Advisory Committee
Insignia Financial Group, Inc.
401(k) Retirement Savings Plan

We have audited the accompanying statements of net assets available for benefits of Insignia Financial Group, Inc. 401(k) Retirement Savings Plan as of December 31, 2000 and 1999 and the related statement of changes in net assets available for benefits for the year ended December 31, 2000. These financial statements are the responsibility of the Plan's management. Our responsibility is to express an opinion on these financial statements based on our audits.

We conducted our audits in accordance with auditing standards generally accepted in the United States. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements. An audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall financial statement presentation. We believe that our audits provide a reasonable basis for our opinion.

In our opinion, the financial statements referred to above present fairly, in all material respects, the net assets available for benefits of the Plan at December 31, 2000 and 1999, and the changes in its net assets available for benefits for year ended December 31, 2000, in conformity with accounting principles generally accepted in the United States.

Our audits were performed for the purpose of forming an opinion on the financial statements taken as a whole. The accompanying supplemental schedule of assets held for investment purposes as of December 31, 2000 is presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement

Income Security Act of 1974. The supplemental schedule is the responsibility of the Plan's management. The supplemental schedule has been subjected to the auditing procedures applied in our audits of the financial statements and, in our opinion, is fairly stated in all material respects in relation to the financial statements taken as a whole.

Notes to Financial Statements

1. DESCRIPTION OF THE PLAN

The following description of the Insignia Financial Group, Inc. 401(k) Retirement Savings Plan ("the Plan") provides only general information. Participants should refer to the Summary Plan Description for a more complete description of the Plan's provisions.

GENERAL

Effective September 15, 1998, Insignia/ESG Holdings, Inc. established the Insignia/ESG Holdings, Inc. 401(k) Retirement Savings Plan for the benefit of its eligible employees. Effective November 2, 1998, Insignia/ESG Holdings, Inc. became Insignia Financial Group, Inc. ("the Company") and the Plan's name was changed to Insignia Financial Group, Inc. 401(k) Retirement Savings Plan. The

Edgar Filing: INSIGNIA FINANCIAL GROUP INC /DE/ - Form 11-K

Plan is a defined contribution plan covering all employees who have attained age 21. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 ("ERISA").

CONTRIBUTIONS

Each year, participants may contribute up to 15% of their pretax annual compensation, as defined in the Plan. Participants may also contribute amounts representing distributions from other qualified defined benefit or defined contribution plans. The Company, at the beginning of each Plan year, will determine the amount of any discretionary matching contributions to be made to the Plan during that year. The Company elected to make a contribution equal to 50% of a participant's contribution, up to a maximum of 6% of compensation that a participant contributes to the Plan for the period from September 15, 1998 (inception of the Plan) to December 31, 2000. Additional amounts may be contributed at the option of the Company's Board of Directors.

PARTICIPANT ACCOUNTS

Each participant's account is credited with the participant's contributions and allocations of (a) the Company's contributions and (b) plan earnings. Forfeited balances of terminated participants' nonvested accounts are used to reduce the Plan's ordinary and necessary administrative expenses or Employer contributions. Total forfeitures for the year ended December 31, 2000 were \$168,865. The benefit to which a participant is entitled is the benefit that can be provided from the participant's account.

1. DESCRIPTION OF THE PLAN (CONTINUED)

VESTING

Participants are immediately vested in their contributions plus actual earnings thereon. A participant who is an employee on or after the effective date of the Plan shall become vested in the Company's matching contributions in 25% increments with 100% vesting occurring after the completion of four years of service.

PARTICIPANT LOANS

Participants may borrow from their fund accounts a minimum of \$700 up to a maximum equal to the lesser of \$50,000 or 50% of their vested account. Loan terms range from 1-5 years or up to 10 years for the purchase of a primary residence. The loans are secured by the balance in the participant's account and bear interest based on the prime interest rate plus one percent as reported in The Wall Street Journal for the day on which the loan application is approved. Principal and interest is paid ratably through employee payroll deductions.

PAYMENT OF BENEFITS

Upon termination, death, disability, or retirement, a participant may receive a lump-sum amount or in monthly, quarterly, or annual installments over a fixed,

Edgar Filing: INSIGNIA FINANCIAL GROUP INC /DE/ - Form 11-K

reasonable period of time, not exceeding the life expectancy of the participant or the joint life and last survivor expectancy of the participant and the named beneficiary. In either case, the participant may only receive the amount equal to the vested value of their account.

PLAN TERMINATION

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants will become 100% vested in their accounts.

2. SIGNIFICANT ACCOUNTING POLICIES

BASIS OF ACCOUNTING

The financial statements have been prepared on the accrual basis of accounting.

INVESTMENT VALUATION

The Plan's investments are stated at fair value which equals the quoted market price on the last business day of the plan year. The shares of registered investment companies are valued at quoted market prices which represent the net asset values of shares held by the Plan at year-end. Securities traded on a national securities exchange are valued at the last reported sales price on the last business day of the Plan year. The participant loans are valued at their outstanding balances which approximate fair value.

Included in the investments of the Plan are shares of a unitized stock fund consisting of cash and shares of Apartment Investment and Management Company ("AIMCO") common stock ("Insignia Wasting Fund"). The AIMCO common stock originated when the predecessor Plan Sponsor merged with AIMCO and the Plan's Sponsor's stock was converted to AIMCO shares. No contributions are allowed into the Insignia Wasting Fund and the fund will eventually be dissolved.

Purchases and sales of securities are recorded on a trade-date basis. Dividends are recorded on the ex-dividend date.

USE OF ESTIMATES

The preparation of financial statements in conformity with generally accepted accounting principles requires management to make estimates that affect the amounts reported in the financial statements and accompanying notes. Actual results could differ from those estimates.
