Filed Pursuant to Rule 424(b)(3) and 424(c) Registration No. 333-116200

Prospectus Supplement No. 1 To Prospectus Dated November 19, 2004

\$86,250,000

MATRIA HEALTHCARE, INC.

4.875% Convertible Senior Subordinated Notes Due 2024 and the Shares of Common Stock Issuable Upon Conversion or Redemption of the Notes

This prospectus supplement amends the information contained in the prospectus dated November 19, 2004 of Matria Healthcare, Inc. (the Prospectus) covering the resale by certain selling securityholders of our 4.875% convertible senior subordinated notes due 2024 and shares of our common stock issuable upon conversion or redemption of the notes. This prospectus supplement is not complete without, and may not be delivered or utilized except in connection with, the Prospectus, including any amendments or supplements thereto. The terms of the notes are set forth in the Prospectus.

Investing in the notes and shares of common stock involves risk. See Risk Factors beginning on page 8 of the Prospectus.

Neither the Securities and Exchange Commission nor any state securities commission has approved or disapproved of these securities or determined if this prospectus supplement is truthful or complete. Any representation to the contrary is a criminal offense.

This prospectus supplement is dated December 8, 2004

This prospectus supplement amends the table appearing under the caption Selling Securityholders on pages 65 and 66 of the Prospectus to update the positions of previously disclosed selling securityholders based on completed investor questionnaires submitted to Matria Healthcare, Inc. on or before December 7, 2004.

⁽¹⁾ Figures in this column do not include the shares of stock issuable upon conversion of the notes listed in the column to the right.

⁽²⁾ Assumes the sale of all notes and all of the common stock offered.

⁽³⁾ Information concerning other selling securityholders will be set forth in post-effective amendments to this registration statement. Amounts in these columns may exceed the aggregate amount of notes and shares of common stock offered by this prospectus as a result of selling securityholders identified above having sold, transferred or otherwise disposed of some or all of their notes since the date on which the information in the preceding table is presented without informing us of such sale(s). In no event will the aggregate principal amount of notes offered by this prospectus exceed \$86,250,000, nor will the number of shares offered hereby exceed 2,925,195.

⁽⁴⁾ Assumes that all other holders of notes or future transferees do not beneficially own any shares of common stock other than the shares issuable upon conversion of the notes.
