Item 1.01 Entry into a Material Definitive Agreement

On May 23, 2007, TechTeam Government Solutions, Inc. (Government Solutions), a wholly-owned subsidiary of TechTeam Global, Inc. (TechTeam or the Company), executed a Membership Interest Purchase Agreement (MIPA) to acquire all of the outstanding membership interest in NewVectors LLC (NewVectors), a Michigan limited liability company, from NewVectors Holding LLC. As set forth in the Press Release, dated May 23, 2007 (attached hereto as Exhibit 99.1), NewVectors provides business transformation, logistics modernization, and modeling and simulation services primarily to the United States Department of Defense. It has annual revenue of approximately \$34 million. The MIPA (attached hereto as Exhibit 2.01) provides consideration to be paid by TechTeam at closing of \$40,750,000, as adjusted for fluctuations in expected working capital. Of the initial consideration, \$4,000,000 will be withheld as an indemnity holdback for a period of one year after closing to cover any potential claims for indemnity or breach of representation and warranties. The purchase price will be paid by the Company out of its cash reserves and through borrowing \$35 million.

The closing of the purchase is conditioned upon, among other things, the conclusion of certain agreements between the parties. Assuming the conditions to closing are met and the Company closes on its credit facility, TechTeam anticipates closing the transaction on or about May 31, 2007.

Further, TechTeam posted a presentation to its Web site providing a preview of the acquisition. The presentation is attached as Exhibit 99.2.
