NEWS RELEASE

FOR IMMEDIATE RELEASE

Calgary, Alberta, Canada - January 13, 2003

PRECISION TO SELL ENERGY INDUSTRIES

Precision Drilling Corporation ("Precision") announced today that it has signed a letter of intent to sell its shares of Energy Industries Inc. ("Energy Industries") to Toromont Industries Ltd. for cash. Energy Industries designs and manufactures modularized natural gas compression packages ranging from 100 to 5,000 horse power. The business includes rental, leasing and other compressor related support activities. The transaction is to be effective January 1, 2003 with an expected closing date on or about February 28, 2003.

Although Energy Industries has been a profitable entity since its acquisition by Precision in 1996, the compression packaging business is not a core business to Precision's energy services globalization strategy. Energy Industries' revenues for 2002 were approximately \$85,000,000.
