Item 1.01. Entry Into Material Definitive Agreement.

On January 13, 2010, Federal Signal Corporation (the Company) entered into a definitive arrangement agreement (the Arrangement Agreement) pursuant to which the Company will acquire all of the issued and outstanding common shares of Sirit Inc., a corporation existing under the laws of the Territory of Yukon, Canada (Sirit), by way of a court approved plan of arrangement under the *Business Corporations Act* (Ontario) (the Arrangement) for cash consideration of CDN \$0.30 per share.

Under the Arrangement Agreement, at the effective time of the Arrangement (i) Sirit's shareholders (other than those Sirit shareholders who properly exercise dissent rights and are entitled to receive fair value for their Sirit common shares) will receive CDN \$0.30 per Sirit common share; and (ii) holders of outstanding Sirit stock options having an exercise price less than CDN \$0.30 per share will be entitled to receive an amount per Sirit stock option equal to the difference between the CDN \$0.30 and the exercise price in respect of such Sirit stock option. The transaction has a total equity value of approximately CDN\$49.5 million (US\$48.0 million).

Certain executive officers, directors and shareholders of Sirit owning approximately 28% of the outstanding common shares of Sirit have entered into a voting and lock-up agreement with the Company under which they have agreed to vote their shares in favor of the Arrangement.

The Arrangement Agreement contains customary terms and conditions for a transaction of this nature, including a prohibition upon Sirit from soliciting or initiating any discussion concerning any other business combination or similar transaction, the right of the Company to match any unsolicited superior proposal received by Sirit and a termination fee of CDN\$1.5 million payable to the Company by Sirit in certain circumstances.

The closing of the Arrangement is subject to the satisfaction of certain closing conditions, including, among others, obtaining certain court approvals as well as the approval of Sirit's shareholders. For the Arrangement to proceed, a special resolution approving the Arrangement must be approved by not less than two-thirds of the votes cast by Sirit's shareholders. The transaction is not subject to financing. The Company intends to finance the transaction through cash on hand and existing bank lines of credit. The transaction is expected to close during the first quarter of calendar year 2010.

The foregoing description of the Arrangement Agreement and the Arrangement is qualified in its entirety by reference to the full terms and conditions of the Arrangement Agreement, which is filed as Exhibit 10.1 hereto and incorporated herein by reference.

Item 7.01. Regulation FD Disclosure.
