EXPLANATORY NOTE

In reliance upon the Order of the Securities and Exchange Commission issued under Section 36 of the Securities Exchange Act of 1934 (Release No. 50754, November 30, 2004), Meadowbrook Insurance Group, Inc. (the Company) did not include within Item 9A of its Annual Report on Form 10-K for the fiscal year ended December 31, 2004 (the Original Report) management s evaluation of disclosure controls and procedures, as required by Item 307 of Regulation S-K, as well as, both the annual report of its management on internal control over financial reporting, as required by Item 308(a) of Regulation S-K and the related report of the Company s independent registered public accounting firm on management s assessment and the effectiveness of internal control over financial reporting, as required by Item 308(b) of Regulation S-K. In addition, the Company did not include within Item 9A of the Original Report changes in internal control over financial reporting, as required by Item 308(c) of Regulation S-K. The Company is filing this Amendment No. 1 to Annual Report on Form 10-K (the Amendment) to provide the information that was not included in Item 9A of the Original Report, as well as to include a revised Consent of Independent Registered Public Accounting Firm as a result of the above revisions. As a result of this Amendment, the Company is also filing as exhibits to this Amendment No. 1 to Form 10-K the certifications pursuant to Section 302 of the Sarbanes-Oxley Act of 2002. Because no financial statements are contained in this Amendment No. 1 to Form 10-K, the Company is not including the certifications, pursuant to Section 906 Sarbanes-Oxley Act of 2002.

No other information is being amended by this Amendment and the Company has not updated disclosures in this Amendment to reflect any event subsequent to the Company s filing of the Original Report.

ITEM 9A. CONTROLS AND PROCEDURES

Evaluation of Disclosure Controls and Procedures.

Our disclosure controls and procedures (as defined in Rule 13a-15(e) under the Securities Exchange Act of 1934, the Exchange Act), which we refer to as disclosure controls, are controls and procedures that are designed with the objective of ensuring that information required to be disclosed in our reports filed under the Exchange Act, such as this annual report, is recorded, processed, summarized and reported within the time periods specified in the Securities and Exchange Commission s rules and forms. Disclosure controls are also designed with the objective of ensuring that such information is accumulated and communicated to our management, including our Chief Executive Officer and our Chief Financial Officer, as appropriate to allow timely decisions regarding required disclosure. There are inherent limitations to the effectiveness of any control system. A control system, no matter how well conceived and operated, can provide only reasonable assurance that its objectives are met. No evaluation of controls can provide absolute assurance that all control issues and instances of fraud, if any, within our Company have been detected.

As of December 31, 2004, an evaluation was carried out under the supervision and with the participation of our management, including our Chief Executive Officer and Chief Financial Officer, of the effectiveness of the design and operation of disclosure controls. Based upon that evaluation, our Chief Executive Officer and Chief Financial Officer concluded that the design and operation of these disclosure controls were effective to ensure that material information relating to us is made known to management, including our Chief Executive Officer and Chief Financial Officer, particularly during the period when our periodic reports are being prepared.

Management s Report on Internal Control over Financial Reporting

Management is responsible for establishing and maintaining adequate internal control over financial reporting (as defined in Rules 13a-15(f) and 15d-15(f) under the Exchange Act). Our internal control system was designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements

for external purposes in accordance with accounting principles generally accepted in the United States of America. Because of its inherent limitations internal controls over financial reporting may not prevent or detect misstatements. Also, projections of any evaluation of effectiveness to future periods are subject to the risk that controls may be inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Under the supervision and with the participation of our management, including our principal executive officer and principal financial officer, we conducted an evaluation of the effectiveness of our internal control over financial reporting as of December 31, 2004. In making this assessment, management used the criteria set forth by the Committee of Sponsoring

Table of Contents

Organizations of the Treadway Commission (COSO) in Internal Control Integrated Framework. Based on our assessment, we concluded that, as of December 31, 2004, our internal control over financial reporting was effective based on those criteria.

Our management's assessment of the effectiveness of internal control over financial reporting as of December 31, 2004, has been audited by PricewaterhouseCoopers LLP, the independent registered public accounting firm who also audited our consolidated financial statements as of December 31, 2004 and 2003 and for each of the three years in the period ended, as stated in their report which appears herein.

Changes in Internal Control over Financial Reporting

There were no changes in our internal control over financial reporting during the three month period ended December 31, 2004, which have materially affected, or are reasonably likely to materially affect, our internal control over financial reporting.

Table of Contents

REPORT OF INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM

To the Board of Directors and Shareholders of
Meadowbrook Insurance Group, Inc.:

In our opinion management's assessment, included in Management's Report on Internal Control Over Financial Reporting appearing under Item 9A, that Meadowbrook Insurance Group, Inc. maintained effective internal control over financial reporting as of December 31, 2004, based on criteria established in *Internal Control - Integrated Framework* issued by the Committee of Sponsoring Organizations of the Treadway Commission (COSO) is fairly stated, in all material respects, based on those criteria. Also, in our opinion, Meadowbrook Insurance Group, Inc. maintained, in all material respects, effective internal control over financial reporting as of December 31, 2004, based on criteria established in *Internal Control - Integrated Framework* issued by COSO. The Company's management is responsible for maintaining effective internal control over financial reporting and for its assessment of the effectiveness of internal control over financial reporting. Our responsibility is to express opinions on management's assessment and on the effectiveness of the Company's internal control over financial reporting based on our audit. We conducted our audit of internal control over financial reporting in accordance with the standards of the Public Company Accounting Oversight Board (United States). Those standards require that we plan and perform the audit to obtain reasonable assurance about whether effective internal control over financial reporting was maintained in all material respects. An audit of internal control over financial reporting includes obtaining an understanding of internal control over financial reporting, evaluating management's assessment, testing and evaluating the design and operating effectiveness of internal control, and performing such other procedures as we consider necessary in the circumstances. We believe that our audit provides a reasonable basis for our opinions.

A company's internal control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal control over financial reporting includes those policies and procedures that (i) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (ii) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorizations of management and directors of the company; and (iii) provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

Because of its inherent limitations, internal control over financial reporting may not prevent or detect misstatements. Also, projections of any evaluation of effectiveness to future periods are subject to the risk that controls may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

We have also audited, in accordance with the standards of the Public Company Accounting Oversight Board (United States), the consolidated financial statements of the Company at December 31, 2004 and 2003 and for each of the three years in the period ended December 31, 2004 and in our opinion dated March 16, 2005 we expressed an unqualified opinion thereon.
