Article 11 unaudited pro forma information

Unaudited pro forma condensed consolidated financial information

Basis of preparation

The unaudited pro forma condensed consolidated financial information (the "unaudited pro forma financial information") comprises the unaudited pro forma condensed consolidated balance sheet as at 31 December 2010 (the "unaudited pro forma balance sheet") and the unaudited pro forma condensed consolidated income statements for the years ended 31 December 2010, 31 December 2009 and 31 December 2008 (the "pro forma income statements") based on the published audited and unaudited financial statements of RBS, prepared in accordance with IFRS, after giving effect to:

- (a) the distribution of those ABN AMRO businesses attributable to Santander and the Dutch State (the "other Consortium Members"); and
- (b) the divestment of certain businesses to meet the European Commission's State Aid requirements (see below).

The distribution to other Consortium Members has now substantially completed following legal separation of ABN AMRO N.V. which took place on 1 April 2010.

To comply with the European Commission's State Aid requirements, RBS has agreed to make a series of divestments to be completed within four years from December 2009, as follows:

- RBS Insurance
- Global Merchant Services (sold November 2010)
- RBS Sempra Commodities (acquired April 2008; majority sold during 2010)
- the RBS branch based business in England and Wales, the NatWest branch network in Scotland, along with the Direct SME customers across the UK (termed the 'UK Retail and UK Corporate businesses outlined for disposal')

Collectively, the above are defined as the 'EC State Aid Divestments'.

The pro forma financial information has been prepared assuming the following:

- pro forma balance sheets: the distribution to the other Consortium Members and EC State Aid Divestments had occurred on 31 December 2010;
 - pro forma income statements: the distribution to the other Consortium Members and EC State Aid Divestments had occurred on 1 January 2008;
-

Article 11 unaudited pro forma information

Unaudited proforma condensed consolidated financial information (continued)

Basis of preparation (continued)

- sale proceeds in respect of the EC State Aid Divestments not yet completed are received in cash and are equal to the net asset values of the businesses to be disposed of; and
- the UK Retail and UK Corporate business outlined for disposal represents a carve-out from existing RBS businesses and therefore discrete financial information for this divestment which is factually supportable is not currently available. Accordingly, the pro forma financial information in respect of the EC State Aid Divestments excludes this business.

The table below shows best estimates regarding certain key line items in respect of the UK Retail and UK Corporate businesses outlined for disposal. Detailed financial information about this business on a stand alone basis is currently being prepared and therefore the estimates are subject to change.

	Year ended 31 December 2010 £m	Year ended 31 December 2009 £m	Year ended 31 December 2008 £m
UK Retail and UK Corporate businesses outlined for disposal			
Total income	902	925	1,082
Operating profit before impairment losses	439	451	567
Operating profit/(loss) before tax	160	(55)	347

Total assets at 31 December 2010 were estimated to be £19.9 billion

The pro forma financial information is presented for information purposes only and does not represent what the results of operations would actually have been had the distribution to other Consortium Members and EC State Aid Divestments occurred on the dates indicated nor is it necessarily indicative of the results of operations of financial position that may or may be expected to be achieved in the future.
