Item 1.01. Entry into a Material Definitive Agreement

On April 10, 2006, Piper Jaffray Companies (the Company), Piper Jaffray & Co., a wholly owned subsidiary of the Company (the Subsidiary), and UBS Financial Services Inc. (the Buyer) entered into an Asset Purchase Agreement (the Agreement), pursuant to which the Buyer has agreed to purchase substantially all of the assets, and assume certain of the liabilities, of the Company's Private Client Services business. The initial purchase price under the Agreement is \$500 million in cash, subject to certain adjustments, including for the margin loan amount and net assets of the purchased business at closing and for the future performance of the purchased business.

The Company currently expects the transaction covered by the Agreement to close early in the third quarter of 2006, subject to certain regulatory approvals and customary closing conditions, including the receipt of third-party consents.

The foregoing summary of the Agreement is qualified in its entirety by reference to the full text of the Agreement, which is attached as Exhibit 2.1 to this Current Report on Form 8-K.

Item 2.05. Costs Associated with Exit or Disposal Activities

In connection with the execution of the Agreement, the Company adopted a restructuring plan effective April 10, 2006, to facilitate the disposition of the Private Client Services business. The Company expects the plan to result in a pre-tax restructuring charge of between \$55 million and \$60 million, consisting of approximately \$20 million in severance benefits and other personnel-related costs, approximately \$25 million to \$28 million related to the reduction of leased office space and asset disposals, and approximately \$10 million to \$12 million in contract modifications and terminations. Approximately \$45 million to \$50 million of the restructuring charge is expected to require future cash expenditures by the Company.

These expense reduction measures are expected to be completed by the Conversion Date, as such term is defined in the Agreement, and are expected to be incurred primarily in the second and third quarters of 2006.

This periodic report on Form 8-K contains forward-looking statements. Statements that are not historical or current facts, including statements about beliefs and expectations, are forward-looking statements. These forward-looking statements cover, among other things, the future prospects of the Company and expected restructuring charges.
