## Edgar Filing: ADVANCED PHOTONIX INC - Form 8-K

ITEM 1.01. ENTRY INTO A MATERIAL DEFINITIVE AGREEMENT AND  
ITEM 2.01. COMPLETION OF ACQUISITION OR DISPOSITION OF ASSETS.

Effective Monday, May 2, 2005, Advanced Photonix, Inc ("API") completed its previously disclosed acquisition of Picotronix, Inc, through the merger of Picotronix, Inc. (doing business as and referred to herein as "Picometrix"), a Michigan corporation, with and into Michigan Acquisition Sub, LLC ("Newco"), a Delaware limited liability company and a wholly-owned subsidiary of API, pursuant to an Agreement and Plan of Merger (the "Agreement") dated March 8, 2005 by and among API, Newco, Picometrix and Robin Risser and Steven Williamson, the stockholders of Picometrix. Immediately following the effective time of the merger, the name of Newco was changed to Picometrix, LLC.

As a result of the transaction, the stockholders of Picometrix received an aggregate merger consideration consisting of \$3,500,000 in cash, four-year API promissory notes in the aggregate principal amount of \$2,900,500 (the "API Notes") and 2,575,000 shares of API's Class A Common Stock. The API Notes are payable in four annual installments with the first being a payment of \$500,000, the second being a payment of \$550,000, the third being a payment of \$900,000 and the fourth being a payment of \$950,500. The API Notes bear an interest rate of prime plus 1.0% and are secured by all of the intellectual property of Picometrix. API has the option of prepaying the API Notes without penalty.

As previously disclosed, upon the signing of the Agreement, API provided a loan in the amount of approximately \$4,200,000 to Picometrix (the "API Loan"), the proceeds of which were used to prepay existing long-term indebtedness of Picometrix to a third party. Immediately following the effective time of the transaction, the API Loan was contributed to the capital of Newco.

In connection with the closing of the transaction, API entered into a three-year employment agreement with Robin Risser. Mr. Risser's position with API will be President and General Manager of the Picometrix business unit with a base salary of \$185,000 per year and a bonus to be determined and approved by the Board of Directors of API. Upon the signing of the employment agreement, Mr. Risser received a signing bonus of \$30,000. Pursuant to the employment agreement, API has agreed to cause the Board of Directors of API to appoint Mr. Risser as API's Chief Financial Officer. In addition, Mr. Risser will be nominated to become a Director of API at its 2005 annual shareholders meeting.

In connection with the closing of the transaction, API entered into a three-year employment agreement with Steven Williamson. Mr. Williamson's position with API and the Picometrix Business Unit will be Chief Technology Officer with a base salary of \$185,000 per year and a bonus to be determined and approved by the Board of Directors of API. Upon the signing of the employment agreement, Mr. Williamson received a signing bonus of \$30,000.

The terms of the merger are contained in the Agreement, which was filed with the Securities and Exchange Commission on March 14, 2005 in API's Form 8-K (the "March 8-K") as Exhibit 10.1. The description of the Agreement is qualified in its entirety by reference to the copy of the Agreement filed in the March 8-K, which is incorporated by reference herein.

On May 2, 2005, API and each of its wholly-owned subsidiaries entered into Loan and Security Agreements (collectively, the "Loan Agreement") with Pacific Capital Bank, N.A., a national banking association, doing business as Santa Barbara Bank & Trust ("Pacific Capital"). The Loan Agreement is attached hereto as Exhibit 10.5. Additional information regarding the Loan Agreement is provided in Item 2.03 below, which information is incorporated by reference into this Item 1.01.

### ITEM 2.03. CREATION OF A DIRECT FINANCIAL OBLIGATION.

On May 2, 2005, API and each of its wholly-owned subsidiaries entered into the new Loan Agreements with Pacific Capital as lender.

The three year Loan Agreement provides for a \$2.7 million term loan. The term loan provided under the Loan Agreement is secured by substantially all of the assets of API. (other than the intellectual property of Picometrix). The loan under the Loan Agreement will bear interest at a rate equal to the Prime Rate, plus 1.0% provided that the interest rate shall not be below 6.0% nor greater than 7.75%. The borrowing by API under the Loan Agreement on May 2, 2005 was \$2.7 million, and was used to pay a portion of the merger consideration in connection with the acquisition by API of Picometrix.

The Loan Agreement contains customary affirmative and negative covenants. The financial covenants include the maintenance of a specified current ratio (current assets to current liabilities), debt to effective tangible net worth ratio and free cash flow. The creation of indebtedness outside the Loan Agreement, creation of liens, making of certain investments, sale of assets, and incurrence of debt are all either limited or require prior approval from Pacific Capital. The Loan Agreement also contains customary events of default such as nonpayment, bankruptcy, and change in control, which if they occur may cause all outstanding obligations under the Loan Agreement to be accelerated and become immediately due and payable.

The description of the Loan Agreement is qualified in its entirety by reference to the copy of the Loan Agreement filed as Exhibit 10.5 hereof, which is incorporated by reference herein.

### ITEM 5.02. DEPARTURE OF DIRECTORS OR PRINCIPAL OFFICERS; ELECTION OF DIRECTORS; APPOINTMENT OF PRINCIPAL OFFICERS.
