Item 1.01 Entry into a Material Definitive Agreement.

On February 7, 2008, Alkermes, Inc. (the Company) entered into an agreement for an Accelerated Share Repurchase Transaction (the ASR) with Morgan Stanley & Co. Incorporated (Morgan Stanley) pursuant to which the Company will repurchase \$60 million of its outstanding common stock from Morgan Stanley. The Company is acquiring these shares as part of a previously announced share repurchase program of up to \$175 million approved by the Company's Board of Directors. A copy of the press release is attached hereto as Exhibit 99.1.

Under the ASR, the final price of shares repurchased will be determined based on a discount to the volume weighted average trading price of the Company's common stock over a period not to exceed three months. Under the ASR, Morgan Stanley will make an initial delivery of shares to the Company. Depending on the final price and number of shares being repurchased, Morgan Stanley may deliver additional shares to the Company at the completion of the transaction, or the Company may, at its option, deliver to Morgan Stanley either cash or shares. The Company expects that Morgan Stanley will purchase shares of the Company's common stock from time to time in the open market in connection with the ASR and may also sell shares in the open market from time to time.

Morgan Stanley has engaged, and may in the future engage, in financial advisory, investment banking and other services for the Company.

The preceding description of the ASR does not purport to be a complete description and is qualified in its entirety by reference to the full text of such agreement.
