PROXY STATEMENT

This Proxy Statement is being sent to you in connection with the solicitation of proxies for the Annual Meeting of Shareholders (the "Annual Meeting") by the Board of Directors of The Bank of New York Company, Inc. (the "Company", "we" or "us").

THE ANNUAL MEETING WILL BE HELD ON MAY 14, 2002 AT THE BANK OF NEW YORK, 385 RIFLE CAMP ROAD, WEST PATERSON, NEW JERSEY, AT 10:00 A.M. LOCAL TIME.

WHO CAN VOTE. The Board of Directors has fixed the close of business on March 25, 2002 as the Record Date. Only shareholders whose names appeared on the books of the Company at the close of business on the Record Date will be entitled to notice of and to vote at the Annual Meeting or any adjournment. The outstanding voting stock of the Company on the Record Date was 728,175,051 shares of Common Stock (\$7.50 par value) ("Common Stock"). Each share is entitled to one vote. The Company's By-laws provide that the presence at the Annual Meeting of the holders of a majority of the shares of the Company entitled to vote at such meeting constitutes a quorum for the transaction of business.

HOW TO VOTE. A form of proxy is enclosed. Your proxy tells us how to vote your shares at the Annual Meeting.

You can vote your shares by proxy by:

1. Internet,
2. telephone, or
3. completing, dating, signing and mailing your proxy card in the return envelope provided.

Read the enclosed card for instructions on how to vote over the Internet or by telephone.

You have the right to revoke your proxy at any time before it is voted by filing with the Office of the Secretary of the Company a written revocation or a duly executed proxy bearing a later date. You may attend the Annual Meeting and vote in person whether or not you previously submitted a proxy.

Three officers of the Company have been designated as the proxies to vote shares at the Annual Meeting in accordance with the instructions on the proxy card. Each proxy submitted will be voted as directed, but if you sign and return a proxy card without giving specific voting instructions, your shares will be voted for the election of the nominees for director named in this Proxy Statement, for ratification of the appointment of Ernst & Young LLP as the Company's independent public accountants, and against the shareholder proposal set forth in Item 3 of this Proxy Statement. We are not now aware of any other

Edgar Filing: BANK OF NEW YORK CO INC - Form DEF 14A

matters to be presented except for those described in this Proxy Statement. If any other matters are presented at the meeting, the proxies may use their own judgment to decide how to vote your shares. Should any nominee for director named in this Proxy Statement become unable or unwilling to accept nomination or election, which is not anticipated, the persons acting as proxies will vote for the election of such other person, if any, as the Board of Directors may recommend. If the Annual Meeting is adjourned, your shares may be voted by the proxies on the new meeting date unless you have revoked your proxy.

THE NOMINEES FOR DIRECTOR WHO RECEIVE THE HIGHEST NUMBER OF "FOR" VOTES CAST WILL BE ELECTED. THE "FOR" VOTE OF A MAJORITY OF THE VOTES CAST IS SUFFICIENT TO RATIFY THE APPOINTMENT OF ERNST & YOUNG LLP AND TO APPROVE THE SHAREHOLDER PROPOSAL.

FOR PURPOSES OF DETERMINING THE VOTES CAST WITH RESPECT TO ANY MATTER PRESENTED FOR CONSIDERATION AT THE ANNUAL MEETING, ONLY THOSE VOTES CAST "FOR" OR "AGAINST" ARE COUNTED. PURSUANT TO NEW YORK LAW, ABSTENTIONS, BROKER "NON-VOTES" (OR VOTES "WITHHELD" IN THE ELECTION OF DIRECTORS) WILL NOT BE COUNTED. A BROKER NON-VOTE OCCURS WHEN A BROKER, BANK OR OTHER NOMINEE WHICH HOLDS COMPANY SHARES RETURNS A PROXY TO THE COMPANY BUT CANNOT VOTE THE SHARES IT HOLDS BECAUSE IT HAS NOT RECEIVED VOTING INSTRUCTIONS FROM THE SHAREHOLDER WITHIN TEN DAYS OF THE MEETING AND THE MATTER TO BE VOTED ON IS NOT "ROUTINE" UNDER NEW YORK STOCK EXCHANGE ("NYSE") RULES. NYSE RULES ALLOW BROKERS, BANKS AND OTHER NOMINEES TO VOTE SHARES HELD BY THEM ON MATTERS THAT THE NYSE DETERMINES TO BE ROUTINE, EVEN THOUGH THE BROKER, BANK OR NOMINEE HAS NOT RECEIVED INSTRUCTIONS FROM THE SHAREHOLDER.

This Proxy Statement and the accompanying form of proxy are first being sent to shareholders on or about March 29, 2002.

The Company will pay the cost of soliciting proxies. In addition to soliciting proxies by mail, proxies may be solicited in person or by telephone, fax or e-mail by officers and regular employees of the Company and its subsidiaries who will not be specifically compensated therefor. The Company has engaged Morrow & Co., Inc. to assist in the solicitation of proxies for a fee of \$15,000 plus reimbursement for out-of-pocket expenses. The Company will also reimburse brokers or other persons holding shares in their names or in the names of their nominees for their reasonable out-of-pocket expenses in forwarding proxies and proxy material to the beneficial owners of such shares.

BOARD OF DIRECTORS AND DIRECTOR COMPENSATION

The Company is a financial holding company whose principal subsidiary is The Bank of New York (the "Bank"). The Company and the Bank are incorporated under the laws of the State of New York. The interests of shareholders are represented by the Board of Directors, which oversees the business and management of the Company. Information concerning the members of the Board of Directors who are standing for re-election is set forth below under the caption "Nominees for Election as Directors." This solicitation of proxies is intended to give all shareholders a chance to vote for the persons who are to be their representatives in the governance of the Company.

In accordance with New York law, the Company's By-laws set forth the Board's responsibilities and establish various corporate authorizations. The By-laws also deal with the organization of the Board, which is described below. The Board has the power to amend the By-laws.

Directors are elected to serve until the next annual meeting of shareholders and until their successors have been elected and qualified.

During 2001, the Board of Directors of the Company met a total of 15 times. Each

Edgar Filing: BANK OF NEW YORK CO INC - Form DEF 14A

incumbent director attended at least 75% of the aggregate number of meetings of the Board of Directors and the committees thereof on which such director served during 2001. The Board of the Bank, which during 2001 included all the members of the Board of Directors of the Company, held a regular meeting each month.

The Board of Directors of the Company has appointed several committees which have responsibility for particular corporate matters. There follows a description of these committees and their functions, including certain information concerning the directors standing for re-election who serve on such committees.

The Board of Directors of the Company has a Nominating and Governance Committee whose members during 2001 were Messrs. Luke (Chairman), Chaney, Kogan and Malone. The Nominating and Governance Committee is willing to consider nominations for future election to the Board, and shareholders may submit in writing the names and qualifications of proposed nominees to the Office of the Secretary of the Company. The Nominating and Governance Committee met two times during 2001.

The Board of Directors of the Company has an Executive Committee whose incumbent members during 2001 were Messrs. Renyi (Chairman), Bacot, Barth, Chaney, Griffith, Hassell, Luke, Miller and Ms. Rein. The Executive Committee has the full authority of the Company's Board of Directors, except for limitations relating to major corporate matters. The Executive Committee met once in 2001.

The Board of Directors of the Company annually appoints an Audit and Examining Committee (the "Audit Committee"), comprising directors who are not officers of the Company. The Audit Committee met five times in 2001. The functions of the Audit Committee are described in its charter. A copy of the charter is attached to this Proxy Statement as Appendix A. Ms. Rein (Chairman), Messrs. Bacot, Barth, Donofrio, Luke, Miller, Richardson and Roberts served on the Audit Committee during 2001. The NYSE listing standards set forth certain criteria for determining whether a member of the Audit Committee is "Independent." The Audit Committee determined that the directors who serve on the committee were all Independent under the revised NYSE listing standards except for Mr. Bacot, who was not considered Independent because he was an officer of the Company until February 1998. The Board of Directors determined, in accordance with the NYSE listing standards, that Mr. Bacot was independent of management and had no relationship that would interfere with his exercise of independent judgment as a member of the Audit Committee. The Board appointed Mr. Bacot to the Audit Committee because he brought to the Audit Committee valuable experience with the operations of the Company and familiarity with regulatory matters.

The Board of Directors of the Company has a Compensation and Organization Committee, comprising directors who are not officers of the Company, whose members during 2001 were Messrs. Kogan

2

(Chairman), Biondi, Chaney, Malone and Miller. The Compensation and Organization Committee is responsible for matters of executive compensation and administration of the Company's incentive compensation plans. The Compensation and Organization Committee met four times during 2001.

The Board of Directors of the Company has a Pension Committee whose duties are to ascertain that the retirement plans of the Company are in compliance with the Employee Retirement Income Security Act of 1974, to review the investments in the trust funds of the plans and to report to the Board on these matters. Messrs. Barth (Chairman), Bacot, Richardson and Ms. Rein served on the Pension Committee during 2001. The Pension Committee met twice during 2001.

Edgar Filing: BANK OF NEW YORK CO INC - Form DEF 14A

On January 8, 2002 the Board of Directors of the Company established a Risk Committee whose members are Messrs. Donofrio (Chairman), Bacot, Barth, Richardson, Roberts and Ms. Rein. The Risk Committee assists the Board of Directors in assessing and reviewing the risk management activities of the Company and its subsidiaries, including those associated with the extension of credit and market activities.

During 2001, each director who was not an officer of the Company or its subsidiaries received an annual retainer of \$30,000 and 2,400 shares of Common Stock. In addition, each director who was not an officer of the Company or its subsidiaries received a fee of \$1,800 for each meeting of the Board and of any committee which the director attended. The Chairman of the Audit Committee received an additional annual retainer fee of \$7,000, the Chairman of the Compensation and Organization Committee received an additional annual retainer fee of \$5,000 and the Chairmen of the other Committees of the Board each received an additional annual retainer fee of \$3,000. A director who serves on the Boards of both the Company and the Bank receives only one retainer. If the Boards of the Company and the Bank meet on the same day, only one fee is paid for attendance at both meetings.

Officers of the Company and its subsidiaries do not receive any compensation for service on the Boards of the Company or its subsidiaries, or the committees thereof.

Under the Deferred Compensation Plan for Non-Employee Directors of The Bank of New York Company, Inc. (the "Directors' Deferred Compensation Plan"), each director who is not an officer of the Company or any of its subsidiaries may elect to defer payment of all or a portion of the director's annual retainer and meeting fees. In accordance with the director's election, pursuant to the terms of the Directors' Deferred Compensation Plan, deferred retainer and meeting fees are allocated to accounts on the Company's books corresponding to some of the investment funds under the Company's profit-sharing plan; the accounts are adjusted to reflect the investment performance of such funds. All payments are made in cash, except that payment is made in shares of Common Stock with respect to amounts allocated to the Common Stock fund. The Directors' Deferred Compensation Plan contains provisions for the payment of each director's account balance upon such director's termination following a Change of Control (as defined in the Directors' Deferred Compensation Plan). The Directors' Deferred Compensation Plan is not funded and payments are made from the Company's general assets.

ELECTION OF DIRECTORS

Unless contrary instructions are given, the persons designated as proxies intend to vote on behalf of shareholders for the election of the nominees listed in the following pages. If any nominee becomes unable or unwilling to accept nomination or election, the persons designated as proxies intend to vote on behalf of shareholders for the election of such other person, if any, as the Board of Directors may recommend. The directors elected will hold office until the next annual meeting and until their successors have been elected and qualified.

NOMINEES FOR ELECTION AS DIRECTORS

The following pages show each nominee for election as a director, his or her age, his or her principal occupation during the past five years, certain other directorships and trusteeships held, the year in which he or she became a director, and his or her holdings of Common Stock as of March 25, 2002.

All nominees who are presently serving as directors were elected to their present term of office by the shareholders with the exception of Mr. Myners who was elected by the Board of Directors.

The following information has been furnished by the nominees.

2001 AUDIT COMMITTEE REPORT

The Audit Committee of the Board of Directors of the Company assists the Board of Directors in fulfilling its statutory and fiduciary responsibilities relating to internal control, accounting policies, and auditing and reporting practices.

Management of the Company is responsible for the preparation, presentation and integrity of the Company's financial statements. Management is responsible for maintaining appropriate accounting and financial reporting principles and policies as well as for maintaining internal controls and procedures designed to assure compliance with accounting standards and applicable laws and regulations. The Company's independent auditors are responsible for planning and carrying out an audit of the annual financial statements and for reviews of the Company's quarterly financial statements prior to the filing of each quarterly report on

Edgar Filing: BANK OF NEW YORK CO INC - Form DEF 14A

Form 10-Q.

The Audit Committee reviewed the audited financial statements in the Company's Annual Report with management and has discussed with management the quality, not just the acceptability, of the Company's accounting principles, the reasonableness of significant judgments and the clarity of disclosures made in the financial statements.

The Audit Committee has discussed with the Company's independent auditors, who are responsible for expressing an opinion on the conformity of the audited financial statements with generally accepted

9

accounting principles, the independent auditors' judgments as to the quality, not just the acceptability, of the Company's accounting principles and any matters required to be discussed by Statement on Auditing Standards 61, as modified or supplemented.

In addition, as required by Independence Standards Board Standard No. 1, the Audit Committee has: (i) received from the Company's independent auditors written disclosure of all relationships, if any, between the Company's independent auditors and its related entities and the Company and its related entities that in the independent auditors' professional judgment may reasonably be thought to bear on their independence, (ii) received a letter from the Company's independent auditors confirming that in the independent auditors' professional judgment, the auditors are independent of the Company, and (iii) discussed with the Company's independent auditors their independence from management and the Company. The Audit Committee has also considered that the provision of non-audit services to the Company by Ernst & Young LLP is compatible with maintaining the auditors' independence.

The Audit Committee discussed with the Company's internal auditors and independent auditors the overall scope and plans for their respective audits. The Audit Committee meets with the internal auditors and independent auditors, with and without management present, to discuss the results of their examinations, their evaluations of the Company's internal controls and the overall quality of the Company's financial reporting.

In reliance on the reviews and discussions referred to above, the Audit Committee recommended to the Board of Directors (and the Board approved) that the audited financial statements be included in the Annual Report on Form 10-K for the year ended December 31, 2001 which is filed with the Securities and Exchange Commission. The Audit Committee and the Board of Directors have also recommended, subject to shareholder approval, the selection of Ernst & Young LLP as the Company's independent auditors.

COMPENSATION AND ORGANIZATION COMMITTEE REPORT ON EXECUTIVE COMPENSATION FOR 2001

PRINCIPLES AND PROGRAM

The Company's executive compensation program is a pay for performance program. It is designed to:

- motivate executives to enhance shareholder value with compensation plans that tie reward to Company performance; and,
- target executive compensation at a level to ensure the Company's ability to attract and retain superior executives.

The Compensation and Organization Committee of the Board of Directors, which is composed entirely of outside directors, has the responsibility for the design, implementation and administration of the Company's executive compensation program.

To meet the above objectives, the program, which has both cash and equity elements, consists of base salary, an annual cash incentive bonus, share grants and stock options. In determining executive compensation, the Compensation and Organization Committee evaluates both the total compensation package and its individual elements. As part of its review, the Committee periodically considers compensation data concerning the Company's key competitors developed by independent compensation consultants. Key competitors include banks in the peer group used for the five-year comparison of total shareholder return. The Committee also considers Company performance, individual performance and the relative compensation levels of other executive officers. It is expected that total compensation will vary annually based on Company and individual performance. The Compensation and Organization Committee and the management of the Company believe that compensation should be based on both short-term and long-term measurements and be directly and visibly tied to Company performance, thus introducing substantial risk in the payout levels.

In evaluating the Company's 2001 financial performance, the Compensation and Organization Committee considered a variety of factors. First, the economic environment and general market conditions deteriorated throughout the year, as evidenced by both a recession in the U.S. economy and a general increase in credit costs for the industry. As well, 2001 reflected a significant decline in investment and capital markets activities in virtually all major markets around the world. The weakness in both the economy and investment activity were exacerbated by the September 11th terrorist attacks on the World Trade Center. Given the proximity of the Bank's principal buildings to the World Trade Center site, the Company immediately implemented its contingency business plans including the relocation of 8,500 employees to contingency work locations. Despite these unfavorable conditions, the Company recorded normalized net income (net income which excludes non-recurring items) of \$1,492.1 million and earnings per share of \$2.01, up 4.4%, and 4.7%, respectively over last year's results. These results compared favorably to many of its peers, as the Company's strategy of emphasizing securities servicing involving a diversity of products and markets served, coupled with a continuing focus on expense management, provided a sound base of sustainable earnings. Despite the events of the year, capital levels remain strong and well in excess of the regulatory minimums for a "well capitalized bank." While the price of common shares declined 26.1% in 2001 from year-end 2000 to year-end 2001, this was generally in line with the share price performance of other securities processing companies.

Following is a description of the elements of executive compensation, and a review of Mr. Renyi's compensation levels for 2001, as they relate to the

Edgar Filing: BANK OF NEW YORK CO INC - Form DEF 14A

Company's performance:

BASE SALARY

Base salary levels for executive officers are determined by the Compensation and Organization Committee of The Bank of New York (the "Bank"), which comprises the same members as the Compensation and Organization Committee of the Company. The Compensation and Organization Committee assesses a number of factors in fixing the base salary of the executive officers (including the five most highly compensated) such as the level of responsibility of the particular position, the individual's performance, the Company's overall financial performance, and the business and inflationary climate. In considering base salary levels, the Compensation and Organization Committee considers all of these factors without giving specific weight to any one factor.

Base salary levels of executive officers are reviewed every quarter by the Compensation and Organization Committee; individual increases generally occur every two years, but are occasionally awarded more or less frequently in exceptional circumstances. Because of the substantial risk in the payout levels of the

13

long-term incentive plan, the Compensation and Organization Committee believes that base salary levels for the named executives should be at or above median for the peer group; an independent compensation consultant periodically reviews the competitiveness of executive salaries. Mr. Renyi's base salary of \$1,000,000 was unchanged in 2001.

Performance evaluations of other executive officers are reviewed with the Compensation and Organization Committee by the Chief Executive Officer. To ensure that compensation policy for the top executive officers is consistent with overall Company financial performance and executive compensation strategies, the Compensation and Organization Committee reviews the compensation awarded to approximately 50 of the Bank's most highly compensated executives.

ANNUAL CASH INCENTIVES

The annual cash incentive is designed to provide a short-term (one-year) incentive to executive officers based on a subjective evaluation of their individual contribution to Company financial performance for the year. Cash incentives to executive officers named in the Summary Compensation Table are generally determined based on performance against pre-established corporate goals but may also be awarded on a discretionary basis. If performance goals are not met, awards are scaled down against target, or eliminated. Heads of major business units and other key officers are eligible for incentive payments. Incentive awards are made after each year's results are known pursuant to the 1994 Management Incentive Compensation Plan (the "1994 MICP"), under which aggregate awards generally may not exceed 10% of the amount by which net income exceeds 7% of average shareholders' equity for the plan year. Upon recommendation of the Compensation and Organization Committee, Board approval is required for executive officer incentive payments.

In the case of Mr. Renyi, his allowable bonus for 2001 of \$2,632,000 was based on normalized net income results against financial goals that were established at the beginning of 2001, and may be paid in cash and/or restricted shares. In view of charges for certain credit exposures in 2001, the Committee has adjusted the bonus to \$1,190,000 and 18,433 restricted shares, to be awarded in March 2002.

SHARE GRANTS

Edgar Filing: BANK OF NEW YORK CO INC - Form DEF 14A

The Compensation and Organization Committee strongly endorses the use of performance shares as an important component of long-term incentive compensation for the most senior management of the Company. Performance share earnouts fluctuate based on Company results against pre-established goals over designated performance periods.

Restricted share grants are made to other executive officers. Restricted shares vest over time without regard to performance goals but provide an incentive to recipients to remain employed with the Company and to contribute to overall Company performance and the enhancement of shareholder value.

In 2000 performance share grants were made covering performance for calendar years 2000, 2001 and 2002. Performance shares granted that were to earnout based on 2001 performance, earned out against pre-established goals at 253.75% of granted shares. Performance goals for performance shares are based on return on equity, adjusted for non-recurring items. In view of the charges for certain credit exposures in 2001, the Committee has adjusted the earnout to 228.75% of granted shares. Mr. Renyi earned 137,250 shares based on a grant of 60,000 shares.

STOCK OPTION GRANTS

Stock options are designed to provide long-term (ten-year) incentives and rewards tied to the price of the Company's Common Stock. Given the fluctuations of the stock market, there is not always a direct correlation between stock price performance and financial performance. The Compensation and Organization Committee believes that stock options, which provide value to participants only when the Company's shareholders benefit from stock price appreciation, are an important component of the Company's executive compensation program. The number of options currently held by an officer is not a factor in determining individual grants, and the Compensation and Organization Committee has not established any target level of ownership of Company Common Stock by the Company's officers. However, retention of shares of Company stock by officers is encouraged.

14

Stock option grants were made pursuant to the 1999 Long-Term Incentive Plan. During 2001, approximately 1,700 key officers received stock option grants including all executive officers. The number of option shares granted is based on a subjective evaluation of an individual's contribution to Company financial performance and his/her position and salary level in the Company. Stock options are issued annually at an exercise price equal to 100% of the fair market value of the Company's Common Stock on the date of grant. Vesting terms for stock options are shown in the footnotes to the Option Grants in the Last Fiscal Year table on page 12; the term of the options is ten years from the grant date.

An outside consultant used by the Compensation and Organization Committee periodically reviews the value of long-term incentive grants (which includes stock options and performance shares) awarded by competitors to their senior management. Mr. Renyi was awarded 400,000 option shares in February 2001.

Under Section 162(m) of the Internal Revenue Code of 1986, as amended (the "Code"), the Company will not be able to take tax deductions for employee remuneration to the named executives to the extent such remuneration exceeds \$1 million and is not based on performance as defined in Section 162(m) of the Code. The Company has modified its incentive compensation plans, has obtained and will continue to seek the necessary shareholder approvals and has established the requisite performance measurements to insure that compensation paid under those plans will be deductible. In order to maintain the desired

Edgar Filing: BANK OF NEW YORK CO INC - Form DEF 14A

degree of management flexibility to award compensation based upon individual performance, compensation which does not qualify for the deduction may also be paid.

EMPLOYMENT AGREEMENTS AND RELATED MATTERS. The executive officers named in the Summary Compensation Table on page 11 of this Proxy Statement are currently parties to the agreements described below.

SEVERANCE AGREEMENTS. The Severance Agreements for Messrs. Renyi, Hassell, Griffith, Van Saun and Mueller (the "Severance Agreements") generally provide that in the event that, within 24 months following a "Change in Control" (as defined below) of the Company, such executive officer either (i) receives notice that his employment will terminate for any reason other than death, retirement, Cause or Disability (as defined in the Severance Agreements) or (ii) gives notice that his employment will terminate for Good Reason (as defined in each Severance Agreement), such executive officer will be provided with severance pay in an amount equal to 3 times the sum of the officer's (x) annual salary rate prior to a notice of termination (or, if higher, the annual salary rate immediately prior to the Change in Control) and (y) highest annual bonus earned during the last three completed fiscal years immediately preceding the executive officer's termination date (the "Bonus Amount"); the severance payment will also include an amount equal to the lump sum actuarial equivalent of the additional benefit which the officer would have received under the Company's Retirement, Excess Benefit and Supplemental Executive Retirement Plans if his employment had continued for 3 additional years, his age were increased by 3 years and he continued to receive salary equal to the annual salary rate in effect immediately prior to the Change in Control and bonus compensation equal to the Bonus Amount. Should the executive officer be subject to the excise tax on "excess parachute payments" as a result of such payment and payments under other plans due to a Change in Control, an additional payment will be made to restore the after-tax severance payment to the same amount which the executive officer would have retained had the excise tax not been imposed.

The initial term of the Severance Agreements, was July 11, 2000 to December 31, 2000. Thereafter, they automatically renew each January 1st for consecutive one year periods unless terminated by either party on 90 days prior notice, provided, that notwithstanding any such notice, the Severance Agreements will continue in effect for 24 months after a Change in Control which occurs during the term or any renewal thereof. As of January 1, 2002, the severance payable under the Severance Agreements was \$20,349,307 for Mr. Renyi, \$13,820,953 for Mr. Hassell, \$9,915,108 for Mr. Griffith, \$8,024,455 for Mr. Van Saun and \$6,330,768 for Mr. Mueller.

OTHER EMPLOYEE BENEFIT MATTERS. Under the 1993 and 1999 Long-Term Incentive Plans, in the event of a Change in Control (as defined below), (i) the restrictions applicable to all shares of restricted stock and restricted share units shall lapse and such shares and share units shall be deemed fully vested, (ii) all restricted stock granted in the form of share units shall be paid in cash, (iii) 200% of all performance shares granted in the form of shares of Common Stock or share units shall be deemed to be earned in full and fully vested, (iv) 200% of all performance shares granted in the form of share units shall be paid in cash, and (v) any participant who holds a stock option that is not exercisable in full shall be entitled to receive a cash payment as provided below with respect to the portion of the stock option which is not then exercisable. The amount of any cash payment in respect of a restricted share unit or performance share unit shall be equal to: (A) in the event the Change in Control is the result of a tender offer or exchange offer for Common Stock, the final offer price per share paid for the Common Stock or, if higher, the highest fair market value of the Common Stock during the 90-day period ending on the date of the Change in Control or (B) in the event the Change in Control is the result of any other occurrence, the highest fair market value of the Common Stock during the 90-day period ending on the date of the Change in Control. The amount to be paid in respect of the portion of any stock option which is not exercisable shall be equal to the result of multiplying the number of shares of Common Stock covered by such portion of the stock option by the difference between (x) the per share value of Common Stock determined pursuant to the

preceding sentence, or such lower price as the Compensation and Organization Committee may determine with respect to any incentive stock option to preserve its incentive stock option status, and (y) the per share exercise price of such stock option. Notwithstanding the foregoing, if a Change in Control occurs under clause (C) of the definition thereof, the transaction described therein is conditioned on qualifying for "pooling of interests" accounting treatment (or similar accounting treatment) and the arrangements described in clauses (iii) or (iv) of the preceding sentence would prevent such qualification, in lieu of the arrangements described in the first sentence of this paragraph (x) all performance shares granted in the forms of shares of Common Stock or share units shall be converted to restricted stock of the surviving entity (or, if applicable, of the ultimate parent corporation) and shall be fully vested at the end of the applicable performance period, (y) all restricted stock and stock options shall be converted into restricted stock and stock options of the surviving entity

17

(or, if applicable, of the ultimate parent corporation) with the vesting provisions of the original awards and (z) all such restricted stock and stock options shall be fully vested if the employment of the holder thereof is terminated without "cause" or for "good reason" (as such terms are defined under the 1993 and 1999 Long-Term Incentive Plans).

The Company entered into a trust agreement with an independent trustee in 1993 to establish a trust (the "Trust") to provide for the payment of amounts due to Messrs. Renyi, Hassell, Griffith, Mueller and later, Mr. Van Saun (and certain other senior executives) upon a Change in Control (as defined below) of the Company. The terms of the Trust provide for the payment to Messrs. Renyi, Hassell, Griffith, Van Saun and Mueller (and certain other senior executives) of the severance pay payable to them pursuant to their Severance Agreements described above. The Trust also provides for the payment of amounts due to participants under the Company's Supplemental Executive Retirement Plan and Excess Benefit Plan which include Messrs. Renyi, Hassell, Griffith, Van Saun and Mueller (and certain other senior executives). The Trust is revocable at any time at the option of the Company prior to a Change in Control. After the occurrence of a Change in Control, the Trust will become irrevocable and will be used for the exclusive purpose of providing benefits to such persons. The Trust is funded by the deposit of an irrevocable letter of credit in the amount of \$232 million issued by an entity unaffiliated with the Company.

CHANGE IN CONTROL. A "Change in Control" for purposes of the Severance Agreements of Messrs. Renyi, Hassell, Griffith, Van Saun and Mueller, the Trust, the Supplemental Executive Retirement Plan and Excess Benefit Plan, the 1993 and 1999 Long-Term Incentive Plans is deemed to occur if (A) any "person" (as such term is defined in Section 3(a)(9) and as used in Sections 13(d) and 14(d) of the Securities Exchange Act of 1934, as amended (the "Exchange Act")), excluding the Company or any of its subsidiaries, a trustee or any fiduciary holding securities under an employee benefit plan of the Company or any of its subsidiaries, an underwriter temporarily holding securities pursuant to an offering of such securities or a corporation owned, directly or indirectly, by stockholders of the Company in substantially the same proportion as their ownership of the Company, is or becomes the "beneficial owner" (as defined in Rule 13d-3 under the Exchange Act), directly or indirectly, of securities of the Company representing 25% or more of the combined voting power of then outstanding securities ("Voting Securities") of the Company, unless the acquisition of Voting Securities is in connection with an acquisition by the Company of a business or operation of or controlled by such person, a majority of the Board approve a resolution providing that the acquisition does not constitute a Change in Control and such person does not become the owner of 35% or more of the Voting Securities; or (B) during any period of not more than two

Edgar Filing: BANK OF NEW YORK CO INC - Form DEF 14A

years, individuals who constitute the Board as of the beginning of the period and any new director (other than a director designated by a person who has entered into an agreement with the Company to effect a transaction described in clause (A) or (C) of this sentence) whose election by the Board or nomination for election by the Company's shareholders was approved by a vote of at least two-thirds (2/3) of the directors then still in office who either were directors at such time or whose election or nomination for election was previously approved (the "Incumbent Directors"), cease for any reason to constitute a majority thereof; or (C) the consummation of the merger or consolidation of the Company with any other corporation, other than a merger or consolidation which would result in (i) the Voting Securities of the Company outstanding immediately prior thereto continuing to represent (either by remaining outstanding or by being converted into Voting Securities of the surviving entity or, if applicable, of the ultimate parent corporation which has beneficial ownership of at least 95% of the Voting Securities of the surviving entity) at least 60% of the combined voting power of the Voting Securities of the Company or of such surviving entity (or such ultimate parent corporation) outstanding immediately after such merger or consolidation and (ii) the Incumbent Directors constituting at least a majority of (x) the board of directors of the surviving entity and of any corporation that owns 25% or more but less than 50% of the Voting Securities of such surviving entity or (y) the board of directors of any corporation that owns at least 50% of the Voting Securities of such surviving entity; or (D) the shareholders of the Company approve a plan of complete liquidation of the Company; or (E) the consummation of the sale or disposition by the Company of all or substantially all of the Company's assets.

Individuals listed in the Summary Compensation Table on page 11 had the following covered compensation, and years of credited service as of December 31, 2001, respectively: Thomas A. Renyi, \$2,623,667, 30 years; Gerald Hassell, \$1,510,801, 25 years; Alan R. Griffith, \$1,327,545, 35 years; Bruce Van Saun \$1,147,545, 4 years and Robert J. Mueller, \$1,072,974, 24 years. Covered compensation consists of the average of the three highest consecutive years of combined salary and bonus paid in the last ten years, and corresponds to those amounts indicated in column (c) and the cash portion of the amounts indicated in column (d) of the Summary Compensation Table.

For Messrs. Renyi, Hassell, Griffith, Van Saun and Mueller, the Pension Plan Table sets forth the estimated annual pension benefit in the form of a straight life annuity payable at normal retirement age before reduction for Social Security benefits.

DIRECTORS' AND OFFICERS' LIABILITY INSURANCE

The Company has purchased directors' and officers' liability and corporate reimbursement insurance, covering all directors and officers of the Company and all subsidiaries, from the following underwriters: National Union Fire Insurance Company of Pittsburgh, PA and Lloyd's of London. These policies are dated December 1, 2001 at a total premium expense for a one year period of \$863,500.00, which was paid by the Company, and are due to expire December 1, 2002.

19

CERTAIN TRANSACTIONS

In the ordinary course of business, the Company and certain of its subsidiaries have had, and expect to continue to have, banking and fiduciary transactions with a number of their directors and executive officers and their associates and members of their immediate families. Such transactions are all on bases comparable to similar transactions with others who are not within such group.

Certain of the Company's executive officers and directors and members of their immediate families are customers of the Company's subsidiaries, and certain of the Company's executive officers and directors are executive officers, directors or beneficial owners of 10 percent or more of any class of equity securities of corporations, or members of partnerships, which are customers of or suppliers to the Company and its subsidiaries. As such customers or suppliers, their transactions were in the ordinary course of business. Such customer transactions include borrowings, all of which were made in the ordinary course of business and on substantially the same terms, including interest rates and collateral, as those prevailing at the time for comparable transactions with others and did not involve more than the normal risk of collectability or present other unfavorable features.

During 2001, John C. Malone, a director of the Company, was also Chairman and Chief Executive Officer and a holder of more than 10 percent of the equity securities of Liberty Media Corporation. The Company made loans to Liberty Media Corporation and certain of its affiliated companies during 2001. There was no indebtedness outstanding at any time during 2001 net of loans participated to the Bank. In addition to the loans made by the Company, bank subsidiaries of the

Edgar Filing: BANK OF NEW YORK CO INC - Form DEF 14A

Company made loans to Liberty Media Corporation and certain of its affiliated companies. All of these loans were made, for a variety of corporate purposes, in the ordinary course of business on substantially the same terms, including interest rates and collateral, as those prevailing at the time for comparable transactions with other persons and did not involve more than the normal risk of collectability or present other unfavorable features.

During 2001, J. Carter Bacot, a director of the Company, was a party to a consulting agreement with the Company pursuant to which he was paid \$200,000.

LITIGATION

Two consolidated shareholder derivative actions have been filed (one in the United States District Court for the Southern District of New York and one in the New York Supreme Court, County of New York) against certain directors and officers of the Company and the Bank alleging that the defendants have breached their fiduciary duties of due care and loyalty by aggressively pursuing business with Russian banks and entities without implementing sufficient safeguards and failing to supervise properly those responsible for that business. In addition, the consolidated federal complaint adds allegations that certain officers of the Bank and the Company participated in a scheme to transfer cash improperly from Russia to various off-shore accounts and to avoid Russian customs, currency and tax laws. The actions seek, on behalf of the Company and the Bank, monetary damages from the defendants, corrective action and attorneys' fees. In November 2001, the federal court dismissed the consolidated federal action. Counsel for plaintiffs in that case have filed a notice of appeal and in February 2002 filed an action containing similar allegations in state court. On September 12, 2000, the boards of directors of the Bank and the Company formed a Special Litigation Committee, which is conducting an independent investigation of the allegations of the shareholder derivative actions. Management believes that the allegations of both the federal and state actions are without merit.

SECTION 16(a) BENEFICIAL OWNERSHIP REPORTING COMPLIANCE

Section 16(a) of the Exchange Act requires the Company's directors and executive officers ("Reporting Persons") to file with the Securities and Exchange Commission and the NYSE, within specified monthly and annual due dates, reports relating to their ownership of and transactions in the Company's equity securities.

Based solely on a review of the copies of such reports furnished to the Company and written representations that no other reports were required, the Company believes that during 2001, its Reporting Persons have complied with all applicable Section 16(a) filing requirements except that Thomas J. Perna inadvertently failed to timely file one report reporting one transaction.

20

STOCK OWNERSHIP OF CERTAIN BENEFICIAL OWNERS

To the knowledge of the Company, as of December 31, 2001, no person had beneficial ownership of more than 5% of its voting securities.

PROPOSAL TO RATIFY THE APPOINTMENT OF INDEPENDENT PUBLIC ACCOUNTANTS

The Board of Directors, acting upon the recommendation of the Audit Committee, has appointed Ernst & Young LLP to serve as the Company's independent public accountants for the year 2002, and the shareholders will be asked to ratify such appointment at the Annual Meeting.

Representatives of Ernst & Young LLP are expected to attend the Annual Meeting,

Edgar Filing: BANK OF NEW YORK CO INC - Form DEF 14A

to have an opportunity to make a statement, if they desire to do so, and to be available to respond to appropriate questions.

THE BOARD OF DIRECTORS UNANIMOUSLY RECOMMENDS THAT YOU MARK YOUR PROXY FOR THE RATIFICATION OF APPOINTMENT OF INDEPENDENT PUBLIC ACCOUNTANTS.

SHAREHOLDER PROPOSAL

SHAREHOLDER PROPOSAL WITH RESPECT TO FORMER GOVERNMENT OFFICIALS

Mrs. Evelyn Y. Davis, Watergate Office Building, 2600 Virginia Avenue, N.W., Suite 215, Washington, DC 20037, who is the owner of 1,002 shares of the Common Stock of the Company, has advised the Company that she intends to present the following proposal at the Annual Meeting:

RESOLVED: "That the stockholders of Bank of New York assembled in Annual Meeting in person and by proxy hereby request the Board of Directors to have the Company furnish the stockholders each year with a list of people employed by the Corporation with the rank of Vice President or above, or as a consultant, or as a lobbyist, or as legal counsel or investment banker or director, who, in the previous five years have served in any governmental capacity, whether Federal, City or State, or as a staff member of any CONGRESSIONAL COMMITTEE or regulatory agency, and to disclose to the stockholders whether such person was engaged in any matter which had a bearing on the business of the Corporation and/or its subsidiaries, provided that information directly affecting the competitive position of the Corporation may be omitted."

PROPONENT'S STATEMENT IN SUPPORT OF RESOLUTION:

REASONS: "Full disclosure on these matters is essential at Bank of New York because of its many dealing with Federal and State agencies, and because of pending issues forthcoming in Congress and/or State and Regulatory Agencies."

"If you AGREE, please mark your proxy FOR this resolution."

MANAGEMENT RECOMMENDS A VOTE AGAINST THIS PROPOSAL FOR THE FOLLOWING REASONS:

At the 1990 and 1991 Annual Meetings shareholders overwhelmingly rejected this proposal. Your Company operates in a highly regulated industry. As such it derives substantial benefits from the expertise of employees and advisors with governmental or regulatory experience. Singling out this aspect of an individual's experience for the special attention of shareholders is unwarranted. It would require a costly allocation of Company resources to identify each such employee, advisor or consultant, and the compilation of such a list, in addition to being cumbersome and intrusive would provide no additional benefits to the Company or its shareholders.

The Board of Directors believes firmly that employees, directors and other professionals are obligated to serve the Company faithfully. Specific Company policies and practices have been developed to guard against conflicts of interest. In addition, various laws as well as government regulations already prohibit improper use of influence.

For these reasons management believes that the proposal does not serve the best interests of the Company or its shareholders.

ACCORDINGLY, THE BOARD OF DIRECTORS UNANIMOUSLY RECOMMENDS THAT YOU MARK YOUR PROXY AGAINST ADOPTION OF THE SHAREHOLDER PROPOSAL.

Edgar Filing: BANK OF NEW YORK CO INC - Form DEF 14A

FUTURE SHAREHOLDER PROPOSALS

In accordance with the rules of the Securities and Exchange Commission (the "SEC"), shareholders who intend to present proposals at the 2003 Annual Meeting of Shareholders must submit such proposals in time for them to be received by the Company on or before November 29, 2002, for inclusion in the Company's Proxy Statement and form of proxy relating to that meeting. A shareholder proposal submitted outside the process of SEC Rule 14a-8 is considered untimely if it is not received by February 12, 2003.

APPENDIX A

AUDIT AND EXAMINING COMMITTEE CHARTER

GENERAL:

This charter establishes the duties of the Audit and Examining Committee ("Audit Committee") of the Board of Directors of The Bank of New York Company, Inc.

The Audit Committee will review and assess the adequacy of this written charter annually and recommend changes to the Board of Directors when necessary. The Audit Committee will report its activities to the full Board of Directors on a regular basis and make such recommendations to the Board as the Audit Committee may deem necessary or appropriate.

The Audit Committee of the Board of Directors of The Bank of New York Company, Inc. assists the Board of Directors in fulfilling its statutory and fiduciary responsibilities relating to internal control, accounting policies, and auditing and reporting practices. This Committee will serve as the audit committee for all Company subsidiaries as permitted by local laws and banking regulations.

The Audit Committee shall be entitled to rely on (i) the integrity of those persons and organizations within and outside the Company that it receives information from and (ii) the accuracy of the financial and other information provided to the Audit Committee by such persons or organizations absent actual knowledge to the contrary (which shall be promptly reported to the Board of Directors).

The Board of Directors has the ultimate authority and responsibility to select, evaluate and, where appropriate, replace the independent public accountants (or to nominate the independent public accountants). The management of the Company is responsible for the preparation, presentation and integrity of the Company's consolidated financial statements. Management is responsible for maintaining appropriate accounting and financial reporting principles and policies and internal controls and procedures designed to assure compliance with accounting standards and applicable laws and regulations. The independent public accountants are responsible for planning and carrying out proper audits and other procedures, including reviews of the Company's unaudited interim consolidated financial statements prior to the filing of each quarterly report on Form 10-Q, and other procedures.

MEMBERSHIP REQUIREMENTS:

Edgar Filing: BANK OF NEW YORK CO INC - Form DEF 14A

The Audit Committee members will be appointed by the Board of Directors. The Committee shall be comprised of three or more members as determined by the Board of Directors and will be based on the specific needs of the Company and by regulation. No members will have relationship to the Company that may interfere with the exercise of their independence from management and the Company, as determined by the Board of Directors in its business judgment. All members shall have basic financial literacy, and at a minimum, one member of the Audit Committee will have accounting or related financial management expertise, as determined by the Board of Directors. The composition of the Audit Committee and its independence will be reviewed periodically by the Board of Directors.

MEETINGS:

The Audit Committee will meet as often as necessary to fulfill its duties and responsibilities. Minutes of all meetings will be maintained and will be approved by the Audit Committee. The Audit Committee will meet separately at least quarterly with each of management, the Auditor and the independent public accountants to discuss any matters that the Audit Committee or any of these persons or firms believe should be discussed. The Audit Committee may request any officer or employee of the Company or the Company's outside counsel or independent public accountants or any special counsel or advisors to the Audit Committee to attend a meeting of the Audit Committee or to meet with any members of, or consultants to, the Audit Committee.

A-1

DUTIES AND RESPONSIBILITIES:

INDEPENDENT PUBLIC ACCOUNTANTS

The Audit Committee will discuss with management the selection and termination of the independent public accountants and will provide advice regarding the evaluation, selection and termination of the independent public accountants to the Board of Directors and shareholders. In recommending the independent public accountants, the Audit Committee will receive from the independent public accountants written disclosures about their independence, and discuss with them any factors, which might detract from their independence. The Audit Committee shall review the fees charged by the independent public accountants for audit and non-audit services. The independent public accountants are ultimately accountable to the Board of Directors, as assisted by the Audit Committee.

The Audit Committee will review management's and its independent public accountants' assessment of the adequacy of internal controls, and the resolution of identified material weaknesses and reportable conditions in internal controls, including the prevention and detection of management override or compromise of the internal control system.

The Committee will review the independent public accountants' judgment about the quality of accounting principles as applied in financial reporting.

The Audit Committee will review and discuss with management and its independent public accountants the scope of services required at the commencement of the audit, matters relating to the conduct of the audit and the results of the audit. The Committee will review with the independent public accountants their review of the Company's unaudited interim consolidated financial statements included in Form 10-Q and reports on other communications as required by or referred to in Statement on Auditing Standards No. 61.

INTERNAL AUDIT

Edgar Filing: BANK OF NEW YORK CO INC - Form DEF 14A

The Audit Committee will review the annual internal audit plan and its objectives with the Chief Auditor. Periodically, the Audit Committee will review the Chief Auditor's reports describing progress against this plan and describing significant deficiencies in the system of internal controls, significant operating issues or other matters of interest to the Audit Committee. The Audit Committee will review the appointment and replacement of the Chief Auditor, and advise the Chief Auditor that he or she is expected to provide to the Audit Committee summaries of and, as appropriate, the significant reports to management prepared by the Internal Auditing Division and management's responses thereto. In addition, the Chief Auditor will report on the follow-up of significant reports and their conclusion.

COMPLIANCE TO LAWS AND REGULATIONS

The Audit Committee will review with management and its independent public accountants the Company's year end consolidated financial statements and the related opinion thereon prior to filing with the Securities and Exchange Commission.

The Audit Committee shall obtain from the independent public accountants assurance that the audit was conducted in a manner consistent with Section 10A of the Securities Exchange Act of 1934.

The Audit Committee shall discuss with management, the Chief Auditor and/or the independent public accountants as appropriate significant proposed or contemplated changes to the Company's auditing and accounting principles, policies, controls, procedures and practices, and inquire about significant risks and exposures, if any, and the steps taken to monitor and minimize such risks.

The Audit Committee will prepare and review with its independent public accountants the report relating to its oversight role as required by the Securities and Exchange Commission, for inclusion in the Company's annual proxy statement.

The Audit Committee will review with management and its independent public accountants the content and the basis for reports, issued to comply with the laws and regulations required under the Federal Deposit Insurance Corporation Improvement Act of 1991 (FDICIA).

A-2

The Committee will review with management, the Chief Compliance Officer, and the Chief Auditor the Company's compliance with laws and regulations, including the laws and regulations relating to safety and soundness designated by the FDIC and appropriate federal banking agency.

The Committee will review all regulatory examination reports and management's response thereon.

OTHER

The Committee may perform or supervise special investigations, which it deems appropriate.

The Audit Committee shall have the resources and authority appropriate to discharge its responsibilities, including the authority to engage outside auditors for special audits, reviews and other procedures and to retain special counsel and other experts or consultants.
