Item 1.01. Entry into a Material Definitive Agreement.

On September 10, 2009, a subsidiary of Natural Resource Partners L.P. (the Partnership) entered into a Purchase and Sale Agreement (the Agreement) by and among WPP LLC (WPP) and Colt, LLC (Colt) pursuant to which the Partnership, through WPP, will acquire from Colt coal reserves related to the Deer Run mine in Montgomery County, Illinois in eight separate transactions for a total purchase price of \$255 million. The Partnership, through WPP, is expected to receive royalty income on the reserves pursuant to the terms and conditions of a lease agreement entered into by Hillsboro Energy, LLC (Hillsboro) and WPP.

Upon closing of the first transaction, the Partnership paid \$10.0 million and acquired approximately 3.3 million tons of reserves associated with the initial production from the mine. Future closings anticipated in 2010, 2011 and 2012 will be associated with the completion of certain milestones relating to the new mine s construction. The portion of the purchase price paid at closing was funded under the Partnership s credit facility and the remainder of the purchase price is expected to be borrowed under its credit facility or paid with cash on hand.

Colt and Hillsboro are private limited liability companies controlled by Chris Cline, whose affiliate, Adena Minerals LLC, owns limited partnership interests in the Partnership, an interest in the general partner of the Partnership (which includes an interest in the incentive distribution rights held by the general partner of the Partnership) and has the right to designate two members to the Board of Directors of GP Natural Resource Partners LLC, the ultimate general partner of the Partnership (the Ultimate GP). This transaction was negotiated at an arm s length basis and completed pursuant to the Restricted Business Contribution Agreement between, among other parties, the Partnership and Mr. Cline, under which Mr. Cline is obligated to offer certain coal reserves and infrastructure assets to the Partnership when those reserves and assets are acquired or developed. The Conflicts Committee of the Board of Directors of the Ultimate GP approved the transaction with Colt on behalf of the limited partners of the Partnership.

In conjunction with the closing of the first transaction, the holders of the incentive distribution rights have elected to forego the distribution associated with the highest splits for quarters ending September 30, 2009 and December 31, 2009. This will result in a savings in distributions of approximately \$7.35 million each quarter for a total of \$14.7 million.

A copy of the Agreement is filed as Exhibit 2.1 to this Current Report on Form 8-K and is incorporated herein by reference. A copy of the press release announcing the transaction is filed as Exhibit 99.1 to this Current Report on Form 8-K and is incorporated herein by reference.

Item 2.01. Completion of Acquisition or Disposition of Assets.

Please refer to the disclosure above under Item 1.01, which disclosure is incorporated by reference into this Item 2.01.

Item 9.01. Financial Statements and Exhibits.

(d) Exhibits.
