Item 1.01 Entry into a Material Definitive Agreement.

Agreement and Plan of Merger

On November 4, 2009, JDA Software Group, Inc., a Delaware corporation (*JDA*), Alpha Acquisition Corp., a Delaware corporation and wholly-owned subsidiary of JDA (*Merger Sub*), and i2 Technologies, Inc., a Delaware corporation (*i2*), entered into an Agreement and Plan of Merger (the *Merger Agreement*), under which Merger Sub will be merged with and into i2 (the *Merger*), with i2 continuing after the Merger as the surviving corporation and a wholly-owned subsidiary of JDA. The Merger Agreement has been approved by the Boards of Directors of both JDA and i2.

As provided in the Merger Agreement, JDA intends to raise approximately \$275 million of senior unsecured notes through a best efforts financing between the signing date and December 18, 2009. If JDA raises sufficient funds and satisfies other conditions in the definitive merger agreement by December 18, 2009, each issued and outstanding share of i2 common stock will be converted into the right to receive approximately \$12.70 in cash and 0.2562 of a share of JDA common stock with a combined value equal to \$18.00 per share based on JDA's closing stock price on November 4, 2009 (the *Intended Structure*).

If JDA does not raise sufficient funds and meet the conditions necessary to complete the transaction under the Intended Structure, then the parties will complete financing under the Commitment Letter (discussed below) and proceed with the Alternative Structure (as defined below). Under the Alternative Structure, each issued and outstanding share of i2 common stock will be converted into the right to receive approximately \$6.00 in cash and 0.5797 of a share of JDA common stock with a combined value of \$18.00 per share based on JDA's stock price on November 4, 2009 (the *Alternative Structure*).

Under either the Intended Structure or the Alternative Structure, each issued and outstanding share of i2's Series B Convertible Preferred Stock will be converted into the right to receive \$1,100.00 per share in cash, and will receive all accrued and unpaid dividends. In addition, under either the Intended Structure or the Alternative Structure, each outstanding option to purchase i2 common stock would be canceled and converted into the right to receive the applicable merger consideration with respect to the number of shares of i2 common stock that would be issuable upon a net exercise of such option, and each outstanding restricted stock unit award would become fully vested (except that if the applicable award agreement provides that a lesser percentage becomes vested upon consummation of the Merger, such award would only become vested as to such lesser percentage) and would be canceled, and the holder of such award would be entitled to receive the applicable merger consideration for each share of i2 common stock into which the vested portion of the award would otherwise be convertible.

Consummation of the transaction, which is expected to close in first quarter 2010, is subject to several closing conditions, including the approval and adoption of the merger agreement by i2's stockholders, expiration or termination of the applicable Hart-Scott-Rodino waiting periods and regulatory and other customary conditions. If the transaction proceeds with the Alternative Structure, approval by JDA stockholders will also be required. In addition, under

the Intended Structure, the JDA board of directors will consider adding one mutually agreeable i2 director to its board, and under the Alternative Structure the appointment is required.

JDA will use cash from financing sources (senior unsecured notes in the Intended Structure or bank financing in the Alternative Structure, as appropriate), together with the companies' combined cash balances at closing, to fund the cash obligations of the Merger Agreement, related transaction expenses, and to provide cash for the combined companies' ongoing working capital and general corporate needs. The Merger Agreement requires that any such financing must be placed into escrow, and must result in a reduction in the shares of JDA common stock to be issued in the Merger to less than 20% of JDA's common stock outstanding, so that approval by JDA's stockholders would not be required in the Intended Structure under applicable NASDAQ rules.

The Merger Agreement contains certain termination rights for both JDA and i2, and provides that (i) upon termination of the Merger Agreement under specified circumstances, including a change in the recommendation of the board of i2 or in the event i2 elects to pursue an alternative acquisition proposal from a third party, i2 will owe JDA a cash termination fee of \$15 million, (ii) upon the termination of the Merger Agreement because JDA does not obtain financing necessary to complete the Merger, JDA will owe i2 a cash termination fee of \$30 million and (iii) upon the termination of the Merger Agreement due to JDA's failure to obtain the required approvals of its stockholders, if necessary, JDA will owe i2 a cash termination fee of \$7 million.

The foregoing description of the Merger Agreement is included to provide you with information regarding its terms. It does not purport to be a complete description and is qualified in its entirety by reference to the full text of the Merger Agreement, which is filed as Exhibit 2.1 hereto and is incorporated herein by reference.

Voting Agreements

Concurrently with the execution of the Merger Agreement, JDA and i2 entered into voting agreements (the ***i2 Voting Agreements***) with the directors and certain executive officers of i2 and with the sole holder of the Series B Preferred Stock, pursuant to which such signatories have agreed to vote in favor of the Merger Agreement and against any other proposal or offer to acquire i2. The i2 Voting Agreements apply to all shares of i2 stock held by the signatories at the record date for the relevant i2 stockholder meeting. The i2 Voting Agreements restrict the transfer of shares by the signatories, except under certain limited conditions.

Concurrently with the execution of the Merger Agreement, JDA and i2 entered into voting agreements (the ***JDA Voting Agreements***) and together with the i2 Voting Agreements, the ***Voting Agreements***) with the directors and certain executive officers of JDA, pursuant to which such signatories have agreed to vote in favor of the issuance of the JDA common stock in connection with the Merger and an amendment to the JDA Certificate of Incorporation to increase the authorized common stock of JDA if a meeting of JDA stockholders is held to consider such proposals. The JDA Voting Agreements apply to all shares of JDA common stock held by the signatories at the record date for the relevant JDA stockholder meeting (if such a

meeting is held). The JDA Voting Agreements restrict the transfer of shares by the signatories, except under certain limited conditions.

The foregoing description of the Voting Agreements does not purport to be complete and is qualified in its entirety by reference to the full text of the forms of Voting Agreements, which are filed as Exhibits 10.1, 10.2 and 10.3 hereto and are incorporated herein by reference.

Debt Commitment Letter

Concurrently with the execution and delivery of the Merger Agreement, (i) JDA received a commitment letter (**Commitment Letter**) from Wells Fargo Securities LLC and Wells Fargo Foothill LLC (together, **Wells Fargo**), pursuant to which, subject to the conditions set forth therein, Wells Fargo committed to provide JDA with up to \$140 million of senior secured debt financing, of which \$120 million shall constitute a term loan and up to \$20 million shall constitute a revolving credit facility (the **Wells Fargo Facilities**). The funds to be received by JDA pursuant to the transactions contemplated by the Commitment Letter are to be deposited into escrow, and upon consummation of the Merger, would be used (together with JDA's and i2's cash on hand) to fund the obligations of JDA under the Alternative Structure, including the acquisition price, to pay transaction costs, and to provide working capital if the financing for the Intended Structure is not obtained. No amounts will be borrowed under the Commitment Letter under the Intended Structure.

The foregoing description of the Commitment Letter is included to provide you with information regarding its terms, does not purport to be a complete description and is qualified in its entirety by reference to the full text of the Commitment Letter, which is filed as Exhibit 10.4 hereto and is incorporated herein by reference.

Item 8.01 Other Events.

On November 5, 2009, JDA and i2 issued a joint press release announcing the execution of the Merger Agreement. The press release is attached as Exhibit 99.1 and is incorporated herein by reference.
