PROXY STATEMENT

MONRO MUFFLER BRAKE, INC.
200 HOLLEDER PARKWAY
ROCHESTER, NEW YORK 14615

ANNUAL MEETING OF SHAREHOLDERS
AUGUST 6, 2001

SOLICITATION OF PROXIES

The accompanying proxy is solicited by the Board of Directors of Monro Muffler Brake, Inc., a New York corporation (the "Company" or "Monro"), for use at the Annual Meeting of Shareholders (the "Annual Meeting") to be held at The Hutchison House, 930 East Avenue, Rochester, New York 14607, on Monday, August 6, 2001, commencing at 10 a.m., or at any adjournment or postponement thereof.

A shareholder who executes a proxy may revoke it at any time before it is voted. Attendance at the meeting shall not have the effect of revoking a proxy unless the shareholder so attending shall, in writing, so notify the secretary of the meeting at any time prior to the voting of the proxy. A proxy which is properly signed and not revoked will be voted for the nominees for election as directors listed herein, and for the ratification of the re-appointment of independent auditors as proposed herein, unless contrary instructions are given, and such proxy may be voted by the persons named in the proxy in their discretion upon such other business as may be properly brought before the meeting.

The cost of soliciting proxies will be borne by the Company. In addition to solicitation by mail, directors, officers and employees of the Company may solicit proxies by telephone or otherwise. The Company will reimburse brokers or other persons holding shares in their names or in the names of their nominees for their charges and expenses in forwarding proxies and proxy material to the beneficial owners of such shares. It is anticipated that the mailing of this Proxy Statement will commence on or about July 6, 2001.

VOTING SECURITIES

Only shareholders of record at the close of business on Monday, June 18, 2001 will be entitled to vote. At June 1, 2001, the Company had outstanding 8,158,253 shares of common stock, par value \$.01 per share ("Common Stock"). Each share of Common Stock is entitled to one vote on each matter as may properly be brought before the meeting.

The voting rights of holders of Common Stock are subject to the voting rights of the holders of 91,727 shares outstanding of the Company's Class C Convertible Preferred Stock, par value \$1.50 per share ("Class C Preferred Stock"). The vote of the holders of at least 60% of the shares of Class C

Edgar Filing: MONRO MUFFLER BRAKE INC - Form DEF 14A

Preferred Stock at the time outstanding, voting as a separate class, or, alternatively, the written consent of the holders of all outstanding shares of Class C Preferred Stock, is needed to effect or validate any action approved by a vote of the holders of shares of Common Stock. Therefore, such preferred shareholders have an effective veto over all matters put to a vote of common shareholders, and such veto power could be used, among other things, to block the election of directors, the ratification of the appointment of auditors, or any other transaction that the holders of Common Stock might otherwise approve at the Annual Meeting. It is expected that the holders of Class C Preferred Stock will approve, by unanimous written consent, all matters currently proposed to be put to a vote of common shareholders at the Annual Meeting.

With regard to the election of directors, votes may be cast in favor of or withheld from each nominee. Director nominees must receive a plurality of the votes cast at the meeting to be elected. Votes that are withheld from any nominee are counted as present for purposes of determining the existence of a quorum but are not deemed cast at the meeting and, thus, have no effect on the determination of a plurality. Abstentions may be

2

4

specified on proposals other than the election of directors, which proposals require a majority of the votes cast at the meeting for approval. Abstentions will be counted as present for purposes of determining the existence of a quorum but are not deemed cast at the meeting and, thus, have no effect on the determination of a majority. With respect to shares of Common Stock held in street name, where no vote is indicated on a matter because the nominee or broker lacks authority to vote such shares without specific instructions from the beneficial owner, and the nominee or broker has received no such instructions (a "broker non-vote"), such shares are not counted as present for the purpose of determining the existence of a quorum and are not counted as votes cast with respect to any such matter.

ELECTION OF DIRECTORS

The Board of Directors of the Company is divided into two classes having terms which expire at the Annual Meeting (Class 2) and at the 2002 annual meeting of shareholders (Class 1). The five Class 2 directors are proposed for re-election at the Annual Meeting.

CURRENT NOMINEES

It is proposed to elect at the Annual Meeting five persons to Class 2 of the Board of Directors to serve (subject to the Company's by-laws) until the election and qualification of their successors at the 2003 annual meeting of shareholders. If any such person should be unwilling or unable to serve as a director of the Company (which is not anticipated), the persons named in the proxy will vote the proxy for substitute nominees selected by them unless the number of directors has been reduced to the number of nominees willing and able to serve.

The following summarizes biographical information for the Class 2 directors, each of whom is nominated for re-election:

MEETINGS OF THE BOARD OF DIRECTORS AND COMMITTEES

The Board of Directors held four meetings during fiscal 2001(1). During the fiscal year, each director attended at least 75% of the aggregate number of all meetings of the Board of Directors and committees on which he served. Non-employee directors of the Company receive directors' fees at the rate of \$2,000 per year plus \$750 per meeting attended. All directors are reimbursed for actual expenses incurred in connection with attendance at meetings of the Board of Directors or committees thereof. In addition, each non-employee director receives an annual grant of an option to purchase 3,039 shares of Common Stock.

The Board of Directors has created four standing committees: a four-member Governance Committee, a four-member Audit Committee, a four-member Compensation and Benefits Committee (the "Compensation Committee") and a four-member Stock Option Committee.

Edgar Filing: MONRO MUFFLER BRAKE INC - Form DEF 14A

The Governance Committee has and may exercise, between meetings of the Board of Directors, all the power and authority of the full Board of Directors, subject to certain exceptions. During fiscal 2001, the Governance Committee held no meetings. Its members are Robert W. August, Donald Glickman, Robert G. Gross and Peter J. Solomon.

The Audit Committee has the power and authority to select and engage independent auditors for the Company, subject to the approval of shareholders, and reviews with the auditors and with the Company's management all matters relating to the annual audit of the Company. The Audit Committee held six meetings in fiscal 2001. It consists of four members: Frederick M. Danziger, Lionel B. Spiro and W. Gary Wood, each of whom is an independent director, and Donald Glickman who is not independent. Donald Glickman receives payments from Peter J. The Board of Directors believes that the Audit Committee benefits from Mr. Glickman's strong financial background.

The Compensation Committee has the power and authority to review and approve the remuneration arrangements for executive officers and employees of the Company and to select participants, approve awards under, interpret and administer the employee benefit plans of the Company (other than stock option plans). AUDIT COMMITTEE REPORT

The Audit Committee of the Board of Directors (the "Committee") is composed of four non-employee directors and operates under a written charter adopted by the Board of Directors (Exhibit A).

Management is responsible for the Company's internal controls and the financial reporting process. The external auditors are responsible for performing an independent audit of the Company's consolidated financial statements in accordance with generally accepted auditing standards and to issue a report thereon. The committee's responsibility is to monitor and oversee these processes.

- (1) References in this Proxy Statement to fiscal years are to the Company's fiscal years ending or ended March 31 of each year (e.g., references to "fiscal 2001" are to the Company's fiscal year ended March 31, 2001).

Edgar Filing: MONRO MUFFLER BRAKE INC - Form DEF 14A

In this context, the Committee has met and held discussions with management and the external auditors. Management represented to the Committee that the Company's consolidated financial statements were prepared in accordance with generally accepted accounting principles, and the Committee has reviewed and discussed the consolidated financial statements with management and the external auditors. The Committee discussed with the external auditors matters required to be discussed by Statement on Auditing Standards No. 61 (Communication with Audit Committees).

The Company's external auditors also provided to the Committee the written disclosures required by Independence Standards Board Standard No. 1 (Independence Discussions with Audit Committees), and the Committee discussed with the external auditors that firm's independence.

Based on the Committee's discussion with management and the external auditors and the Committee's review of the representation of management and the report of the external auditors to the Committee, the Committee recommended to the Board of Directors, and the Board has approved, that the audited consolidated financial statements be included in the Company's Annual Report on Form 10-K for the year ended March 31, 2001, for filing with the Securities and Exchange Commission. The Committee and the Board also have approved, subject to shareholder ratification, the selection of the Company's external auditors.

COMPENSATION COMMITTEE REPORT ON EXECUTIVE COMPENSATION

The Compensation Committee of the Board of Directors is responsible for setting the Chief Executive Officer's compensation and making annual recommendations for the compensation of the other executive officers to the full Board of Directors after considering recommendations made by the Chief Executive Officer.

Executive compensation is a mix of salary, annual bonus awarded under the executive bonus plan, Company contributions to the profit sharing plan and pension plan, long-term compensation in the form of stock options and other benefits generally available to all employees. The Company relies to a large degree on bonus, stock options and stock ownership to attract and retain executives of outstanding ability and to motivate them to work to their fullest potential. Under the executive bonus plan, the Compensation Committee seeks to enhance the profitability of the Company by aligning closely the financial interest of the Company's executives with those of its shareholders through the payment of bonuses based on attainment of profit targets. In setting base salaries, the Company refers to the National Executive Compensation Survey published by The Management Association of Illinois.

The Chief Executive Officer's fiscal 2001 compensation consisted of a base salary of \$420,000 in accordance with his employment agreement (see also "Employment Agreements and Change-in-Control Arrangements"), a bonus of \$264,600 and other benefits extended to all full-time employees. Mr. Gross's bonus, which may reach a maximum of 200% of his base salary, is based on the Company's attainment of specific profit targets for fiscal 2001. Mr. Gross did not receive a bonus for fiscal 2000 because the Company did not attain the minimum required percentage of targeted profit performance set by the Compensation Committee. In fiscal 1999, in connection with his joining the Company, Mr. Gross received a \$150,000 signing bonus. The Chief Executive Officer does not participate in the Compensation Committee's determination of his compensation.

The salaries of other executive officers are set at amounts the Company believes to be comparable to those paid to executives holding similar positions at other automotive service companies of comparable size. Bonuses are paid based on attainment of profit targets, which were achieved in fiscal 2001. Executive officers did not receive profit-based bonuses for fiscal 2000 and 1999 because the Company did not attain the minimum required percentage of targeted profit performance.

All employees, including executive officers, may receive stock options from time to time under the Company's stock option plans. Stock option grants are recommended by the Stock Option Committee of the Board of Directors, a committee composed primarily of non-management directors. The stock option grant size is based upon the individual's overall compensation package, job performance, future potential, awards made to executives at comparable companies and other factors. Under the stock option plans, 544,585 shares are currently available

Edgar Filing: MONRO MUFFLER BRAKE INC - Form DEF 14A

for grants to employees. During fiscal 2001, the Stock Option Committee granted options, including 5,000 to Robert W. August, Senior Vice President - Store Support and Secretary; 5,000 to Thomas J. Budreau, Divisional Vice President - Eastern Operations; and 5,000 to Christopher R. Hoornbeck, Divisional Vice President - Western Operations.

Options exercisable for an aggregate of 21,273 shares were also granted to seven non-employee directors of the Company under the terms of the Non-Employee Directors' Stock Option Plan approved by shareholders in August 1995 and amended in fiscal 1998 and 2000.

The executive officers participate in the Company's qualified, profit sharing/401(k) and pension plans on the same basis as all other employees. The Company offers health care, life insurance, disability insurance and other benefits to the executive officers on substantially the same terms as available to all employees of the Company. The amount of perquisites received by any executive officer in fiscal 2001 did not exceed \$50,000 or ten percent of his or her cash compensation.

The federal income tax laws impose limitations on the deductibility of compensation in excess of \$1 million paid to executive officers in certain circumstances. The Compensation Committee intends that all compensation paid to executive officers in fiscal 2001 will be deductible by the Company under such tax laws.

COMPENSATION COMMITTEE INTERLOCKS AND INSIDER PARTICIPATION

In December 1998, the Company loaned \$523,000 to Robert G. Gross, its President and Chief Executive Officer, to purchase 75,000 shares of the Company's common stock at the then fair market value. This loan, which bears an interest rate of 5.5% per annum, matures on December 1, 2003, and requires five equal annual installments of principal beginning on the first anniversary of the loan. If the Executive is employed with the Company when a principal payment is due, that installment will be forgiven by the Company. All interest is due on the fifth anniversary of the loan, and shall also be forgiven if the Executive is employed with the Company at that time. The loan is secured by the common stock.

The members of the Compensation Committee are Donald Glickman, Robert G. Gross, Peter J. Solomon and Lionel B. Spiro.

In June 1991, the Company entered into a management agreement effective July 1, 1991, with Peter J. Solomon Company Limited ("PJSC") pursuant to which PJSC provides to the Company strategic and financial advice relating to financing, capital structure, mergers and acquisitions and offensive/defensive positioning, for a fee of \$160,000 per year (plus reimbursement of out-of-pocket expenses). Pursuant to such agreement, the Company has agreed to indemnify PJSC against certain liabilities. In addition, PJSC, from time to time, provides additional investment banking services to the Company for customary fees. The firm provided financial advisory services to the Company for fees of approximately \$1 million in fiscal 1999 in connection with the acquisition of and financing for 203 stores acquired from SMK Speedy International Inc. No additional fees were paid in fiscal 2000 or 2001. Peter J. Solomon, Chairman of the Board and principal shareholder of the Company, is Chairman of PJSC. Of the fees paid by the Company to PJSC, approximately half were paid to Donald

Glickman, a director and principal shareholder of the Company, by PJSC for consulting services.

PENSION PLAN

The Company sponsors a noncontributory retirement plan which is intended to

Edgar Filing: MONRO MUFFLER BRAKE INC - Form DEF 14A

qualify under Section 401(a) of the Internal Revenue Code of 1986, as amended (the "Pension Plan"). As of September 30, 1999, participants ceased to accrue benefits under the Pension Plan and no employees will become plan participants after this date. Compensation and services after this date are not taken into consideration in determining benefits under the Pension Plan. Prior to September 30, 1999, each employee who attained age 21 became a participant on the April 1 or October 1 following the date the employee completed one year of service. Benefit payments generally begin upon retirement at age 65 or age 60 with 20 years of service.

Benefits under the Pension Plan are 100% vested in each participant upon completion of five years of service, attainment of age 65 or the termination of the Pension Plan. Lump sum distributions are available at termination or retirement only for accrued benefits of \$5,000 or less.

The following table shows the estimated annual benefits payable to participants under the Pension Plan upon retirement at age 65. The table does not show the reduction for Social Security benefits (see formula below).

PENSION PLAN TABLE

Average Compensation	Number of Years of Service				
(Prior to September 30, 1999)	5	10	15	20	-----
\$100,000	\$ 22,500	\$ 45,000	\$ 45,000	\$ 45,000	\$ 45,000
80,000	18,000	36,000	36,000	36,000	36,000

For the purpose of determining amounts payable under the Pension Plan for each of the named executives, compensation includes the average of ten years (i) base salary (including the amount of any reductions in the executive's otherwise payable compensation attributable to any "cafeteria plan") plus (ii) cash bonuses. For the last three years, the base salaries and bonuses of each named executive are shown in the Summary Compensation Table. Compensation does not include stock options ("Long Term Compensation" column) or the Company's contributions to the Profit Sharing Plan ("All Other Compensation" column) shown in the Summary Compensation Table. Compensation is limited to \$100,000 for determining amounts payable under the Pension Plan.

The following are the years of credited service as of September 30, 1999 (rounded to the nearest year) under the Pension Plan for each of the named executives: Robert G. Gross - 0 years; Robert W. August - 26 years; Catherine D'Amico - 7 years; Thomas J. Budreau - 5 years; and Christopher R. Hoornbeck - 27 years.

The basic benefit under the Pension Plan is a straight life annuity. Subject to certain limits required by law, benefits are payable monthly in an amount equal to (i) 45% of a participant's average monthly earnings for the highest ten consecutive years prior to September 30, 1999, less (ii) 45% of the monthly primary Social Security benefit payable to the participant at retirement. The amount of the benefit is also reduced for short service participants and participants terminating employment prior to retirement.

Edgar Filing: MONRO MUFFLER BRAKE INC - Form DEF 14A

Due to the fact that the Pension Plan was frozen as of September 30, 1999, the amount of the benefit will be multiplied by a fraction (not greater than one), the numerator of which is the participant's total number of years of service as of September 30, 1999, and the denominator of which is the number of years of service the participant would have accumulated if he had continued his employment until the earlier of (i) age 65 or (ii) the date after age 60 but before age 65 on which the participant has at least 20 years of vesting service under the Pension Plan.

PROFIT SHARING PLAN

The Company sponsors a profit sharing plan with a 401(k) feature (the "Profit Sharing Plan"). The Profit Sharing Plan is intended to qualify under Section 401(a) of the Internal Revenue Code of 1986, as amended.

Each employee who has attained age 21 becomes a participant as of the first day of the month following completion of three months of service. Participants may elect to reduce their compensation by up to the lesser of 15% of their annual compensation or the statutorily prescribed annual limit (\$10,500 in 2001) and to have the amount of the reduction

14

16

contributed to their account in the Profit Sharing Plan. One of the investment options available to participants is the Company's stock.

The Company may make discretionary matching contributions to the matching accounts of those employees who are contributing to the Profit Sharing Plan. The Board approves matching contributions quarterly. A discretionary Company profit sharing contribution may also be made on an annual basis.

CERTAIN TRANSACTIONS

AFFILIATE LEASES

The Company leases 40 stores from Charles J. August, Burton S. August and others or partnerships or trusts in which such persons or members of their families, including Robert W. August, have interests. In fiscal 2001, the Company paid or accrued \$1,685,000 as rent for these stores, and \$9,000 for a store that closed in August 2000. As of June 1, 2001, most of these properties were subject to mortgages or notes under which such persons or entities were obligated. Charles J. August, Burton S. August and Robert W. August are directors of the Company.

The Company has not entered into any affiliate leases, other than renewals or modifications of existing leases, since May 1989, and as a matter of policy, will not do so.

(See also "Compensation Committee Interlocks and Insider Participation").

SECTION 16(a) BENEFICIAL OWNERSHIP REPORTING COMPLIANCE

Section 16(a) of the Securities Exchange Act of 1934, as amended (the "Exchange Act"), requires the Company's directors and executive officers, and persons who beneficially own more than ten percent of the Company's Common Stock, to file with the Securities and Exchange Commission (the "SEC") initial

Edgar Filing: MONRO MUFFLER BRAKE INC - Form DEF 14A

reports of ownership and reports of changes in ownership of Common Stock. Officers, directors and greater than ten-percent shareholders are required by SEC regulations to furnish the Company with copies of all Section 16(a) forms they file.

To the Company's knowledge, based solely on review of the copies of such reports furnished to the Company and written representations that no other reports were required, during fiscal 2001, all Section 16(a) filing requirements applicable to its officers, directors and greater than ten-percent beneficial owners were complied with, except that Robert W. August, Senior Vice President - Store Support and Secretary, reported a sale of 2,000 shares of Common Stock on a Form 4 that was filed late.

APPROVAL OF AUDITORS

Subject to ratification by shareholders at the Annual Meeting, the Board of Directors, upon recommendation of the Audit Committee, has re-appointed PricewaterhouseCoopers LLP as independent auditors to audit the books and accounts of the Company for fiscal 2002. A representative of PricewaterhouseCoopers LLP will be present at the Annual Meeting to respond to questions and will have an opportunity to make a statement if he or she desires to do so.

Aggregate fees billed to the Company for services rendered by PricewaterhouseCoopers LLP for fiscal 2001 were:

Annual Audit Fees, including quarterly reviews	\$ 64,000
Financial Information Systems Design and Implementation	0

All Other Fees:

Actuarial and Benefit Plan Services	\$ 52,900
Tax Services	45,400
Fixed Asset Depreciation Optimization Study	212,500

Total all other fees	\$310,800
	=====

The Audit Committee has considered whether the non-audit services provided by PricewaterhouseCoopers LLP are compatible with PricewaterhouseCoopers LLP maintaining its independence.

THE BOARD OF DIRECTORS RECOMMENDS THE SHAREHOLDERS VOTE FOR RATIFICATION OF THE APPOINTMENT OF PRICEWATERHOUSECOOPERS LLP.

SHAREHOLDER PROPOSALS

Proposals of shareholders that are intended to be presented at the annual meeting to be held in 2002 must be received by the Company by March 8, 2002 in order that they may be considered for inclusion in the proxy statement and form of proxy relating to that meeting. The Company's Certificate of Incorporation provides that shareholders who do not present a proposal for inclusion in the proxy statement, but who still intend to submit the proposal at the 2002 annual meeting, and shareholders who intend to submit nominations for directors at the

Edgar Filing: MONRO MUFFLER BRAKE INC - Form DEF 14A

meeting, are required to deliver or mail the proposal or nomination to the Secretary of the Company, Monro Muffler Brake, Inc., 200 Holleder Parkway, Rochester, New York 14615, so that the Secretary receives the proposal or nomination not less than 120 days nor more than 180 days prior to the meeting, except that if less than 50 days notice or prior public disclosure of the meeting date is given or made to shareholders, the Secretary must receive such proposal or nomination not later than the close of business on the tenth day following the day on which notice of the meeting was mailed or such public disclosure was made, whichever first occurs. Each proposal or nomination must set forth the information required by the Certificate of Incorporation. If the chairman of the meeting determines that a proposal or nomination was not made in accordance with the required procedures, such proposal or nomination will be disregarded. Additional information and a copy of the Certificate of Incorporation may be obtained by submitting a written request to the Secretary of the Company.

MONRO MUFFLER BRAKE, INC.
AUDIT COMMITTEE CHARTER

THE AUDIT COMMITTEE ("THE COMMITTEE"), OF THE BOARD OF DIRECTORS ("THE BOARD") OF MONRO MUFFLER BRAKE, INC. ("THE COMPANY"), WILL HAVE THE OVERSIGHT RESPONSIBILITY, AUTHORITY AND SPECIFIC DUTIES AS DESCRIBED BELOW.

PURPOSE

The Audit Committee is appointed by the Board of Directors to assist the Board in fulfilling its oversight responsibilities. The Audit Committee's primary duties and responsibilities are to:

Edgar Filing: MONRO MUFFLER BRAKE INC - Form DEF 14A

- Monitor the integrity of the Company's financial reporting process and systems of internal controls regarding finance, accounting and legal compliance.
- Monitor the independence and performance of the Company's independent auditors.
- Provide an avenue of communication among the independent auditors, management and the Board.

The Audit Committee has the authority to conduct any investigation appropriate to its responsibilities, and may request the independent auditors, as well as any officer or employee of the Company, or the Company's outside counsel, to attend a meeting of the Committee or to meet with any members of, or consultant to, the Committee. The Audit Committee has the authority to retain, at the Company's expense, special legal, accounting, or other consultants or experts to assist in the performance of its duties.

The Audit Committee will primarily fulfill these responsibilities by carrying out the activities enumerated in the "Responsibilities" section of this Charter.

It is not the responsibility of the Committee to determine that the Company's financial statements are complete and accurate and are in accordance with generally accepted accounting principles or to plan or conduct audits. This is the responsibility of management or the independent auditors.

ORGANIZATION

The Committee will be comprised of three or more directors as determined by the Board. The members of the Committee will be elected annually at the organizational meeting of the full Board held in August and will be listed in the annual report to shareholders. One of the members of the Committee will be elected Committee Chair by the Board.

Each member of the Audit Committee shall be financially literate, as such qualification is interpreted by the Board of Directors in its business judgment, or must become financially literate within a reasonable period of time after his or her appointment to the Audit Committee.

At least one member of the Audit Committee must have accounting or related financial management expertise, as the Board of Directors interprets such qualification in its business judgment.

It is the intention of the Board that its Audit Committee shall satisfy the independence and experience requirements set forth in the rules of the NASDAQ National Market System applicable to audit committees.

STATEMENT OF POLICY

The Audit Committee shall provide assistance to the Board of Directors in fulfilling its responsibility to the Company and its shareholders relating to its oversight of management and its auditors in respect of corporate

accounting, financial reporting practices, and the quality and integrity of the financial reports of the Company. It is the role of the Audit Committee to oversee the work of management and the independent auditors. In so doing, it is the responsibility of the Audit Committee to maintain open communication between the directors, the independent auditors and the financial management of the Company.

The independent auditors for the Company are ultimately accountable to the Board of Directors and Audit Committee of the Company. The Audit Committee and Board of Directors have the ultimate authority and responsibility to select, evaluate and, where appropriate, replace the independent auditors (or to nominate the independent auditors to be proposed for shareholder approval in any proxy statement).

RESPONSIBILITIES

In carrying out its responsibilities, the Audit Committee believes its policies and procedures should remain flexible in order to best react to changing conditions and to oversee management's implementation of prudent corporate accounting and reporting policies.

In carrying out these responsibilities, the Audit Committee will:

1. Review and reassess the adequacy of this charter annually. This should be done in compliance with applicable NASDAQ Audit Committee Requirements.
2. Recommend to the Board the selection, retention or termination of the Company's independent auditors.
3. The Committee shall be responsible for ensuring that the independent auditors submit to the Committee, on a periodic basis, a formal written statement delineating all relationships between the independent auditors and the Company. The Committee is responsible for discussing with the independent auditors any disclosed relationships or services that may impact the objectivity and independence of the independent auditors and for recommending that the Board take appropriate action in response to the independent auditors' report to satisfy itself of the independent auditors' independence.
4. For the purpose of monitoring the independence of the independent auditors, the Committee shall annually (i) review significant fee and other significant compensation arrangements by the Company with the independent auditors; (ii) review fees for significant consulting engagements performed by the independent auditors' firm; and (iii) be advised of any other significant study or service undertaken by the independent auditors at the request of management that is beyond the scope of the audit engagement letter.
5. Review the scope and general extent of the independent auditors' annual audit. The Committee's review should include an explanation from the independent auditors of the factors considered by the accountants in determining the audit scope, including the major risk factors. The independent auditors should confirm to the Committee that no limitations have been placed on the scope or nature of their audit procedures.
6. At the completion of the annual audit, review with management and the independent auditors the following:

Edgar Filing: MONRO MUFFLER BRAKE INC - Form DEF 14A

- The annual financial statements and related footnotes and financial information to be included in the Company's annual report to shareholders and on Form 10-K.
- Results of the audit of the financial statements and the related report thereon and, if applicable, a report on changes during the year in accounting principles and their application.
- Significant changes to the audit plan, if any, and any serious disputes or difficulties with management encountered during the audit. Inquire about the cooperation received by the independent auditors during their audit, including access to all requested records, data and information. Inquire of the

18

20

independent auditors whether there have been any disagreements with management which, if not satisfactorily resolved, would have caused them to issue a nonstandard report on the Company's financial statements.

- Other communications as required to be communicated by the independent auditors by Statement of Auditing Standards (SAS) 61 as amended by SAS 90 relating to the conduct of the audit. Further, receive a written communication provided by the independent auditors concerning their judgment about the quality of the Company's accounting principles, as outlined in SAS 61 as amended by SAS 90, and that they concur with management's representation concerning audit adjustments.

If deemed appropriate after such review and discussion, recommend to the Board that the financial statements be included in the Company's annual report on Form 10-K.

7. Review with the Company's management and independent auditors significant accounting and reporting principles, practices and procedures applied by the Company in preparing its financial statements. Discuss with the independent auditors their judgements about the quality, not just the acceptability, of the Company's accounting principles used in financial reporting.
8. Meet with management and the independent auditors to discuss any relevant significant recommendations that the independent auditors may have, particularly those characterized as 'material' or 'serious'. Additionally, review Company's accounting and financial reporting controls. Review annually with the independent auditors their letter as to the adequacy and effectiveness of such controls. Typically, such recommendations will be presented by the independent auditors in the form of a Letter of Recommendations to the Committee. The Committee should review responses of management to the Letter of Recommendations from the independent auditors and receive follow-up reports on action taken concerning any material or serious recommendations.
9. Provide sufficient opportunity for the independent auditors to meet with the members of the Audit Committee without management present.

Edgar Filing: MONRO MUFFLER BRAKE INC - Form DEF 14A

10. After preparation by management and review by independent auditors, approve the report required under SEC rules to be included in the Company's annual proxy statement. The charter is to be published as an appendix to the proxy statement every three years.
11. Discuss with the independent auditors the quality of the Company's financial and accounting personnel, and consider succession planning. Also, elicit the comments of management regarding the responsiveness of the independent auditors to the Company's needs.
12. Have a predetermined arrangement with the independent auditors that they will advise the Committee through its Chair and management of the Company of any matters identified through procedures followed for interim quarterly financial statements, and that such notification is to be made prior to the related press release or, if not practicable, prior to filing Forms 10-Q.
13. Review with management and the independent auditors the methods used to establish and monitor the Company's policies with respect to unethical or illegal activities by Company employees that may have a material impact on the financial statements.
14. Generally as part of the review of the annual financial statements, receive an oral report(s), at least annually, from the Company's general counsel concerning legal and regulatory matters that may have a material impact on the financial statements.

19

21

15. As the Committee may deem appropriate, obtain, weigh and consider expert advice as to Audit Committee related rules of NASDAQ, Statements on Auditing Standards and other accounting, legal and regulatory provisions.
16. Perform any other activities consistent with this Charter, the Company's by-laws and governing law, as the Committee or the Board deems necessary or appropriate.
