To Be Held May 20, 2005**

INFORMATION CONCERNING SOLICITATION AND VOTING

Shareholders Meeting

This Proxy Statement and the enclosed proxy card (Proxy) are furnished on behalf of the Board of Directors of Manhattan Associates, Inc., a Georgia corporation (the Company, our or we), for use at the Annual Meeting of Shareholders to be held on Friday, May 20, 2005, at 9:00 a.m., Atlanta, Georgia time (the Annual Meeting), or at any adjournment or postponement thereof, for the purposes set forth herein and in the accompanying Notice of Annual Meeting. The Annual Meeting will be held at 2300 Windy Ridge Parkway, Atlanta, Georgia 30339. The Company intends to mail this Proxy Statement and the accompanying Proxy on or about April 21, 2005, to all shareholders entitled to vote at the Annual Meeting.

Shareholders Entitled to Vote

Only holders of record of the Company's \$.01 par value per share common stock (the Common Stock) at the close of business on March 31, 2005 will be entitled to notice of and to vote at the Annual Meeting. At the close of business on March 31, 2005, the Company had outstanding and entitled to vote 29,591,574 shares of Common Stock. Each holder of record of Common Stock on such date will be entitled to one vote for each share held on all matters to be voted upon at the Annual Meeting. Any shareholder who signs and returns a Proxy has the power to revoke it at any time before it is exercised by providing written notice of revocation to the Secretary of the Company or by filing with the Secretary of the Company a Proxy bearing a later date. The holders of a majority of the total shares of Common Stock outstanding on the record date, whether present at the Annual Meeting in person or represented by Proxy, will constitute a quorum for the transaction of business at the Annual Meeting. The shares held by each shareholder who signs and returns the enclosed Proxy will be counted for the purposes of determining the presence of a quorum at the meeting, whether or not the shareholder abstains on all or any matter to be acted on at the meeting. Abstentions and broker non-votes both will be counted toward fulfillment of quorum requirements. A broker non-vote occurs when a nominee holding shares for a beneficial owner does not vote on a particular proposal because the nominee does not have discretionary voting power with respect to that proposal and has not received instructions from the beneficial owner.

Counting of Votes

The purpose of the Annual Meeting is to consider and act upon the matters that are listed in the accompanying Notice of Annual Meeting and set forth in this Proxy Statement. The enclosed Proxy provides a means for a shareholder to vote upon each of the matters listed in the accompanying Notice of Annual Meeting and described in the Proxy Statement, including a means for a shareholder to vote for all of the nominees for Director listed thereon or to withhold authority to vote for one or more of such nominees. The Company's Bylaws provide that Directors are

elected by a plurality of the votes cast. Plurality means that the nominees who receive the most votes for the available directorships will be elected as Directors. Accordingly, the withholding of authority by a shareholder will not be counted in computing a plurality and thus will have no effect on the results of the election of such nominees.

Table of Contents

The accompanying Proxy also provides a means for a shareholder to vote for, against or abstain from voting on the other matters to be acted upon at the Annual Meeting. Each Proxy will be voted in accordance with the shareholder's directions. Ratification of the appointment of Ernst & Young LLP as our independent registered public accounting firm for the fiscal year ending December 31, 2005 and approval of any other matters as may properly come before the meeting will require the affirmative vote of a majority of the shares of Common Stock present in person or represented by a Proxy and entitled to vote at the meeting. Abstentions with respect to such proposals will have the same effect as a vote against the proposals. With respect to broker non-votes, the shares will not be considered present at the meeting for the proposal to which authority was withheld. Consequently, broker non-votes will not be counted with regard to such proposals, but they will have the effect of reducing the number of affirmative votes required to approve the proposals, because they reduce the number of shares present or represented from which a majority is calculated.

Proxies

When the enclosed Proxy is properly signed and returned, the shares that it represents will be voted at the Annual Meeting in accordance with the instructions noted thereon. In the absence of such instructions, the shares represented by a signed Proxy will be voted in favor of the nominees for election to the Board of Directors and in favor of the ratification of the appointment of our independent registered public accounting firm.

PROPOSAL 1

ELECTION OF DIRECTORS

Introduction

At the Annual Meeting, three directors are to be elected for the terms described below. The Board of Directors is divided into three classes, each of whose members serve for staggered three-year terms. The Board is currently comprised of two Class I directors (Messrs. Goodwin and Cassidy), two Class II directors (Messrs. Hadrill and Raghavan) and three Class III directors (Messrs. Huntz, Noonan and Sinisgalli). At each annual meeting of shareholders, a class of directors will be elected for a three-year term to succeed the directors of the same class whose terms are then expiring. The terms of the Class I directors, Class II directors and Class III directors will expire upon the election and qualification of successor directors at the 2008, 2006 and 2007 annual meeting of shareholders, respectively. There are no family relationships among any of the directors or director nominees of the Company.

The Board of Directors has adopted a policy statement that provides as follows: [i]t is the policy of Manhattan Associates, Inc., in order to ensure full representation of the Company's shareholders on the Board of Directors and to enhance the Company's access to talented managerial advisors, that no non-employee director of the Company shall serve as a director for more than eight consecutive years and that each non-employee director when first elected to the Board of Directors (including after a period of non-service) shall serve only until the next annual meeting of shareholders, unless nominated by the Board of Directors prior to such meeting to be included in the Company's staggered board in a manner determined by the Board of Directors.

Shares represented by executed Proxies will be voted, if authority to do so is not withheld, for the election of the three nominees named below. In the event that any nominee should be unavailable for election as a result of an unexpected occurrence, such shares will be voted for the election of such substitute nominee as the Board of Directors may select. Each person nominated for election has agreed to serve if elected, and management has no reason to believe that any nominee will be unable to serve.

Board of Directors Meetings, Committees and Compensation

The Board of Directors currently consists of seven members, four of whom (Messrs. Huntz, Cassidy, Goodwin and Noonan) have been determined by the Board of Directors to be independent as that term is defined under the corporate governance rules of The Nasdaq Stock Market, Inc. In compliance with the NASDAQ corporate governance rules, the independent Directors of the Company conduct regularly scheduled meetings without the presence of non-independent directors or management.

Table of Contents

During the fiscal year ended December 31, 2004, the Board of Directors held eight meetings. All of the incumbent directors attended at least 75% of the aggregate total number of meetings of the Board of Directors and meetings of committees of the Board of Directors on which they served. Because we schedule our spring Board meeting in conjunction with the annual meeting of shareholders, our Directors are invited to the annual meeting of shareholders, and two Directors attended our 2004 annual meeting.

The non-employee Chairman of the Board of Directors receives an annual retainer of \$150,000, payable on the first business day of each quarter. Non-employee members of the Board of Directors receive an annual retainer of \$35,000 payable on the first business day of each quarter. All non-employee members of the Board of Directors received \$1,500 for each board meeting attended in 2004 and \$1,500 for each committee meeting held independently of a board meeting. In 2004, we granted to each non-employee director stock options to purchase 5,000 shares of Common Stock at the beginning of each quarter during which they served as a director. All of these options have an exercise price equal to the fair market value of the Common Stock on the date of grant, are exercisable immediately and have a term of ten years. Any non-employee director who joins the Board of Directors in the future will be entitled to a one time grant of \$30,000 of restricted stock, vesting in equal installments over the remainder of the director's initial elected term.

The Board of Directors has established three permanent committees that have certain responsibilities for our governance and management. Three of these committees were in place in 2004 and include the Audit Committee, the Compensation Committee and the Nomination and Governance Committee. Prior to forming the Nomination and Governance Committee, we had no standing nominating or other committee performing similar functions, and the Board of Directors as a whole acted as a nominating committee to select nominees for election as directors. Charters for the Audit Committee, Compensation Committee and Nomination and Governance Committee can be found in the Investor Relations section of our web site at www.manh.com.

Audit Committee. During 2004, the Audit Committee consisted of Messrs. Huntz, Goodwin and Noonan. Mr. Huntz serves as Chairman of the Audit Committee. The Board of Directors has determined that each member of the Audit Committee meets the independence and experience requirements applicable to members of the Audit Committee of a NASDAQ-traded company, as well as the Audit Committee independence standards established by the Securities and Exchange Commission. Further, the Board has determined that Messrs. Huntz, Goodwin and Noonan are audit committee financial experts, as defined by the rules of the Commission. The Audit Committee recommends the selection of our independent registered public accounting firm, reviews the scope of the audit to be conducted by them, as well as the results of their audit, reviews the scope of our internal system of controls, appraises our financial reporting activities (including our proxy statement and annual report) and the accounting standards and principles followed. The Audit Committee also reviews and discusses with management and the independent auditors various topics and events that may have significant financial impact on the Company, and reviews and discusses with management major financial risk exposure and steps management has taken to monitor and control such exposure. Additionally, the Audit Committee reviews the adequacy and effectiveness of our internal controls, internal audit procedures, and disclosure controls and procedures, and management reports thereon. The Chairman of the Audit Committee is to be contacted by the Chief Financial Officer or the independent registered public accounting firm to review items of a sensitive nature that can impact the accuracy of financial reporting, and to discuss significant issues relative to overall Board responsibility that have been communicated to management, but may warrant follow up to the Audit Committee. During the fiscal year ended December 31, 2004, the Audit Committee met four times.

Compensation Committee. During 2004, the Compensation Committee consisted of Messrs. Noonan, Huntz and Cassidy. Mr. Noonan serves as Chairman of the Compensation Committee. The Board of Directors has determined that all members of the Compensation Committee meet the independence requirements of the NASDAQ corporate governance rules. The Compensation Committee approves the compensation and benefits of all of our executive officers, reviews general policies relating to compensation and benefits of our employees and makes recommendations

concerning certain of these matters to the Board of Directors. The Compensation Committee also administers our stock option plans and establishes the terms and conditions of all stock options granted under these plans. During the fiscal year ended December 31, 2004, the Compensation Committee met five times.

Nomination and Governance Committee. Established on July 17, 2003, our Nomination and Governance Committee (the Nominating Committee) consists of Messrs. Goodwin, Cassidy and Huntz. Mr. Goodwin serves

Table of Contents

as Chairman of the Nominating Committee. The Nominating Committee is appointed by the Board of Directors to identify and assist in recruiting outstanding individuals who qualify to serve as Board members and to recommend that the Board select a slate of director nominees for election by our shareholders at each annual meeting of our shareholders in accordance with our Articles of Incorporation, Bylaws and Georgia law; to recommend directors for appointment to each Board committee; to review the performance of the Board and its committees and make appropriate recommendations; and to oversee our corporate governance guidelines and periodically re-evaluate such corporate governance guidelines for the purpose of suggesting changes if appropriate.

As appropriate, the Nominating Committee actively seeks, interviews and evaluates individuals qualified to become Board members for recommendation to the Board of Directors, has the power to hire legal, accounting, financial or other advisors as it may deem necessary in its judgment, has the sole authority to retain and terminate any search firm to be used to identify director candidates and has sole authority to approve the search firm's fees and other retention terms. In addition, the Nominating Committee periodically reviews the independence of each director, as such term is interpreted under the applicable provisions of the Securities Exchange Act of 1934 and the applicable rules of The Nasdaq National Market, periodically reviews and assesses the performance of the Board and its committees and reports such assessment, including any recommendations for proposed changes, to the Board, periodically reviews and reassesses the adequacy of our corporate governance guidelines and recommends any proposed changes to the Board, periodically makes reports to the Board regarding the committee's evaluation of the Board members, its committees and members thereof and the corporate governance guidelines, and periodically reviews and reassesses the adequacy of the Nominating Committee Charter and recommends any proposed changes to the Board of Directors. During the fiscal year ended December 31, 2004, the Nominating Committee met once.

In accordance with the provisions of our Articles of Incorporation and Bylaws, shareholders may directly nominate prospective director candidates by delivering to our Corporate Secretary certain information about the nominee (reflecting the disclosure requirements of the SEC's proxy rules concerning nominees for directorships) no less than 90 days and no more than 120 days in advance of the first anniversary of the prior year's annual meeting. The Nominating Committee has not adopted a formal policy with regard to consideration of any director candidate nominated by shareholders. The Nominating Committee believes that such a policy is not necessary or appropriate because of the shareholders' ability to directly nominate director candidates for the Board.

Code of Ethics

Our Board of Directors has adopted a Code of Business Conduct and Ethics that is applicable to all members of our Board of Directors, our executive officers and our employees. We have posted the Code of Business Conduct and Ethics policy in the Investor Relations section of our web site at www.manh.com. If, in the future, we amend, modify or waive a provision in the Code of Business Conduct and Ethics, we may, rather than filing a Form 8-K, satisfy the disclosure requirement under Item 5.05 of Form 8-K by posting such information on our web site as necessary.

- (1) Amounts represent hypothetical gains that could be achieved for the respective options if exercised at the end of the option term. These gains are based on the fair market value per share on the date of grant and assumed rates of stock price appreciation of 5% and 10% compounded annually from the date the respective options were granted to their expiration date. These assumptions are mandated by the rules of the Securities and Exchange Commission and are not intended to forecast future appreciation of the Company's stock price. The potential realizable value computation is net of the applicable exercise price, but does not take into account federal or state income tax consequences and other expenses of option exercises or sales of appreciated stock. Actual gains, if any, are dependent upon the timing of such exercise and the future performance of the Common Stock. There can be no assurance that the rates of appreciation in this table can be achieved. This table does not take into account any appreciation in the price of the Common Stock to date.

Aggregated Option Exercises in Last Fiscal Year and Year-End Option Values

The following table summarizes the number of shares and value realized by each of the Named Executive Officers upon the exercise of options during the fiscal year ended December 31, 2004 and the value of the outstanding options held by the Named Executive Officers at December 31, 2004:

Name	Shares Acquired on Exercise	Value Realized (1)	Number of Securities Underlying Unexercised Options at Fiscal Year End		Value of Unexercised In-the-Money Options at Fiscal Year-End (2)	
			Exercisable	Unexercisable	Exercisable	Unexercisable
Peter F. Sinisgalli			75,000	325,000	\$	\$

Richard M. Haddrill			660,000	150,000	897,000	897,000
Jeffrey W. Baum			81,499	44,500	155,090	50,100
Pervinder Johar			16,167	42,833	11,158	19,672
Jeffrey S. Mitchell			163,167	133,833	391,975	193,900
Ramesh Srinivasan	7,749	\$ 61,561	96,252	114,250	14,221	109,870

- (1) Amounts disclosed in this column do not reflect amounts actually received by the Named Executive Officers but are calculated based on the difference between the fair market value on the date of exercise of the options and the exercise price of the options. The Named Executive Officers will receive cash only if and when they sell the Common Stock issued upon exercise of the options, and the net amount of cash received by such individuals is dependent on the price of the Common Stock at the time of such sale, as well as federal and state income taxes and other expenses of option exercises and sales of stock.
- (2) Based on the fair market value of the Common Stock as of December 31, 2004 of \$23.88 per share as reported on The Nasdaq National Market, less the exercise price payable upon exercise of such options.

Manhattan Associates, LLC Option Plan. The Manhattan Associates, LLC Option Plan (the LLC Option Plan) became effective on January 1, 1997. The aggregate number of shares reserved for issuance under the LLC Option Plan was 5,000,000 shares. The purpose of the LLC Option Plan was to provide incentives for key employees, officers, consultants and directors to promote the success of the Company and to enhance the Company's ability to attract and retain the services of such persons. Options granted under the LLC Option Plan were not options intended to qualify as incentive stock options under Section 422 of the Internal Revenue Code of 1986, as amended (the Code). Since February 28, 1998, no additional options could be granted pursuant to the LLC Option Plan.

As of March 31, 2005, there were outstanding options to purchase 352,576 shares of Common Stock under the LLC Option Plan at a weighted average exercise price of \$4.11 per share.

Stock Incentive Plan. The Manhattan Associates, Inc. 1998 Stock Incentive Plan (the Stock Incentive Plan) was adopted by the Board of Directors and approved by the Company's shareholders in February 1998. As amended to date, up to 14,962,257 shares of Common Stock (subject to adjustment in the event of stock splits and other similar events), less the number of shares issued under the LLC Option Plan, may be issued pursuant to stock options and other stock incentives granted under the Stock Incentive Plan. The number of shares available for issuance under the Stock Incentive Plan is automatically adjusted, without shareholder approval, on the first day of each fiscal year, by a number of shares such that the total number of shares reserved for issuance under the Stock Incentive Plan equals the sum of (i) the aggregate number of shares previously issued under the Stock Incentive Plan and the LLC Option Plan; (ii) the aggregate number of shares subject to then outstanding stock incentives granted under the Stock Incentive Plan and the LLC Option Plan; and (iii) 5% of the number of shares of Common Stock outstanding on the last day of the preceding fiscal year. However, no more than 1,000,000 of the shares available for grant each year shall be available for issuance pursuant to incentive stock options, and no more than 10,000,000 shares resulting from such automatic adjustments may ever be issued during the term of the Stock Incentive Plan. On January 1, 2005, the number of shares of Common Stock available for issuance under the Plan automatically increased 1,359,172 shares to 14,962,257 shares

pursuant to this provision. As of March 31, 2005, there were outstanding options or other stock incentives to acquire 7,682,656 shares of Common Stock under the Stock Incentive Plan at a weighted average exercise price of \$25.07 per share.

The Stock Incentive Plan provides for the grant of incentive stock options intended to qualify under Section 422 of the Code, nonstatutory stock options, restricted stock awards and stock appreciation rights (SARs , and, together with the other options and incentives, Awards). Officers, employees, directors, advisors and consultants of the Company and its subsidiaries are eligible to be granted Awards under the Stock Incentive Plan. Under present law, however, incentive stock options may be granted only to employees. The granting of Awards under the Stock Incentive Plan is discretionary. The Company will be required to recognize compensation expense over the vesting period of any SARs granted.

Table of Contents

Optionees receive the right to purchase a specified number of shares of Common Stock at a specified option price and subject to such other terms and conditions as are specified in connection with the option grant. Options may be granted at an exercise price that may be less than, equal to or greater than the fair market value of the Common Stock on the date of grant. Under present law, incentive stock options may not be granted at an exercise price less than the fair market value of the Common Stock on the date of grant (or less than 110% of the fair market value in the case of incentive stock options granted to optionees holding more than 10% of the Company's voting power). The Stock Incentive Plan permits the payment of the exercise price of options to be in the form of cash, or if the individual option agreement so provides, by surrender to the Company of shares of Common Stock or by a cashless exercise through a brokerage transaction.

The Stock Incentive Plan is administered by the Compensation Committee of the Board of Directors. The committee has the authority to adopt, amend and repeal the administrative rules, guidelines and practices relating to the Stock Incentive Plan generally and to interpret the provisions thereof. The Committee may amend, modify or terminate any outstanding Award and with respect to new Awards will determine:

the number of shares of Common Stock covered by options, restricted stock awards or SARs and the dates upon which such options or SARs become exercisable;

the exercise price of options and SARs and the purchase price, if any, of restricted stock;

the duration of options and SARs; and

the conditions and duration of restrictions on restricted stock.

No Award may be made under the Stock Incentive Plan after February 2008, but Awards previously granted may extend beyond that time. The Board of Directors may at any time terminate the Stock Incentive Plan. Any such termination will not affect outstanding options, restricted stock or SARs.

Other Options. In addition to options issued under the LLC Option Plan and the Stock Incentive Plan, as of March 31, 2005, there were outstanding options to purchase an aggregate of 58,458 shares of Common Stock to employees outside of the LLC Option Plan and the Stock Incentive Plan at a weighted average exercise price of \$0.56 per share.

Limitation of Liability and Indemnification of Officers and Directors

The Company's Articles of Incorporation provide that the liability of the directors to the shareholders for monetary damages shall be limited to the fullest extent permissible under Georgia law. This limitation of liability does not affect the availability of injunctive relief or other equitable remedies.

The Company's Bylaws provide that the Company will indemnify each of its officers, directors, employees and agents to the extent that he or she is or was a party, or is threatened to be made a party, to any threatened, pending or completed action, suit or proceeding, whether civil, criminal, administrative or investigative because he or she is or was a director, officer, employee or agent of the Company, against reasonable expenses (including attorneys' fees), judgments, fines and amounts paid in settlement in connection with such action, suit or proceeding; provided, however, that no indemnification shall be made for:

any appropriation, in violation of his or her duties, of any business opportunity of the Company;

acts or omissions that involve intentional misconduct or a knowing violation of law;

any liability under Section 14-2-832 of the Georgia Business Corporation Code, which relates to unlawful payments of dividends and unlawful stock repurchases and redemptions; or

any transaction from which he or she derived an improper personal benefit.

Directors, executive officers and persons owning beneficially more than 10% of the Common Stock are required by the Commission to furnish the Company with copies of all Section 16(a) forms they file with the Commission. To the Company's knowledge, based solely on the information furnished to the Company, all directors, executive officers and 10% shareholders complied with all applicable Section 16(a) filing requirements during the year ended December 31, 2004, except as reported in the Proxy Statement for the 2004 Annual Meeting of Shareholders.

COMPENSATION COMMITTEE REPORT ON EXECUTIVE COMPENSATION

General

The Compensation Committee of the Company's Board of Directors (the "Committee") has furnished the following report on Executive Compensation in accordance with the rules and regulations of the Securities and Exchange Commission. This report outlines the duties of the Committee with respect to executive compensation, the various components of the Company's compensation program for executive officers and other key employees, and the basis on which the 2004 compensation was determined for the executive officers of the Company, with particular detail given to the 2004 compensation for the Company's Chairman of the Board and Chief Executive Officer.

Compensation of Executive Officers Generally

The Committee is responsible for establishing compensation levels for the executive officers of the Company, including the annual bonus plan for executive officers and for administering the Company's Stock Incentive Plan. The Committee is currently comprised of three non-employee directors: Messrs. Noonan (Chairman), Huntz and Cassidy. The Committee's overall objective is to establish a compensation policy that will (i) attract, retain and reward executives who contribute to achieving the Company's business objectives; (ii) motivate executives to obtain these objectives; and (iii) align the interests of executives with those of the Company's long-term investors. The Company compensates executive officers with a combination of salary and incentives designed to focus their efforts on maximizing both the near-term and long-term financial performance of the Company. In addition, the Company's compensation program rewards individual performance that furthers Company goals. The executive compensation program includes the following: (i) base salary; (ii) incentive bonuses; (iii) long-term equity incentive awards in the form of stock option grants; and (iv) other benefits. Each executive officer's compensation package is designed to provide an appropriately weighted mix of these elements, which cumulatively provide a level of compensation roughly equivalent to that paid by companies of similar size and complexity.

Base Salary. Base Salary levels for each of the Company's executive officers, including the Chief Executive Officer, are generally set within a range of base salaries that the Committee believes are paid to similar executive officers at companies deemed comparable based on the similarity in revenue level, industry segment and competitive employment market to the Company. In addition, the Committee generally takes into account the

Table of Contents

Company's past financial performance and future expectations, as well as the performance of the executives and changes in the executives' responsibilities.

Incentive Bonuses. The Committee recommends the payment of bonuses to provide an incentive to executive officers to be productive over the course of each fiscal year. These bonuses are awarded based on a combination of the Company achieving certain corporate performance objectives and individual goals for each respective executive officer.

Equity Incentives. Stock options are used by the Company for payment of long-term compensation to provide a stock-based incentive to improve the Company's financial performance and to assist in the recruitment, retention and motivation of professional, managerial and other personnel. Generally, stock options are granted to executive officers from time to time based primarily upon the individual's actual and/or potential contributions to the Company and the Company's financial performance. Stock options are designed to align the interests of the Company's executive officers with those of its shareholders by encouraging executive officers to enhance the value of the Company, the price of the Common Stock, and hence, the shareholder's return. In addition, the vesting of stock options over a period of time is designed to create an incentive for the individual to remain with the Company. The Company has granted options to the executives on an ongoing basis to provide continuing incentives to the executives to meet future performance goals and to remain with the Company. During the fiscal year ended December 31, 2004, options to purchase an aggregate 430,000 shares of Common Stock were granted to the Company's Named Executive Officers.

Other Benefits. Benefits offered to the Company's executive officers are provided to serve as a safety net of protection against the financial catastrophes that can result from illness, disability or death. Benefits offered to the Company's executive officers are substantially the same as those offered to all of the Company's regular employees. In 1995, the Company established a tax-qualified deferred compensation 401(k) Savings Plan (the Plan) covering all of the Company's eligible full-time employees. Under the Plan, participants may elect to contribute, through salary reductions, up to 60% of their annual compensation subject to a statutory maximum of \$14,000. The Company provides additional matching contributions in the amount of 50% up to the first 6% contributed under the Plan. The Plan is designed to qualify under Section 401 of the Internal Revenue Code so that the contributions by employees or by the Company to the Plan, and income earned on plan contributions, are not taxable to employees until withdrawn from the Plan, and so that contributions by the Company will be deductible by the Company when made.

Compensation of the Chief Executive Officer

The Committee annually reviews the performance and compensation of the Chief Executive Officer based on the assessment of his past performance and its expectation of his future contributions to the Company's performance. During 2004, Richard M. Haddrill served as the Company's Chief Executive Officer until June 30, 2004. On July 1, 2004, Peter F. Sinisgalli became the Company's Chief Executive Officer.

For the fiscal year ending December 31, 2004, Mr. Haddrill's compensation for the six months he served as Chief Executive Officer included a salary of \$210,006 and a bonus of \$271,275 based on certain financial criteria of the Company. The Committee believes the compensation paid to Mr. Haddrill was reasonable.

For the fiscal year ending December 31, 2004, Mr. Sinisgalli's compensation for the six months he served as Chief Executive Officer included a salary of \$277,084. Mr. Sinisgalli voluntarily waived the performance-related bonus that he was entitled to receive pursuant to his employment agreement during 2004. The Committee believes the compensation paid to Mr. Sinisgalli was reasonable.

Policy with Respect to Qualifying Compensation for Deductibility

Section 162(m) of the Internal Revenue Code imposes a limit on tax deductions for annual compensation (other than performance-based compensation) in excess of one million dollars paid by a corporation to its Chief Executive Officer and its other four most highly compensated executive officers. The Company has not established a policy with regard to Section 162(m) of the Code, because the Company does not currently anticipate paying cash compensation in excess of one million dollars per annum to any employee. The Board of Directors will continue to assess the impact of Section 162(m) on its compensation practices and determine what further action, if any, is appropriate.

AUDIT COMMITTEE REPORT

The Audit Committee is directly responsible for the appointment, compensation and oversight of the Company's independent auditors. In this regard, the Audit Committee pre-approves all audit services and non-audit services to be provided to the Company by its independent auditor. The Audit Committee may delegate to one or more of its members the authority to grant the approvals. The decision of any member to whom authority is delegated to approve services to be performed by the Company's independent auditors is presented to the full Audit Committee at its next scheduled meeting. The Audit Committee may not approve any service that individually or in the aggregate may impair, in the Audit Committee's opinion, the independence of the independent auditor.

The Audit Committee of the Board of Directors currently consists of Messrs. Huntz (Chairman), Goodwin and Noonan, all of whom meet the independence requirements of The Nasdaq Stock Market, Inc. During fiscal 2000, the Audit Committee of the Board of Directors developed a charter for the Audit Committee, which was approved by both the Audit Committee and the full Board on June 30, 2000. The complete text of the Audit Committee Charter was filed as Annex A to our Proxy Statement for the 2004 Annual Meeting of Shareholders and is available in its current form on our website at www.manh.com.

In overseeing the preparation of the Company's financial statements, the Audit Committee met with both management and the Company's independent auditors to review and discuss the financial statements prior to their issuance and to discuss significant accounting issues. Management advised the Audit Committee that all financial statements were prepared in accordance with generally accepted accounting principles, and the Committee discussed the statements with both management and the independent auditors. The Audit Committee's review included discussion with the independent auditors of matters required to be discussed pursuant to Statement on Auditing Standards No. 61 (Communication with Audit Committees), as amended.

With respect to the Company's independent auditors, the Audit Committee, among other things, discussed with Ernst & Young LLP, matters relating to its independence, including the disclosures made to the Audit Committee as required by the Independence Standards Board Standard No. 1 (Independence Discussions with Audit Committees).

During 2004, management completed the documentation, testing and evaluation of the Company's system of internal control over financial reporting required by Section 404 of the Sarbanes-Oxley Act of 2002 and related regulations. The Audit Committee has reviewed and discussed with management its assessment and report on the effectiveness of the Company's internal control over financial reporting as of December 31, 2004, which it made using the criteria set forth by the Committee Sponsoring Organizations of the Treadway Commission in Internal Control - Integrated Framework. The Audit Committee has also reviewed and discussed with Ernst & Young LLP its attestation

report on management's assessment of internal control over financial reporting and its review and report on the Company's internal control over financial reporting. The Company published these reports in its Annual Report on Form 10-K for the year ended December 31, 2004.

Table of Contents

Based on these reviews and discussions, the Audit Committee recommended to the Board of Directors that the Company's audited financial statements be included in the Company's Annual Report on Form 10-K for the fiscal year ended December 31, 2004.

PROPOSAL 2**RATIFICATION OF APPOINTMENT OF INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM**

In February 2005, the Board of Directors appointed Ernst & Young LLP to serve as its independent registered public accounting firm for the fiscal year ending December 31, 2005, subject to the submission and approval of a budget for audit and audit related fees for services to be rendered for our 2005 fiscal year. The appointment of Ernst & Young LLP was recommended to the Board by its Audit Committee. The Audit Committee, at its discretion, may direct the appointment of a different independent registered public accounting firm at any time during the year if the Audit Committee believes that a change would be in our best interests and the best interests of our shareholders. A proposal to ratify the appointment will be presented at the Annual Meeting. Representatives of Ernst & Young LLP are expected to be present at the Annual Meeting. They will have an opportunity to make a statement if they desire to do so and will be available to respond to appropriate questions from shareholders.

Audit and Non-Audit Fees

The following table presents the aggregate fees for professional services rendered by Ernst & Young LLP for each of the last two fiscal years:

	2004	2003

Audit Related Fees (2)		480,000
Tax Fees (3)	247,872	210,000
All Other Fees (4)		
TOTAL FEES	\$ 1,007,830	\$ 982,000

(1) Audit fees consisted of charges associated with the annual audit and the audit of internal control over financial reporting in 2004, the reviews of the Company's quarterly reports on Form 10-Q and statutory audits required

internationally.

- (2) Audit-related fees principally include due diligence in connection with acquisitions, consultation on accounting and internal control matters, audits in connection with proposed or consummated acquisitions and other attest services.
- (3) Tax fees consisted of charges principally related to services associated with tax compliance, tax planning and tax advice.
- (4) All other fees include charges for products and/or services other than those described above.

The Audit Committee has determined that the provision of non-audit services by Ernst & Young LLP is compatible with maintaining the independence of Ernst & Young LLP.

The Board of Directors recommends a vote **FOR** ratification of the appointment of Ernst & Young LLP as our independent registered public accounting firm for the fiscal year ending December 31, 2005.
