**PROXY STATEMENT**  
**ANNUAL MEETING OF STOCKHOLDERS**  
**NOVEMBER 19, 2003**

---

**GENERAL**

This Proxy Statement and the enclosed proxy card are being mailed on or about October 14, 2003, to stockholders ( "Stockholders" ) of Versar, Inc. ( "Versar" or the "Company" ) in connection with the solicitation by the Board of Directors of the Company of proxies for use at the 2003 Annual Meeting of Stockholders (the "Annual Meeting" ) and any adjournment or postponement thereof. The Annual Meeting will be held at 10:00 a.m. eastern standard time at the Company's offices at 6850 Versar Center, Springfield, Virginia 22151, on November 19, 2003. Any person giving a proxy pursuant to this Proxy Statement may revoke it at any time before it is exercised at the meeting by filing with the Secretary of the Company an instrument revoking it or by delivering to the Company a duly executed proxy bearing a later date. In addition, if the person executing the proxy is present at the Annual Meeting, he or she may revoke such proxy by voting his or her shares in person. Proxies in the form enclosed, if duly signed and received in time for voting, and not revoked, will be voted at the Annual Meeting in accordance with the directions specified therein.

The Annual Report of the Company for fiscal year 2003 (including financial statements), the Notice of Annual Meeting, this Proxy Statement, and the enclosed proxy card were initially mailed in a single envelope to holders of the Common Stock as of the Record Date on or about October 14, 2003.

**Record Date and Voting Rights**

Only holders of record of Versar's Common Stock, par value \$.01 per share ( "Common Stock" ), at the close of business on September 30, 2003 (the "Record Date" ) are entitled to notice of and to vote at the Annual Meeting and any adjournment(s) or postponement(s) thereof. There were 7,251,295 shares of Common Stock outstanding and entitled to vote as of the Record Date. Each share of Common Stock entitles the holder to one vote on all matters of business at the meeting.

The By-laws of the Company require that the holders of a majority of the outstanding shares of the Company's Common Stock entitled to vote at the Annual Meeting be present in person or represented by proxy in order for a quorum to exist for the transaction of business at that meeting. Abstentions and "broker non-votes" (which occur if a broker or other nominee does not have discretionary authority and has not received voting instructions from the beneficial owner with respect to the particular item) are counted for purposes of determining the presence or absence of a quorum for the transaction of business. Assuming that a quorum is present for the Annual Meeting, then those ten nominees for director who receive the highest number of votes cast will be elected. Abstentions and broker non-votes will have no effect on the outcome of the election of directors.

Proposal No. 2 must be approved by the affirmative vote of a majority of the shares present in person or by proxy at the Annual Meeting and entitled to vote thereon. For purposes of Proposal No. 2, abstentions are counted for purposes of calculating shares entitled to vote but are not counted as shares voting and therefore have the effect of a vote against such proposal. For purposes of Proposal No. 2, broker non-votes are not counted as shares entitled to vote and therefore have no effect.

## Edgar Filing: VERSAR INC - Form DEF 14A

Any proxy which is returned by a Stockholder properly completed and which is not revoked will be voted at the Annual Meeting in the manner specified therein. Unless contrary instructions are given, the persons designated as proxy holders in the accompanying proxy card (or their substitutes) will vote FOR the election of the Board of Directors nominees, FOR Proposal 2 and in the proxy holders discretion with regard to all other matters. Any unmarked proxies, including those submitted by brokers (other than broker non-votes) or nominees will be voted in favor of the nominees for the Board of Directors and other proposals, as indicated in the accompanying proxy card.

The cost of preparing, assembling and mailing all proxy materials will be borne by Versar. In addition to solicitation by mail, solicitations may be made by personal interview, telephone, and telegram by officers and regular employees of the Company or its subsidiaries, acting without additional compensation. Versar anticipates that banks, brokerage houses, and other custodians, nominees, and fiduciaries will forward this material to beneficial owners of shares of Common Stock entitled to vote at the Annual Meeting, and such persons will be reimbursed by Versar for the out-of-pocket expenses incurred by them in this regard.

**Committees of the Board of Directors**

The Board of Directors of Versar has standing Executive, Audit, Compensation, Nominating & Governance Committees.

During fiscal year 2003, the members of the Executive Committee were Dr. Prociv (Chairman), Dr. Durfee, Dr. Markels, Ms. Hoeber and Mr. Hoeper. The primary duty of the Executive Committee is to act in the Board's stead when the Board is not in session, during which time the Committee possesses all the powers of the Board in the management of the business and affairs of the Company, except as otherwise limited by law.

During fiscal year 2003, the Audit Committee, composed exclusively of non-employee directors who are independent, as defined by the American Stock Exchange listing standard and the rules and regulations of the Securities and Exchange Commission, consisted of Messrs. Gallagher (Chairman), Hoeper and Galaviz. This Committee's primary responsibilities, as defined by its written charter, are to provide oversight of the Company's accounting and financial controls, review the scope of and procedures to be used in the annual audit, review the financial statements and results of the annual audit, and retain and evaluate the performance of the independent accountants and the Company's financial and accounting personnel. The Board of Directors has determined that Mr. Hoeper qualifies as the Audit Committee Financial Expert as defined under the rules and regulations of the Securities and Exchange Commission and is independent as noted above. The Audit Committee Charter was amended last year to further conform to recently adopted rules. A copy of the updated charter is included as Attachment A to this Proxy Statement.

The Compensation Committee was comprised during fiscal year 2003 of Dr. Metry (Chairman), Messrs. Gallagher and Hoeper, and Ms. Hoeber. The Committee, pursuant to a written charter, approves goals and objectives related to executive compensation, reviews and adjusts compensation paid to the President of the Company and all executive officers, and administers the Company's incentive compensation plans, including cash bonus and stock option grants. The Committee also reviews and determines an appropriate compensation program for the Board of Directors.

The Nominating & Governance Committee was composed during fiscal year 2003 of Mr. Hoeper (Chairman), Dr. Markels and Ms. Hoerber. The Committee, pursuant to a written charter, reviews and approves Board committee charters, conducts assessments of Board performance, develops criteria for Board membership and proposes Board members who meet the criteria for the annual election of directors. The Committee also identifies potential Board members to fill vacancies which may occur between annual stockholder meetings. Stockholders may submit nominees for the Board of Directors in writing to the Nominating & Governance Committee at the Company's Springfield office no later than June 30, 2004 for the 2004 Annual Meeting of Stockholders. The Committee also develops and implements corporate governance principles and policies.

### **Board and Committee Meetings**

During fiscal year 2003, the Board of Directors met five times. The Executive Committee met once. The Audit Committee met four times. The Compensation Committee met four times. The Nominating & Governance Committee met once. All directors of the Company attended at least 75% of all meetings of the Board and committees on which they served.

### **Directors' Compensation**

Beginning with fiscal year 2002, the directors' annual fee of \$3,000 is paid in stock options. Each year non-qualified stock options will be granted in lieu of a cash payment on the date of the Board's Annual Meeting. Each non-employee director will receive non-qualified options to purchase that number of shares of Common Stock calculated by dividing \$3,000 by the closing price of Versar's Common Stock on the date of the Annual Meeting and multiplying by three. The stock options will vest over a period of one year. Each director continues to be paid an attendance fee in cash of \$1,000 for each meeting of the Board or of its committees where the director is physically present and \$500 for each meeting attended telephonically. Starting in fiscal year 2003, the Chairman of the Audit Committee is paid in cash an additional \$5,000 for increased responsibility and work required under recently adopted rules and regulations of the Securities and Exchange Commission.

This change in directors' compensation was adopted to more closely align directors' interests with those of the stockholders.

### **Certain Relationships and Related Transactions**

On February 5, 2003, Dr. Amir A. Metry entered into a one-year Consulting Agreement with the Company to provide client and strategic relationship services in an amount not to exceed \$45,000. The terms of the agreement were negotiated on an arms length basis and approved by the Board of Directors. During fiscal year ended June 30, 2003, Dr. Metry was paid \$10,312 under the agreement.

### **Code of Ethics**

The Company's Board of Directors has adopted a Code of Ethics that applies to all directors and employees, including the Company's principal executive officer, principal financial officer, principal accounting officer and controller. The Code of Ethics is posted on the Company's web site [www.versar.com](http://www.versar.com) under Investor Relations. The Company intends to disclose on its website any waivers granted under this Code of Ethics to its principal executive officer, principal financial officer, principal accounting officer or controller or persons performing similar functions.

### **Employment Contracts**

On November 1, 1999, the Company entered into a new Employment Agreement with Mr. Rawls for a period of fifty-one months which provides for him to serve as Chairman and Chief Executive Officer at a base salary of \$100,000 plus any fringe benefits available to executive officers of the Company including participation in any incentive compensation programs which may be in effect. If Mr. Rawls' employment is terminated during the term of the Employment Agreement, except for voluntary termination or termination for cause and, except as noted below, he will be paid \$550,000 plus 12 months of fringe benefits, and any incentive compensation then due and shall be entitled to immediate vesting of all stock options. The Agreement provided that the transfer of the CEO title and duties from Mr. Rawls to Dr. Prociv, which occurred in June 2000 would not trigger any liability for the Company. If there is a change in circumstances (change in title other than transfer of the CEO title, salary reduction, or change in geographic location) or change in control of the Company (as defined in this agreement), Mr. Rawls could terminate the agreement and upon termination be paid \$550,000 lump sum plus 24 months of fringe benefits and would be entitled to immediate vesting of all stock options.

On December 1, 2002, the Company entered into an Employment Agreement with Dr. Prociv for a period of twelve months which provides for him to serve as President at a base salary of \$235,000 plus any fringe benefits available to executive officers of the Company including participation in any incentive compensation programs which may be in effect. In September 2003, the Company's Board of Directors agreed to extend Dr. Prociv's Employment Agreement on its current terms until November 30, 2004. If Dr. Prociv's employment is terminated during the term of the Employment Agreement, except for voluntary termination or termination for cause and, except as noted below, he will be paid 12 months salary, fringe benefits, and any incentive compensation then due and shall be entitled to immediate vesting of all stock options. If there is a change in circumstances (change in title, salary reduction, or change in geographic location) or change in control of the Company (as defined in this agreement), Dr. Prociv could terminate the agreement and upon termination would be paid 24 months salary and fringe benefits and would be entitled to immediate vesting of all stock options.

### **Change in Control Agreements**

On January 30, 1999, the Company entered into Change-in-Control Severance Agreements with Lawrence W. Sinnott, Vice President and Chief Financial Officer and James C. Dobbs, Vice President and General Counsel, for a period of twenty-four months. In January 2001, these agreements were extended to January 31, 2004. These agreements provide that if there is a change in circumstances (change in title, salary reduction or change in geographic location) or change in control of the Company (as defined in the Agreement), Messrs. Sinnott or Dobbs could terminate their employment and upon termination receive 24 months salary, fringe benefits, and incentive compensation due and would be entitled to immediate vesting of all stock options.

**REPORT OF COMPENSATION COMMITTEE**

**ON EXECUTIVE COMPENSATION**

The Compensation Committee ( Committee ) of the Board of Directors is furnishing the following report on executive compensation for fiscal year 2003. The compensation decisions reported below were made in September 2002 based upon the Company's and each executive's performance during the fiscal year ended June 30, 2002. The Committee provides oversight of all policies under which compensation is paid to the Company's executive officers and stock options are granted under the Company's stock option plans. The Committee consists entirely of non-employee directors. This report does not reflect the performance of the Company or its executives for fiscal year 2003 which will be reported in next year's Proxy Statement.

**Executive Compensation Philosophies and Policies**

The Committee's executive compensation policies are designed to provide competitive levels of compensation which integrate pay with performance, recognize individual initiative and achievements and assist the Company in attracting and retaining qualified executives. Target levels of the executive officers' overall compensation are intended to be consistent with compensation in the Company's industry for similar executives, but are also weighed toward rewarding performance that contributes to increases in stockholder value and enhances the Company's long-term performance.

The Company's executive compensation program includes three components:

- (1) Base salary;
- (2) Annual Bonus (stock or cash); and
- (3) Long-term incentive awards.

**Base Salary** — ranges of appropriate base salaries are determined by analysis of salary data for positions of comparable responsibility within the environmental services industry. Committee approval of individual salary changes is based upon performance of the executive evaluated against the Company's financial and strategic objectives and of the position of the executive in the competitive salary range.

**Annual Bonus** — bonuses are paid pursuant to an executive incentive bonus plan established each year by the Board of Directors for key employees and managers of the Company and its subsidiaries. Under the bonus plan, an incentive pool is created each fiscal year and is distributed if certain pre-established financial goals for the Company are met. The amount of the incentive pool distributed depends on the extent to which the Company's consolidated net income before tax exceeds targeted amounts as set forth in the bonus pool schedule.

**Long-Term Incentive Awards** — the purpose of this element of the executive compensation program is to link management pay with the long-term interest of stockholders, rather than only the performance of the Company in a single fiscal year. The Committee is currently using incentive stock options from the Company's 1996 and 2002 Stock Option Plans for key employees and managers. In determining annual stock option grants, the Committee bases its decision on the individual's performance or potential to improve shareholder value.

In determining executive compensation for fiscal year 2003, the Committee took into account the performance of the Company's stock, the financial performance of the Company, including its return to profitability and the continued revenue growth of the Company during fiscal year 2002. The performance in fiscal year 2002 was still disappointing with operating income adversely affected by project overruns and write-offs.

**Compensation of Chief Executive Officer**

The Committee reviewed Dr. Procv's performance and his development of a new business organization. Dr. Procv assumed the title and responsibilities of Chief Executive Officer on July 1, 2000. Dr. Procv was

compensated pursuant to his Employment Agreement described on page 12. But, based on the performance of the Company, Dr. Prociv received no bonus or stock options. In November 2002, the Board of Directors agreed to extend Dr. Prociv's Employment Agreement for one year.

**Compensation for Named Executive Officers**

After a discussion of the performance of the Senior Executives, including the Named Executive Officers, based on the Company's performance in fiscal year 2002, no raises or bonuses were granted to the Named Executive Officers except for a \$10,000 raise granted Mr. Sinnott to balance his salary with other Senior Executives and a \$12,000 bonus to Dr. Durfee for the performance of the Defense Business Unit. But, based on their individual performances, the Committee granted the following stock options to the Named Executive Officers:

George J. Anastos	30,000
Gayaneh Contos	50,000
James C. Dobbs	30,000
Robert L. Durfee	40,000
Lawrence W. Sinnott	50,000
Lawrence A. White	50,000

**REPORT OF THE AUDIT COMMITTEE**

The Board's Audit Committee consists of three non-employee directors, James L. Gallagher, as Chairman; Paul J. Hoeper; and Fernando V. Galaviz, each of whom has been determined to be an independent director under the American Stock Exchange standards and the rules and regulations of the Securities and Exchange Commission. Further, the Company's Board of Directors has determined that Mr. Hoeper is qualified as an Audit Committee Financial Expert. Pursuant to the Committee's written charter, which was modified this year to meet the new requirements of the Sarbanes-Oxley Act, the Committee evaluates audit performance, manages the relationship with the Company's independent accountants, assesses policies and procedures relating to internal controls and evaluates complaints regarding auditing and accounting matters. This report relates to the activities taken by the Audit Committee in carrying out such role for the past year.

The Audit Committee oversees the Company's financial reporting process on behalf of the Board of Directors. The Company's management has the primary responsibility for the financial statements and reporting process, which includes the Company's systems for internal control. In carrying out its oversight responsibilities, the Committee met with management and reviewed with management the audited financial statement included in the Annual Report on Form 10-K for the fiscal year ended June 30, 2003. The review included a discussion of the quality and acceptability of the Company's financial reporting and controls, including the reasonableness of significant judgments and the clarity of disclosures in the consolidated financial statements.

The Committee also reviewed with the Company's independent accountants, who are responsible for expressing an opinion on the conformity of the Company's audited financial statements with generally accepted accounting principles, their judgments as to the quality and the acceptability of the Company's financial reporting and such other matters as are required to be discussed with the Committee under generally accepted auditing standards. In addition, the Committee discussed with the independent accountants their independence from management and the Company, including the matters in their written disclosures required by the Independence Standards Board, including Standard No. 1, and received written disclosures required by that standard. The Committee held a private session with the Company's independent auditors, Grant Thornton LLP ( Grant Thornton ), at which candid discussions of financial management, accounting and internal controls took place.

The Committee meets periodically and privately with the independent accountants to discuss the results of their examinations, their evaluations of the Company's internal controls, and the overall quality of the Company's financial reporting.

In reliance on the reviews and discussions referred to above, the Committee recommended to the Board of Directors that the audited financial statements be included in the Annual Report on Form 10-K for the fiscal year ended June 30, 2003 for filing with the Securities and Exchange Commission.

Under the Committee's charter and the requirements of the Sarbanes-Oxley Act and Rule 10A-3 adopted by the Securities and Exchange Commission, the responsibility for the appointment, compensation, retention and oversight of the work of the Company's independent auditor rests with the Audit Committee. Based upon a review of Grant Thornton's qualifications, resources, personnel and performance, the Committee has selected Grant Thornton as the Company's independent auditor for fiscal year 2004 and will submit its decision for stockholder ratification at the Annual Meeting.

In early April 2002, the Committee became concerned with the ability of Arthur Andersen LLP ( Andersen ), who had served as the Company's independent accountants for fiscal years 1996 through 2001, to continue to perform its functions. The Committee directed management to monitor Andersen's legal situation and draft a request for proposal for auditing services.

At the Committee's next regularly scheduled meeting, it was informed by Andersen that it would likely not be able to perform the year end audit for fiscal year 2002 because of employee defections. The Committee instructed management to contact other qualified independent accounting firms and issue a request for proposals to interested firms.

The Committee reviewed the proposals submitted by several independent accounting firms, conducted interviews, asked for answers to written questions and the submission of a best and final offer. Based upon its review, in September 2002 the Committee selected and recommended to the Company's Board of Directors that Grant Thornton be appointed the Company's independent accountant. The recommendation was approved unanimously by the Board and, subsequently the Company's stockholders.

Submitted by the Audit Committee of the Board of Directors.

In fiscal year 2002, Versar was billed by its former independent accountant, Arthur Andersen, LLP ( Andersen ) \$15,750 for auditing services related to three reviews and \$84,200 by Versar's present independent accountant, Grant Thornton LLP ( Grant Thornton ) for the fiscal year 2002 audit. In fiscal year 2003, Versar was billed by Grant Thornton \$111,910 for three quarterly reviews and the annual fiscal year 2003 audit.

#### **Audit Related Fees**

Versar was billed by Grant Thornton \$7,750 in fiscal year 2002 and \$9,935 in fiscal year 2003 for audit-related fees for assurance and related services.

#### **Tax Fees**

In fiscal year 2002, Versar was billed \$8,750 by Andersen and \$36,141 by Grant Thornton for federal, state and local tax compliance services. In fiscal year 2003, Versar was billed \$37,219 by Grant Thornton for federal and state tax compliance services.

#### **All Other Fees**

In fiscal year 2002 and 2003, Versar was billed \$7,661 and \$8,920 respectively, by Grant Thornton for audits of benefit plans and review of internal controls.

The Audit Committee is in the process of adopting comprehensive pre-approval policies for services by its independent accountant. The Committee expects that all independent accounting services for fiscal year 2004 will be approved by the Audit Committee.

### **PROPOSAL NO. 2**

#### **APPOINTMENT OF ACCOUNTANTS**

The Audit Committee of the Board of Directors considers it desirable that its appointment of the firm of Grant Thornton as independent accountants of the Company for fiscal year 2004 be ratified by the Stockholders. Representatives of Grant Thornton will be present at the Annual Meeting, will be given an opportunity to make a statement if they so desire, and will be available to respond to appropriate questions from the Stockholders.

The Company's independent accountants initially appointed for fiscal year 2002 were Arthur Andersen. On June 10, 2002, on recommendation of its Audit Committee, the Board of Directors dismissed Andersen as Versar, Inc.'s independent public accountants and approved the selection of Grant Thornton to serve as Versar's independent public accountants for the fiscal year, which ended on June 30, 2002. The change in independent public accountants was effective immediately.

Andersen's reports on Versar's consolidated financial statements for each of the two most recent fiscal years did not contain an adverse opinion or disclaimer of opinion, nor were such reports qualified or modified as to uncertainty, audit scope or accounting principles.

During each of Versar's two fiscal years 2000 and 2001, and during the interim period between June 30, 2001, and the date of Anderson's dismissal, there were no disagreements with Andersen on any matter of accounting principle or practice, financial statement disclosure, or auditing scope procedure which, if not resolved to Andersen's satisfaction, would have caused them to make reference to the subject matter in connection with their report on our consolidated financial statements for such years; and there were no reportable events as defined in Item 304(a)(1)(v) of Regulation S-K.

The Board of Directors recommends a vote FOR ratification of the appointment of Grant Thornton and the enclosed proxy will be so voted unless a vote against the proposal or an abstention is specifically indicated.

#### **2004 ANNUAL MEETING**

It is presently contemplated that the 2004 Annual Meeting of Stockholders will be held on or about November 17, 2004. In order for any appropriate stockholder proposal to be considered for inclusion in the proxy materials for the 2004 Annual Meeting of Stockholders, it must be received by the Secretary of the Company no later than June 16, 2004, by certified mail, return receipt requested and must comply with applicable federal proxy rules. A proposal submitted for consideration at the 2004 Annual Meeting of Stockholders subsequent to June 16, 2004 shall be considered untimely and will not be included in the Company's proxy materials. Further, any proposals for which the Company does not receive notice on or before August 30, 2004 shall be subject to the discretionary vote of the proxy holders at the 2004 Annual Meeting of Stockholders.

#### **OTHER MATTERS**

As of the date of this Proxy Statement, management of the Company has no knowledge of any matters to be presented for consideration at the Annual Meeting other than those referred to above. If any other matters properly come before the Annual Meeting, the persons named in the accompanying proxy intend to vote such proxy, to the extent entitled, in accordance with their best judgment.

By Order of the Board of Directors,

James C. Dobbs  
Secretary
