month for his consulting services in connection with the marketing of our software products. During 2000, we paid Mr. Havens \$ 52,000 for his services. As of March 9, 2001, Mr. Havens has elected to forego payment for his consulting services indefinitely.

COMPLIANCE WITH SECTION 16(a) OF THE SECURITIES EXCHANGE ACT OF 1934

Section 16(a) of the Securities Exchange Act of 1934, as amended, requires directors and executive officers, and persons who own more than 10% of a registered class of a company's equity securities, to file with the U. S. Securities and Exchange Commission initial reports of ownership and reports of changes in ownership of the Company's common stock and other equity securities. Officers, directors and greater than 10% shareholders are required by Securities and Exchange Commission regulations to furnish the Company with copies of all Section 16(a) reports they file. Based solely upon such reports, we believe that none of such persons failed to comply with the requirements of Section 16(a) during 1999, except for Gary Smith, who inadvertently filed his Form 3 late, and David Pfeil, a former officer and director, who inadvertently filed a Form 4 late.

INCREASE OF SHARES AUTHORIZED AND RESERVED FOR ISSUANCE UNDER STOCK OPTION PLAN

The Company adopted its 1999 Stock Option Plan (the "Plan") in 1999. The purposes of the Plan are to enable the Company to provide opportunities for employees, directors and consultants to acquire a proprietary interest in the Company, to increase incentives for such persons to contribute to the Company's performance and further success, and to attract and retain individuals with exceptional business, managerial and administrative talents, who will contribute to the progress, growth and profitability of the Company.

Currently, the Company's shareholders have approved the reservation of 10 million shares of the Company's Common Stock for issuance under the Plan. At a Board of Directors meeting held on August 21, 2001, the Board authorized the amendment of the Plan to increase the number of shares of Common Stock reserved under the Plan by 3 million shares, the ratification and approval of which is being sought at the Annual Meeting. As of August 29, 2001, the additional 3 million shares that will be issuable under the Plan, if the amendment is ratified and approved, had an aggregate market value of \$2,490,00. As of that date, the Company had issued 3,000,000 shares upon exercise of options under the Plan, had options covering 5,598,375 shares outstanding under the Plan, and had 1,401,625 shares currently reserved for issuance under the Plan. Outstanding options were held by 30 employees of the Company, and outstanding options covering 3,757,125 shares had vested. The exercise price of granted options range from \$0.19 to \$4.97.

The Board is recommending to the shareholders that the increase by the

Edgar Filing: MEDIX RESOURCES INC - Form DEF 14A

Board of Directors in the number of shares authorized and reserved for issuance under the Plan be ratified and approved. As the Company expands its work force to meet the demand for its products and services, it will be important that it has available sufficient option resources to fashion attractive compensation packages. The Board determined that the current number of available options may not be adequate to meet those need over the next year. None of the options to be ratified and approved by this vote of the shareholders has been granted as of the date hereof, nor is any such grant expected to be made before the vote of shareholders.

Options granted under the Plan include both incentive stock options ("ISOs"), within the meaning of Section 422 of the Internal Revenue Code of 1986, as amended (the "Code"), and non-qualified stock options ("NQOs"). Under the terms of the Plan, all officers and employees of the Company are eligible for ISOs. As of August 29, 2001, there were 31 eligible officers and employees. The Board of Directors or Compensation Committee determines in its discretion, which persons will receive ISOs, the applicable exercise price, vesting provisions and the exercise term thereof. The terms and conditions of each option grant may differ and are set forth in the optionee's individual stock option agreement. Such options generally vest over a period of several years and expire after up to ten years. The Plan provides that in no event shall the exercise price of either ISOs or NQOs be less than the fair market value per share of the Common Stock on the date of such grant. In order to qualify for certain preferential treatment under the Code, ISOs must satisfy the statutory requirements thereof. Options that fail to satisfy those requirements will be deemed NQOs and will not receive preferential treatment under the Code. Upon exercise, shares will be issued upon payment of the exercise price in cash, by delivery of shares of the Company's Common Stock, by delivery of options granted under the Plan or a combination of any of these methods.

The Plan may be administered by the Compensation Committee (the "Committee") or the Board of Directors. The Committee is made up of two or more directors who are "Non-Employee Directors" as defined in Rule 16b-3 issued under the Securities Exchange Act of 1934 (the "Act"). The Committee may correct any defect, supply any omission, accelerate the vesting schedule of options already granted, or reconcile any inconsistency in the Plan or any stock option agreement, subject to the requirements of the Code. The Board, without further action of the shareholders of the Company, except as may be required by the Code or the American Stock Exchange listed company regulations, may at any time suspend or terminate the Plan in whole or in part or amend the Plan in such respects as the Board may deem appropriate and in the best interests of the Company, subject, however, to the rights of optionees with outstanding options. Any increase in the number of shares authorized to be issued under the Plan will be presented to shareholders for approval under the current requirements of the Code for ISOs.

Optionees are not taxed on the grant (or generally on the exercise) of ISOs. The difference between the exercise price of an ISO and the fair market value of a share of Common Stock received upon the exercise of the ISO may be subject to the federal alternative minimum tax. If an optionee exercises an ISO and disposes of any shares of Common Stock received by such optionee as a result of such exercise within two years of the date of grant or within one year after the issuance of such shares to such optionee, the Company is entitled to a tax deduction and the optionee will be taxed, as ordinary income, on the lesser of the gain on sale or the difference between the exercise price and the fair market value of a share at the time of exercise. The optionee will also have a capital gain to the extent that the sale price exceeds the fair market value on the date of exercise. If the shares are not sold by the optionee before the end of those periods, the optionee will have a capital gain or capital loss upon sale of the shares to the extent that the sale price differs from the exercise price. No tax effect will result to the Company by reason of grant or exercise of ISOs, or upon the disposition of shares after expiration of two years from

the date of grant or one year from the date of exercise.

NQOs are not taxed upon grant. The optionee is taxed, as ordinary income, on the exercise of such option to the extent that the fair market value on the date of exercise exceeds the exercise price. The optionee's basis for determining capital gain or capital loss upon the sale of the shares is the higher of the fair market value on the date of exercise and the exercise price. The Company is entitled to a deduction equal to the ordinary income realized by the optionee upon the exercise of NQOS.

THE BOARD OF DIRECTORS RECOMMENDS A VOTE 'FOR' THE RATIFICATION AND APPROVAL OF THE INCREASE IN THE NUMBER OF SHARES AUTHORIZED AND RESERVED FOR ISSUANCE UNDER THE COMPANY'S 1999 STOCK OPTION PLAN. THE INCREASE SHALL BE RATIFIED AND APPROVED IF A MAJORITY OF THE VOTES CAST ON THE PROPOSAL AT THE ANNUAL MEETING ARE CAST IN FAVOR OF RATIFICATION AND APPROVAL OF THE PLAN.

RATIFICATION OF APPOINTMENT OF ACCOUNTANTS

The Board of Directors has appointed Ehrhardt Keefe Steiner & Hottman PC, independent public accountants, to audit the Company's financial statements for the 2001 fiscal year and recommends that the Company's Shareholders ratify such appointment. Representatives of Ehrhardt Keefe Steiner & Hottman PC are expected to be present at the Annual Meeting, and will have the opportunity to make a statement if they desire, and are expected to be available to respond to appropriate questions.

Ehrhardt Keefe Steiner & Hottman PC was paid by the Company \$92,306 for professional services rendered for the audit of our annual financial statements for the fiscal year 2000 and the review of quarterly financial statements included in our Quarterly Reports on forms 10-QSB filed during that year.

THE BOARD OF DIRECTORS RECOMMENDS A VOTE 'FOR' THE RATIFICATION OF EHRHARDT KEEFE STEINER & HOTTMAN PC TO AUDIT THE COMPANY'S FINANCIAL STATEMENTS FOR THE 2001 FISCAL YEAR. SUCH APPOINTMENT SHALL BE RATIFIED IF A PLURALITY OF THE SHARES VOTED ON THE PROPOSAL AT THE ANNUAL MEETING ARE VOTED IN FAVOR OF THE APPOINTMENT.

AUDIT COMMITTEE REPORT

The Audit Committee of our Board of Directors has three members, who are independent directors as required by The American Stock Exchange. They are Ms. Joan E. Herman, Chair of the Committee, Mr. John T. Lane and Dr. David B. Skinner. They have provided this report to the shareholders.

The Committee's principal function is to oversee the Company's financial reporting process on behalf of the Board of Directors. The Company's management has the primary responsibility for preparing our financial statements and our reporting process, including the Company's system of internal controls. In carrying out its duties, the Committee provides an open avenue of communications between the Board of Directors, management and the Company's independent public accountants. Our independent public accountants are ultimately accountable to the Board and the Committee and are responsible for expressing an opinion on the conformity of the Company's audited financial statements with generally accepted accounting principals. As required by recently adopted regulations regarding audit committees, the Board has adopted a Charter for our Audit Committee, which is attached hereto as Exhibit A. The Charter specifies the scope of the Audit Committee's responsibilities and how it should carry out those responsibilities.

The Audit Committee has reviewed and discussed the audited financial

Edgar Filing: MEDIX RESOURCES INC - Form DEF 14A

statements of the Company for the fiscal year ended December 31, 2000 with the Company's management and independent accountants. The Audit Committee discussed with Ehrhardt, Keefe, Steiner & Hottman PC, our independent public accounting firm, the matters required to be discussed by Statement on Auditing Standards No. 61 (Communications with Audit Committees). The Audit Committee has also received and reviewed the written disclosures and letter from that firm required by Independence Standards Board Standard No.1 (Independence Discussion with Audit Committees) and has discussed its independence with representative of the firm.

Based upon the above review and discussions, the Audit Committee recommended to the Board of Directors the inclusion of Company's 2000 audited financial statements in our 2000 Annual Report on Form 10-KSB for filing with the Securities and Exchange Commission.

The requirements of the AMEX will be reviewed by the Board annually in connection with the election of the Committee. One of the members of the Committee will be elected Committee Chair by the Board.

Section 2. Responsibility of the Committee

The Committee is a part of the Board. It's primary function is to assist the Board in fulfilling its oversight responsibilities with respect to (i) the annual financial information to be provided to shareholders and the Securities and Exchange Commission (SEC); (ii) the system of internal controls that management has established; and (iii) the external audit process. The Committee will make regular reports to the Board concerning its activities.

While the Audit Committee has the responsibilities and powers set forth in this Charter, it is not the duty of the Audit Committee to plan or conduct audits or to determine that the Company's financial statements are complete and accurate and are in accordance with generally accepted accounting principles. This is the responsibility of management and the independent auditor. Nor is it the duty of the Audit Committee to conduct investigations, to resolve disagreements, if any, between management and the independent auditor or to assure compliance with laws and regulations and the Company's business conduct guidelines.

Section 3. Authority of the Committee

Subject to the prior approval of the Board, the Committee is granted the authority to investigate any matter or activity involving financial accounting and financial reporting, as well as the internal controls of the Company. Edgar Filing: MEDIX RESOURCES INC - Form DEF 14A

4. Review the scope and general extent of the independent accountants' annual audit. The Committee's review should include an explanation from the independent accountants of the factors considered by the accountants in determining the audit scope, including the major risk factors. The independent accountants should confirm to the Committee that no limitations have been placed on the scope or nature of their audit procedures. The Committee will review annually with management the fee arrangement with the independent accountants.
 5. Inquire as to the independence of the independent accountants and obtain from the independent accountants, at least annually, a formal written statement delineating all relationships between the independent accountants and the Company as contemplated by Independence Standards Board Standard No. 1, Independence Discussions with Audit Committees.
 6.  7. At the completion of the annual audit, review with management and the independent accountants the following:
 - The annual financial statements and related footnotes and financial information to be included in the Company's annual report to shareholders and on Form 10-KSB.
 - Results of the audit of the financial statements and the related report thereon and, if applicable, a report on changes during the year in accounting principles and their application.
 - Significant changes to the audit plan, if any, and any serious disputes or difficulties with management encountered during the audit. Inquire about the cooperation received by the independent accountants during their audit, including access to all requested records, data and information. Inquire of the independent accountants whether there have been any disagreements with management which, if not satisfactorily resolved, would have caused them to issue a nonstandard report on the Company's financial statements.
 - Other communications as required to be communicated by the independent accountants by Statement of Auditing Standards (SAS) 61 as amended by SAS 90 relating to the conduct of the audit. Further, receive a written communication provided by the independent accountants concerning their judgment about the quality of the Company's accounting principles, as outlined in SAS 61 as amended by SAS 90, and that they concur with management's representation concerning audit adjustments.
- If deemed appropriate after such review and discussion, recommend to the Board that the financial statements be included in the Company's annual report on Form 10-KSB.
8. After preparation by management and review by independent accountants, approve the report required under SEC rules to be included in the Company's annual proxy statement. This charter is to be published as an appendix to the proxy statement every three years.

Edgar Filing: MEDIX RESOURCES INC - Form DEF 14A

9. Discuss with the independent accountants the quality of the Company's financial and accounting personnel. Also, elicit the comments of management regarding the responsiveness of the independent accountants to the Company's needs.
10. Meet with management and the independent accountants to discuss any relevant significant recommendations that the independent accountants may have, particularly those characterized as 'material' or 'serious'. Typically, such recommendations will be presented by the independent accountants in the form of a Letter of Comments and Recommendations to the Committee. The Committee should review responses of management to the Letter of Comments and Recommendations from the independent accountants and receive follow-up reports on action taken concerning the aforementioned recommendations.
11. Recommend to the Board the selection, retention or termination of the Company's independent accountants.
12. Review with management the Company's taxation position and the policies applicable to that position.
13. Review with management and the independent accountants the methods used to establish and monitor the Company's policies and procedures with respect to minimizing the Company's exposure to fraud, and with respect to unethical or illegal activities by Company employees that may have a material impact on the financial statements.
14. Generally as part of the review of the annual financial statements, receive an oral report(s), at least annually, from the Company's general counsel concerning legal and regulatory matters that may have a material impact on the financial statements.
15. As the Committee may deem appropriate, obtain, weigh and consider expert advice as to Audit Committee related rules of the AMEX, Statements on Auditing Standards and other accounting, legal and regulatory provisions.
16. Review with management the adequacy of the Company's insurance programs and the level of risk exposure which is appropriate for the Company.
17. Generally, administer the Company's "conflict of interest" policy, including the evaluation of the policy, recommendations to the Board to amend the policy, and recommendations to management regarding the implementation of the policy.
18. Direct any special projects or investigation deemed necessary by the Board, and otherwise to undertake any function delegated to it by the Board.
