PROXY STATEMENT
APRIL 20, 2001

Edgar Filing: KOGER EQUITY INC - Form DEF 14A

INTRODUCTION

We sent you this Proxy Statement and the enclosed proxy card because Koger Equity's Board of Directors is soliciting your proxy to vote at the 2001 Annual Meeting of Shareholders. This Proxy Statement summarizes the information you need to know to vote intelligently at the Annual Meeting. However, you do not need to attend the Annual Meeting to vote your shares. Instead, you may simply complete, sign, and return the enclosed proxy card. In this Proxy Statement, Koger Equity, Inc., is generally referred to as either "Koger Equity" or the "Company."

We will begin sending this Proxy Statement, the attached Notice of Annual Meeting and the enclosed proxy card on April 20, 2001, to all shareholders entitled to vote. Only those shareholders who owned Koger Equity common stock at the close of business on March 16, 2001, are entitled to vote. On this record date, there were 26,795,144 shares of Koger Equity common stock outstanding. Koger Equity common stock is our only class of voting stock outstanding. We are also sending along with this Proxy Statement, the Koger Equity 2000 Annual Report, which includes our financial statements.

Each share of Koger Equity common stock that you own entitles you to one vote. The proxy card indicates the number of shares of Koger Equity common stock that you own. In this Proxy Statement, Koger Equity common stock is sometimes referred to as the "Shares."

VOTE BY PROXY

Whether you plan to attend the Annual Meeting or not, we urge you to complete, sign, and date the enclosed proxy card and to return it promptly in the envelope provided. Returning the proxy card will not affect your right to attend the Annual Meeting and vote.

If you properly fill in your proxy card and send it to us in time to vote, your "proxy" (one of the individuals named on your proxy card) will vote your shares as you have directed. If you sign the proxy card but do not make specific choices, your proxy will vote your shares as recommended by the Board for the election of all nine nominees for directors of the Company.

If any other matter is presented, your proxy will vote in accordance with his best judgment. At the time this Proxy Statement went to press, we knew of no other matters to be acted on at the Annual Meeting, other than those discussed in this Proxy Statement.

TO REVOKE A PROXY

If you give a proxy, you may revoke it at any time before it is exercised. You may revoke your proxy in any one of three ways:

- (1) You may send in another proxy with a later date.
- (2) You may notify the Company in writing before the Annual Meeting that you have revoked your proxy.
- (3) You may vote in person at the Annual Meeting.

4

TO VOTE IN PERSON

If you plan to attend the Annual Meeting and wish to vote in person, we will give you a ballot when you arrive. You will complete the ballot at that time and return it to the Inspectors of Election at the door. However, if your

Edgar Filing: KOGER EQUITY INC - Form DEF 14A

shares are held in the name of your broker, bank or other nominee, you must bring an account statement or letter from the nominee indicating that you are the beneficial owner of the shares on March 16, 2001, the record date for voting.

MATTERS TO BE CONSIDERED

ELECT NINE DIRECTORS

The nine nominees for director who receive the most votes will be elected. So, if you do not vote for a particular nominee, or you indicate "withhold authority to vote" for a particular nominee on your proxy card, your vote will not count either "for" or "against" the nominee.

BROKER VOTES

Under the rules of the New York Stock Exchange, if your broker holds your shares in its name, the broker will be entitled to vote your shares for the election of directors even if it does not receive instructions from you. If your broker received instructions from you, it must vote as instructed by you.

CONFIDENTIAL VOTING

We keep all the proxies, ballots and voting tabulations private as a matter of practice. We only let our Inspectors of Election, representatives of Wells Fargo Bank Minnesota, N.A., and certain employees of our independent tabulating agent, Morrow & Company, examine these documents. The Inspectors of Election will not disclose your vote to management unless it is necessary to meet legal requirements. The Inspectors of Election will, however, forward to management any written comments you make, on the proxy card or elsewhere.

ELECTION OF DIRECTORS

The Board has nominated nine directors for election at the Annual Meeting. Each nominee is currently serving as one of our directors. If you re-elect them, they will hold office until the next annual meeting and until their successors have been elected and qualified.

We know of no reason why any nominee may be unable to serve as director. If any nominee is unable to serve, your proxy may vote for another nominee proposed by the Board, or the Board may reduce the number of directors to be elected. If any director resigns, dies or is otherwise unable to serve out his term, or the Board increases the number of directors, the Board may fill the vacancy until the next Annual Meeting of Shareholders.

INFORMATION ABOUT DIRECTORS AND EXECUTIVE OFFICERS

THE BOARD OF DIRECTORS

The Board of Directors oversees the business and affairs of Koger Equity and monitors the performance of management. In accordance with corporate governance principles, the Board does not involve itself in day-to-day operations. The directors keep themselves informed through discussions with the Chairman, key executive officers and our principal external advisers (legal counsel, auditors, investment bankers and other consultants), by reading reports and other materials that we send them and by participating in Board and committee meetings.

Each of the directors attended at least 75% of the Board of Directors meetings and meetings held by committees of the Board of Directors of which they were members.

THE COMMITTEES OF THE BOARD

The Audit Committee. The Audit Committee recommends the selection of the independent auditors to the Board, approves the scope of the annual audit by the independent auditors, reviews audit findings, accounting policies and quarterly and annual financial statements. As required by the SEC, the committee reports to you concerning its activities during the last year. The Report of the Audit Committee is on pages 19 and 20 of this Proxy Statement. The committee meets privately, outside the presence of Koger Equity management, with both the independent auditors and the Company's internal auditors. The Audit Committee met four times in 2000 and members of the Audit Committee consulted with the officers of the Company, the Company's internal auditors and the independent auditors at various times throughout the year.

The Compensation Committee. The Compensation Committee establishes and approves all elements of compensation for certain executive officers. Each year, as the SEC requires, the committee reports to you on executive compensation. The Report on Executive Compensation for 2000 by the Compensation Committee is on pages 15 through 17 of this Proxy Statement. The committee administers the Company's Stock Option Plans and 1998 Equity and Cash Incentive Plan, as Amended and Restated, and has sole authority for awards under the Plans, including timing, pricing and amount. The committee also makes recommendations to the

Edgar Filing: KOGER EQUITY INC - Form DEF 14A

Board of Directors in regard to the grant of bonuses and supplemental contributions to the Company's 401(k) Plan. The committee met six times during 2000.

HOW WE COMPENSATE DIRECTORS

Annual Retainer Fee. We compensate directors (except for the Chairman) who are not employees of Koger Equity or our subsidiaries with an annual retainer of \$20,000. Effective February 17, 2000, following his retirement as Chief Executive Officer, the Board authorized the payment of an annual retainer of \$50,000 to the Chairman of the Board.

Meeting Fees. We pay non-employee directors a fee of:

- \$2,000 for attendance at each Board meeting; and
- \$500 for attendance at each committee meeting.

Expenses and Benefits. We reimburse all directors for travel and other related expenses incurred in attending shareholder, Board and committee meetings.

Special Fee Paid to a Director. At its meeting held on February 17, 2000, the Board of Directors authorized the payment of \$100,000 to D. Pike Aloian, in consideration of extraordinary services he provided to the Company during 1999 as a member of the Finance Committee of the Board of Directors in connection with transactions considered by the Company. In addition, the Board of Directors authorized the payment of \$55,000 to Mr. Aloian, setting his compensation for acting as the Chairman of a special committee of the Board of Directors, which committee was established in October 2000 and pro rated through January 31, 2001.

8

11

Directors Who are Koger Equity Employees. We do not compensate our employees for service as a director. We do, however, reimburse them for travel and other related expenses.

Stock Options Held by Board Members. Each member of the Board of Directors who is not also an employee of the Company currently holds an option to purchase 4,000 Shares other than Messrs. Hughes and Teagle who were employees of the Company at the time of grant. These options were granted on August 19, 1997, and are fully exercisable at a per share price of \$19.8125. For information concerning options held by Messrs. Hughes and Teagle, see the table "Aggregated Option Exercises During 2000 and Year-End Option Values" on page 12 of this Proxy Statement.

LONG-TERM INCENTIVE PLAN AWARDS

The Company made no long-term incentive plan awards to any Named Officer during the fiscal year ended December 31, 2000.

EXECUTIVE EMPLOYMENT AND RETIREMENT AGREEMENTS

On June 21, 1996, the Company entered into three-year employment agreements with both Messrs. Hughes and Teagle. Effective April 1, 1998, the Company entered into new employment agreements with these executives. Also, effective April 1, 1998, Mr. Hiley, a Director of the Company, was engaged as the Company's Executive Vice President and Chief Financial Officer. In this connection, the Company entered into a three-year employment agreement with Mr. Hiley commencing April 1, 1998.

Effective February 29, 2000, Messrs. Hughes and Hiley retired from their respective positions as Chief Executive Officer and Executive Vice President and Chief Financial Officer. At that time the Company entered into severance agreements with Messrs. Hughes, Teagle and Hiley. Pursuant to these agreements, Mr. Hughes was paid a lump sum severance benefit of \$1,617,361 and Mr. Hiley was paid a lump sum severance benefit of \$911,538. Mr. Teagle, who retired effective July 31, 2000, received a lump sum severance benefit of \$1,207,158 and \$1,170,604 as a lump sum settlement of his SERP benefit. Messrs. Hughes, Hiley

Edgar Filing: KOGER EQUITY INC - Form DEF 14A

and Teagle, (1) continue to participate in the Company's medical insurance arrangements for employees, (2) were deemed to have satisfied the vesting requirements for benefits under the SERP for executives of Koger Equity and (3) were vested in all stock options which will continue to be exercisable for their original term. Messrs. Hughes, Teagle and Hiley continue to serve on the Board with Mr. Hughes continuing as Chairman.

On February 17, 2000, Thomas J. Crocker was elected to the Company's Board of Directors, and effective March 1, 2000, he was appointed the Company's Chief Executive Officer. Also, effective March 1, 2000, Robert E. Onisko was appointed the Company's Chief Financial Officer. The Company has entered into a three-year employment contract with both Messrs. Crocker and Onisko with Mr. Crocker to receive an annual base salary of \$300,000 with a targeted annual bonus opportunity of \$200,000, and Mr. Onisko to receive an annual base salary of \$200,000 with a targeted annual bonus opportunity of \$125,000. These contracts provide for the grant of options to purchase up to 700,000 Shares to Mr. Crocker and up to 300,000 Shares to Mr. Onisko at a per share exercise price of \$16.0625, the closing market price of the Shares on the date of grant. These contracts also contain certain change of control provisions. The Company also entered into stock purchase agreements whereby it would finance the purchase of up to 500,000 Shares by Mr. Crocker and up to 150,000 Shares by Mr. Onisko. During 2000, the Company loaned to Mr. Crocker \$3,799,774 (of which \$3,172,694 is non-recourse) and to Mr. Onisko \$1,266,583 (of which \$1,057,556 is non-recourse) in connection with their purchase of Shares pursuant to the stock purchase agreements. The above indebtedness is secured with Shares and bears an annual interest rate of 150 basis points over the applicable LIBOR rate, which is five basis points above the Company's cost of funds under its secured revolving credit facility. Interest is paid quarterly and is current under this indebtedness.

THE SUPPLEMENTAL EXECUTIVE RETIREMENT PLAN

The SERP generally provided a gross benefit for life to Messrs. Hughes and Teagle equal to 50% of final three-year average annual base salary, and a gross benefit for life to Mr. Hiley equal to 35% of final three-year average annual base salary, with the surviving spouse of these three executive officers receiving a lifetime benefit of 50% of the executive officer's benefit. The SERP provides a gross benefit for 15 years certain to the other executive officers (reduced in any case in which such executive officer has less than 20 years of service) equal to 50% of final three-year average annual base salary. The benefits will be reduced by:

- (i) 50% of social security benefits received by the applicable executive officer and
- (ii) the annuitized equivalent of profit sharing contributions made by the Company to the account of such executive officer under the 401(k) Plan.

At retirement, benefits under the SERP are paid in annuity form.

13

16

With their retirements on February 29, 2000, Mr. Hughes commenced receiving an annual benefit under the SERP of \$134,739, and Mr. Hiley commenced receiving an annual benefit under the SERP of \$60,250.

The SERP also provides Messrs. Hughes, Teagle and Hiley and their spouses with lifetime medical coverage (which is intended to be roughly equivalent to that provided by the Company for certain executive officers).

Benefits under the SERP generally vest only if the applicable executive officer remains in the Company's employ for a period ranging from two to five

Edgar Filing: KOGER EQUITY INC - Form DEF 14A

years after commencement of his participation in the SERP (depending upon such executive officer's age at the commencement of his participation in the SERP). However, if a change of control of the Company (as defined in the SERP) occurs and a covered executive officer leaves the employ of the Company under certain circumstances, then (a) in the case of Messrs. Hughes, Teagle and Hiley, each was entitled to his benefits, commencing immediately and without regard to the vesting requirement, and (b) in the case of each other covered executive officer, such executive officer, at his option, was entitled to: (i) continue to receive his or her base salary for a period of 18 months, or (ii) immediately become fully vested in his or her retirement benefits, receive one year of annual base salary, in lump sum payment, and continue to be provided all medical and other insurance benefits for one year following termination. The only executive officer that participates in the SERP is James L. Stephens.

The table below illustrates the annual pension benefits payable to executive officers under the SERP. Since benefits shown in the table reflect a straight life form of annuity benefit, if payment is made in the form of a joint and survivor annuity, the annual amounts of benefit could be substantially below those illustrated.

The compensation base used by the SERP is average base salary for the final three years of employment. As of December 31, 2000, the base salary and estimated years of service credit for Mr. Stephens was \$130,000, and 14 years, respectively.

STOCK INVESTMENT PLAN

The Company has a Stock Investment Plan (the "SIP") pursuant to which participating employees and directors of the Company may purchase Shares. Under the SIP, the Company is authorized to purchase up to an aggregate of 200,000 Shares on behalf of such participating employees and directors. Each participating employee pays for his or her Shares pursuant to a monthly payroll deduction plan established by the participating employee, and each participating director pays for his Shares pursuant to a deduction from such director's retainer.

Under the SIP, the Company contributes a portion of the purchase price of such Shares, which contribution equals the following percentage of the total monthly deduction from such employee's pay or such director's retainer:

- 25% of each monthly deduction less than or equal to \$50;
- 20% of each monthly deduction greater than \$50 but less than or equal to

\$100; and

- 15% of each monthly deduction greater than \$100 but less than or equal to \$1,700.

The Company also pays all commissions and related expenses of the SIP. The Company's contribution and expenses incurred in administering the SIP totaled approximately \$50,500 for the year ended December 31, 2000.

During 2000 the Company paid the following amounts on behalf of the following directors:

REPORT ON EXECUTIVE COMPENSATION FOR 2000
BY THE COMPENSATION COMMITTEE

The Compensation Committee of the Board administers Koger Equity's executive compensation program. The committee has furnished the following report on executive compensation for 2000.

COMPENSATION COMMITTEE INTERLOCKS AND INSIDER PARTICIPATION

The Compensation Committee includes Messrs. Aloian, Bishop, Staudter and Jacobsson, none of whom serve as officers or employees of the Company or any of its subsidiaries. In addition, none of the members of this Committee is an executive officer of a company for which an executive officer of Koger Equity determined compensation matters.

EXECUTIVE COMPENSATION PHILOSOPHY

The Compensation Committee is responsible for setting the total compensation of the Chief Executive Officer (the "CEO"), Chief Financial Officer (the "CFO") and the Senior Vice Presidents. It also reviews the compensation, including year-end bonuses, proposed by management for other executive officers of the Company. The Compensation Committee is also responsible for:

- (i) making grants under the Company's stock option and other incentive plans;
- (ii) making contributions, subject to approval by the Board of Directors, under the 401(k) Plan and any other plan or plans as may be

Edgar Filing: KOGER EQUITY INC - Form DEF 14A

determined by the Board of Directors; and

(iii) approving participation in the Supplemental Executive Retirement Plan.

The committee has designed Koger Equity's executive compensation program to support what we believe to be an appropriate relationship between executive pay and the creation of shareholder value. To emphasize equity incentives, we link a significant portion of executive compensation to the market performance of the Koger Equity common stock. The objectives of our program are:

- To support a pay-for-performance policy among all executives based on both their individual performance and the performance of Koger Equity;
- To align the interests of executives with the long-term interests of shareholders through awards whose value over time depends upon the market value of Koger Equity's common stock;
- To provide compensation comparable to that offered by other leading companies in our industry, enabling Koger Equity to compete for and retain talented executives who are critical to our long-term success; and

15

18

- To motivate key executives to achieve strategic business initiatives and to reward them for their achievement.

We compensate our executives through base salary, bonus paid in cash (or a combination of cash and shares or restricted stock awards), and long-term incentive awards (usually grants of stock options).

We also provide our executives with employee benefits, such as retirement and health benefits. Koger Equity has entered into employment agreements containing change of control provisions with certain of our executive officers to provide for certain payments and other benefits if they are terminated following a change in control of Koger Equity.

GENERAL

The committee annually reviews the base salaries of our executives to determine if adjustments are appropriate to ensure that their salaries are competitive and that they reflect the executive's increased responsibilities as Koger Equity grows.

In determining the compensation paid to the executive officers in 2000, the Compensation Committee took into consideration a number of factors, including among others, the development program and the improvement in the Company's operations, including increases in rental revenues and lease terms.

During 2000 the Company accomplished the following:

(i) The overall percent leased rate of its buildings at December 31, 2000, was maintained at 90%.

(ii) Its average rental rate per square foot increased from \$16.79 to \$18.07, or 7.6% over the prior year.

(iii) Its rental and other rental services revenues increased from \$156,153,000 to \$164,733,000, or 5.5% over the prior year.

(iv) But for a one-time charge as the result of a corporate restructuring and reorganization in 2000, the Company would have had an

Edgar Filing: KOGER EQUITY INC - Form DEF 14A

increase in Funds From Operations of 6.0% to \$68.9 million compared to 1999. This successful restructuring and reorganization of the Company resulted in a one-time charge of \$12.8 million causing a decrease in Funds From Operations of 13.7% to \$56.1 million for 2000 compared to the prior year.

(v) Dividends paid increased 7.7%, to \$1.40 per outstanding share.

(vi) Koger Equity completed construction of six new buildings containing approximately 579,200 square feet.

(vii) Consistent with its policy of recycling capital by selling of assets that no longer fit its portfolio standards, the Company sold two of its office centers, reducing the number of its operating properties to 194 buildings from 218 and reducing the size of its portfolio by approximately 386,000 square feet.

(viii) At December 31, 2000, the Company had two new office buildings under construction on some of its existing land, which buildings will contain approximately 180,900 square feet.

While the Compensation Committee considered all of these accomplishments and although the committee has from time to time reviewed the executive compensation levels of other REITs and referred to other available information concerning the salaries of executive officers in peer group companies, it did not, and has not as yet, set any specific criteria in arriving at any particular executive officer's compensation. Therefore, the Compensation Committee made a subjective determination in setting the compensation of the CEO, CFO and the Senior Vice Presidents.

In arriving at the compensation paid Thomas J. Crocker, the CEO, during 2000, the Compensation Committee considered the outstanding performance of the Company under his leadership as CEO, as well as his experience in corporate finance.

16

19

BASE SALARIES AND BONUSES OF EXECUTIVES

Although there was no increase in the base salaries of the Company's executive officers for 2000, the base salaries of our executives approximate the medium for salaries of executives in the Comparison Group. The committee awarded bonus compensation for 2000 to each executive based on the executives scope of responsibility, the specific contributions made by the executive to Koger Equity's performance over all and to the performance within the executive's area of responsibility and the CEO's recommendation.

BASE SALARY AND BONUS OF THE CEO

Pursuant to an employment contract with the Company, Mr. Crocker was appointed CEO of the Company effective March 1, 2000, and is paid a base salary at the annual rate of \$300,000. For 2000 the Committee determined that Mr. Crocker's contribution to Koger Equity's performance warranted a bonus of \$200,000, payable in cash on February 22, 2001, the date the bonus was granted.

LONG-TERM INCENTIVE AWARDS IN 2000

We provide long-term incentive awards for executives by granting stock options. The committee believes that the granting of stock options helps align the interests of its top executives with shareholders because these executives receive value only if the market value of the common stock increases.

Edgar Filing: KOGER EQUITY INC - Form DEF 14A

SECTION 162(M) LIMITATION

Section 162(m) of the Internal Revenue Code of 1986, as amended (the "Code"), generally disallows a federal income tax deduction to public companies for certain compensation over \$1,000,000 paid to Named Officers. Qualifying performance-based compensation will not be subject to the deduction limit if certain requirements are met. Having considered the requirements of Section 162(m) of the Code, the Compensation Committee believes that stock option grants and other awards made pursuant to its various plans meet such requirements and are, therefore, exempt from the limitations on deductibility. Historically, the compensation of each Named Officer has been well below the \$1,000,000 limit. Although the Compensation Committee intends to structure most awards under its equity plans to comply with Section 162(m), it has reserved and will continue to reserve the right to structure awards that do not comply with that Section where it believes doing so is in the best interests of the Company and its shareholders.

CONCLUSION

The Compensation Committee believes that the compensation packages of the Company's executive officers have been generally commensurate with the Company's financial performance and the total value received by its shareholders. The Compensation Committee intends to continue the review of executive officers' compensation with the assistance of an outside compensation consultant and will make such modifications in its approach to executive compensation as it determines to be appropriate in light of the Company's financial condition, the performance of its officers and peer group analysis.

This report has been furnished by the Compensation Committee.

CERTAIN RELATIONSHIPS AND TRANSACTIONS

In 1995 certain entities which are wholly owned subsidiaries of a co-mingled pension trust for which Morgan Guaranty Trust Company of New York is the Trustee and J. P. Morgan Investment Management, Inc. is the investment manager (the "Morgan Entities"), acquired certain properties from the Company and from a partnership of which a subsidiary of the Company was the corporate general partner. In connection

18

21

with this acquisition, the Morgan Entities entered into a Management Agreement with Koger Realty Services, Inc., a Delaware corporation ("KRSI"), in which the Company had a significant economic interest, pursuant to which KRSI managed such properties for a five-year period. The Management Agreement was amended effective January 1, 2000, and the term of the agreement was extended to December 31, 2002.

KRSI was incorporated to provide, among other things, leasing and property management services to owners of commercial office buildings. At December 31, 2000, the Company owned all of the preferred stock of KRSI, which represented in excess of 95% (by value) of the economic benefits of KRSI. Such preferred stock was nonvoting stock and not convertible into the common stock of KRSI while held by the Company. All of the outstanding common stock of KRSI was acquired by officers and employees of KRSI, including: Victor A. Hughes, Jr., James C. Teagle, and James L. Stephens, all of whom were officers of the Company, and certain other employees of KRSI who were not employed by the Company. In the event that any of the forgoing persons left the employ of KRSI, KRSI had the right to reacquire any Shares of common stock of KRSI held by such officer or employee. In addition to serving as officers of KRSI, Messrs. Hughes, Teagle, and Hiley served on the Board of Directors of KRSI. In February, 2001, KRSI was merged with and into a wholly owned Florida subsidiary of the Company. In connection with that merger, Messrs. Hughes, Teagle, and Stephens were paid \$20,555, \$15,416, and \$10,277, respectively, to redeem their shares of common stock of KRSI in which they had a basis of \$19,840, \$14,880 and \$9,920, respectively.

Through December 31, 2000, the Company accounted for its investment in the preferred stock of KRSI using the equity method. During 2000, KRSI earned approximately \$6.5 million in management and leasing fees from the Morgan Entities and other entities for which it performs services.

Messrs. Neibart and Jacobsson, Directors of the Company, are partners of Apollo Real Estate Advisors II, L. P., which is the general partner of Apollo Real Estate Investment Fund II, L. P. ("Apollo") which owned at December 31, 2000, 5,733,772 Shares or 21.4% of the Koger Equity common stock. Pursuant to agreements between the Company and Apollo, Apollo has been granted registration rights and a conditional exemption from certain of the Company's takeover defenses so long as Apollo does not acquire more than 25% of the Company's outstanding stock.

During 2000 the Company loaned Mr. Teagle \$546,293 in connection with his exercise of stock options. This indebtedness is secured with Shares and bears an annual interest rate of 150 basis points over the applicable LIBOR rate which was five basis points above the Company's costs of funds under its secured revolving credit facility. Interest is paid quarterly and is current on this indebtedness, which had an outstanding balance of \$523,754 at December 31, 2000.

Also, during 2000 the Company entered into a management agreement with

Edgar Filing: KOGER EQUITY INC - Form DEF 14A

Crocker Realty Trust ("CRT") of which Mr. Crocker is the Chairman of the Board and Chief Executive Officer owning 2.8% of the outstanding CRT shares, Mr. Onisko is the Treasurer and Chief Financial Officer owning .2% of the outstanding CRT shares and Apollo is a principal shareholder owning 49% of the outstanding CRT shares. This agreement provides that the Company be paid a management fee for managing the properties of CRT based on the value of its assets. This agreement is terminable by either party upon 90 days written notice. Under this agreement during 2000, the Company received fees totaling \$296,000. The terms of this agreement were approved by a committee of the Company's Board of Directors whose members were not affiliated with CRT, and who determined that such terms were similar to those that could be obtained from an unaffiliated third party.

REPORT OF THE AUDIT COMMITTEE

The Audit Committee includes Messrs. Bishop, Neibart and Staudter. The functions of the Audit Committee are focused on three areas:

- The adequacy of the Company's internal controls and financial reporting process and the reliability of the Company's financial statements.
- The independence and performance of the Company's internal auditors and independent auditors.

19

22

- The Company's compliance with legal and regulatory requirements.

The Audit Committee meets with management periodically to consider the adequacy of the Company's internal controls and the objectivity of its financial reporting. The committee discusses these matters with the Company's independent auditors and with appropriate Company financial personnel and internal auditors.

The Audit Committee regularly meets privately with both the independent auditors and the internal auditors, each of whom has unrestricted access to the committee.

The Audit Committee also recommends to the Board the appointment of the independent auditors and reviews periodically their performance and independence from the Company.

The Directors who serve on the Audit Committee are all "Independent" for purposes of the New York Stock Exchange listing standards. The Board of Directors has determined that none of its members has a relationship to the Company that may interfere with the committee's independence from the Company and its management.

The Board has adopted a charter setting out the functions the Audit Committee is to perform. A copy of that charter is attached to this Proxy Statement as Exhibit A.

Management has primary responsibility for the Company's financial statements and the overall reporting process, including the Company's system of internal controls.

The independent auditors audit the annual financial statements prepared by management, express an opinion as to whether those financial statements fairly present in all material respects the financial position, results of operations and cash flows of the Company in conformity with accounting principles generally accepted in the United States of America.

Edgar Filing: KOGER EQUITY INC - Form DEF 14A

This year, the Audit Committee reviewed the Company's audited financial statements and met with both management and Deloitte & Touche LLP, the Company's independent auditors, to discuss those financial statements. Management and Deloitte & Touche LLP have represented to the Audit Committee that the financial statements were prepared in accordance with accounting principles generally accepted in the United States of America.

The Audit Committee has received from and discussed with Deloitte & Touche LLP the letter required by Independence Standards Board Standard No. 1 (Independence Discussions with Audit Committees). These items relate to that firm's independence from the Company. The committee also discussed with Deloitte & Touche LLP any matters required to be discussed by Statement on Auditing Standards No. 61 (Communication with Audit Committees).

Based on these reviews and discussions, the Audit Committee recommended to the Board that the Company's audited financial statements be included in the Company's Annual Report on Form 10-K for the fiscal year ended December 31, 2000.

This report is furnished by the Audit Committee.
