Item 5. Other Events

As discussed in the press release attached hereto as Exhibit 99.1, on October 7, 2003, PMC Capital, Inc. (*PMC Capital*) completed a structured loan sale transaction. PMC Capital and PMC Commercial Trust (*PMC Commercial*), our affiliate, contributed variable-rate loans receivable of approximately \$57.8 million and \$45.4 million, respectively, to a special purpose entity (the *2003 Joint Venture*). The *2003 Joint Venture* issued, through a private placement, approximately \$92.9 million of its *2003 Loan-Backed Floating Rate Notes* (the *2003 L.P. Notes*). The *2003 L.P. Notes*, issued at par, which have a stated maturity in 2023 and bear interest, reset on a quarterly basis, at the 90 day LIBOR plus 1.25%, are collateralized by the loans receivable contributed by PMC Capital and PMC Commercial to the *2003 Joint Venture*. The *2003 L.P. Notes* were rated *Aaa* by Moody's Investors Service, Inc.

As a result of the transaction, PMC Capital received gross proceeds of approximately \$52.0 million which was utilized to pay the costs of the transaction, fund the initial required reserve balance and repay the balance outstanding on its revolving credit facility. The remaining proceeds will be used to originate additional loans and for working capital.

Item 7. Financial Statements and Exhibits
