**ITEM 3.01 NOTICE OF DELISTING OR FAILURE TO SATISFY A CONTINUED RULE OR STANDARD;
TRANSFER OF LISTING**

On May 24, 2005, Mercury Air Group, Inc. (AMEX: MAX) issued a press release announcing that the Company would require additional time to file its Form 10-Q for the third fiscal quarter of 2005. On May 26, 2005 the Company issued a press release providing additional information regarding the late filing of the Form 10-Q, including the anticipated filing date of the Form 10-Q, preliminary financial results, and the financial impact of an adjustment to the previously announced third quarter results.

On May 25, 2005, the Company received a letter from the American Stock Exchange indicating the Company's securities are subject to delisting from Amex as a result of not timely filing the Form 10-Q for the third fiscal quarter of 2005 and as a result the Company failed to comply with the requirements for continued listing set forth in Sections 134 and 1101 of the Amex Company Guide. On or before May 31, 2005, an indicator "LF" will be disseminated as an extension of the Company's trading symbol, unless the Company files its Form 10-Q before such time.

In order to continue trading, the Company must submit a plan by June 8, 2005, advising the American Stock Exchange of action it has taken, or will take, that would bring the Company into compliance with all applicable continued listing standards by July 11, 2005. If the plan is accepted, the Company will remain listed during the plan period, during which time it will be subject to periodic review to determine whether it is making progress consistent with the plan. The Company anticipates filing its Form 10-Q by May 31, 2005, which is before the date required for submission of a plan, and in such event the symbol "LF" will be removed from or will not be appended to the Company's trading symbol.
