NCI Building Systems, Inc. (the Company) expects to commence today an offer (the Exchange Offer) by the Company to acquire all of the Company's existing 2.125% convertible notes due 2024 in exchange for a combination of cash and shares of common stock, par value \$0.01 per share, of the Company (the Common Stock). The Exchange Offer is subject to a number of conditions, including the tender of at least 95% of the aggregate principal amount of such convertible notes.

The Exchange Offer is one of a series of transactions contemplated by the Company's proposed financial restructuring to address an immediate need for liquidity in light of a potentially imminent default under, and acceleration of, its senior secured credit facility, which may occur as early as November 6, 2009 (which may, in turn, also potentially lead to a default under, and acceleration of, the Company's other indebtedness, including the outstanding \$180.0 million in principal amount of the convertible notes), and the high likelihood that the Company will be required to repurchase the convertible notes on November 15, 2009, the first scheduled mandatory repurchase date under the indenture governing the convertible notes. A description of the proposed financial restructuring is attached hereto as Exhibit 99.2 and incorporated herein by reference.

The consolidated financial statements of the Company for the fiscal year ended November 2, 2008 are attached as Exhibit 99.1 hereto and are incorporated herein by reference.

Important Information About the Exchange Offer and this Communication

This current report and its contents are communication is not an offer to sell or purchase or an offer to exchange or a solicitation of acceptance of an offer to sell or purchase or offer to exchange. **Any such offer or solicitation shall be made solely by means of a prospectus, related letter of transmittal and other offer documents, as described below.**

In connection with the commencement of the Exchange Offer by the Company to acquire all of the Company's outstanding 2.125% Convertible Senior Subordinated Notes due 2024 (the convertible notes), issued under that indenture, dated as of November 16, 2004, between the Company and The Bank of New York, as trustee, in exchange for cash and shares of Company common stock, the Company will file today with the U.S. Securities and Exchange Commission (the SEC) a registration statement on Form S-4 (which will include a preliminary prospectus), a tender offer statement on Schedule TO and related documents and materials. **Investors and security holders are strongly urged to carefully review the registration statement, the preliminary prospectus, the tender offer statement and the other related documents and materials filed with the SEC, including the final prospectus described below, when available, as well as any amendments and supplements thereto, when available, because they will contain important information about the Company, the proposed exchange offer and related transactions and are the sole means by which any offer to exchange or sell, or any solicitation of any such offers, will be made.**

The registration statement will contain a preliminary prospectus and related transmittal materials that will be mailed today to holders of the convertible notes. Investors and security holders may obtain a free copy of the registration statement, preliminary prospectus and transmittal materials, as well as other documents filed by the Company with the SEC, at the SEC's web site, www.sec.gov. Prior to the completion of the exchange offer, the registration statement must become effective under the securities laws, and after effectiveness, the Company will file with the SEC the final prospectus. Investors and security holders are strongly urged to carefully review the final prospectus when it is available. Free copies of NCI's filings with the SEC may also be obtained from the Company's Investor Relations Department at P.O. Box 692055, Houston, Texas 77269-2055 or by phone at (281) 897-7788.
