ITEM 2.01 COMPLETION OF ACQUISITION OR DISPOSITION OF ASSETS

On July 31, 2007, Servidyne, Inc., a Georgia Corporation (the Company) through certain of its affiliates, sold: (1) its building and its leasehold interest in the land comprising of its shopping center located in Columbus, Georgia; (2) its owned shopping center located in Orange Park, Florida; and (3) its leasehold interest in its shopping center located in Jacksonville, Florida, each at a gain. The Company intends to use the proceeds from this sale to acquire one or more like-kind properties, in order to qualify the sale under the Internal Revenue Code Section 1031 for federal and state income tax deferral, and has placed the proceeds with a qualified third party intermediary in connection therewith. The total purchase price for the sale was \$6,797,500.

Abrams-Columbus Limited Partnership, (Columbus) an 80% owned partnership of the Company, sold its approximately 88,000 square foot shopping center located in Columbus, Georgia, including its leasehold interest in the land for \$2.345 million, resulting in a pre-tax gain, net of associated costs, of approximately \$1.892 million. Net cash proceeds were approximately \$2.007 million after deducting:

\$319,000 for the repayment of the mortgage note payable;

\$5,800 for a prepayment penalty on the mortgage note payable; and

\$13,000 for closing costs and prorations (these amounts are subject to final resolution).

In addition, the Company recorded \$401,000 for two separate notes payable of approximately \$241,000 and \$160,000, both at an interest rate of 8.25% for the portion of the sale related to the 20% minority interest.

Abrams Orange Park, LLC, (Orange Park) a wholly-owned subsidiary of the Company, sold its approximately 84,000 square foot shopping center located in Orange Park, Florida for \$2.9 million, resulting in a pre-tax gain, net of associated costs, of approximately \$21,000. Net cash proceeds were approximately \$2.879 million after deducting:

\$21,000 for closing costs and prorations (these amounts are subject to final resolution).

Abrams Properties, Inc., a wholly-owned subsidiary of the Company, sold its leasehold interest in a 97,000 square foot shopping center located in Jacksonville, Florida (Jacksonville) for approximately \$1.553 million, resulting in a pre-tax gain, net of associated costs, of approximately \$1.456 million. Net cash proceeds were approximately \$1.54 million after deducting:

\$12,500 for closing costs and prorations (these amounts are subject to final resolution).

Sears, Roebuck and Co., a New York corporation, purchased Columbus, Orange Park, and Jacksonville (together referred to as the centers). In negotiating the sales price, the Company considered, among other factors:

the shopping centers historical and anticipated cash flows;

the tenant in the centers and its remaining lease terms;

the condition and location of the shopping centers; and

current overall market conditions for the real estate industry.
