PROPOSAL 1: NOMINEES FOR ELECTION AS DIRECTORS

The Fund's By-Laws provide that the Board of Directors shall consist of three classes of members. Directors are chosen for a term of three years and the term of one class of directors expires each year. The Board of Directors has designated two candidates, who are presently directors of the Fund, for whom proxies solicited by the Fund will be voted if requisite authority is granted.

Mr. Greenebaum, who has served as a director of the Fund since 1988, has informed the Board of Directors of his intention to retire at the end of his term and not stand for re-election. Mr. Greenebaum's decision to retire was not based upon any disagreement with the Fund's Board of Directors or management.

The following table sets forth the nominees for election as directors and the other directors whose term of office continues beyond the Meeting, their ages, term of office, including length of time served as a director, principal occupations for the past five or more years, any other directorships they hold in companies which are subject to the reporting requirements of the Securities Exchange Act of 1934 or are registered as investment companies under the Investment Company Act of 1940, as amended (the "1940 Act"), and the number of portfolios in the Fund Complex that they oversee. The Fund Complex includes funds with a common or affiliated investment adviser. The Fund Complex is comprised of the Fund, consisting of one portfolio and Westcore Trust, of which there are ten portfolios. Each director may be contacted by writing to the director, c/o Blue Chip Value Fund, Inc., 1225 Seventeenth Street, 26th Floor, Denver, Colorado 80202, Attn: Jasper Frontz.

Standing Board Committees

The Board has established three standing committees in connection with

Edgar Filing: BLUE CHIP VALUE FUND INC - Form DEF 14A

the governance of the Fund: Audit, Qualified Legal Compliance and Nominating.

The Fund's Audit Committee is comprised of all of the directors of the Fund who are not "interested" persons of the Fund as defined in the 1940 Act. The members of the Audit Committee are also considered independent as defined in the New York Stock Exchange Listing Standards applicable to closed-end investment companies. The functions of the Audit Committee include, among other things, to meet with the Fund's independent auditors to review the scope and findings of the annual audit, review matters of independence, discuss the Fund's accounting policies, discuss any recommendation of the independent auditors with respect to the Fund's management practices, review the impact of changes in accounting standards upon the Fund's financial statements, approve all audit and permissible non-audit services provided to the Fund and certain other persons by the independent auditors, approve the selection and compensation of independent auditors, and perform such other duties as may be assigned to the Audit Committee by the Board of Directors. The Board adopted a written charter for the Audit Committee in February 2000. The Audit Committee met once during the fiscal year ended December 31, 2003.

The Audit Committee has met with Fund management to review and discuss, among other things, the Fund's audited financial statements for the year ended December 31, 2003. The Audit Committee has also met with the Fund's independent accountants and discussed with them certain matters required under SAS 61 (Codification of Statements on Auditing Standards, AU ss. 380) as may be modified or supplemented from time to time, including, but not limited to, the scope of the Fund's audit, the Fund's financial statements and the Fund's accounting controls. The Audit Committee has received written disclosures and the letter from the Fund's independent accountants required by Independence Standards Board Standard No. 1 (Independence Discussions with Audit Committees), as may be modified or supplemented from time to time, and has discussed with the independent accountants their independence. Based upon these reviews and discussions, the Audit Committee recommended to the Board of Directors that the Fund's audited financial statements be included in the Fund's 2003 Annual Report to Stockholders for the year ended December 31, 2003. The members of the Audit Committee are currently Messrs. Greenebaum, Mather, McDaniel and Schulte, and Ms. Wilson.

The Audit Committee also serves as the Fund's Qualified Legal Compliance Committee (the "QLCC"). The purpose of the QLCC is to receive, retain, consider and act upon reports of evidence of possible material violations of applicable United States federal and state securities laws, material breaches of fiduciary duty arising under United States federal or state law and similar violations of any United States federal or state law from attorneys covered by Section 307 of the Sarbanes-Oxley Act of 2002. There were no meetings of the QLCC during the fiscal year ended December 31, 2003.

The Fund's Nominating Committee is comprised of all of the Directors who are not "interested" persons of the Fund, as defined in the 1940 Act. The members of the Nominating Committee are currently Messrs. Greenebaum, Mather, McDaniel and Schulte, and Ms. Wilson.

The Nominating Committee is responsible for the selection and nomination of candidates to serve as directors. A copy of the Nominating Committee Charter is attached hereto as Appendix A.

In evaluating candidates, the Nominating Committee may consider a variety of factors, but it has not at this time set any specific minimum qualifications that must be met. Although the Nominating Committee expects to be

Edgar Filing: BLUE CHIP VALUE FUND INC - Form DEF 14A

able to find an adequate number of candidates to serve as directors, the Nominating Committee is willing to consider nominations received from Stockholders or from other sources it deems appropriate that are submitted timely and with adequate information about the candidate in the Committee's view in order for it to make an assessment. The Nominating Committee shall assess stockholder nominees in the same manner as it reviews its own nominees. Any recommendation must be submitted in writing to the Nominating Committee in care of the Fund's Treasurer at the address on the front of this Proxy Statement, and should include at a minimum the following information as to each individual proposed for nomination as director: such individual's written consent to be named in the proxy statement as a nominee (if nominated) and to serve as a director (if elected), and all information relating to such individual that is required to be disclosed in the solicitation of proxies for election of such proposed nominee under the Securities Exchange Act of 1934, as amended, and the 1940 Act. The Nominating Committee, in its discretion, may request additional information concerning the recommended candidate in order to evaluate the candidate's qualifications. This Proxy Statement is expected to be mailed on April 8, 2004, and, if such occurs, any such notice must be received by the Fund on or before April 18, 2004.

In order for the information on such nominee to be considered for inclusion in the Fund's proxy statement, any such submission must be sent no later than 120 calendar days before the date the Fund's proxy statement was released to stockholders in connection with the Fund's previous year's annual meeting or, if the Fund has changed the meeting date by more than 30 days, within a reasonable time before the Fund begins to print and mail its proxy statement. The Nominating Committee did not meet during the fiscal year ended December 31, 2003. No nominee recommendation has been received from a Stockholder within the past 120 days. The Fund has not paid a fee to third parties to assist in finding nominees.

Stockholders may send other communications to the Board of Directors, a committee thereof or an individual Director. Any such communication should be sent in writing addressed to the Board of Directors, the specific committee or individual Director in care of the Fund's Treasurer at the address on the front of this Proxy Statement. The Fund's Treasurer is responsible for determining, in consultation with other officers of the Fund, counsel and other advisers, as appropriate, which stockholder-communications will be relayed to the Board, committee or individual Director. The Treasurer may determine not to forward any letter to the Board, committee or individual Director that does not relate to the business of the Fund.

Section 16(a) Beneficial Ownership Reporting Compliance

Section 30(f) of the 1940 Act and Section 16(a) of the Securities Exchange Act of 1934 require the Fund's directors and officers, certain affiliated persons of the investment adviser, and persons who own more than ten percent of the Fund's shares to file with the Securities and

Exchange Commission and the New York Stock Exchange initial reports of ownership and reports of changes in ownership of shares of the Fund. Specific due dates for these reports have been established and the Fund is required to disclose in this Proxy Statement any failure to file by the specific due dates. To the Fund's knowledge, all of these filing requirements were satisfied during 2003, except as follows: Ms. Suzanne Quam, an affiliated person of the investment adviser, did not file on a timely basis one report on Form 3 relating to her initial statement of beneficial ownership and two reports on Form 4 relating to two transactions; each of the following affiliated persons of the investment adviser did not file on a timely basis one report on Form 3 relating to his

Edgar Filing: BLUE CHIP VALUE FUND INC - Form DEF 14A

initial statement of beneficial ownership: Derek R. Anguilm, Glen T. Cahill, Troy Dayton, Jeffrey D. Adams, William S. Chester, Kris B. Herrick and Alex W. Lock. In making these disclosures, the Fund has relied on copies of reports that were furnished to it and written representations of its directors, officers and investment adviser.

Relationship with Independent Public Accountants

Pursuant to Rule 32a-4 of the 1940 Act, the Fund is no longer required to submit the ratification of the selection of its accountants to Stockholders. The Audit Committee and the Board on February 17, 2004, re-appointed Deloitte & Touche LLP ("Deloitte & Touche") as the Fund's independent auditors for the fiscal year ending December 31, 2004. Deloitte & Touche has served as the Fund's independent auditors since the fiscal year ended December 31, 2000.

Independent Auditor's Fees

Audit Fees: For the Fund's fiscal years ended December 31, 2003 and December 31, 2002, the aggregate fees billed for professional services rendered by Deloitte & Touche for the audit of the Fund's annual financial statements were \$16,430 for each year.

Audit-Related Fees: In Fund's fiscal years ended December 31, 2003 and December 31, 2002, no fees were billed for assurance and related services by Deloitte & Touche that were reasonably related to the performance of the audit of the Fund's financial statements and are not reported under "Audit Fees" above.

Tax Fees: For the Fund's fiscal years ended December 31, 2003 and December 31, 2002, aggregate fees of \$7,786 and \$6,070, respectively, were billed for professional services rendered by Deloitte & Touche for tax compliance, tax advice, and tax planning. The fiscal year 2003 tax fees were for tax return preparation services and assistance with research, advice and inquiries to taxing authorities concerning certain tax regulations for the Fund. The fiscal year 2002 tax fees were for tax return preparation services for the Fund.

All Other Fees: For the Fund's fiscal year ended December 31, 2002, aggregate fees of \$1,000 were billed by Deloitte & Touche for a reading of the Fund's unaudited semi-annual financial statements. No fees were billed to the Fund by Deloitte & Touche for services other than the services reported under the captions "Audit Fees," "Audit-Related Fees" and "Tax Fees," above, for the Fund's fiscal year ended December 31, 2003.

10

Audit Committee Pre-Approval Policies and Procedures: The Fund's Audit Committee has not adopted pre-approval policies and procedures. Instead, the Audit Committee approves on a case-by-case basis each audit or non-audit service before the engagement.

Aggregate non-audit fees of \$31,286 were billed by Deloitte & Touche for services rendered to the Fund and to the Fund's investment adviser, Denver Investment Advisors, LLC ("DIA"), for the Fund's fiscal year ended December 31, 2003. Aggregate non-audit fees of \$30,570 were billed by Deloitte & Touche for services rendered to the Fund and to DIA for the Fund's fiscal year ended December 31, 2002. The non-audit services rendered to DIA were not required to be pre-approved by the Fund's Audit Committee because they were provided prior to May 6, 2003, the effective date of the rules requiring such pre-approval. The Audit Committee has considered whether the provision of non-audit services that were rendered to DIA that were not pre-approved is compatible with maintaining

Edgar Filing: BLUE CHIP VALUE FUND INC - Form DEF 14A

Deloitte & Touche's independence.

Representatives of Deloitte & Touche are not expected to be present at the Meeting, but will be available by telephone to respond to appropriate questions from Stockholders, if necessary.

The Board of Directors recommends that Stockholders vote FOR the election of Messrs. Anderson and McDaniel as Class I directors to serve until the Annual Meeting of Stockholders in the year 2007 and until the election and qualification of their successors.

VOTES REQUIRED FOR THE ELECTION OF DIRECTORS AND APPROVAL OF OTHER MATTERS AT THE MEETING

A quorum for the transaction of business at the Meeting is constituted by the presence in person or by proxy of holders of a majority of the outstanding shares of common stock of the Fund. If a Proxy is properly submitted accompanied by instructions to withhold authority, or is marked with an abstention, the shares represented thereby will be considered to be present at the Meeting for purposes of determining the existence of a quorum for the transaction of business. In the election of directors, the nominees receiving the highest number of votes cast at the Meeting will be elected, assuming that each receives the votes of a majority of the outstanding shares of common stock. The withholding of voting authority with respect to the election of a director means that the shares withheld will not be counted toward the required majority. Under Maryland law, abstentions will have the effect of a "no vote" for purposes of obtaining the requisite approval. Broker "non-votes" will be treated the same as abstentions.

In the event that a quorum is not present at the Meeting or at any adjournment thereof, or in the event that a quorum is present at the Meeting but sufficient votes to approve the proposal are not received by the Fund, one or more adjournment(s) may be proposed to permit further solicitations of proxies. Any adjourned session or sessions may be held after the date set for the original Meeting without notice except announcement at the Meeting. Any such adjournment(s) will require the affirmative vote of a majority of the outstanding shares of common stock that are represented at the Meeting in person or by proxy. If such a quorum is present, the persons named as proxies will vote those proxies which they are entitled to vote FOR the proposal in

11

favor of such adjournment(s), and will vote those proxies required to be voted AGAINST the proposal against any such adjournment(s).

OTHER BUSINESS

The Management of the Fund does not know of any other matters to be brought before the Meeting. If such matters are properly brought before the Meeting, proxies not limited to the contrary will be voted in accordance with the best judgment of the person or persons acting thereunder. To propose any business for consideration at this Meeting (other than matters included in this Proxy Statement), the By-Laws require a Stockholder to notify the Fund in writing by the tenth day following the day on which notice of the meeting is mailed and to provide such written information to the Fund as its Secretary may reasonably require. This Proxy Statement is expected to be mailed to Stockholders on April 8, 2004, and, if such occurs, any such notice must be received by the Fund on or before April 18, 2004.

In order for the information on such nominee to be considered for inclusion in the Fund's proxy statement, any such submission must be sent no later than 120 calendar days before the date the Fund's proxy statement was released to stockholders in connection with the Fund's previous year's annual meeting or, if the Fund has changed
