Lake Forest, IL (July 9, 2002) CNH Global N.V. (NYSE:CNH), a global leader in agricultural and construction equipment, and BNP PARIBAS Lease Group (BPLG), the leasing arm of BNP PARIBAS, the largest bank in the Euro zone by market capitalization, have finalized their agreement to form a new long term retail financing partnership across Europe, following completion of the regulatory approval process. All the brands and commercial activities of CNH in Western Europe will be covered by the agreement, which was first announced on May 13, 2002.

The significant expansion in the scope of activities has been made possible by an agreement to modify the operating and funding structures of CNH Capital's European operations. Under the new agreement, BPLG holds 50.1% of the shares of CNH Capital Europe SAS, which holds the retail financing portfolio. CNH owns the remaining shares. The primary responsibility of BPLG will be to provide funding and administrative services for CNH Capital Europe SAS, while CNH Capital's own European operations will have the primary responsibility for marketing and origination of financial products.
