Approval of Motorola 2006 Incentive Plan

On February 12, 2006, the Compensation and Leadership Committee (the Compensation Committee) of the Board of Directors of the Company approved the Motorola 2006 Incentive Plan (MIP) which is filed with this report as Exhibit 10.31. Below is a summary of the MIP, which is qualified in its entirety by reference to the full text of the MIP

The MIP has been established to retain employees through competitive rewards, attract premier talent, align individual efforts with business goals, and reward employees for strong business performance. The MIP, which replaces the Motorola 2005 Incentive Plan, is based on successive calendar year performance periods commencing January 1, 2006. The Plan is being implemented pursuant to the terms and conditions of the Motorola Omnibus Incentive Plan of 2003, or its successor.

All full-time or part-time Motorola employees in participating organizations and on the payroll of a participating country, other than participants in other annual group incentive or bonus plans, may participate in the MIP. The named executive officers may participate in the MIP.

A target award is established for each participant at the beginning of a plan year based on a percentage of the participant's eligible earnings ranging from 0 to 135%. The award earned will be based on the achievement of stated business performance goals and individual performance goals determined by the Compensation Committee. Business performance will be measured with respect to operating earnings, operating cash flow, revenue growth, quality and such other factors as may be determined by the Compensation Committee. Awards will be calculated after the close of each plan year on which the awards are based. All earned awards will be paid in cash as soon as administratively practicable following the close of a plan year.
