Item 2.03. Creation of a Direct Financial Obligation or an Obligation under an Off-Balance Sheet Arrangement of the Registrant.

The information set forth in Item 5.02 below is incorporated herein by reference.

Item 2.04. Triggering Events that Accelerate or Increase a Direct Financial Obligation or an Obligation under an Off-Balance Sheet Arrangement.

The information set forth in Item 5.02 below is incorporated herein by reference.

Item 5.02. Departure of Directors or Certain Officers; Election of Directors; Appointment of Certain Officers; Compensatory Arrangements of Certain Officers.

On May 8, 2008, Northfield Laboratories Inc. (the Company) terminated the employment of five of its officers, including Jack J. Kogut, the Company s Senior Vice President Administration, and Laurel A. Omert, M.D., the Chief Medical Officer of the Company. The terminations resulted from recent regulatory developments adversely affecting the Company s business and the Company s limited available financial resources.

Each of the affected officers is a party to an employment or other agreement with the Company providing for the payment of specified severance benefits upon the involuntary termination of such officer s employment by Northfield without cause. In connection with the foregoing terminations of employment, Northfield entered into substantially identical agreements with each affected officer under which the officer agreed to defer receipt of his or her unpaid severance amount until such time as the Company is able to sell or otherwise dispose of its owned manufacturing facility in Mt. Prospect, Illinois. If the proceeds from such sale or other disposition are not sufficient to pay in full the severance amounts due to the terminated officers and the Company s other officers expected to enter into similar agreements, then Northfield is authorized to pay to each officer his or her pro rata share of the available proceeds. The aggregate severance amount owed to the terminated officers and other officers expected to enter into similar agreements is approximately \$3.15 million.

The description of the foregoing agreements is qualified in its entirety by the terms of such agreements, the form of which is attached hereto as Exhibit 10.1 and is incorporated herein by reference.
