On October 26, 2009, Allied Capital Corporation, a Maryland corporation ( Allie Capital ), entered into an Agreement and Plan of Merger (the Merger Agreement ) with Ares Capital Corporation, a Maryland corporation ( Ares Capital ), and ARCC Odyssey Corp., a Maryland corporation and wholly-owned subsidiary of Ares Capital ( Merger Sub ). The Merger Agreement provides that, upon the terms and subject to the conditions set forth in the Merger Agreement, Merger Sub will merge with and into Allie Capital, with Allie Capital as the surviving company (the Merger ). Immediately following the Merger, Allie Capital will merge with and into Ares Capital.

Upon consummation of the Merger, each share of common stock, par value \$0.0001 per share, of Allie Capital issued and outstanding immediately prior to the effective time of the Merger will be converted into and become exchangeable for 0.325 common shares, par value \$0.001 per share, of Ares Capital. Based on the number of shares of Allie common stock outstanding on the date of the Merger Agreement and not including the effect of outstanding in-the-money options, this will result in approximately 58.3 million Ares Capital shares being exchanged for approximately 179.4 million outstanding Allie Capital shares, subject to adjustment in certain limited circumstances.

Following consummation of the transactions contemplated by the Merger Agreement, Ares Capital 's Board of Directors will continue as directors of Ares Capital. However, Ares Capital 's Board of Directors will be increased by at least one member and Ares Capital will submit the name of one member of Allie Capital 's current Board of Directors for consideration to Ares Capital 's Nominating and Governance Committee to fill the vacancy.

The Merger Agreement, which is included as Exhibit 2.1 to this current report on Form 8-K and incorporated herein by reference, contains (a) customary representations and warranties of Allie Capital and Ares Capital, including, among others: corporate organization, capitalization, corporate authority and absence of conflicts, third party and governmental consents and approvals, reports and regulatory matters, financial statements, compliance with law and legal proceedings, absence of certain changes, taxes, employee matters, intellectual property, insurance, investment assets and certain contracts, (b) covenants of Allie Capital and Ares Capital to conduct their respective businesses in the ordinary course until the Merger is completed and (c) covenants of Allie Capital and Ares Capital not to take certain actions during this interim period.

Among other things, Allie Capital has agreed to, and will cause its affiliates, consolidated subsidiaries, and its and each of their respective officers, directors, managers, employees and other advisors, representatives and agents to, immediately cease and cause to be terminated all discussions and negotiations with respect to a Takeover Proposal (as defined in the Merger Agreement) from a third party and not to directly or indirectly solicit or take any other action (including providing information) with the intent to solicit any inquiry, proposal or offer with respect to a Takeover Proposal.

However, if Allie Capital receives a bona fide unsolicited Takeover Proposal from a third party, and its Board of Directors determines in good faith, after consultation with reputable outside legal counsel and financial advisers experienced in such matters, that failure to consider such proposal would breach the duties of the directors under applicable law, and the Takeover Proposal constitutes or is reasonably likely to result in a Superior Proposal (as defined in the Merger Agreement), Allie Capital may engage in discussions and negotiations with such third party so long as certain notice and other procedural requirements are satisfied. In addition, subject to certain procedural requirements (including the ability of Ares Capital to revise its offer) and the payment of a \$30 million termination fee, Allie Capital may terminate the Merger Agreement and enter into an agreement with a third party who makes a Superior Proposal.

The representations and warranties of each party set forth in the Merger Agreement (a) have been qualified by confidential disclosures made to the other party in connection with the Merger Agreement, (b) will not survive consummation of the Merger and cannot be the basis for any claims under the Merger Agreement by the other party after the Merger is consummated, (c) are qualified in certain circumstances by a materiality standard which may differ from what may be viewed as material by investors, (d) were made only as of the date of the Merger Agreement or such other date as is specified in the Merger Agreement, and (e) may have been included in the Merger Agreement for the purpose of allocating risk between Allie Capital and Ares Capital rather than establishing matters as facts.

Accordingly, the Merger Agreement is included with this filing only to provide investors with information regarding the terms of the Merger Agreement, and not to provide investors with any factual information regarding the parties or their respective businesses. The Merger Agreement should not be read alone, but should instead be read in conjunction with the other information regarding the parties and the Merger that will be contained in the joint proxy statement/prospectus that the parties will be filing in connection with the Merger as well as in the Forms 10-K, Forms 10-Q and other filings that each of Allied Capital and Ares Capital make with the Securities and Exchange Commission ( SEC ).

Consummation of the Merger, which is currently anticipated to occur by the end of the first quarter of 2010, is subject to certain conditions, including, among others, Allied Capital stockholder approval, Ares Capital stockholder approval, required regulatory approvals (including expiration of the waiting period under the Hart-Scott-Rodino Act), receipt of certain Ares Capital and Allied Capital lender consents and other customary closing conditions.

The Merger Agreement also contains certain termination rights for Allied Capital and Ares Capital and provides that, in connection with the termination of the Merger Agreement under specified circumstances, Allied Capital may be required to pay Ares Capital a termination fee of \$30 million (\$15 million if Allied Capital stockholders do not approve the Merger) and Ares Capital may be required to pay Allied Capital a termination fee of \$30 million.

The foregoing description of the Merger and the Merger Agreement does not purport to be complete and is qualified in its entirety by reference to the Merger Agreement, which is attached hereto as Exhibit 2.1 and is incorporated into this current report on Form 8-K by reference. The exhibits and schedules to the Merger Agreement have been omitted from the attached Exhibit 2.1. Upon request, Allied Capital shall furnish supplementally a copy of any omitted schedule or exhibit to the SEC.

In a separate transaction on October 26, 2009, Ares Capital reached an agreement to acquire Allied Capital's interests in its Senior Secured Loan Fund LLC (the SL Fund, formerly known as the Unitranche Fund) for \$165 million in cash. The SL Fund currently holds unitranche loans totaling approximately \$900 million. The SL Fund acquisition is expected to close by the end of October and is subject to completion of final documentation and satisfaction of closing conditions.

On October 26, 2009, Allied Capital and Ares Capital issued a joint press release announcing the entry into the Merger Agreement and that they reached an agreement for Ares Capital to acquire Allied Capital's interests in the SL Fund. The text of the press release is included as Exhibit 99.1 to this Form 8-K and is incorporated by reference hereto.

#### **IMPORTANT ADDITIONAL INFORMATION WILL BE FILED WITH THE SEC**

### **Forward-Looking Statements**

Information set forth herein contains forward-looking statements, which involve a number of risks and uncertainties. Allied Capital and Ares Capital caution readers that any forward-looking information is not a guarantee of future performance and that actual results could differ materially from those contained in the forward-looking information. Such forward-looking statements include, but are not limited to, statements about the benefits of the business combination transaction involving Allied Capital and Ares Capital, including, among others, future financial and operating results, Ares Capital's plans, objectives, expectations and intentions and other statements that are not historical facts.

The following factors, among others, could cause actual results to differ from those set forth in the forward-looking statements: the failure of Allied Capital stockholders and Ares Capital stockholders to approve the transaction; the risk that the businesses will not be integrated successfully; and disruption from the transaction making it more difficult to maintain relationships with Allied Capital's and Ares Capital's private equity sponsors. Additional factors that may affect future results are contained in Allied Capital's and Ares Capital's filings with the SEC, which are available at the SEC's web site <http://www.sec.gov>. ### RECITALS

A. The Boards of Directors of the Company and Parent have determined that it is advisable and in the best interests of their respective companies and their respective stockholders to consummate the strategic business combination transaction provided for in this Agreement in which Merger Sub shall, on the terms and subject to the conditions set forth in this Agreement, merge with and into the Company (the Merger ), with the Company as the surviving company in the Merger (sometimes referred to in such capacity as the Surviving Company ). Immediately after the Merger, the Surviving Company shall merge with and into Parent (the Second Merger, and together with the Merger, the Mergers ).

B. The parties intend the Mergers together to be treated as a reorganization within the meaning of Section 368(a) of the Code and intend for this Agreement to constitute a plan of reorganization within the meaning of the Code.

C. The parties desire to make certain representations, warranties, covenants and other agreements in connection with the Merger and also to prescribe certain conditions to the Merger.

NOW, THEREFORE, in consideration of the representations, warranties, covenants and other agreements contained in this Agreement, the parties agree as follows:

### ARTICLE I

#### THE MERGER

1.1 The Merger. Subject to the terms and conditions of this Agreement, in accordance with the MGCL, at the Effective Time, Merger Sub shall merge with and into the Company. The Company shall be the surviving company in the Merger and shall continue its existence as a corporation under the Laws of the State of Maryland, subject to Section 6.12. As of the Effective Time, the separate corporate existence of Merger Sub shall cease.

1.2 Closing. On the terms and subject to the conditions set forth in this Agreement, the closing of the Merger (the Closing ) shall take place at 10:00 a.m., New York City time, at the offices of Proskauer Rose LLP, 1585 Broadway, New York, New York 10036-8299, on the date that is three Business Days after the satisfaction or waiver of the latest to occur of the conditions set forth in Article VII (other than those conditions that by their nature are to be satisfied at the Closing, but subject to the satisfaction or waiver of such conditions), unless otherwise agreed in writing by the parties to this Agreement (the Closing Date ).

---

1.3 Effective Time. The Merger shall become effective as set forth in the articles of merger (the Articles of Merger ) that shall be filed with and accepted for record by the State Department of Assessments and Taxation of Maryland (the SDAT ) on the Closing Date. The term Effective Time shall be the date and time when the Merger becomes effective as set forth in the Articles of Merger.

1.4 Effects of the Merger. At and after the Effective Time, the Merger shall have the effects set forth in the MGCL.

1.5 Conversion of Capital Stock. At the Effective Time, by virtue of the Merger and without any action on the part of the Company, Parent or Merger Sub or the holder of any of the following securities:

(a) Each share of common stock, par value \$0.001 per share, of Merger Sub (the Merger Sub Common Stock ) issued and outstanding immediately prior to the Effective Time shall be converted into one validly issued, fully paid and nonassessable share of common stock, par value \$0.0001 per share, of the Surviving Company.

(b) All shares of common stock, par value \$0.0001 per share, of the Company issued and outstanding immediately prior to the Effective Time (the Company Common Stock ) that are owned by Parent or any of its Consolidated Subsidiaries (including Merger Sub) shall be cancelled and shall cease to exist and no shares of the Parent Common Stock or any other consideration shall be delivered in exchange therefor.

(c) Subject to Section 1.5(e), each share of the Company Common Stock, except for shares of the Company Common Stock owned by Parent or any of its Consolidated Subsidiaries (including Merger Sub), shall be converted, in accordance with the procedures set forth in Article II, into the right to receive a number of shares of the Parent Common Stock as determined by the Exchange Ratio (the Merger Consideration ).

(d) All of the shares of the Company Common Stock converted into the right to receive the Merger Consideration pursuant to this Article I shall no longer be outstanding and shall automatically be cancelled and shall cease to exist as of the Effective Time, and each certificate previously representing any such shares of the Company Common Stock (each, a Certificate ) shall thereafter represent only the right to receive the Merger Consideration, cash in lieu of fractional shares into which the shares of the Company Common Stock represented by such Certificate have been converted pursuant to Section 2.3(f) and any dividends or other distributions payable pursuant to Section 2.3(c).

(e) Between the date of this Agreement and the Effective Time, if the outstanding shares of the Parent Common Stock shall have themselves been increased, decreased, changed into or exchanged for a different number or kind of shares or securities as a result of any reclassification, recapitalization, stock split, reverse stock split, split-up, combination or exchange of shares, or if a stock dividend (other than as a result of shares delivered pursuant to Parent's dividend reinvestment plan) or dividend payable in any

other securities shall be declared with a record date within such period, or if any other similar event shall have occurred, the Merger Consideration, the Exchange Ratio and the Reference Price shall be appropriately adjusted to provide to the holders of the Company Common Stock and the Company Stock Options the same economic effect as contemplated by this Agreement prior to such event.

1.6 Stock Options.

(a) Prior to the Closing Date, the Company's Board of Directors shall adopt such resolutions and take such other actions as are necessary and sufficient to cause all outstanding unvested and unexercisable options to purchase shares of the Company Common Stock issued pursuant to the Company Stock Option Plan (each outstanding option to purchase shares of the Company Common Stock issued pursuant to the Company Stock Option Plan, whether or not vested and exercisable, a Company Stock Option ) to be fully vested and exercisable. In addition, at least three Business Days prior to the Effective Time, the Company shall provide the Company Stock Option holders the opportunity to provide the Company with a notice to exercise some or all of the outstanding Company Stock Options held by them, such exercise to be effective as of the Effective Time; provided that the resolutions and actions of the Company's Board of Directors to cause all unvested and unexercisable Company Stock Options to be fully vested and exercisable as of the Effective Time, and the exercise of such Company Stock Options by the holders thereof, shall be contingent on the Effective Time occurring. The Company Common Stock acquired upon such exercise shall be converted at the Effective Time into the right to receive the Merger Consideration and Parent shall take, or cause to be taken, all actions reasonably necessary to issue, as soon as reasonably practicable (but in no event later than five Business Days) after the Effective Time, shares of the Parent Common Stock in respect thereof to the holders of the Company Stock Options exercised, in accordance with their terms, pursuant to this Section 1.6(a).

(b) At the Effective Time, each Company Stock Option, whether previously vested or unvested, that has not been exercised (whether pursuant to Section 1.6(a) or otherwise) and that has an exercise price per share:

(i) equal to or greater than the product of (a) the Parent Average Closing Price and (b) the Exchange Ratio, shall be cancelled without any payment therefor and

(ii) less than the product of (a) the Parent Average Closing Price and (b) the Exchange Ratio, shall be cancelled and shall only entitle the holder thereof to receive, at the election of the holder, either

(A) a lump sum cash amount, as soon as reasonably practicable (but in no event later than ten Business Days) after the Effective Time, equal to the product of  $(u) \times (w)$ , where  $(u)$  is the excess of the Parent Average Closing Price multiplied by the Exchange Ratio over the exercise price per share under such Company Stock Option and  $(w)$  is the total number of shares of the Company Common Stock subject to the Company Stock Option for which this election is made, less applicable withholdings, or

(B) a number of shares of the Parent Common Stock equal to (i) the product of (x) the total number of shares of the Company Common Stock subject to the Company Stock Option for which this election is made times (y) the excess of (1) the Parent Average Closing Price multiplied by the Exchange Ratio over (2) the exercise price per share under such Company Stock Option, less applicable withholdings, divided by (ii) the Parent Average Closing Price; provided, that each holder of Company Stock Options who would otherwise have been entitled to receive a fraction of a share of the Parent Common Stock (with all calculations rounded to three decimal places) shall receive, in lieu thereof, cash (without interest) in an amount equal to the product of (i) such fractional part of a share of the Parent Common Stock multiplied by (ii) the Parent Average Closing Price.

At least three Business Days prior to the Effective Time, the Company shall provide the Company Stock Option holders the opportunity to make the election provided by this Section 1.6(b) with respect to some or all of the outstanding Company Stock Options held by them, such election to be effective as of the Effective Time; provided that the resolutions and actions of the Company's Board of Directors authorizing the election provided by this Section 1.6(b) and a holder's election pursuant to this Section 1.6(b) shall be contingent on the Effective Time occurring; provided, further, that if any Company Stock Option holder fails to make an election pursuant to this Section 1.6(b), such holder shall be deemed to have made an election to receive shares of the Parent Common Stock pursuant to this Section 1.6(b)(ii)(B). 2.2 Deposit of Merger Consideration. At or prior to the Effective Time, Parent shall deposit with the Exchange Agent, in trust for the benefit of holders of shares of the Company Common Stock, (a) certificates representing the Parent Common Stock issuable pursuant to Section 1.5(c) (or otherwise shall make shares of the Parent Common Stock available for such issuance) minus the aggregate number of shares of the Parent Common Stock that is represented by the fractional shares for which the Exchange Agent shall pay an amount in cash to the holders thereof and (b) cash sufficient to pay the cash for fractional shares in accordance with Section 2.3(f) and any dividends or other distributions pursuant to Section 2.3(c). Parent shall make available to the Exchange Agent, from time to time as needed, additional cash sufficient to pay cash in lieu of fractional shares pursuant to Section 2.3(f) and any dividends and other distributions pursuant to Section 2.3(c). Any cash and certificates of the Parent Common Stock deposited with the Exchange Agent (or shares of the Parent Common Stock otherwise made available to the Exchange Agent pursuant to this Section 2.2) shall hereinafter be referred to as the Exchange Fund.

2.3 Delivery of Merger Consideration.

(a) As soon as reasonably practicable after the Effective Time, but in any event within five Business Days, the Exchange Agent shall mail to each holder of record of Certificate(s) that immediately prior to the Effective Time represented outstanding shares of the Company Common Stock that were converted into the right to receive the Merger Consideration pursuant to Section 1.5(c) and any cash in lieu of fractional shares of the Parent Common Stock to be issued or paid in consideration therefor and any dividends and other distributions pursuant to Section 2.3(c), (i) a letter of transmittal (which shall specify that delivery shall be effected, and risk of loss and title to Certificate(s) shall pass, only upon delivery of Certificate(s) (or affidavits of loss in lieu of

such Certificates)) to the Exchange Agent and shall be substantially in such form and have such other provisions as shall be prescribed by Parent and the Exchange Agent Agreement (the Letter of Transmittal ) and (ii) instructions for use in surrendering Certificate(s) in exchange for the Merger Consideration, any cash in lieu of fractional shares of the Parent Common Stock to be issued or paid in consideration therefor and any dividends or other distributions to which such holder is entitled pursuant to Section 2.3(c).

(b) Subject to Section 2.3(f), upon surrender to the Exchange Agent of its Certificate or Certificates, accompanied by a properly completed Letter of Transmittal, a holder of the Company Common Stock shall be entitled to receive promptly after the Effective Time the Merger Consideration and any cash in lieu of fractional shares of the Parent Common Stock to be issued or paid in consideration therefor in respect of the shares of the Company Common Stock represented by its Certificate or Certificates and any dividends or other distributions to which such holder is entitled pursuant to Section 2.3(c). The Exchange Fund shall not be used for any other purpose other than the purposes provided for in the immediately preceding sentence. Until so surrendered, each such Certificate shall represent after the Effective Time, for all purposes, only the right to receive, without interest, the Merger Consideration and, subject to Section 2.3(f), any cash in lieu of fractional shares of the Parent Common Stock to be issued or paid in consideration therefor upon surrender of such Certificate in accordance with this Article II, and any dividends or other distributions to which such holder is entitled pursuant to this Article II.

(c) No dividends or other distributions with respect to the Parent Common Stock shall be paid to the holder of any unsurrendered Certificate with respect to the shares of the Parent Common Stock represented thereby, in each case unless and until the surrender of such Certificate in accordance with this Article II. Subject to the effect of applicable abandoned property, escheat or similar Laws, following surrender of any such Certificate in accordance with this Article II, the record holder thereof shall be entitled to receive, without interest, (i) the amount of dividends or other distributions with a record date after the Effective Time theretofore payable with respect to the whole shares of the Parent Common Stock represented by such Certificate and not paid and/or (ii) at the appropriate payment date, the amount of dividends or other distributions payable with respect to shares of the Parent Common Stock represented by such Certificate with a record date after the Effective Time (but before such surrender date) and with a payment date subsequent to the issuance of the Parent Common Stock issuable with respect to such Certificate.

(d) Notwithstanding anything herein to the contrary, in the event of a transfer of ownership of a Certificate representing the Company Common Stock that is not registered in the stock transfer records of the Company, the shares of the Parent Common Stock and cash in lieu of fractional shares of the Parent Common Stock comprising the Merger Consideration, and any dividends or other distributions payable pursuant to Section 2.3(c), shall be issued or paid in exchange therefor to a Person other than the Person in whose name the Certificate so surrendered is registered if the Certificate formerly representing such Company Common Stock shall be properly endorsed or otherwise be in proper form for transfer. To the extent Parent reasonably determines that

any transfer or other similar Taxes required by reason of the payment or issuance to a Person other than the registered holder of the Certificate are required to be paid, the Person requesting such payment or issuance shall establish to the reasonable satisfaction of Parent that the Tax has been paid by such Person or is not applicable.

(e) After the Effective Time, there shall be no transfers on the stock transfer books of the Company of the shares of the Company Common Stock that were issued and outstanding immediately prior to the Effective Time other than to settle transfers of the Company Common Stock that occurred prior to the Effective Time. Subject to Section 2.3(d), if, after the Effective Time, Certificates representing such shares are presented for transfer to the Exchange Agent, they shall be cancelled and exchanged for the Merger Consideration and, subject to Section 2.3(f), any cash in lieu of fractional shares of the Parent Common Stock to be issued or paid in consideration therefor in accordance with the procedures set forth in this Article II, and any dividends or other distributions to which such holder is entitled pursuant to this Article II.

(f) No certificates or scrip representing fractional shares of the Parent Common Stock shall be issued upon the conversion of the Company Common Stock pursuant to Section 1.5(c), and such fractional share interests shall not entitle the owner thereof to vote or to any rights of a holder of the Parent Common Stock. Each holder of shares of the Company Common Stock exchanged pursuant to the Merger who would otherwise have been entitled to receive a fraction of a share of the Parent Common Stock (after taking into account all Certificates delivered by such holder) shall receive, in lieu thereof, cash (without interest) in an amount equal to the product of (i) such fractional part of a share of the Parent Common Stock multiplied by (ii) the Reference Price. For purposes of this Section 2.3(f), all fractional shares to which a single record holder would be entitled shall be aggregated and calculations shall be rounded to three decimal places.

(g) Any portion of the Exchange Fund that remains unclaimed by the stockholders of the Company as of the first anniversary of the Effective Time may be paid to Parent, upon Parent's written demand to the Exchange Agent. In such event, any former stockholders of the Company who have not theretofore complied with this Article II shall thereafter look only to Parent with respect to the Merger Consideration, any cash in lieu of any fractional shares and any unpaid dividends and other distributions on the Parent Common Stock deliverable in respect of each share of the Company Common Stock such stockholder holds as determined pursuant to this Agreement, in each case, without any interest thereon. Notwithstanding the foregoing, none of Parent, the Company, the Surviving Company, Merger Sub, the Exchange Agent or any other Person shall be liable to any former holder of shares of the Company Common Stock for any amount delivered in good faith to a public official pursuant to applicable abandoned property, escheat or similar Laws.

(h) In the event any Certificate shall have been lost, stolen or destroyed, upon the making of an affidavit of that fact by the Person claiming such Certificate to be lost, stolen or destroyed and, if reasonably required by Parent or the Exchange Agent, the posting by such Person of a bond in such amount as Parent may determine is reasonably necessary as indemnity against any claim that may be made against it with respect to such

Certificate, the Exchange Agent shall issue in exchange for such lost, stolen or destroyed Certificate, the Merger Consideration, any cash in lieu of any fractional shares and any unpaid dividends and other distributions on the Parent Common Stock, in each case, deliverable in respect thereof pursuant to this Agreement.

(i) Parent or the Exchange Agent shall be entitled to deduct and withhold from amounts payable pursuant to this Agreement, including the Merger Consideration, to any holder of the Company Common Stock such amounts as it determines in good faith are required to be deducted and withheld with respect to the making of such payment under the Code, or under any provision of state, local or foreign Tax Law. To the extent that amounts are so withheld and paid over to the appropriate Governmental Entity, such withheld amounts shall be treated for all purposes of this Agreement as having been paid to the recipient.

**ADDITIONAL AGREEMENTS**

**6.1 Further Assurances.**

(a) Subject to the Company Right, the parties shall cooperate with each other and use their reasonable best efforts to take, or cause to be taken, in good faith, all actions, and to do, or cause to be done, all things necessary, including to promptly prepare and file all necessary documentation, to effect all applications, notices, petitions and filings, to obtain as promptly as practicable all Permits of all Governmental Entities and all permits, consents, approvals, confirmations and authorizations of all third parties, in each case, that are necessary or advisable to consummate the Transactions (including the Merger) including, without limitation, the consents set forth on Section 3.3(b) of the Company Disclosure Schedule or Section 4.3(b) of Parent Disclosure Schedule, and to comply with the terms and conditions of all such permits, consents, approvals and authorizations of all such third parties and Governmental Entities. Without limiting the foregoing, the Company shall use its reasonable best efforts to obtain the Company Requisite Regulatory Approvals and the FIRPTA Certificate and Parent shall use its reasonable best efforts to obtain the Parent Requisite Regulatory Approvals. The Company shall use its reasonable best efforts to modify the Company Exemptive Order so that it would apply to Parent as the Company's successor.

In furtherance (but not in limitation) of the foregoing, Parent shall promptly (but in no event later than 21 days of the date hereof) file any required applications, notices or other filings under the HSR Act. Subject to applicable Law, the Company and Parent shall have the right to review in advance, and, to the extent practicable, each shall consult the other on all the information relating to the Company or Parent, as the case may be, and any of their respective Consolidated Subsidiaries, that appear in any filing made with, or written materials submitted to, any third-party or any Governmental Entity in connection with the Transactions. In exercising the foregoing right, each of the parties shall act reasonably and as promptly as practicable. The parties shall consult with each other with respect to the obtaining of all Permits, consents, approvals and authorizations of all third parties and Permits of all Governmental Entities necessary or advisable to consummate the Transactions and each party will keep the other apprised of the status of matters relating to completion of the Transactions. Parent, on the one hand, and the Company, on the other hand, shall each, in connection with the efforts referenced in this Section 6.1(a) to obtain all requisite Permits for the Transactions under the HSR Act, use its reasonable best efforts to (i) cooperate in all respects with each other in connection with any filing or submission and in connection with any investigation or other inquiry, including any Proceeding initiated by a private party; (ii) keep the other party informed of any communication received by such party from, or given by such party to, the Federal Trade Commission (the "FTC"), the Antitrust Division of the Department of Justice (the "DOJ"), or any other Governmental Entity and of any communication received or given in connection with any Proceeding by a private party, in each case regarding any of the Transactions; and (iii) subject to applicable Law, permit the other party to review, in advance, any written communication given by it to or received from, and consult with

each other in advance of any meeting or conference with, the FTC, the DOJ, or any other Governmental Entity or, in connection with any Proceeding by a private party, any other Person, and to the extent permitted by the FTC, the DOJ, or other applicable Governmental Entity or other Person, give the other party the opportunity to attend and participate in such meetings and conferences subject to applicable Law.

Notwithstanding the foregoing or any other covenant contained herein, in connection with the receipt of any necessary Permits, including under the HSR Act or under any applicable foreign antitrust laws, nothing shall require either Parent or the Company to (i) divest or hold separate any material part of its businesses or operations or (ii) agree not to compete in any geographic area or line of business or agree to take, or not to take, any other action or comply with any other term or condition, in each case in such a manner as would reasonably be expected to result in a Material Adverse Effect.

(b) Subject to subsection (c) below, from the date of this Agreement until the Closing, Parent and the Company shall, and shall cause their Representatives to, reasonably cooperate in connection with obtaining the Financing Consents, any restructuring of any Company Outstanding Debt or Parent Indebtedness or any outstanding debt of the Company and its Consolidated Subsidiaries or Parent and its Consolidated Subsidiaries, or, in the circumstance where the Financing Consents cannot be obtained, obtaining any replacement, amended, modified or alternative financing, including the following (it being understood and agreed that in no event shall any party be required to take any action in respect of the following to the extent that doing so would be commercially unreasonable):

(i) assisting with the preparation of appropriate and customary materials for rating agency presentations, offering documents, bank information memoranda (including the delivery of customary representation letters) and similar documents reasonably required in connection with the Financing Consents, any restructuring or any alternative financing;

(ii) assisting with the preparation of any pledge and security documents, any loan agreement, currency or interest hedging agreement, other definitive financing documents on terms reasonably satisfactory to Parent, or other certificates, legal opinions or documents as may be reasonably requested by Parent;

(iv) subject to receipt by the Company or Parent, as applicable, of customary confidentiality undertakings, furnishing to financing sources identified by Parent or the Company, as the case may be, as promptly as practicable, such financial and other pertinent information regarding the applicable party as may be reasonably requested by the other party, including all financial statements and other financial data of the type and form customarily required by bank lenders, of the type required by Regulation S-X and Regulation S-K under the Securities Act for registered offerings of debt securities and of the type and form customarily included in offering documents used in private

placements under Rule 144A of the Securities Act, to consummate any offerings of debt securities;

(v) providing monthly financial statements to the extent the relevant party customarily prepares such financial statements within the time such statements are customarily prepared;

(vi) obtaining such accountant's comfort letters, legal opinions, surveys and title insurance as reasonably requested by the parties or their financing sources in connection with any financing;

(vii) causing its independent accountants to cooperate with and assist in preparing customary and appropriate information packages and offering materials as may be reasonably requested for use in connection with a financing;

(ix) introducing Parent to appropriate representatives of the Company's lending sources in order to discuss the Financing Consents; and

(x) taking all corporate or entity actions, subject to the occurrence of the Closing, reasonably requested by Parent to permit the consummation of the Financing Consents, any restructuring of any Company Outstanding Debt or any other outstanding debt of Company and its Consolidated Subsidiaries or any alternative financing and to permit the proceeds thereof to be made available to Parent at the Closing.

(c) Notwithstanding anything to the contrary herein, (i) nothing in this Agreement shall require either Parent and its Consolidated Subsidiaries or the Company and its Consolidated Subsidiaries to make payments or provide other consideration for the repayment, restructuring or amendment of terms of indebtedness in connection with the Mergers in order to obtain the Financing Consents, other than customary consent fees required in connection with the change of control, and (ii) Section 6.1(b) and this Section 6.1(c) shall exclusively govern the obligations of each party to take (or omit to take) any action in respect of the Financing Consents, any restructuring of any Company Outstanding Debt or any outstanding debt of the Company and its Consolidated Subsidiaries, or, in the circumstance where the Financing Consents cannot be obtained, any action to obtain any replacement, amended, modified or alternative financing.

(d) If the Financing Consents are obtained, Parent agrees to execute and deliver, or cause to be executed and delivered, by or on behalf of the Surviving Company, at or prior to the Effective Time, one or more supplemental indentures, guarantees, certificates, opinions and other instruments required for the due assumption of the Company Outstanding Debt.

6.2 Regulatory Matters.

(a) Parent and the Company shall as promptly as practicable, but in no case later than 30 days after the date of this Agreement, prepare and file with the SEC the Registration Statement. Each of Parent and the Company shall use its reasonable best efforts to have the Registration Statement declared effective under the Securities Act as promptly as practicable after such filing, and the Company and Parent shall promptly mail or deliver the Joint Proxy Statement/Prospectus to their respective stockholders upon such effectiveness. Parent shall also use its reasonable best efforts to obtain all necessary state securities Law or Blue Sky permits and approvals required to carry out the Transactions, and the Company shall use reasonable best efforts to furnish all information concerning the Company and the holders of the Company Common Stock as may be reasonably requested in connection with any such action.

(b) Each of Parent and the Company shall, upon request, furnish to the other all information concerning itself, its Consolidated Subsidiaries, directors, officers and stockholders and such other matters as may be reasonably necessary or advisable in connection with the Registration Statement or any other statement, filing, notice or application made by or on behalf of Parent, the Company or any of their respective Consolidated Subsidiaries to any Governmental Entity in connection with the Merger and the other Transactions. The information supplied or to be supplied by either Parent or the Company, as the case may be, for inclusion in the Registration Statement shall not at the time the Registration Statement is filed with the SEC or declared effective by the SEC contain any untrue statement of a material fact or omit to state any material fact required to be stated therein or necessary in order to make the statements therein, in the light of the circumstances under which they were made, not misleading. Without limiting the generality of the foregoing, prior to the Effective Time each party shall notify the other party as promptly as practicable (i) upon becoming aware of any event or circumstance that should be described in an amendment to the Registration Statement or in a supplement to the Joint Proxy Statement/Prospectus and (ii) after the receipt by it of any written or oral comments of the SEC with respect to, or of any written or oral request by the SEC for amendments or supplements to, the Joint Proxy Statement/Prospectus or the Registration Statement, and shall promptly supply the other party with copies of all correspondence between it or any of its Representatives and the SEC with respect to any of the foregoing filings.

(c) Subject to applicable Law, each of Parent and the Company shall promptly advise the other upon receiving any communication from any Governmental Entity, the consent or approval of which is required for consummation of the Transactions, that causes such party to believe that there is a reasonable likelihood that any Regulatory Approval will not be obtained or that the receipt of any such approval may be materially delayed or conditioned. To the extent permitted by applicable Law, each party shall consult with the other party prior to responding to any communication from any Governmental Entity in connection with the Transactions.

#### 6.3 Stockholder Approval.

(a) As of the date of this Agreement, the Board of Directors of the Company has adopted resolutions approving the Company Matters, including the Merger, on the

terms and conditions set forth in this Agreement, and directing that the Company Matters, including the Merger, be submitted to the Company's stockholders for their consideration. Subject to the Company Right, the Board of Directors of the Company shall submit to its stockholders the Company Matters on the terms and conditions set forth in this Agreement and any other matters required to be approved or adopted by its stockholders in order to carry out the Transactions. In furtherance of that obligation, subject to the Company Right, the Company shall take, in accordance with applicable Law and the Company Articles and the Company Bylaws, all action necessary to send a notice as promptly as practicable (but in no event later than ten Business Days) following the date on which the SEC declares the Registration Statement effective of which the Joint Proxy Statement/Prospectus forms a part, to convene a meeting of its stockholders (the Company Stockholders Meeting), as promptly as practicable thereafter, to consider and vote upon approval of the Company Matters including the Merger, on the terms and conditions set forth in this Agreement as well as any other such matters. The record date for the Company Stockholders Meeting shall be determined in prior consultation with and subject to the prior written approval of Parent (which prior written approval shall not be unreasonably delayed, conditioned or withheld). Subject to Section 6.7, the Board of Directors of the Company shall use reasonable best efforts to obtain from the Company's stockholders the vote required to approve the Company Matters, on the terms and conditions set forth in this Agreement, including by recommending to the Company's stockholders the approval of the Company Matters and including such recommendation in the Joint Proxy Statement/Prospectus and by, at the request of Parent, postponing or adjourning the Company Stockholders Meeting to obtain a quorum or solicit additional proxies; provided that the Company shall not postpone or adjourn the Company Stockholders Meeting for any other reason without the prior written consent of Parent (which prior written consent shall not be unreasonably delayed, conditioned or withheld). Without limiting the generality of the foregoing, the Company's obligations pursuant to this Section 6.3(a) shall not be affected by (i) the commencement, public proposal, public disclosure or communication to the Company or its stockholders of any Takeover Proposal or (ii) a Company Adverse Recommendation Change (other than a Company Right).

(b) As of the date of this Agreement, the Board of Directors of Parent has adopted resolutions approving the Parent Matters on the terms and conditions set forth in this Agreement, and directing that the Parent Matters be submitted to Parent's stockholders for their consideration. The Board of Directors of Parent shall submit to its stockholders the Parent Matters on the terms and conditions set forth in this Agreement and any other matters required to be approved or adopted by its stockholders in order to carry out the Transactions. In furtherance of that obligation, Parent shall take, in accordance with applicable Law and the Parent Articles and the Parent Bylaws, all action necessary to send a notice as promptly as practicable (but in no event later than ten Business Days) following the date on which the SEC declares the Registration Statement effective of which the Joint Proxy Statement/Prospectus forms a part, to convene a meeting of its stockholders (the Parent Stockholders Meeting), as promptly as practicable thereafter, to consider and vote upon approval of the Parent Matters including the Merger, on the terms and conditions set forth in this Agreement as well as any other such matters. The record date for the Parent Stockholders Meeting shall be determined in

prior consultation with and subject to the prior written approval of the Company (which prior written approval shall not be unreasonably delayed, conditioned or withheld). Subject to Sections 6.8(a) and 6.8(b), the Board of Directors of Parent shall use reasonable best efforts to obtain from Parent's stockholders the vote required to approve the Parent Matters, including by recommending to Parent's stockholders the approval of the Parent Matters and including such recommendation in the Joint Proxy Statement/Prospectus and by, at the request of the Company, postponing or adjourning the Parent Stockholders Meeting to obtain a quorum or solicit additional proxies; provided that Parent shall not postpone or adjourn the Parent Stockholders Meeting for any other reason without the prior written consent of the Company (which prior written consent shall not be unreasonably delayed, conditioned or withheld). Without limiting the generality of the foregoing, Parent's obligations pursuant to this Section 6.3(b) shall not be affected by a Parent Adverse Recommendation Change.

6.4 NASDAQ Listing. Parent shall use reasonable best efforts to cause the shares of the Parent Common Stock to be issued in the Merger in exchange for the Company Common Stock to be approved for listing on the NASDAQ, subject to official notice of issuance, as promptly as practicable, and in any event prior to the Effective Time.

6.5 Employee Matters.

(a) The Company shall cause the employment or services of all Employees of the Company and its Consolidated Subsidiaries (other than those identified by Parent prior to the Closing as not requiring termination) to be terminated immediately prior to the Effective Time; provided, however, that such termination of employment or services shall be contingent upon the Effective Time actually occurring.

(b) On or prior to the Closing Date, Parent or its Affiliates may, but shall be under no obligation to, make an offer of employment, effective as of the Effective Time or thereafter, or hire any of the Employees of the Company who are actively employed with the Company immediately prior to the Effective Time; provided, however, that any such offer of employment to an Employee shall be contingent upon the Effective Time actually occurring. Employees of the Company who continue as Employees of Parent or who affirmatively accept an offer of employment from a controlled Affiliate of Parent and commence working for Parent or its controlled Affiliates on the Closing Date are hereinafter referred to as the Business Employees. Parent or its controlled Affiliates shall determine, in its or their sole and absolute discretion, the terms and conditions of employment to be offered to any Business Employee and are under no obligation to employ any Business Employee for any particular period of time. Nothing herein shall be construed to prevent Parent or its controlled Affiliates from terminating the employment of any Business Employee at any time after the Effective Time for any reason (or no reason). Parent agrees that any employee benefit plans in which the Business Employees are eligible to participate shall take into account for purposes of eligibility, vesting and benefit accrual thereunder, except for benefit accrual under defined benefit pension plans, or to the extent it would result in a duplication of benefits, service by Business Employees with the Company and its Affiliates as if such service were with Parent or its controlled Affiliates, to the same extent such service was credited under a comparable Company

Benefit Plan. Parent shall, or shall cause its controlled Affiliates to: (i) waive any preexisting condition limitations otherwise applicable to Business Employees and their eligible dependents under any benefit plan of Parent or its controlled Affiliates that provides health or medical benefits in which such Business Employees may be eligible to participate following the Closing (a Parent Welfare Plan ), other than any limitations that were in effect with respect to such employees as of the Closing under the analogous Company Benefit Plan, (ii) honor any deductible, co-payment and out-of-pocket maximums incurred by any Business Employee and his or her eligible dependents under the health plans in which they participated immediately prior to the Closing during the portion of the calendar year prior to the Closing in satisfying any deductibles, co-payments or out-of-pocket maximums under Parent Welfare Plans that provide health or medical benefits in which they are eligible to participate after the Closing in the same plan year in which such deductibles, co-payments or out-of-pocket maximums were incurred and (iii) waive any waiting period limitation or evidence of insurability requirement that would otherwise be applicable to any Business Employee and his or her eligible dependents on or after the Closing, in each case to the extent such Business Employee or eligible dependent had satisfied any similar limitation or requirement under an analogous Company Benefit Plan prior to the Closing.

(c) Not later than 10 Business Days prior to and contingent upon the Effective Time, the Company shall terminate all of the Company Benefit Plans maintained by the Company or any of its Consolidated Subsidiaries subject to the requirements of Sections 401(a) and 409A of the Code; provided, however, that the Company shall not be required to terminate (1) any obligation it has to make payments under any employment or retention agreements or payments otherwise provided for in this Agreement or (2) any Company Benefit Plan identified by Parent at least 10 Business Days prior to the Closing. Payments in respect of terminated Company Benefit Plans shall be made upon the Closing to the extent permitted by Sections 401(a) and 409A of the Code. To the extent payment upon Closing is not permitted by Sections 401(a) and 409A of the Code, the Company shall vest payments and benefits under such terminated Company Benefit Plans and payments and benefits under employment or retention agreements for employees who will not continue in the employ of Parent and its Affiliates. To the extent permitted by Section 409A of the Code, the Company shall establish and fund a rabbi trust or similar funding arrangement for any such payments not made at Closing, which will be distributed at the earliest time permitted in accordance with the terms of such underlying Company Benefit Plans and the requirements of Section 409A of the Code. The rabbi trust shall provide that upon satisfaction of all amounts the remainder will revert to the Company. Notwithstanding the foregoing, Parent or its controlled Affiliates shall continue, or cause to be continued for the duration of the applicable COBRA continuation period, the health and medical benefits for the Employees of the Company and its Consolidated Subsidiaries under the arrangements that exist immediately prior to the Effective Time (the Company Health Plans ); provided, that if it is not possible for Parent or its controlled Affiliates to continue the Company Health Plans as a result of the termination of such Company Health Plan as of the Closing Date, the Parent or its controlled Affiliate shall either (i) use commercially reasonable efforts to obtain replacement arrangements that replicate the Company Health Plans or (ii) cause such benefits to be provided pursuant to the health and medical benefit arrangements of a controlled Affiliate that most closely approximate the

benefits provided pursuant to the Company Health Plans. At or prior to the Effective Time, the Company shall take all necessary action to cause the account balances and/or accrued benefits of the Company Employees under the Company 401(k) Plan, to be fully vested and non-forfeitable as of the Closing Date provided that such actions shall be contingent on the Effective Time occurring. Each Business Employee with an outstanding plan loan under the Company 401(k) Plan shall be permitted to roll over his or her eligible rollover distribution from the Company 401(k) Plan to a qualified defined contribution plan maintained by Parent or its controlled Affiliate for the Business Employees, including any outstanding plan loan or promissory note under the Company 401(k) Plan to the extent allowable under such plan. Except as set forth above, at or prior to the Effective Time (or, if not permitted under applicable Law, as soon as practicable after the Effective Time in accordance with their terms) the Company shall pay out to each Employee of the Company or its Consolidated Subsidiaries all benefits accrued by such Employee of the Company or its Consolidated Subsidiaries under the Company Benefit Plans. The Company shall provide Parent reasonable opportunity to review and comment upon all documentation, including any resolutions to be adopted by the Company, and to effectuate the termination of the Company Benefit Plans and vesting of the Company's matching contributions under the Company 401(k) Plan.

(d) In the event that (i) any Employee of the Company or its Consolidated Subsidiary who does not have a retention agreement does not continue in the employ of Parent or its controlled Affiliate on or after the Closing or (ii) the employment of any Business Employee who does not have a retention agreement is terminated by Parent or its controlled Affiliate without cause within twelve months following the Closing, then the Company (in the case of the foregoing Section 6.5(d)(i)) or the Parent (in the case of the foregoing Section 6.5(d)(ii)), agrees to, or will cause its controlled Affiliate to, provide such Employee with severance benefits no less than the severance benefits set forth on Section 5.2(g) of the Company Disclosure Schedule.

(e) The Company shall be permitted to pay retention/annual bonuses and miscellaneous transaction-related compensation, consistent with the terms set forth on Section 5.2(g) of the Company Disclosure Schedule, to Employees of the Company and its Consolidated Subsidiaries.

(f) Notwithstanding anything in this Section 6.5 to the contrary, nothing contained herein, whether express or implied, shall be treated as an amendment or other modification of any employee benefit plan maintained by Parent or any of its Affiliates, or shall limit the right of Parent or its respective Affiliates to amend, terminate or otherwise modify any employee benefit plan maintained by Parent or any of its Affiliates following the Effective Time. If (i) a party other than the parties hereto makes a claim or takes other action to enforce any provision in this Agreement as an amendment to any employee benefit plan maintained by Parent or any of its Affiliates, and (ii) such provision is deemed to be an amendment to such employee benefit plan maintained by Parent or any of its Affiliates even though not explicitly designated as such in this Agreement, then, solely with respect to the employee benefit plan maintained by Parent or any of its Affiliates at issue, such provision shall lapse retroactively and shall have no amendatory effect with respect thereto.

(g) No provision of this Section 6.5 shall create any third party beneficiary or other rights in any Business Employee (including any beneficiary or dependent thereof) in respect of employment with Parent or any of its Affiliates and no provision of this Section 6.5 shall create any rights in any Business Employee (including any beneficiary or dependent thereof) in respect of any compensation or benefits that may be provided, directly or indirectly, under any employee benefit plan or arrangement that has been or may be established by Parent or any of its Affiliates. No provision of this Agreement shall constitute a limitation on rights to amend, modify or terminate at any time any employee benefit plans or arrangements of Parent or any of its Affiliates.

(h) The Company shall be responsible for fulfilling all requirements under WARN, including but not limited to issuing all notices required under WARN or similar state laws (a WARN Notice ) and/or to make any payments required to be made to any Employee of the Company or its Consolidated Subsidiaries under WARN or similar state laws; provided, that Parent shall have an opportunity to review and approve such WARN Notice no later than seven Business Days before such WARN Notice will be issued to an Employee of the Company or its Consolidated Subsidiaries, such approval by Parent to not be unreasonably withheld.

**6.6 Indemnification; Directors and Officers Insurance.**

(a) Following the Effective Time, Parent shall, to the fullest extent permitted under applicable Law, indemnify, defend and hold harmless and advance expenses to the present and former directors and officers of the Company or any of its Consolidated Subsidiaries, and any such Person presently or formerly serving at the request of the Company or any of its Consolidated Subsidiaries as a director, officer, employee, trustee or fiduciary of any other Person or under or with respect to any employee benefit plan (in each case, when acting in such capacity) (each, an Indemnified Party and collectively, the Indemnified Parties ) against all costs or expenses (including reasonable attorneys fees), judgments, fines, losses, claims, damages, penalties, amounts paid in settlement or other liabilities (collectively, Indemnified Liabilities ) incurred in connection with any Proceeding arising out of actions or omissions occurring at or prior to the Effective Time (including the Transactions), whether asserted or claimed prior to, at or after the Effective Time. In the event of any such Indemnified Liabilities, (i) Parent shall advance to such Indemnified Party upon request reimbursement of documented expenses reasonably incurred to the fullest extent permitted under applicable Law provided that the Person to whom expenses are advanced provides an undertaking to repay such advances if it is ultimately determined that such Person is not entitled to indemnification and complies with other applicable provisions imposed under the Investment Company Act and interpretations thereof by the SEC or its staff and (ii) Parent and the applicable Indemnified Parties shall cooperate in the defense of such matter. If any Indemnified Party is required to bring any action to enforce rights or to collect moneys due under this Section 6.6(a) and is successful in obtaining a decision that it is entitled to enforcement of any right or collection of any money in such action, Parent shall reimburse such Indemnified Party for all of its expenses reasonably incurred in connection with bringing and pursuing such action, including reasonable attorneys fees and costs.

(b) For a period of six years following the Effective Time, Parent shall obtain a directors and officers liability insurance policy that serves to reimburse the present and former officers and directors of the Company or any of its Consolidated Subsidiaries (determined as of the Effective Time) with respect to Proceedings against such directors or officers arising from facts or events occurring on or prior to the Effective Time, which insurance shall contain identical or better coverage and amounts, and contain terms and conditions no less advantageous, as that coverage currently provided by the Company's current policies (the Company D&O Policies); provided, that in no event shall Parent be required to expend more than 200% of the current amount expended by the Company for the Company D&O Policies for a twelve-month period (the Current Premium) to maintain or procure directors and officers insurance coverage for a comparable six-year period, which annual premium is set forth on Section 6.6(b) of the Company Disclosure Schedule; provided, further, that if Parent is unable to maintain or obtain the insurance called for by this Section 6.6(b), Parent shall use its reasonable best efforts to obtain as much comparable insurance as is available for 200% of the Current Premium; provided, further, that officers and directors of the Company or any of its Consolidated Subsidiaries may be required to make application and provide customary representations and warranties to the responsible insurance carrier for the purpose of obtaining such insurance. Notwithstanding anything in this Section 6.6(b) to the contrary, (i) Parent may fulfill its (and the Surviving Company's) obligations under this Section 6.6(b) by purchasing, and (ii) the Company may purchase for up to 200% of the Current Premium a director's and officer's insurance policy or a tail policy under the Company D&O Policies, in either case that (A) has an effective term of six years from the Effective Time, (B) covers those Persons who are currently covered by the Company D&O Policies and for actions and omissions occurring on or prior to the Effective Time and (C) contains terms with respect to coverage and amounts that are identical or better than those contained in the Company D&O Policies provided, that, if the Company purchases such insurance policy or tail policy, Parent's obligation under this Section 6.6(b) shall be deemed to have been satisfied in full.

(c) Any Indemnified Party wishing to claim indemnification under Section 6.6(a), upon learning of any Proceeding described above, shall promptly notify Parent; provided, that failure so to notify shall not affect the obligations of Parent under Section 6.6(a) unless and to the extent that Parent is actually and materially prejudiced as a consequence.

(d) If Parent or any of its successors or assigns consolidates with or merges into any other entity and is not the continuing or surviving entity of such consolidation or merger or transfers all or substantially all of its assets to any other entity, then and in each case, Parent shall cause proper provision to be made so that the successors and assigns of Parent shall assume the obligations set forth in this Section 6.6.

(e) At the Effective Time, Parent shall automatically, fully, unconditionally and irrevocably assume and agree to perform and discharge, jointly and severally with the Surviving Company, all of the obligations of the Company under each indemnification agreement between the Company and any of its directors and officers listed on Section 6.6(e) of the Company Disclosure Schedule (substantially in the form filed under Exhibit

(f) The provisions of this Section 6.6 are (i) intended to be for the benefit of, and shall be enforceable by, each Indemnified Party and his or her heirs and representatives and (ii) in addition to, and not in substitution for, any other rights to indemnification or contribution that any such person may have by Contract or otherwise.

**6.7 No Solicitation.**

(a) The Company shall, and shall cause its Affiliates, Consolidated Subsidiaries, and its and each of their respective officers, directors, trustees, managers, employees, consultants, financial advisors, attorneys, accountants and other advisors, representatives and agents (collectively, Representatives) to, immediately cease and cause to be terminated immediately any discussions or negotiations with any parties that may be ongoing with respect to, or that are intended to or could reasonably be expected to lead to, a Takeover Proposal. The Company shall promptly demand that each Person (other than Parent or its Affiliates or Representatives) that has heretofore executed a confidentiality agreement with respect to the Company's consideration of a possible Takeover Proposal immediately return or destroy (which destruction shall be certified in writing by such Person to the Company) all confidential information heretofore furnished to such Person. Prior to the Effective Time, subject to Section 6.7(c), the Company shall not, and shall cause its Affiliates, Consolidated Subsidiaries and its and their respective Representatives not to, (i) directly or indirectly solicit, initiate, induce, knowingly encourage or take any other action with the intent to solicit, initiate, induce or encourage (including by way of furnishing or disclosing information) any inquiries or the making or submission or implementation of any proposal or offer (including any proposal or offer to its stockholders) with respect to any Takeover Proposal, (ii) enter into any agreement, arrangement, discussions or understanding with respect to any Takeover Proposal (including any letter of intent, agreement in principle, memorandum of understanding or confidentiality agreement) or enter into any Contract or understanding (including any letter of intent, agreement in principle, memorandum of understanding or confidentiality agreement) requiring it to abandon, terminate or fail to consummate, or that is intended to or that would reasonably be expected to result in the abandonment of, termination of or failure to consummate, the Merger or any other Transaction, (iii) initiate or participate in any way in any negotiations or discussions regarding, or furnish or disclose to any Person (other than Parent or its Affiliates or Representatives) any information with respect to, or take any other action to facilitate or in furtherance of any inquiries or the making of any proposal that constitutes, or would reasonably be expected to lead to, any Takeover Proposal, or (iv) grant any approval pursuant to any Takeover Statute to any Person (other than Parent or its Affiliates) or transaction (other than the Transactions) or waiver or release under any standstill or any similar agreement with respect to equity securities of the Company.

(b) The Company shall advise Parent in writing of any request for information or any Takeover Proposal and the terms and conditions of such request, Takeover Proposal or inquiry (including the identity of the Person (or group of Persons))

making such request, Takeover Proposal or inquiry) and the Company shall promptly provide to Parent copies of any written materials received by the Company in connection with any of the foregoing, and the identity of the Person (or group of Persons) making any such request, Takeover Proposal or inquiry or with whom any discussions or negotiations are taking place. The Company agrees that it shall keep Parent informed on a reasonably current basis of the status and the material terms and conditions (including amendments or proposed amendments) of any such request, Takeover Proposal or inquiry and keep Parent informed on a reasonably current basis of any information requested of or provided by the Company and as to the status of all discussions or negotiations with respect to any such request, Takeover Proposal or inquiry.

(c) If on or after the date of this Agreement and at any time prior to the Company Stockholders Meeting, (i) the Company receives a bona fide unsolicited Takeover Proposal (under circumstances in which the Company has complied in all material respects with the provisions of Sections 6.7(a) and (b)); (ii) the Board of Directors of the Company shall have determined in good faith, after consultation with reputable outside legal counsel and financial advisors experienced in such matters, that (x) failure to consider such Takeover Proposal would be a breach of the duties of the directors of the Company under applicable Law and (y) such Takeover Proposal constitutes or is reasonably likely to result in a Superior Proposal; and (iii) the Company gives Parent at least two (2) Business Days prior written notice of the identity of the Person making such Takeover Proposal, the terms and conditions of such Takeover Proposal and the Company's intention to furnish information to, or participate in discussions or negotiations with, the Person making such Takeover Proposal then, subject to compliance with this Section 6.7(c), the Company may:

(i) engage in negotiations or discussions with such Person who has made the unsolicited bona fide Takeover Proposal and provide information in response to a request therefor by a Person who has made such Takeover Proposal if the Company (A) receives from such Person an executed confidentiality agreement with terms (including standstill) no less favorable to the Company than those contained in the Confidentiality Agreement (except for such changes specifically necessary for the Company to comply with its obligations under this Agreement) and (B) provides Parent a copy of all such information that has not previously been delivered to Parent simultaneously with delivery to such Person, and

(ii) after fulfilling its obligations under Section 6.7(d) below, adopt, approve or recommend, or publicly propose to adopt, approve or recommend, including entering into an agreement with respect thereto, a Takeover Proposal (a Takeover Approval ).

If on or after the date of this Agreement and at any time prior to the Company Stockholders Meeting, the Board of Directors of the Company shall have determined in good faith, after consultation with reputable outside legal counsel and financial advisors experienced in such matters, that recommendation of the Company Matters to the Company's stockholders would be a breach of the duties of the directors of the Company under applicable Law, the Company may (A) withdraw or qualify (or modify or amend in

a manner adverse to Parent), or publicly propose to withdraw or qualify (or modify or amend in a manner adverse to Parent), the approval, adoption, recommendation or declaration of advisability by the Board of Directors of the Company of the Company Matters, including the recommendation of the Board of Directors of the Company (the Company Recommendation ) and (B) take any action or make any statement, filing or release, in connection with the Company Stockholders Meeting or otherwise, inconsistent with the Company Recommendation (any action described in clause (A) and (B) referred to collectively with any Takeover Approval as a Company Adverse Recommendation Change ).

The Company shall cooperate and negotiate in good faith with Parent during the five calendar day period following the Notice of a Superior Proposal (it being understood that any amendment to the financial terms or any other material term of such Superior Proposal shall require a new notice and a new five calendar day period) to make such adjustments in the terms and conditions of this Agreement as would enable the Company to proceed with a Company Recommendation without a Company Adverse Recommendation Change. If Parent does not make an offer that the Board of Directors of the Company determines in its reasonable good faith judgment (after consultation with reputable outside legal counsel and financial advisors experienced in such matters ) to be as favorable to the holders of the Company Common Stock (other than Parent and its Affiliates), as such Superior Proposal, and the Company has complied in all material respects with Section 6.7(c) above, the Company may terminate this Agreement pursuant to Section 8.1(c)(iii).

(e) Other than as permitted by Section 6.7(c), neither the Company nor the Board of Directors of the Company shall make any Company Adverse Recommendation Change. Notwithstanding anything herein to the contrary, no Company Adverse Recommendation Change shall change the approval of the Company Matters or any other approval of the Board of Directors of the Company, including in any respect that would have the effect of causing any Takeover Statute or other similar statute to be applicable to the Transactions.

(f) The Company shall provide Parent with prompt written notice of any meeting of the Company's Board of Directors at which the Company's Board of Directors is reasonably expected to consider any Takeover Proposal (such written notice shall in any event be reasonably in advance of such meeting).

(a) If on or after the date of this Agreement and at any time prior to Parent Stockholders Meeting, the Board of Directors of Parent shall have determined in good faith, after consultation with reputable outside legal counsel and financial advisors experienced in such matters, that recommendation of the Parent Matters to Parent's stockholders would be a breach of the duties of the directors of Parent under applicable Law, Parent may (A) withdraw or qualify (or modify or amend in a manner adverse to the Company), or publicly propose to withdraw or qualify (or modify or amend in a manner adverse to the Company), the approval, adoption, recommendation or declaration of advisability by the Board of Directors of Parent of the Parent Matters, including the recommendation of the Board of Directors of Parent (the Parent Recommendation), and (B) take any action or make any statement, filing or release, in connection with the Parent Stockholders Meeting or otherwise, inconsistent with the Parent Recommendation (any action described in clause (A) and (B) being referred to as a Parent Adverse Recommendation Change).

(b) Other than as permitted by Section 6.8(a), neither Parent nor the Board of Directors of Parent shall make any Parent Adverse Recommendation Change. Notwithstanding anything herein to the contrary, no Parent Adverse Recommendation Change shall change the approval of the Parent Matters or any other approval of the Board of Directors of Parent.

10.3 Interpretation. When a reference is made in this Agreement to Articles, Sections, Exhibits or Schedules, such reference shall be to an Article or Section of or Exhibit or Schedule to this Agreement unless otherwise indicated. The table of contents and headings contained in this Agreement are for reference purposes only and shall not affect in any way the meaning or interpretation of this Agreement. Whenever the words include, includes or including are used in this Agreement, they shall be deemed to be followed by the words without limitation. All schedules and exhibits hereto shall be deemed part of this Agreement and included in any reference to this Agreement. If any term, provision, covenant or restriction contained in this Agreement is held by a court or a federal or state regulatory agency of competent jurisdiction to be invalid, void or unenforceable, the remainder of the terms, provisions and covenants and restrictions contained in this Agreement shall remain in full force and effect, and shall in no way be affected, impaired or invalidated. If for any reason such court or regulatory agency determines that any term, provision, covenant or restriction is invalid, void or unenforceable, it is the express intention of the parties that such term, provision, covenant or restriction be enforced to the maximum extent permitted. Accounting terms that are not otherwise defined in this Agreement have the meanings given to them under GAAP. To the extent that the definition of an accounting term defined in this Agreement is inconsistent with the meaning of such term under GAAP, the definition set forth in this Agreement shall control.

10.4 Counterparts. This Agreement may be executed in two or more counterparts (including by facsimile or other electronic means), all of which shall be considered one and the same agreement and shall become effective when counterparts have been signed by each of the parties and delivered to the other parties (including by facsimile or other electronic means), it being understood that each party need not sign the same counterpart.

10.5 Entire Agreement. This Agreement (including the documents and the instruments referred to in this Agreement), together with the Confidentiality Agreement, constitutes the entire agreement and supersedes all prior agreements and understandings, both written and oral, between the parties with respect to the subject matter of this Agreement.

10.6 Governing Law: Jurisdiction. This Agreement shall be governed and construed in accordance with the Laws of the State of Maryland applicable to contracts made and performed entirely within such state, without regard to any applicable conflicts of law principles that would cause the application of the Laws of another jurisdiction, except to the extent governed by the Investment Company Act, in which case the latter shall control. The parties hereto agree that any Proceeding brought by any party to enforce any provision of, or based on any matter arising out of or in connection with, this Agreement or the Transactions shall be brought in any federal or state court located in the State of Maryland. Each of the parties hereto submits to the jurisdiction of any such court in any Proceeding seeking to enforce any provision of, or based on any matter arising out of or in connection with, this Agreement or the Transactions and hereby irrevocably waives the benefit of jurisdiction derived from present or future domicile or otherwise in such Proceeding. Each party hereto irrevocably waives, to the fullest extent permitted by Law, any objection that it may now or hereafter have to the laying of the venue of any Proceeding in any such court or that any such Proceeding brought in any such court has been brought in an inconvenient forum. Each party hereto irrevocably waives any and all right to trial by jury in any legal proceeding arising out of or relating to this Agreement and the Transactions contemplated hereby.

10.7 Publicity. The initial press release with respect to the Transactions shall be a joint press release reasonably acceptable to Parent and the Company. Thereafter, so long as this Agreement is in effect, none of Parent, the Company or any of their respective Affiliates shall issue or cause the publication of any press release or other announcement with respect to this Agreement, the Merger, or the other Transactions without the prior approval of (i) in the case of the Company or any of its Affiliates, Parent and (ii) in the case of Parent or any of its Affiliates, the Company; provided, however, that either party may, without the prior consent of the other party (but after prior consultation with the other party to the extent practicable under the circumstances) issue or cause the publication of any press release or other public announcement to the extent required by Law or the rules and regulations of NASDAQ or NYSE, as applicable.

10.8 Assignment: Third Party Beneficiaries. Neither this Agreement nor any of the rights, interests or obligations under this Agreement shall be assigned by any of the parties (whether by operation of law or otherwise) without the prior written consent of the other parties. Any purported assignment in contravention hereof shall be null and void. Subject to the preceding sentence, this Agreement shall be binding upon, inure to the benefit of and be enforceable by each of the parties and their respective successors and assigns. Except as otherwise specifically provided in Section 6.6, this Agreement (including the documents and instruments referred to in this Agreement) is not intended to and does not confer upon any Person other than the parties hereto any rights or remedies under this Agreement.

10.9 No Specific Performance. The parties acknowledge and agree that no party shall be entitled to seek or obtain an injunction or injunctions to prevent breaches of this Agreement by the other parties or to enforce specifically the terms and provisions of this Agreement and that

the sole and exclusive remedy of (i) the Company, the Company's stockholders, any of their respective Affiliates or any other Person with respect to any such breach shall be as set forth in Section 8.2(b), and (ii) Parent, Parent's stockholders, Merger Sub, any of their respective Affiliates or any other Person with respect to any such breach shall be as set forth in Section 8.2(a).

10.10 Disclosure Schedule. Before entry into this Agreement, Parent and the Company each delivered to the other party a schedule (the Parent Disclosure Schedule and the Company Disclosure Schedule, respectively, each a Disclosure Schedule) that sets forth, among other things, items the disclosure of which is necessary or appropriate either in response to an express disclosure requirement contained in a provision hereof or as an exception to one or more representations or warranties contained in Article III or IV, as applicable, or to one or more covenants contained herein; provided, however, that notwithstanding anything in this Agreement to the contrary, the mere inclusion of an item as an exception to a representation or warranty shall not be deemed an admission that such item represents a material exception or material fact, event or circumstance or that such item has had or would be reasonably likely to have a Material Adverse Effect. Each Disclosure Schedule shall be numbered to correspond with the sections and subsections contained in this Agreement. The disclosure in any section or subsection of each Disclosure Schedule, shall qualify only (i) the corresponding section or subsection, as the case may be, of this Agreement, (ii) other sections or subsections of this Agreement to the extent specifically cross-referenced in such section or subsection thereof, and (iii) other sections or subsections of this Agreement to the extent it is reasonably apparent from a reading of the disclosure that such disclosure would be applicable to such other sections or subsections.

10.11 Conforming Amendment. If Parent determines to merge the Company into Parent directly instead of merging Merger Sub into the Company, then, upon the prior approval of the Company (such prior approval not to be unreasonably delayed, conditioned or withheld), the parties hereto shall enter into an amendment (the Conforming Amendment) to this Agreement with the other parties reflecting such structural change and amending such provisions of this Agreement as may be necessary to effectuate the Conforming Amendment.
