***Indemnification Agreements***

The Nominating and Governance Committee of the Company s Board of Directors, at its regularly scheduled meeting on November 6, 2008, authorized the Company to enter into Indemnification Agreements with each of its Section 16 executive officers and directors. The form of Indemnification Agreement is attached hereto as Exhibit 10.148.

Each Indemnification Agreement provides that, subject to certain exclusions, the Company shall indemnify the applicable Section 16 executive officer or director to the fullest extent permitted by law, including any greater indemnification that is afforded by a subsequent change in applicable law. The Indemnification Agreement also provides, among other things, for advancement of expenses and independent or disinterested determinations as to whether the standard for indemnification under the Indemnification Agreement has been met, and governs other procedural matters related to indemnification. The rights afforded to the indemnified persons under the Indemnification Agreements are not exclusive of other rights of indemnification such persons may enjoy under the Company s bylaws. The foregoing description of the Indemnification Agreements does not purport to be complete and is qualified in its entirety by reference to the copy of the form of such agreements attached hereto as Exhibit 10.148.

***Stock Option Reformations***

During the Company s voluntary internal stock option review that was completed earlier this year, the Company concluded that certain stock options ( misdated options ) granted in prior years to certain current independent members of the Board of Directors as well as to the current Chief Executive Officer and Executive Chairman had an exercise price which was less than the closing price of the Company s common stock on the appropriate measurement date for financial accounting purposes.

---

**Table of Contents**

The Board determined that all currently outstanding and unexercised misdated options for the individuals noted below should be reformed to reflect an exercise price equal to the appropriate fair market value per share on the appropriate measurement date.

The Board of Directors has authorized the Company to enter into a Reformation of Stock Option Agreement in substantially the form attached hereto as Exhibit 10.149 with each of these individuals to reform certain misdated options held by them. As a result of the reformations, the exercise prices of the misdated options will be shown as equal to the appropriate fair market value per share on the correct measurement date. No payments will be made to any of these option holders in connection with these amendments.

The Reformation of Stock Option Agreements will correct the exercise price of misdated options granted to each of Messrs. Arscott, Berdahl, Elkus, Harris, Inman, Newberry, and Bagley, as illustrated in the table below:
