Item 1.03 Bankruptcy or Receivership.

Background

As previously reported, on November 20, 2009 (the **Petition Date**), GSI Group Inc. (the **Company**) and two of its United States subsidiaries, GSI Group Corporation (**GSI**) and MES International, Inc. (**MES** and, collectively with the Company and GSI, the **Debtors**), filed a Joint Chapter 11 Plan of Reorganization under Chapter 11 of the United States Bankruptcy Code (the **Bankruptcy Code**) with the United States Bankruptcy Court for the District of Delaware (the **Court**), which plan, pursuant to a plan support agreement, was supported by eight of the ten beneficial holders (the **Consenting Noteholders**) of GSI's 11% Senior Notes due 2013 in the principal amount of \$210 million (the **Senior Notes**). Following the Petition Date, the Debtors have continued to operate their business as debtors-in-possession under the jurisdiction of the Court and in accordance with the applicable provisions of the Bankruptcy Code and orders of the Court.

Also, as previously reported, on May 14, 2010, the Debtors entered into a revised plan support agreement with the Official Committee of Equity Holders (the **Equity Committee**) in the Debtors' cases under the Bankruptcy Code (the **Chapter 11 Cases**), the individual members of the Equity Committee (the **Committee Members**) and the Consenting Noteholders (the **May Plan Support Agreement**) and filed a modified Joint Chapter 11 Plan of Reorganization (the **May Plan**), as contemplated by such agreement.

On May 24, 2010, the Debtors filed with the Court the Final Fourth Modified Joint Chapter 11 Plan of Reorganization for the Debtors, which was further supplemented on May 27, 2010 to provide for minor modifications to the May Plan (as supplemented, the **Final Plan**).

Confirmation of the Final Plan

On May 27, 2010, the Court entered an order (the **Confirmation Order**) confirming and approving the Final Plan and the Plan Documents (as defined in the Final Plan). A copy of the Confirmation Order is attached hereto as Exhibit 99.1 and is incorporated herein by reference.

The effective date (the **Effective Date**) for the Debtors' emergence from the Chapter 11 Cases is expected to be on or before July 23, 2010. However, the consummation of the Final Plan is subject to certain conditions that the Debtors must satisfy prior to the Effective Date, including, among others: (i) the execution and effectiveness of the new indenture governing the New Senior Secured Notes (as hereafter defined), which has been filed with the Court as a Plan Document and agreed upon by the Debtors and the Consenting Noteholders (the **New Indenture**), (ii) the execution and effectiveness of certain security documents related to the New Indenture, (iii) the confirmation and recognition by the Court of Queen's Bench of New Brunswick of the Confirmation Order, (iv) the execution, as applicable, of all Plan Documents, (v) the consummation of the Rights Offering (as defined in the Final Plan) and Backstop Commitment (as defined in the Final Plan); and (vi) the occurrence of the Effective Date on or before July 23, 2010 (as such date may be extended pursuant to the May Plan Support Agreement). In addition, the Debtors must perform various other administrative actions in conjunction with emergence from the Chapter 11 Cases. These conditions may be waived only as set forth in the May Plan Support Agreement. There can be no assurance that the Debtors will satisfy these conditions, complete such required actions and emerge from the Chapter 11 Cases within the Debtors' anticipated timeframe or at all.

Material Features of the Final Plan

The following is a summary of the material features contemplated to occur either pursuant to or in connection with the Effective Date. This summary only highlights certain of the substantive provisions of the Final Plan and is not intended to be a complete description of the Final Plan. This summary is qualified in its entirety by reference to the full text of the Final Plan, as confirmed, which is attached hereto as Exhibit 99.2 and is incorporated herein by reference.

Under the Final Plan, the Company's existing shareholders (including those shareholders who may also be noteholders) would retain an ownership in the Company of between 49.3% and 87.3% of the Company's post-reorganization common shares, subject to the release and distribution of new common shares placed in reserve until resolution of certain pending litigation unrelated to the Chapter 11 Cases and depending on the level of shareholder participation in the proposed Rights Offering. Under the terms of the Rights Offering, the

Company's shareholders will have a right to buy up to \$85 million in the aggregate of new common shares of the reorganized Company for a purchase price of \$1.80 per share. All of the cash proceeds from the Rights Offering, together with approximately \$10 million of the Company's cash, would be used for partial satisfaction of the Senior Notes. In addition, the Consenting Noteholders, who will act as the backstop investors in the Rights Offering, would exchange a minimum of \$20 million of Senior Notes for new common shares of the reorganized Company at \$1.80 per share, regardless of the number of shares purchased by shareholders in the Rights Offering. Senior Notes in the principal amount of \$5 million would also be exchanged for additional common shares of the reorganized Company at \$1.80 per share. The principal amount of Senior Notes remaining after these various exchanges then would be exchanged for new senior secured notes (the **New Senior Secured Notes**) on terms set forth in the form of New Indenture, as filed with the Court on May 27, 2010. Pursuant to the Final Plan, the noteholders also will receive payment in cash of all pre- and post petition interest accrued on the Senior Notes.

The capitalization of the Company following the consummation of the transactions contemplated by the Final Plan will depend on the level of shareholder participation in the Rights Offering. If no shareholders were to subscribe for new common shares in the Rights Offering, the existing shareholders (including those shareholders who may also be noteholders) would receive up to 49.3% of the Company's post-reorganization outstanding shares (subject to the distribution of the above mentioned reserve), the noteholders would receive approximately 50.7% of the Company's post-reorganization outstanding shares, and the Company would issue \$110 million in principal amount of New Senior Secured Notes. If the Rights Offering were fully subscribed by the shareholders, the existing shareholders (including those shareholders who may also be noteholders) would receive approximately 87.3% of the Company's post-reorganization outstanding shares (subject to the distribution of the above mentioned reserve), the noteholders would receive approximately 12.7% of the Company's post-reorganization outstanding shares, and the Company would issue \$90 million in principal amount of New Senior Secured Notes.

Pursuant to the Final Plan and as provided in the Confirmation Order, a 12.94% promissory note issued by GSI to GSI Group Limited, a company organized under the laws of England and Wales and a wholly owned subsidiary of the Company, will be reinstated.

As contemplated by the Final Plan, the reorganized Company's board of directors will be comprised of seven directors, to include two directors selected by the Required Noteholders (as that term is defined in the May Plan Support Agreement), two directors with industry expertise selected by the Equity Committee, one director selected by mutual agreement between the Required Noteholders and the Equity Committee, one director to be selected from the Company's current board of directors, and the principal executive officer of the reorganized Company.

Issued and Outstanding Common Shares

As of May 27, 2010, the Company had 47,901,978 common shares issued and outstanding and 350,210 vested, but unissued, restricted common shares. On the Effective Date, all such issued and outstanding common shares in the capital of the Company, including all options, calls, rights, participation rights, puts, awards, commitments or any other agreement to acquire common shares of the Company, will be cancelled and terminated in accordance with the Final Plan, and the holder of any outstanding shares and any vested but unissued restricted shares will receive distributions under the Final Plan as described therein. In addition, any unexercised options and unvested restricted shares of the Company will receive new options and restricted shares of the reorganized Company on the same terms as in effect prior to the Effective Date.

As described above under the subheading **Material Features of the Final Plan**, the capitalization of the reorganized Company following the consummation of the transactions contemplated by the Final Plan will depend on the level of shareholder participation in the Rights Offering.

Assets and Liabilities

As of December 31, 2009, the Company had total assets of \$386.7 million and total liabilities of \$305.6 million. These amounts are unaudited and subject to change. Any corresponding audited numbers could be materially different as a result of the audit of the Company's annual financial statements for fiscal year 2009 and the previously announced restatement of the 2008 financial statements.

Item 5.02. Departure of Directors or Certain Officers; Election of Directors; Appointment of Certain Officers; Compensatory Arrangements of Certain Officers.

On May 24, 2010, the Debtors entered into a Separation and Release Agreement (the **Separation Agreement**) with Dr. Sergio Edelstein in connection with Dr. Edelstein's voluntary resignation from his position as President and Chief Executive Officer of the Company, as a member of the Board of Directors of the Company and as an officer or director of the Company's direct and indirect subsidiaries or other affiliates and his related termination of employment with the Company, effective as of May 25, 2010 (the **Separation Date**). The Separation Agreement was approved by the Court on May 27, 2010.

Pursuant to the Separation Agreement, Mr. Edelstein will receive (i) payment for all accrued and unpaid base salary and all earned and accrued unused vacation pay through the Separation Date at the Company's next regularly scheduled bi-weekly pay date; (ii) severance pay equal to twelve (12) months base salary to be paid in bi-weekly installments over a twelve (12) month period commencing June 1, 2010, totaling \$520,000.00 in the aggregate; and (iii) a lump sum payment within five (5) days of June 1, 2010 in the amount of \$259,123.48. All payments will be subject to applicable state and federal tax withholdings. All of Mr. Edelstein's outstanding but unvested shares of restricted stock of the Company (including all shares with time-based or performance based vesting) will become vested immediately and any Company repurchase rights with respect to such restricted stock lapsed as of the date the Court approved the Separation Agreement (i.e., May 27, 2010).

Under the terms of the Separation Agreement, Mr. Edelstein agreed to a non-competition covenant beginning on the Effective Date and ending on the second anniversary of the Separation Date, as well as a customary confidentiality covenant. Additionally, Mr. Edelstein has agreed, following the Separation Date, to provide up to ten (10) hours of transition services per week as an advisor to the Company through the earlier of the Effective Date or August 31, 2010. Mr. Edelstein further agreed to provide up to five (5) hours of transition services per week as an advisor to the Company for a period of six (6) weeks commencing on the earlier of the Effective Date or August 31, 2010.

In consideration for payments made under the Separation Agreement, among other things, Mr. Edelstein also agreed to a general release of claims in favor of the Released Parties (as such term is defined in the Final Plan) and the Equity Committee and its members. In addition, the Company, on behalf of itself and all present and past subsidiaries and affiliates, agreed to a general release of claims in favor of Mr. Edelstein.

The foregoing description of the Separation Agreement is qualified in its entirety by reference to the actual agreement, a copy of which is attached hereto as Exhibit 10.1 and incorporated herein by reference.

The appointment of Michael E. Katzenstein as the Company's Chief Restructuring Officer, as previously reported, was also approved by the Court on May 27, 2010.
