Based solely on review of Form 13Fs, Sit Investment Associates, Inc., 3300 IDS Center, 80 South Eighth Street, Minneapolis, Minnesota 55402, reported ownership of 6.72% of Investors shares and 9.36% of Income Securities shares as of September 30, 2009. This information may be different as of the record date. Although the annual meetings of the funds are being held jointly and proxies are being solicited through the use of this joint proxy statement, shareholders of each fund will vote separately as to the proposal.

PROPOSAL

ELECTION OF TRUSTEES

General

Each fund's Board of Trustees consists of eleven members. Holders of the shares of each fund are entitled to elect eleven Trustees at this meeting. Ms. Jackson, Ms. McGill Peterson and Messrs. Boyle, Carlin, Cunningham, Ladner, Martin, Moore, Pruchansky, Russo and Vrysen have been designated as subject to election by holders of the shares of each fund.

As of the date of this proxy, each nominee for election currently serves as a Trustee of each fund. Using the enclosed proxy card, you may authorize the proxies to vote your shares for the nominees or you may withhold from the proxies authority to vote your shares for one or more of the nominees. If no contrary instructions are given, the proxies will vote FOR the nominees. Each of the nominees has consented to his or her nomination and has agreed to serve if elected. If, for any reason, any nominee should not be available for election or able to serve as a Trustee, the proxies will exercise their voting power in favor of such substitute nominee, if any, as the funds' Trustees may designate. The funds have no reason to believe that it will be necessary to designate a substitute nominee.

Proposal

For each fund, Ms. Jackson, Ms. McGill Peterson and Messrs. Boyle, Carlin, Cunningham, Ladner, Martin, Moore, Pruchansky, Russo and Vrysen are the current nominees for election by the shareholders.

Vote Required for the Proposal

The vote of a plurality of the votes cast by the shares of a fund is sufficient to elect the nominees to serve as Trustees of that fund.

Each Board recommends that shareholders of each fund vote FOR each of the eleven nominees in the Proposal.

Information Concerning Nominees

The following table sets forth certain information regarding the nominees for election to the Boards. The table also shows each nominee's principal occupation or employment and other directorships during the past five years and the number of John Hancock funds overseen by the current Trustees. There are currently eleven Trustees of each fund, nine of whom are not interested persons (as defined in the Investment Company Act of 1940, as amended (the "1940 Act")) of the funds ("Independent Trustees"). The address of each nominee is 601 Congress Street, Boston, Massachusetts 02210-2805.

Committees

Effective January 2009, each Board has five standing committees: the Audit Committee, the Compliance Committee, the Contracts/Operations Committee, the Nominating, Governance and Administration Committee, and Investment Committee A. Each Committee is composed entirely of Independent Trustees. Prior to January 2009, each Board had four committees: the Audit and Compliance Committee, the Contracts/Operations Committee, the Governance Committee and the Investment Performance Committee.

Audit Committee. All members of this Committee are independent under the Revised Listing Rules of the New York Stock Exchange (the NYSE), and each member is financially literate with at least one having accounting or financial management expertise. This Committee recommends to the full Board the appointment of the independent registered public accounting firm for each fund, oversees the work of the independent registered public accounting firm in connection with each fund's audit, communicates with the independent registered public accounting firm on a regular

basis and provides a forum for the independent registered public accounting firm to report and discuss any matters it deems appropriate at any time. The written charter for the Audit Committee is included as Attachment 1 to this proxy statement.

The Audit Committee reports that it has: (1) reviewed and discussed each fund's audited financial statements with management; (2) discussed with the independent registered public accounting firm the matters relating to the quality of each fund's financial reporting as required by SAS 61; (3) received written disclosures and an independence letter from the independent registered public accounting firm required by Independent Standards Board Standard No. 1 and discussed with the independent registered public accounting firm their

independence; and (4) based on these discussions, recommended to the Board that each fund's financial statements be included in each fund's annual report for the last fiscal year (see Attachment 2).

Each fund's Audit Committee (along with its predecessor, the Audit and Compliance Committee) met five times during the fiscal year ended October 31, 2009.

Compliance Committee. The primary role of this Committee is to oversee the activities of each fund's Chief Compliance Officer; the implementation and enforcement of each fund's compliance policies and procedures; and compliance with the funds' and the Independent Trustees' Codes of Ethics. This Committee met three times during the fiscal year ended October 31, 2009.

Nominating, Governance and Administration Committee. This Committee is composed of all of the Independent Trustees. This Committee reviews the activities of the other standing committees and makes the final selection and nomination of candidates to serve as Independent Trustees. All members of this Committee also are independent under the NYSE's Revised Listing Rules. The written charter for the Nominating, Governance and Administration Committee is included as Attachment 3 to this proxy statement. The Trustees who are not Independent Trustees and the officers of the fund are nominated and selected by the Board.

In reviewing a potential nominee and in evaluating the renomination of current Independent Trustees, the Nominating, Governance and Administration Committee expects to apply the following criteria: (i) the nominee's reputation for integrity; honesty and adherence to high ethical standards; (ii) the nominee's business acumen, experience and ability to exercise sound judgments; (iii) a commitment to understand the fund and the responsibilities of a trustee of an investment company; (iv) a commitment to regularly attend and participate in meetings of the Board and its committees; (v) the ability to understand potential conflicts of interest involving management of the fund and to act in the interests of all shareholders; and (vi) the absence of a real or apparent conflict of interest that would impair the nominee's ability to represent the interests of all the shareholders and to fulfill the responsibilities of an Independent Trustee. This Committee does not necessarily place the same emphasis on each criterion and each nominee may not have each of these qualities.

It is the intent of each Nominating, Governance and Administration Committee that at least one Independent Trustee be an audit committee financial expert as defined by the Securities and Exchange Commission (the "SEC").

As long as an existing Independent Trustee continues, in the opinion of the Nominating, Governance and Administration Committee, to satisfy these criteria, each fund anticipates that the Committee would favor the renomination of an existing Independent Trustee rather than a new candidate. Consequently, while this Committee will consider nominees recommended by shareholders to serve as Independent Trustees, the Committee may only act upon such recommendations if there is a vacancy on the Board or the Committee determines that the selection of a new or additional Independent Trustee is in the best interests of the funds. In the event that a vacancy arises or a change in Board membership is determined to be advisable, this Committee will, in addition to any shareholder recommendations, consider candidates identified by other means, including candidates proposed by members of the Committee. This Committee may retain a consultant to assist the Committee in a search for a qualified candidate, and did so in 2008.

Any shareholder recommendation for Independent Trustee must be submitted in compliance with all of the pertinent provisions of Rule 14a-8 under the Securities Exchange Act of 1934, as amended (the "Exchange Act"), to be considered by the Nominating, Governance and Administration Committee. In evaluating a nominee recommended by a shareholder, this Committee, in addition to the criteria discussed above, may consider the objectives of the shareholder in submitting that nomination and whether such objectives are consistent with the interests of all shareholders. If the Board determines to include a shareholder's candidate among the slate of nominees, the candidate's

name will be placed on the fund's proxy card. If this Committee or the Board determines not to include such candidate among the Board's designated nominees and the shareholder has satisfied the requirements of Rule 14a-8, the shareholder's candidate will be treated as a nominee of the shareholder who originally nominated the candidate. In that case, the candidate will not be named on the proxy card distributed with the fund's proxy statement. Each of the nominees for election as Trustee was recommended by this Committee.

Shareholders may communicate with the members of the Board as a group or individually. Any such communication should be sent to the Board or an individual Trustee in care of the Secretary of the fund at the address on the notice of this meeting. The Secretary may determine not to forward any letter to the members of the Board that does not relate to the business of the fund. This Committee (along with its predecessor, the Governance Committee) met four times during the fiscal year ended October 31, 2009.

Contracts/Operations Committee. This Committee oversees the initiation, operation and renewal of the various contracts between the funds and other entities. These contracts include advisory, custodial and transfer agency agreements and arrangements with other service providers. This Committee met four times during the fiscal year ended October 31, 2009.

Investment Committee A. This Committee monitors and analyzes the performance of the funds generally, consults with the Adviser as necessary if a fund is considered to require special attention, and reviews fund peer groups and other comparative standards as necessary. This Committee met four times during the fiscal year ended October 31, 2009.

The Investment Committee, the predecessor to Investment Committee A, met one time during the fiscal year ended October 31, 2009.

Board meetings. Each Board held five meetings during the fiscal year ended October 31, 2009. With respect to each fund, no Trustee attended fewer than 75% of the aggregate of: (1) the total number of Board meetings; and (2) the total number of meetings held by all committees on which he or she served. The funds hold joint meetings of the Trustees and all committees.

The current membership of each committee is set forth below. As Chairperson of the Board, Ms. McGill Peterson is considered an *ex officio* member of each committee and, therefore, is able to attend and participate in any committee meeting, as appropriate.

(1) The amounts reflect the aggregate dollar range of equity securities beneficially owned by the Trustees in the funds and in all John Hancock funds overseen by each Trustee. For each Trustee, the amounts reflected include share equivalents of certain John Hancock funds in which the Trustee is deemed to be invested pursuant to the Deferred Compensation Plan for Independent Trustees, as more fully described under Remuneration of Trustees and Officers. The information as to beneficial ownership is based on statements furnished to the funds by the Trustees. Each of the Trustees has all voting and investment powers with respect to the shares indicated. None of the Trustees beneficially owned individually, and the Trustees and executive officers of the funds as a group did not beneficially own, in excess of one percent of the outstanding shares of any fund.

Compliance with Section 16(a) Reporting Requirements

Section 16(a) of the Exchange Act requires a fund's executive officers, Trustees and persons who own more than 10% of a fund's shares (10% Shareholders) to file reports of ownership and changes in ownership with the SEC. Executive officers, Trustees and 10% Shareholders are also required by SEC regulations to furnish each fund with copies of all Section 16(a) forms they file. Based solely on a review of the copies of these reports furnished to the funds and representations that no other reports were required to be filed, each fund believes that, during the past fiscal year, its executive officers, Trustees and 10% Shareholders complied with all applicable Section 16(a) filing requirements.

Remuneration of Trustees and Officers

The following table provides information regarding the compensation earned by the Independent Trustees from the funds and the other investment companies in the John Hancock Fund Complex for their services for the fiscal year ended October 31, 2009. The non-Independent Trustees, and each of the officers of the funds who are interested persons of the Adviser, are compensated by the Adviser and/or its affiliates and receive no compensation from the funds for their services.

- (1) All of the Independent Trustees are Trustees of 47 funds in the John Hancock Fund Complex.
- (2) As of October 31, 2009, the value of the aggregate accrued deferred compensation amount from all funds in the John Hancock Fund Complex for Mr. Cunningham was \$212,329; Mr. Ladner was \$81,374; Ms. McGill Peterson was \$235,552; Dr. Moore was \$280,116; and Mr. Pruchansky was \$347,452 under

the John Hancock Deferred Compensation Plan for Independent Trustees (the Plan). Under the Plan, an Independent Trustee may elect to have his or her deferred fees invested by a fund in shares of one or more funds in the John Hancock Fund Complex and the amount paid to the Trustees under the Plan will be determined based upon the performance of such investments. Deferral of Trustees' fees does not obligate any fund to retain the services of any Trustee or obligate a fund to pay any particular level of compensation to the Trustee.

(3) Includes \$83,750 of deferred compensation.

(4) Includes \$16,000 of deferred compensation.

Material Relationships of the Independent Trustees

As of October 31, 2009, none of the Independent Trustees, nor any immediate family member, owned shares of the Adviser or a principal underwriter of the funds, nor does any such person own shares of a company controlling, controlled by or under common control with the Adviser or a principal underwriter of the funds.

There have been no transactions by the funds since the beginning of the funds' last two fiscal years, nor are there any transactions currently proposed in which the amount exceeds \$120,000, and in which any Independent Trustee or any immediate family member has or will have a direct or indirect material interest, nor have any of the foregoing persons been indebted to the funds in an amount in excess of \$120,000 at any time since that date.

No Independent Trustee, nor any immediate family member, has had in the past five years, any direct or indirect interest, the value of which exceeds \$120,000, in the Adviser, a principal underwriter of the funds or in a person (other than a registered investment company) directly or indirectly controlling, controlled by or under common control with the Adviser or principal underwriter of the funds. Moreover, no Independent Trustee or immediate family member has, or has had in the last two fiscal years of the funds, any direct or indirect relationships or material interest in any transaction or in any currently proposed transaction, in which the amount involved exceeds \$120,000, in which the following persons were or are a party: the funds, an officer of the funds, any investment company sharing the same investment adviser or principal underwriter as the funds or any officer of such a company, any investment adviser or principal underwriter of the funds or any officer of such a party, any person directly or indirectly controlling, controlled by or under common control with the investment adviser or principal underwriter of the funds, or any officer of such a person.

Within the last two completed fiscal years of the funds, no officer of any investment adviser or principal underwriter of the funds or of any person directly or indirectly controlling, controlled by or under common control with the investment adviser or principal underwriter of the funds, has served as a director on a board of a company where any of the Independent Trustees or nominees of the funds, or immediate family members of such persons, has served as an officer.

Legal Proceedings

There are no material pending legal proceedings to which any Trustee or affiliated person is a party adverse to the funds or any of their affiliated persons or has a material interest adverse to the funds or any of its affiliated persons. In addition, there have been no legal proceedings that are material to an evaluation of the ability or integrity of any Trustee or executive officer of the funds within the past five years.

Independent Registered Public Accounting Firm

The Trustees of each fund, including a majority of each fund's Independent Trustees, have selected PricewaterhouseCoopers LLP (PwC), 125 High Street, Boston, Massachusetts 02110, to act as independent registered public accounting firm for each fund for the last two fiscal years.

Representatives of PwC are not expected to be present at the meeting but have been given the opportunity to make a statement, if they so desire, and will be available should any matter arise requiring their participation.

The following table sets forth the aggregate fees billed by PwC for each fund for the fiscal years ended October 31, 2008 and October 31, 2009 (the Reporting Periods), for professional services rendered for: (i) the audit of the fund's annual financial statements and the review of financial statements included in the fund's reports to stockholders; (ii) assurance and related services that are reasonably related to the audit of the fund's financial statements; (iii) tax compliance, tax advice or tax planning; and (iv) all services other than (i), (ii) and (iii).

Income Securities	\$ 44,920	\$ 41,819	\$ 18,645	\$ 0	\$ 3,500	\$ 2,873	\$ 0	\$ 3,555

Each fund's Audit Committee has adopted procedures to pre-approve audit and non-audit services for the funds and the Adviser and any entity controlling, controlled by or under common control with, the Adviser (the Adviser Affiliates). These procedures identify certain types of audit and non-audit services that are anticipated to be provided by PwC during a calendar year and, provided the services are within the scope and value standards set forth in the procedures, pre-approve those engagements. The scope and value criteria are reviewed annually. These procedures require both audit and non-audit services to be approved by the Audit Committee prior to engaging PwC.

In recommending PwC as the funds' independent registered public accounting firm, the Audit Committee has considered the compensation provided to PwC for audit and non-audit services to the Adviser and the Adviser Affiliates, and has determined that such compensation is not incompatible with maintaining PwC's independence. The aggregate amount of non-audit fees paid by the funds, the Adviser and Adviser Affiliates that provide services to the funds, which includes amounts described above, were \$4,591,272, and \$8,200,526 for the fiscal years ended October 31, 2008 and 2009, respectively. All such non-audit services were pre-approved in accordance with the funds policy.

MISCELLANEOUS

Voting; Quorum; Adjournment

The following votes are required to approve the proposal:

Proposal

Vote Required

Election of Trustees

A plurality of all votes cast, assuming a quorum exists.* A plurality means that the eleven nominees up for election receiving the greatest number of votes will be elected as Trustees, regardless of the number of votes cast.

*** In order for a quorum to exist, a majority of the shares outstanding and entitled to vote must be present at the meeting, either in person or by proxy, determined in accordance with the table below.**

The proposal described in this proxy statement is considered a routine matter on which brokers holding shares in street name may vote on this proposal without instruction under the rules of the NYSE.

The following table summarizes how the quorum and voting requirements are determined.

Shares	Quorum	Voting
In General	All shares present in person or by proxy are counted in determining whether a quorum exists.	Shares present in person will be voted in person by the shareholder at the meeting. Shares present by proxy will be voted by the proxyholder in accordance with instructions specified in the proxy.
Broker Non-Vote	Considered present at meeting.	Not voted. Same effect as a vote against the proposal.
Proxy with No Voting Instruction (other than Broker Non-Vote)	Considered present for determining whether a quorum exists.	Will be voted for the proposal by the proxyholder.
Vote to Abstain	Considered present for determining whether a quorum exists.	Same effect as a vote against the proposal.

If a quorum is not present, the persons named as proxies may vote their proxies to adjourn the meeting to a later date. If a quorum is present, but there are insufficient votes to approve the proposal, the persons named as proxies may propose one or more adjournments of the meeting to permit further solicitation. Shareholder action may be taken on the proposal prior to such adjournment. Proxies instructing a vote for the proposal will be voted in favor of an

adjournment with respect to the proposal and proxies instructing a vote against the proposal will be voted against an adjournment with respect to the proposal.

Expenses and Methods of Solicitation

The costs of the meeting, other than the solicitation of proxies, will be allocated on a pro rata basis based on each fund's assets. The costs for the solicitation of proxies will be borne equally by each fund, as detailed below. Persons holding shares as nominees will be reimbursed by the relevant fund, upon request, for their reasonable expenses in sending soliciting material to the principals of the accounts. In addition to the solicitation of proxies by mail, Trustees, officers and employees of the funds or of the funds' investment adviser may solicit proxies in person, by email or by telephone. John Hancock Advisers, LLC, 601 Congress Street, Boston, Massachusetts 02210-2805, serves as each fund's investment adviser and administrator. Mellon Investor Services LLC has been retained to assist in the solicitation of proxies at a cost of approximately \$2,750 per fund plus reasonable expenses.

Telephone Voting

In addition to soliciting proxies by mail, by fax or in person, the funds may also arrange to have votes recorded by telephone by officers and employees of the funds or by the personnel of the Adviser, the transfer agent or solicitor. The telephone voting procedure is designed to verify a shareholder's identity, to allow a shareholder to authorize the voting of shares in accordance with the shareholder's instructions and to confirm that the voting instructions have been properly recorded.

A shareholder will be called on a recorded line at the telephone number in a fund's account records and will be asked to provide certain identifying information.

The shareholder will then be given an opportunity to authorize proxies to vote his or her shares at the meeting in accordance with the shareholder's instructions.

Alternatively, a shareholder may call the funds' Voice Response Unit to vote:

Read the proxy statement and have your proxy card at hand.

Call the toll-free-number located on your proxy card.

Follow recorded instructions.

With both methods of telephone voting, to ensure that the shareholder's instructions have been recorded correctly, the shareholder will also receive a confirmation of the voting instructions.

If the shareholder decides after voting by telephone to attend the meeting, the shareholder can revoke the proxy at that time and vote the shares at the meeting.

Internet Voting

You will also have the opportunity to submit your voting instructions via the Internet by utilizing a program provided through a vendor. Voting via the Internet will not affect your right to vote in person if you decide to attend the meeting. Do not mail the proxy card if you are voting via the Internet. To vote via the Internet, you will need the information on your proxy card. These Internet voting procedures are designed to authenticate shareholder identities, to allow shareholders to give their voting instructions and to confirm that shareholders' instructions have been recorded properly. If you are voting via the Internet you should understand that there may be costs associated with electronic access, such as usage charges from Internet access providers and telephone companies, which costs you must bear.

To vote via the Internet:

Read the proxy statement and have your card on hand.

Go to the Web site listed on the card.

Follow the directions on the Web site. Please call 1-800-852-0218 if you have any problems.

To ensure that your instructions have been recorded correctly, you will receive a confirmation of your voting instructions immediately after your submission.

The Funds Adviser and Subadviser

The funds' investment adviser is John Hancock Advisers, LLC, 601 Congress Street, Boston, Massachusetts 02210. An affiliate of the Adviser, MFC Global Investment Management (U.S.), LLC, 101 Huntington Avenue, Boston, Massachusetts 02199, serves as subadviser to each fund.

Other Matters

The management of the funds knows of no business to be brought before the meeting, except as described above. If, however, any other matters were properly to come before the meeting, the persons named in the enclosed form of proxy intend to vote on such matters in accordance with their best judgment. If any

shareholders desire additional information about the matters proposed for action, the management of the funds will provide further information.

The meeting is scheduled as a joint meeting of the respective shareholders of the funds because the shareholders of the funds are generally expected to consider and vote on similar matters. The Boards of Trustees of the funds have determined that the use of this joint proxy statement for the meetings is in the best interest of each fund's shareholders. In the event that any shareholder present at the meetings objects to the holding of a joint meeting and moves for an adjournment of the annual meeting with respect to his or her fund to a time immediately after the annual meetings so that his or her fund's meeting may be held separately, the persons named as proxies will vote in favor of that adjournment.

The shareholders of each fund will vote separately on the proposal, and voting by shareholders of one fund will have no effect on the outcome of voting by shareholders of the other fund.

SHAREHOLDER PROPOSALS

Shareholder proposals, including nominees for Trustee, intended to be presented at a fund's annual meeting in 2011 must be received by that fund at its offices at 601 Congress Street, Boston, Massachusetts, 02210, by no later than the close of business on August 5, 2010, for inclusion in that fund's proxy statement and form of proxy relating to that meeting (subject to certain exceptions), in accordance with Rule 14a-8 under the Exchange Act. Written notice of a shareholder proposal submitted outside of the processes of Rule 14a-8 must be delivered to the relevant fund at 601 Congress Street, Boston, Massachusetts, 02210 no later than the close of business on September 6, 2010 and no earlier than August 5, 2010. In order to be included in a fund's proxy statement and form of proxy, a shareholder proposal must comply with all applicable legal requirements. Timely submission of a proposal does not guarantee that such proposal will be included.

IT IS IMPORTANT THAT PROXIES BE RETURNED PROMPTLY

JOHN HANCOCK FUNDS AUDIT COMMITTEE CHARTER

A. *Composition.* The Audit Committee (the *Committee*) shall be composed exclusively of Trustees who are not interested persons as defined in the Investment Company Act of 1940 of any of the funds, or of any fund's investment adviser or principal underwriter (the *Independent Trustees*). The Committee shall be composed of at least three Independent Trustees who are designated for membership from time to time by the Board of Trustees. Unless otherwise determined by the Board, no member of the Committee may serve on the audit committee of more than two other public companies (other than another John Hancock Fund). Except as otherwise permitted by the applicable rules of the New York Stock Exchange, each member of the Committee shall be independent as defined by such rules and Rule 10A-3(b)(1) of the Exchange Act. Each member of the Committee must be financially literate, as such qualification is interpreted by the Board of Trustees in its business judgment, or must become financially literate within a reasonable period of time after his or her appointment to the Committee. At least one member of the Committee must have accounting or related financial management expertise, as the Board of Trustees interprets such qualification in its business judgment.

B. *Overview.* The Committee's purpose is to:

1. assist the Board in fulfilling its oversight responsibilities of (1) the integrity of the funds' financial statements, (2) the funds' compliance with legal and regulatory requirements (except to the extent such responsibility is delegated to another committee), and (3) the independent auditor's qualifications, independence, and performance;
2. act as a liaison between the funds' independent accountants and the Board of Trustees; and
3. oversee the preparation of an Audit Committee Report as required by the Securities and Exchange Commission (the *SEC*) to the extent required to be included in the closed-end funds' annual proxy statement.

The Committee shall discharge its responsibilities, and shall access the information provided by the funds' management and independent auditors, in accordance with its business judgment. Management is responsible for the preparation of the fund's financial statements, the maintenance of appropriate systems for accounting and internal controls over financial reporting. The Committee and the Board of Trustees recognize that management (including the internal audit staff) and the independent auditors have more experience, expertise, resources and time, and more detailed knowledge and information regarding a fund's accounting, auditing, internal control and financial reporting practices than the Committee does. Accordingly, the Committee's oversight role does not provide any expert or special assurance as to the financial statements and other financial information provided by a fund to its shareholders and others. The independent auditors are responsible for auditing the funds' annual financial statements. The authority and responsibilities set forth in this charter recognize that the Committee members are not acting as accountants or auditors and this charter does not reflect or create any duty or obligation of the Committee to plan or conduct any audit, to determine or certify that any fund's financial statements are complete, accurate, fairly presented, or in accordance with generally accepted accounting principles or applicable law, or to guarantee any independent auditor's report.

C. *Oversight.* The independent auditors shall report directly to the Committee, and the Committee shall be responsible for oversight of the work of the independent auditors, including resolution of any disagreements between

any fund's management and the independent auditors regarding financial reporting. In connection with its oversight role, the Committee should also review with the independent auditors, from time to time as appropriate: significant risks and uncertainties with respect to the quality, accuracy or fairness of presentation of a fund's financial statements; recently disclosed problems with respect to the quality, accuracy or fairness of presentation of the financial statements of companies similarly situated to the funds and recommended actions which might be taken to prevent or mitigate the risk of problems at the funds arising from such matters; accounting for unusual transactions; adjustments arising from audits that could have a significant impact on the fund's financial reporting process; and any recent SEC comments on the fund's SEC reports, including, in particular, any compliance comments. The Committee should inquire of the independent auditor concerning

the quality, not just the acceptability, of the funds' accounting determinations and other judgmental areas and question whether management's choices of accounting principles are, as a whole, conservative, moderate or aggressive.

D. Specific Responsibilities. The Committee shall have the following duties and powers, to be exercised at such times and in such manner as the Committee shall deem necessary or appropriate:

1. To approve, and recommend to the Board of Trustees for its ratification and approval in accord with applicable law, the selection, appointment and retention of an independent auditor for each fund prior to the engagement of such independent auditor and, at an appropriate time, its compensation. The Committee should meet with the independent auditor prior to the audit to discuss the planning and staffing of the audit. The Committee should periodically consider whether, in order to assure continuing auditor independence, there should be regular rotation of the independent audit firm.
2. To periodically review and evaluate the lead partner and other senior members of the independent auditor's team and confirm the regular rotation of the lead audit partner and reviewing partner as required by Section 203 of the Sarbanes-Oxley Act.
3. To pre-approve all non-audit services provided by the independent auditor to the fund or to the fund's investment adviser and any entity controlling, controlled by, or under common control with the investment adviser that provides ongoing services to the fund, if the engagement relates directly to the operations and financial reporting of the fund.
4. The Committee is authorized to delegate, to the extent permitted by law, pre-approval responsibilities for non-audit services to one or more members of the Committee who shall report to the Committee regarding approved services at the Committee's next regularly scheduled meeting. The Committee is also authorized to adopt policies and procedures which govern the pre-approval of audit, audit-related, tax and other services provided by the independent accountants to the funds or to a service provider as referenced in Paragraph 3, provided however, that any such policies and procedures are detailed as to particular services, the Committee is informed of each service, and any such policies and procedures do not include the delegation of the Committee's responsibilities under the Securities Exchange Act of 1934 or applicable rules or listing requirements.
5. To meet with independent auditors, including private meetings, as necessary, management's internal auditors, and the funds' senior management: (i) to review the arrangements for and scope of the annual audit and any special audits; (ii) to review, to the extent required by applicable law or regulation, the form and substance of the closed-end funds' financial statements and reports, including each closed-end fund's disclosures under Management's Discussion of Fund Performance and to discuss any matters of concern relating to the funds' financial statements, including any adjustments to such statements recommended by the independent accountants, or other results of an audit; (iii) to consider the independent accountants' comments with respect to the funds' financial policies, procedures and internal accounting controls and management's responses thereto; (iv) to review the resolution of any disagreements between the independent accountants and management regarding the funds' financial reporting; and (v) to review the form of opinion the independent accountants propose to render to the Board and shareholders. The Committee should request from the independent auditors a frank assessment of management.
6. With respect to any listed fund, to consider whether it will recommend to the Board of Trustees that the audited financial statements be included in a fund's annual report. The Board delegates to the Committee the authority to release the funds' financial statements for publication in the annual and semi-annual

report, subject to the Board's right to review and ratify such financial statements following publication. With respect to each fund, to review and discuss with each fund's management and independent auditor the fund's audited financial statements and the

matters about which Statement on Auditing Standards No. 61, as amended requires discussion. The Committee shall prepare an annual committee report for inclusion where necessary in the proxy statement of a fund relating to its annual meeting of security holders or in any other filing required by the SEC's rules.

7. To receive and consider reports on the audit functions of the independent auditors and the extent and quality of their auditing programs.
8. To obtain and review, at least annually, a report by the independent auditor describing: the firm's internal quality-control procedures; any material issues raised by the most recent internal quality-control review, or peer review, of the firm, or by any inquiry or investigation by governmental or professional authorities, within the preceding five years, respecting one or more independent audits carried out by the firm, and any steps taken to deal with any such issues; and all relationships between the independent auditor and each fund, including the disclosures required by any applicable Independence Standards Board Standard. The Committee shall engage in an active dialogue with each independent auditor concerning any disclosed relationships or services that might impact the objectivity and independence of the auditor.
9. To review with the independent auditor any problems that may be reported to it arising out of a fund's accounting, auditing or financial reporting functions and management's response, and to receive and consider reports on critical accounting policies and practices and alternative treatments discussed with management.
10. To review securities pricing procedures and review their implementation with management, management's internal auditors, independent auditors and others as may be required.
11. To establish procedures for the receipt, retention, and treatment of complaints received by a fund regarding accounting, internal accounting controls, or auditing matters, and the confidential, anonymous submission by employees of the investment adviser, administrator, principal underwriter or any other provider of accounting-related services for a listed fund, as well as employees of the fund, if any, regarding questionable accounting or auditing matters, as and when required by applicable rules or listing requirements.
12. To report regularly to the Board of Trustees, including providing the Committee's conclusions with respect to the independent auditor and the fund's financial statements and accounting controls.

E. *Subcommittees.* The Committee may, to the extent permitted by applicable law, form and delegate authority to one or more subcommittees (including a subcommittee consisting of a single member), as it deems appropriate from time to time under the circumstances. Any decision of a subcommittee to preapprove audit or non-audit services shall be presented to the full Committee at its next meeting.

F. *Additional Responsibilities.* The Committee shall perform other tasks assigned to it from time to time by the Board of Trustees, and will report findings and recommendations to the Board of Trustees, as appropriate.

G. *Funding.* Each fund shall provide for appropriate funding, as determined by the Committee for payment of:

1. Compensation to any registered public accounting firm engaged for the purpose of preparing or issuing an audit report or performing other audit, review or attest services for the fund.

2. Compensation to any counsel, advisers, experts or consultants engaged by the Committee under Paragraph J of this charter.
3. Ordinary administrative expenses of the Committee that are necessary or appropriate in carrying out its duties.

H. *Governance.* One member of the Committee shall be appointed as chair by the Board of Trustees. The chair shall be responsible for leadership of the Committee, including scheduling meetings or reviewing and approving the schedule for them, preparing agendas or reviewing and approving them before meetings, presiding over meetings, and making reports to the Board of Trustees, as appropriate. The designation of a person as an audit committee financial expert, within the meaning of the rules under Section 407 of the Sarbanes-Oxley Act of 2002, shall not impose any greater responsibility or liability on that person than the responsibility and liability imposed on such person as a member of the Committee, nor shall it decrease the duties and obligations of other Committee members or the Board of Trustees. Any additional compensation of Committee members shall be as determined by the Board of Trustees. No member of the Committee may receive, directly or indirectly, any consulting, advisory or other compensatory fee from a fund, other than fees paid in his or her capacity as a member or chair of the Board of Trustees or of a committee of the Board of Trustees. The members of the Committee should confirm that the minutes of the Committee's meetings accurately describe the issues considered by the Committee, the process the Committee used to discuss and evaluate such issues and the Committee's final determination of how to proceed. The minutes should document the Committee's consideration of issues in a manner that demonstrates that the Committee acted with due care.

I. *Evaluation.* At least annually, the Committee shall evaluate its own performance, including whether the Committee is meeting frequently enough to discharge its responsibilities appropriately.

J. *Miscellaneous.* The Committee shall meet as often as it deems appropriate, with or without management, as circumstances require. The Committee shall have the resources and authority appropriate to discharge its responsibilities, including the authority to retain special counsel and other advisers, experts or consultants, at the funds expense, as it determines necessary to carry out its duties. The Committee shall have direct access to such officers of and service providers to the funds as it deems desirable.

K. *Review.* The Committee shall review this charter at least annually and shall recommend such changes to the Board of Trustees as it deems desirable.

AUDIT AND COMPLIANCE COMMITTEE REPORT

The information contained in this report shall not be deemed to be soliciting material or filed or incorporated by reference in future filings with the SEC, or subject to the liabilities of Section 18 of the Securities Exchange Act of 1934, except to the extent that we specifically incorporate it by reference into a document filed under the Securities Act of 1933 or the Securities Exchange Act of 1934.

The Audit and Compliance Committee has reviewed and discussed with the Funds' management and PricewaterhouseCoopers the audited financial statements of the Funds contained in the Annual Report on Form N-CSR for the 2008 fiscal year. The Audit and Compliance Committee has also discussed with PricewaterhouseCoopers the matters required to be discussed pursuant to SAS No. 61 (Codification of Statements on Auditing Standards, AU Section 380), which includes, among other items, matters related to the conduct of the audit of the Funds' financial statements.

The Audit and Compliance Committee has received and reviewed the written disclosures and the letter from PricewaterhouseCoopers required by Independence Standards Board Standard No. 1 (Independence Discussions with Audit and Compliance Committees) and has discussed with PricewaterhouseCoopers its independence from the Funds.

Based on the review and discussions referred to above, the Audit and Compliance Committee recommended to the Board of Trustees that the audited financial statements be included in each Funds' Annual Report on Form N-CSR for filing with the Securities and Exchange Commission.

JOHN HANCOCK FUNDS NOMINATING, GOVERNANCE AND ADMINISTRATION COMMITTEE CHARTER

A. *Composition.* The Nominating, Governance and Administration Committee (the Committee) shall be composed entirely of Trustees who are independent as defined in the rules of the New York Stock Exchange (NYSE) or any other exchange, as applicable, and are not interested persons as defined in the Investment Company Act of 1940 of any of the funds, or of any fund's investment adviser or principal underwriter (the Independent Trustees) who are designated for membership from time to time by the Board of Trustees. The Chairman of the Board shall be a member of the Committee.

B. *Overview.* The overall charter of the Committee is to make determinations and recommendations to the Board on issues related to the composition and operation of the Board and corporate governance matters applicable to the Independent Trustees, as well as issues related to complex-wide matters and practices designed to facilitate uniformity and administration of the Board's oversight of the funds, and to discharge such additional duties, responsibilities and functions as are delegated to it from time to time.

C. *Specific Responsibilities.* The Committee shall have the following duties and powers, to be exercised at such times and in such manner as the Committee shall deem necessary or appropriate:

1. To consider and determine nominations of individuals to serve as Trustees.
2. To consider, as it deems necessary or appropriate, the criteria for persons to fill existing or newly created Trustee vacancies. The Committee shall use the criteria and principles set forth in Annex A to guide its Trustee selection process.
3. To consider and determine the amount of compensation to be paid by the funds to the Independent Trustees, including incremental amounts, if any, payable to Committee Chairmen, and to address compensation-related matters. The Chairman of the Board has been granted the authority to approve special compensation to Independent Trustees in recognition of any significant amount of additional time and service to the funds required of them, subject to ratification of any such special compensation by the Committee at the next regular meeting of the Committee.
4. To consider and determine the duties and compensation of the Chairman of the Board.
5. To consider and recommend changes to the Board regarding the size, structure, and composition of the Board.
6. To evaluate, from time to time, and determine changes to the retirement policies for the Independent Trustees, as appropriate.
7. To develop and recommend to the Board, if deemed desirable, guidelines for corporate governance (Corporate Governance Guidelines) for the funds that take into account the rules of the NYSE and any applicable law or regulation, and to periodically review and assess the Corporate Governance Guidelines and recommend any proposed changes to the Board for approval.
- 8.

To monitor all expenditures and practices of the Board or the Committees or the Independent Trustees not otherwise incurred and/or monitored by a particular Committee, including, but not limited to: D&O insurance and fidelity bond coverage and costs; association dues, including Investment Company Institute membership dues; meeting expenditures and policies relating to reimbursement of travel expenses and expenses associated with offsite meetings; expenses and policies associated with Trustee attendance at educational or informational conferences; and publication expenses.

9. To consider, evaluate and make recommendations and necessary findings regarding independent legal counsel and any other advisers, experts or consultants, that may be engaged by the Board of Trustees, by the Trustees who are not interested persons as defined in the Investment Company

Act of 1940 of any of the funds or any fund's investment adviser or principal underwriter, or by the Committee, from time to time, other than as may be engaged directly by another Committee.

10. To periodically review the Board's committee structure and the charters of the Board's committees, and recommend to the Board of Trustees changes to the committee structure and charters as it deems appropriate.
11. To coordinate and administer an annual self-evaluation of the Board, which will include, at a minimum, a review of its effectiveness in overseeing the number of funds in the fund complex and the effectiveness of its committee structure.
12. To report its activities to Board of Trustees and to make such recommendations with respect to the matters described above and other matters as the Committee may deem necessary or appropriate.

D. Additional Responsibilities. The Committee will also perform other tasks assigned to it from time to time by the Chairman of the Board or by the Board of Trustees, and will report findings and recommendations to the Board of Trustees, as appropriate.

E. Governance. One member of the Committee shall be appointed as chair. The chair shall be responsible for leadership of the Committee, including scheduling meetings or reviewing and approving the schedule for them, preparing agendas or reviewing and approving them before meetings, and making reports to the Board of Trustees, as appropriate.

F. Miscellaneous. The Committee shall meet as often as it deems appropriate, with or without management, as circumstances require. The Committee shall have the resources and authority appropriate to discharge its responsibilities, including the authority to retain special counsel and other advisers, experts or consultants, at the funds expense, as it determines necessary to carry out its duties. The Committee shall have direct access to such officers of and service providers to the funds as it deems desirable.

G. Evaluation. At least annually, the Committee shall evaluate its own performance, including whether the Committee is meeting frequently enough to discharge its responsibilities appropriately.

H. Review. The Committee shall review this Charter periodically and recommend such changes to the Board of Trustees as it deems desirable.

ANNEX A

General Criteria

1. Nominees should have a reputation for integrity, honesty and adherence to high ethical standards.
2. Nominees should have demonstrated business acumen, experience and ability to exercise sound judgments in matters that relate to the current and long-term objectives of the funds and should be willing and able to contribute positively to the decision-making process of the funds.
3. Nominees should have a commitment to understand the funds, and the responsibilities of a trustee/director of an investment company and to regularly attend and participate in meetings of the Board and its committees.
4. Nominees should have the ability to understand the sometimes conflicting interests of the various constituencies of the funds, including shareholders and the management company, and to act in the interests of all shareholders.
5. Nominees should not have, nor appear to have, a conflict of interest that would impair their ability to represent the interests of all the shareholders and to fulfill the responsibilities of a director/trustee.

Application of Criteria to Existing Trustees

The renomination of existing Trustees should not be viewed as automatic, but should be based on continuing qualification under the criteria set forth above. In addition, the Nominating, Governance and Administration Committee (the Committee) shall consider the existing Trustee's performance on the Board and any committee.

Review of Shareholder Nominations

Any shareholder nomination must be submitted in compliance with all of the pertinent provisions of Rule 14a-8 under the Securities Exchange Act of 1934 in order to be considered by the Committee. In evaluating a nominee recommended by a shareholder, the Committee, in addition to the criteria discussed above, may consider the objectives of the shareholder in submitting that nomination and whether such objectives are consistent with the interests of all shareholders. If the Board determines to include a shareholder's candidate among the slate of its designated nominees, the candidate's name will be placed on the funds' proxy card. If the Board determines not to include such candidate among its designated nominees, and the shareholder has satisfied the requirements of Rule 14a-8, the shareholder's candidate will be treated as a nominee of the shareholder who originally nominated the candidate. In that case, the candidate will not be named on the proxy card distributed with the funds' proxy statement.

As long as an existing Independent Trustee continues, in the opinion of the Committee, to satisfy the criteria listed above, the Committee generally would favor the re-nomination of an existing Trustee rather than a new candidate. Consequently, while the Committee will consider nominees recommended by shareholders to serve as trustees, the Committee may only act upon such recommendations if there is a vacancy on the Board, or the Committee determines that the selection of a new or additional Trustee is in the best interests of the fund. In the event that a vacancy arises or a change in Board membership is determined to be advisable, the Committee will, in addition to any shareholder recommendations, consider candidates identified by other means, including candidates proposed by members of the Committee. The Committee may retain a consultant to assist the Committee in a search for a qualified candidate.
