Item 2.02. Results of Operations and Financial Condition.

The following information is being furnished pursuant to Item 2.02 of Form 8-K. This information shall not be deemed filed for purposes of Section 18 of the Securities Exchange Act of 1934, as amended, nor shall it be deemed incorporated by reference in any filing under the Securities Act of 1933, as amended, except as shall be expressly set forth by specific reference in such filing.

On February 15, 2005, Inter-Tel, Incorporated (the Company) issued a press release announcing financial results for the fourth fiscal quarter and year ended December 31, 2004 and comparing such results with the results for the fourth fiscal quarter and year ended December 31, 2003.

Use of Non-GAAP Financial Information

E-Rate Civil Settlement and Plea Agreement. 2004 fourth quarter operating income included a pre-tax charge of \$9.3 million, which reduced net income by \$9.0 million, or \$0.34 per diluted share after tax. This pre-tax charge reflected the costs associated with the Company's e-Rate settlement. As identified in the Company's previous filings with the Securities and Exchange Commission, Divisions of the United States Department of Justice had been investigating other companies and Inter-Tel's participation in a federally funded E-Rate program to connect schools and libraries to the Internet. On January 5, 2005, Inter-Tel Technologies, Inc., the Company's wholly-owned subsidiary, announced court approval of a civil settlement and plea agreement reached on December 8, 2004 in connection with these investigations. The company recorded the nonrecurring charge in the fourth quarter of 2004 in connection with the settlement and also agreed to plead guilty to felony counts for mail fraud and Sherman Act violations.

Write-off of Japan Operations and Related Tax Benefits. During the fourth quarter of 2004, the Company transferred its customer accounts to a dealer in Japan and wrote-off its investment in the subsidiary. Inter-Tel had not previously utilized the tax benefits of losses incurred in Japan, as it had placed a valuation allowance to reserve the tax benefits. The write-off of the investment allows the Company to utilize the tax benefits.

The one-time e-Rate civil settlement and plea agreement and write-off of the Company's Japan investment were non-recurring items included in our GAAP results. Our management believes that the presentation of our results on a non-GAAP basis to exclude both the charge associated with the civil settlement and plea agreement and tax benefits from the write-off of Japan, provide investors a more meaningful basis of evaluating our performance for the fourth fiscal quarter and year ended December 31, 2004, and for comparing our results with prior and subsequent periods. The presentation of non-GAAP information is not intended to be considered in isolation or as a substitute for results prepared in accordance with GAAP and is not necessarily comparable to non-GAAP results published by other companies.

A copy of the press release is hereby furnished as Exhibit 99.1 and is incorporated herein by reference.
