Item 2. Acquisition or Disposition of Assets.

On July 2, 2001, Arbitron Inc. (the Company) acquired all of the assets and assumed certain of the liabilities of the Radio's All Dimension Audience Research (RADAR®) radio network audience measurement service business of Statistical Research, Inc. (SRI). RADAR is a national radio ratings service that measures audiences to radio commercials aired on 29 radio networks operated by ABC, American Urban Radio Networks, Premiere Radio Network and Westwood One Radio Network. The service produces estimates using a 12-month, 12,000-person telephone survey together with the industry-standard commercial clearance system.

The transaction was consummated pursuant to the terms of an Asset Purchase Agreement dated as of July 2, 2001 among the Company, SRI and Mr. Gale Metzger and Dr. Gerald Glasser, the principal shareholders of SRI. The aggregate consideration to be paid by the Company to SRI for the purchase of the assets is payable in cash up to \$25 million, subject to purchase price adjustments and performance of the purchased assets, and is payable over two years. The Company paid \$10 million in cash to SRI upon the consummation of the transaction. In connection with the acquisition, the Company also entered into several operational agreements with SRI, including a software development agreement pursuant to which SRI will adapt RADAR to the Company's diary based ratings measurement method.
