Item 1.01. Entry into a Material Definitive Agreement.

On June 12, 2008, HealthMarkets, LLC (HealthMarkets), a subsidiary of HealthMarkets, Inc. (the Company), entered into a definitive Agreement for Reinsurance and Purchase and Sale of Assets (the Master Agreement) pursuant to which Wilton Reassurance Company (Wilton) or its affiliates will acquire substantially all of the business of the Company s life insurance division, operating through The Chesapeake Life Insurance Company, Mid-West National Life Insurance Company of Tennessee and The MEGA Life and Health Insurance Company (the Ceding Companies), and all of the Company s 79% equity interest in each of U.S. Managers Life Insurance Company, Ltd. and Financial Services Reinsurance, Ltd. As part of the transaction, under the terms of the Coinsurance Agreements to be entered into with each of the Ceding Companies on or before the closing date, Wilton will, effective July 1, 2008, reinsure on a 100% coinsurance basis substantially all of the insurance policies associated with the Company s life insurance division (the Coinsured Policies).

Under the terms of the Coinsurance Agreements, the form of which is included as an exhibit to the Master Agreement, Wilton will assume responsibility for all insurance liabilities associated with the Coinsured Policies. The Ceding Companies will transfer to Wilton cash in an amount equal to the net statutory reserves and liabilities corresponding to the Coinsured Policies, which amount, as of March 31, 2008, was approximately \$330.0 million. Following the closing, Wilton will be responsible for administration of the Coinsured Policies, subject to certain transition services to be provided by the Ceding Companies to Wilton.

At the closing, the Company or the Ceding Companies will receive total consideration of approximately \$140.0 million, subject to certain adjustments, including \$134.5 million in aggregate ceding allowances with respect to the reinsurance of the Coinsured Policies. Under certain circumstances, the Master Agreement also provides for the payment of additional consideration to the Company following the closing based on the five year financial performance of the Coinsured Policies. The Company expects the reinsurance transaction to result in a pre-tax loss estimated to be between \$5.0 million and \$10.0 million, which will be considered in the Company s second quarter deferred acquisition cost recoverability analysis.

These transactions, which are subject to customary closing conditions, including the receipt of approvals by certain state insurance regulators and the receipt of certain other required consents, are expected to close in the fall of 2008. Subject to certain conditions, the Master Agreement may be terminated by either party if the closing has not occurred by November 30, 2008.

In addition, on June 12, 2008, HealthMarkets entered into a definitive Stock Purchase Agreement (the Stock Purchase Agreement) pursuant to which Wilton will purchase the Company s student loan funding vehicles and related student association, CFLD-I, Inc., UICI Funding Corp. 2 and The National Student Association, LLC. The Company will receive a purchase price based on the amount of cash and student loans held by UICI Funding Corp. 2 at the time of closing, subject to certain adjustments, which purchase price is estimated to be approximately \$4.5 million. The Company expects the transactions contemplated by the Stock Purchase Agreement to result in a pre-tax loss estimated to be between \$6.0 million and \$9.0 million, which will be considered in the Company s second quarter assessment of lower of cost or fair market value as a result of held for sale accounting. Wilton will fund student loans in accordance with the terms of the Coinsured Policies; provided, however, that Wilton will not be required to fund any student loan that would cause the aggregate par value of all such loans funded by Wilton, following the coinsurance effective date, to exceed \$10.0 million.

The closing of the transactions contemplated by the Stock Purchase Agreement is subject to customary closing conditions. Subject to certain conditions, the Stock Purchase Agreement will terminate upon the termination of the Master Agreement or may be terminated by either party if the closing has not occurred by March 31, 2009.

For more information, please refer to the copy of the Master Agreement attached hereto as Exhibit 10.1 and the copy of the Stock Purchase Agreement attached hereto as Exhibit 10.2. The above descriptions of these agreements are qualified in their entirety by reference to these Exhibits.
