The Registrant's financial statements have been reconciled to United States generally accepted accounting principles ("US GAAP") as required by Form 40-F under the Exchange Act. B. MANAGEMENT'S DISCUSSION AND ANALYSIS

For management's discussion and analysis, see Management's Discussion and Analysis of the Registrant for the fiscal year ended December 31, 2005 included herein.

DISCLOSURE CONTROLS AND PROCEDURES

As of December 31, 2005, an evaluation was carried out under the supervision of and with the participation of the Registrant's management, including the Chief Executive Officer and Chief Financial Officer, of the effectiveness of the Registrant's disclosure controls and procedures (as defined in Rule 13a-15(e) under the Exchange Act). Based on that evaluation, the Chief Executive Officer and Chief Financial Officer concluded that as of the end of the fiscal year, the design and operation of these disclosure controls and procedures were effective to ensure that information required to be disclosed by the Registrant in reports it

Edgar Filing: ADVANTAGE ENERGY INCOME FUND - Form 40-F

files or submits under the Exchange Act is recorded, processed, summarized and reported within the time periods specified in SEC rules and forms.

It should be noted that while the Registrant's principal executive officer and principal financial officer believe that the Registrant's disclosure controls and procedures provide a reasonable level of assurance that they are effective, they do not expect that the Registrant's disclosure controls and procedures or internal control over financial reporting will prevent all errors and fraud. A control system, no matter how well conceived or operated, can provide only reasonable, not absolute, assurance that the objectives of the control system are met. Reference is made in the "Controls and Procedures" and "Evaluation of Disclosure Controls and Procedures" sections of Management's Discussion and Analysis of the Registrant for the fiscal year ended December 31, 2005 included herein.

CHANGES IN INTERNAL CONTROL OVER FINANCIAL REPORTING

During the period covered by this Annual Report on Form 40-F no changes occurred in the Registrant's internal control over financial reporting that has materially affected, or is reasonably likely to materially affect, the Registrant's internal control over financial reporting. Reference is made in the "Evaluation of Disclosure Controls and Procedures" section of Management's Discussion and Analysis of the Registrant for the fiscal year ended December 31, 2005 included herein.
