**Item 5.03. Amendments to Articles of Incorporation or Bylaws**

Our Board of Directors adopted an amendment to Section 6.1 of our bylaws dealing with share certificates, effective November 2, 2007. The amendment permits the Board of Directors to authorize the issuance of some or all of our outstanding shares without certificates. The previous provision requires shares to be represented by certificates. The Board of Directors has not exercised its power to authorize the issuance of shares without certificates. The Board of Directors adopted the amendment primarily to comply with Nasdaq rules requiring that by January 1, 2008, Nasdaq-listed securities be eligible for a Direct Registration Program operated by a clearing agency registered under Section 17A of the Exchange Act, even if the issuer does not intend to actually participate in the program. Among the requirements to be eligible is a requirement that our governing documents permit uncertificated shares. The amendment to Section 6.1 of the bylaws permits the Board to authorize uncertificated shares. A copy of our amended and restated bylaws is attached as Exhibit 3(ii). You should read the amended and restated bylaws, particularly Section 6.1 for a more complete understanding of the amendment.
