ITEM 2. Acquisition or Disposition of Assets.

On February 28, 2002, The Cooper Companies, Inc. ("Cooper"), completed its acquisition of the contact lens business of Biocompatibles International plc.

Edgar Filing: COOPER COMPANIES INC - Form 8-K

("Biocompatibles"), comprised of its wholly owned subsidiaries Hydron Limited ("Hydron"), Biocompatibles Eyecare Inc. ("BE Inc.") and Biocompatibles Canada Inc. ("BE Canada"). Pursuant to an International Share Sale Agreement (the "Sale Agreement") dated 15 January 2002, among Biocompatibles, Cooper and Cooper's wholly owned subsidiary Aspect Vision Holdings Limited ("AVH"), Biocompatibles sold all of the outstanding shares of Hydron to AVH and all of the outstanding shares of BE Inc. and BE Canada to Cooper.

The aggregate consideration paid for the shares and to repay outstanding indebtedness of the acquired business was 'L'68 million (about \$97 million) plus transaction costs. The purchase price was determined through arm's length negotiations. Cooper paid 'L'24 million of such amount in cash at closing, which funds were obtained from its existing line of credit, and it and AVH issued promissory notes in an aggregate principal amount of 'L'44 to Biocompatibles, maturing on 15 November 2002 and bearing interest at 5% per annum. The notes are secured by the shares of BE Inc, the production facility of BE Inc. in Norfolk, Virginia, and BE Inc.'s inventory and receivables. The AVH note is also secured by the shares of Hydron. The notes may be prepaid at the option of Cooper and AVH without penalty at any time. Cooper is currently negotiating an expanded bank credit facility, which it expects to complete in early May, part of the proceeds of which will be used to repay the notes. An Arrangement and Administration Agreement dated 28 February 2002 among Biocompatibles, Cooper and AVH (the "Administration Agreement") provides for certain payments to Biocompatibles by Cooper if payment of the principal amount of the notes, together with accrued interest, is not made by May 15, 2002, until such time as such payment is made.

A copy of each of the Sale Agreement, Administration Agreement and promissory notes are filed as exhibits hereto and incorporated herein by reference. The description of such documents set forth herein do not purport to be complete and are qualified in their entirety by the provisions of such documents.

The description of the acquired Biocompatibles contact lens business contained in the press release issued by Cooper on February 28, 2002, a copy of which is filed as an exhibit hereto, is incorporated herein by reference.

ITEM 5. Other Events.

On February 27, 2002, Cooper issued a press release announcing its first quarter fiscal 2002 results. On February 28, 2002, Cooper announced that its CooperSurgical unit had agreed to acquire to the bone densitometry business of Norland Medical Systems.
