NOTES TO UNAUDITED CONSOLIDATED FINANCIAL STATEMENTS

1. UNAUDITED FINANCIAL INFORMATION

The accompanying unaudited condensed consolidated financial statements of sureBET Casinos Inc. and its majority-owned subsidiaries (the "Company") have been prepared in accordance with generally accepted accounting principles for interim financial information and with the instructions to Form 10-QSB of Regulation S-B of the U.S. Securities and Exchange Commission. They do not include all of the information and notes required by generally accepted accounting principles for complete corporate financial statements. However, except as disclosed herein, there has been no material change in the information disclosed in the notes to the financial statements for the year ended March 31, 2002 included in the Company's Annual Report on Form 10-KSB filed with the Securities and Exchange Commission. The unaudited financial statements should be read in conjunction with these financial statements included in Form 10-KSB. In the opinion of management, all adjustments consisting only of normal recurring accruals, considered necessary for a fair presentation have been included. Operating results for the three and nine-month periods ended December 31, 2002 are not necessarily indicative of the results that may be expected for the year ending March 31, 2003.

2. DESCRIPTION OF BUSINESS

During the years ended March 31, 1999 and 1998, sureBET Casinos, Inc. ("the Company") had no operating assets and had been investigating the acquisition of an operating business. The Company changed its name on June 24, 1999 from Wexford Technology, Incorporated. In connection with an Agreement to Exchange Stock with U.S. Gaming and Leisure Corp. ("USG&L") (see below), the Company entered into an Asset Purchase Agreement (the "Agreement") on March 5, 1999 with its controlling shareholder, Imperial Petroleum, Inc. ("Imperial"). The Agreement provided that Imperial would acquire all the assets and liabilities of the Company. No consideration was exchanged in return for the sale of the net liabilities of the Company. As a result of the Agreement, the Company had no assets or liabilities as of March 31, 1999.

In connection with the Agreement to Exchange Common Stock with USG&L, dated May 12, 1999, which is contingent on a private placement which has not been completed, the Company will issue 6,000,000 new common shares to stockholders of USG&L for 100% of the outstanding

Edgar Filing: SUREBET CASINOS INC - Form 10QSB

shares of USG&L. As a result of the tax-free transaction, USG&L will become a wholly owned subsidiary of the Company. The owners of USG&L obtained effective control of the Company in July 1999 by obtaining control of the Board of Directors of the Company. The transaction will be accounted for as a reverse acquisition whereby USG&L will be the acquiring company for accounting purposes.

On June 7, 1999, there was a change in the Board of Directors of the Company. The new board changed the Company's business strategy and decided to enter into the casino business. On June 24, 1999, the Articles of Incorporation of the Company were amended to change the name of the Company to sureBET Casinos, Inc.

6

Under the direction of its new management, the Company intends to develop, acquire, joint venture, manage, and operate gaming establishments with an initial focus on water-based gaming, the emerging gaming markets, and the rehabilitation and reorganization of casinos that are underperforming financially.

On October 1, 1999, the Company entered into a Management Contract with Casino Padre Investment Company, LLC ("Casino Padre"), a Nevada limited liability company. Under the terms of the contract, the Company had an exclusive agreement to operate the gaming ship M/V Entertainer and the gaming operations located on the ship on behalf of and for the account of Casino Padre. On October 27, 1999, the Company acquired 50 membership units in Casino Padre in exchange for 5,000,000 shares of the common stock of the Company. Immediately following the transaction, the Company owned 83% of Casino Padre. The shares were acquired from Charles S. Liberis, the President of the Company. Casino Padre was formed on September 14, 1999 and at the time of the acquisition, was still in a developmental stage. Casino Padre commenced operations on November 18, 1999. As of December 31, 2002, the Company owned 74% of Casino Padre. Casino Padre ceased operations on November 6, 2000.

On December 20, 1999, the Company entered into an agreement with Black Hawk Hotel Corporation, an unaffiliated entity, to lease Lilly Belle's Casino, an existing casino facility located in Black Hawk, Colorado. Pursuant to the terms of the lease, the Company has an option to purchase the premises. The lease is contingent on the Company receiving approval for the transaction and issuance of regulatory licenses from the Colorado Gaming Commission. The Company canceled its agreement with Black Hawk Hotel Corporation based on its determination that the acquisition was not economically feasible due to increased competition. The Company's application with the Colorado Gaming Commission was withdrawn effective August 7, 2001.

The Company is currently considered a "public shell" corporation with nominal business operations and is in the process of searching for an operating business with which to negotiate a "reverse merger."

3. DEPOSIT ON CLAIM

Edgar Filing: SUREBET CASINOS INC - Form 10QSB

In March 2000, Newport Shipbuilding - Pasadena, Inc. ("Newport") filed a lawsuit against the Company seeking approximately \$140,000 for repair work on the M/V Casino Padre. The Company disputed the amount of the claim and has posted a bond in the amount of \$140,000 and counterclaimed against Newport for deceptive trade practices, damages for improper workmanship and damages for delays caused by Newport. The case has been settled for \$100,000 and CSL Development, the vessel owner, was refunded \$40,000 that it had posted on behalf of the Company.

4. RELATED PARTY TRANSACTIONS

The payable to a principal shareholder included accrued interest at a rate of 12% annually. The Company also owed CSL Development Corporation for past due charter payments, payment of other operating expenses and for accrued interest at 12% annually. Mr. Liberis is also president of CSL Development Corporation.

7

5. GOING CONCERN

The Company's financial statements have been prepared on the basis that it is a going concern, which contemplates the realization of assets and the satisfaction of liabilities in the normal course of business. The financial statements do not include any adjustments that might result from the outcome of this uncertainty. At December 31, 2002, the Company had a working capital deficiency of \$779,810 and an accumulated deficit of \$6,357,565. The Company does not believe that it will be able to meet its normal operating costs and expenses from operations.

The cash requirements of funding the Company's operations and expansion have exceeded cash flow from operations. To date, the Company has satisfied its capital needs primarily through debt and equity financing. The Company continually explores raising additional capital through such means.

The Company believes that it will be able to raise additional capital through debt and equity financing which will be sufficient to meet the Company's current working capital needs for at least the next twelve months. However, there can be no assurance that the Company will not need to raise additional capital sooner, particularly to take advantage of any expansion opportunities, not currently anticipated that may become available. In such event, there can be no assurance that additional capital will be available at all, at an acceptable cost, or on a basis that is timely to allow the Company to finance any such opportunities.

ITEM 2. MANAGEMENT'S DISCUSSION AND ANALYSIS OR PLAN OF OPERATION.

The following Management's Discussion and Analysis or Plan of Operation contains forward-looking statements about our plans and business. Actual events and results may differ materially from those anticipated in these forward-looking statements. The ability to achieve our projections and business objectives is dependent on a variety of factors, many of which are outside of our control. Some of the most significant factors, alone or in combination would be our failure to obtain additional equity financing to fund development activities and projected losses from operations and/or the inability to grow the revenues and improve the financial performance of the company. Accordingly, there can be no assurances that we will achieve our business objectives.

RESULTS OF OPERATIONS

NINE MONTHS ENDED DECEMBER 31, 2002 COMPARED TO NINE MONTHS ENDED DECEMBER 31, 2001

The sole source of revenue for the Company had been derived from the operation of Casino Padre. On November 6, 2000, the Casino Padre operation was shut down. Accordingly, there were no revenues for the nine months ended December 31, 2002 and for the same period of last year.

During the nine months ended December 31, 2002, the Company incurred \$49,983 of operating expenses, as compared to \$402 of operating expenses for same period for the year 2002. Of this amount, \$30,000 was the write-off of a deposit posted in connection with a lawsuit.

The above resulted in a net loss of \$49,983 for the nine months ended December 31, 2002, as compared to a net loss of \$402 for the nine months ended December 31, 2001.

LIQUIDITY AND CAPITAL RESOURCES

At December 31, 2002, the Company had a working capital deficiency of \$779,810, as compared to a deficiency of \$759,827 at March 31, 2002. The Company does not believe that it will be able to meet its normal operating costs and expenses from management fees and cash flow as the Company does not presently have any operations.

The Company has been dependent upon loans from its principal shareholder and President, Charles Liberis. The loans are not evidenced by promissory notes and there is no fixed date for repayment. At December 31, 2002, \$96,602 was owed to Mr. Liberis.

In addition, at December 31, 2002, \$37,084 was owed to CSL Development Corporation for past due charter payments and accrued interest thereon. Mr. Liberis is also the President of CSL Development Corporation.

The report of the Company's independent auditors on the financial statements for the year ended March 31, 2002, included an explanatory paragraph relating to the uncertainty of the Company's ability to continue as a going concern due to the loss incurred for the year ended March 31, 2002 and the working capital deficit and stockholders' deficit existing as of March 31, 2002. The Company must raise additional capital, incur debt, or obtain financing in order to fund operations.

Edgar Filing: SUREBET CASINOS INC - Form 10QSB

The Company believes that it will be able to raise additional capital through debt and equity financing which, along with additional loans from its principal shareholders, will be sufficient to meet the Company's current working capital needs for at least the next twelve months. However, there can be no assurance that the Company will be able to raise additional capital or to take advantage of any expansion opportunities that may become available. There can be no assurance that additional capital will be available at all, at an acceptable cost, or on a basis that is timely to allow the Company to finance any further business opportunities.

FORWARD LOOKING STATEMENTS

Except for historical information contained herein, the matters discussed in this report, in particular, statements that use the words "believes", "intends", "anticipates", or "expects", are intended to identify forward looking statements that are subject to risks and uncertainties including, but not limited to, inclement weather, mechanical failures, increased competition, financing, governmental action, environmental opposition, legal actions, and other unforeseen factors.

The development of the Black Hawk, Colorado project, in particular, is subject to additional risks and uncertainties, including, but not limited to, risks relating to permitting, financing, the activities of environmental groups, the outcome of litigation and the actions of federal, state, or local governments and agencies. The results of financial operations reported herein are not necessarily an indication of future prospects of the Company. Future results may differ materially.

ITEM 3. CONTROLS AND PROCEDURES.

We have recently evaluated our internal controls. As of February 19, 2003, there were no significant corrective actions taken by us or other changes made to these internal controls. Our management does not believe there were changes in other factors that could significantly affect these controls subsequent to the date of the evaluation.
