Item 1.01. Entry into a Material Definitive Agreement.

On July 14, 2011, First BanCorp (the Corporation), the bank holding company for FirstBank Puerto Rico (FirstBank or the Bank), entered into amended and restated agreements with Thomas H. Lee Partners, L.P. (THL) and with funds managed by Oaktree Capital Management, L.P. (Oaktree) and entered into an amendment to the investment agreement with institutional investors advised by Wellington Management Company, LLP to enable the Corporation to increase the size of the previously announced proposed capital raise from \$515 million to \$525 million.

The amendments also will enable the Corporation to increase the size of the proposed rights offering from \$35 million to \$37.3 million, which will allow a rights offering in which each stockholder of record on the record date (which has not yet been established) to purchase one share of the Corporation's common stock for every two shares of the common stock held on the record date at \$3.50 per share. The proposed rights offering will allow the Corporation's stockholders to purchase up to an aggregate of 10,657,142 shares of common stock. The Corporation intends to file a registration statement covering the rights offering with the U.S. Securities and Exchange Commission and the rights offering is expected to begin after the registration statement is declared effective by the U.S. Securities and Exchange Commission. The higher capital raise, together with the rights offering, will provide the Corporation up to \$562.3 million in new common capital.

The agreements with THL and Oaktree were also amended and restated to permit each of THL and Oaktree, as the case may be, (a) for as long as it owns at least 25% of the number of shares of Common Stock that it purchased from us, to acquire from us at such time as we offer or sell any Common Stock or securities that are convertible into or exchangeable for Common Stock, or include a Common Stock component, to any other investor to which we sell Common Stock or its affiliates in the capital raise (other than an investor that owns more shares than THL or Oaktree), for the same price and on the same terms as such other offer or sale, up to an amount of new securities equal to the aggregate amount of new securities that we offer to sell to such other investor or its affiliates, and (b) for as long as it owns in the aggregate at least as many shares of Common Stock as any other entity or group of affiliated entities, if we offer to sell to any entity or group of affiliated entities Common Stock or securities that are convertible into or exchangeable for Common Stock, or include a Common Stock component, that would cause that entity or group of affiliated entities to own more shares of Common Stock than THL or Oaktree, as applicable, we will offer to sell to each of THL and Oaktree, for the same price and on the same terms as such other offer or sale, a number of new securities such that THL or Oaktree, as applicable, will own an amount of shares of Common Stock, after giving effect to the conversion or exercise of such new securities into Common Stock, equal to the number of shares of Common Stock owned by such other entity or group of affiliated entities.

A copy of each of the agreements is attached hereto as Exhibit 10.1, 10.2 and 10.3, respectively. A copy of the press release announcing the amendments to the agreements is attached hereto as Exhibit 99.1 and is hereby incorporated herein by reference.
