**Item 2.06 Material Impairments.**

On February 2, 2010, Camden Property Trust (the Company ) announced a reduction in the number of planned development projects it anticipates undertaking and the charges related to such actions. These decisions were the result of the Company s quarterly strategic review taking into consideration the current and anticipated economic climate.

The Company will recognize a charge of approximately \$85.6 million in the fourth quarter of 2009. The charge reflects a \$72.2 million non-cash reduction to the previous carrying value of \$109.9 million for land holdings for eight future projects the Company has put on hold for the foreseeable future, and a \$13.4 million charge associated with a land development joint venture. These reductions primarily reflect the decline in fair market value below the carrying value of these investments. The Company will also cease capitalizing interest and expenses associated with these assets.
