EastGroup Properties, Inc. (the "Company") in connection with the solicitation of proxies by the Board of Directors of the Company for use at its Annual Meeting of Stockholders (the "Meeting"), to be held on May 27, 2004 at 9:00 a.m., Jackson time, at the Company's offices, 300 One Jackson Place, 188 East Capitol Street, Jackson, Mississippi. A copy of the Company's Annual Report for the fiscal year ended December 31, 2003 accompanies this Proxy Statement. Additional copies of the Annual Report, Notice, Proxy Statement and Form of Proxy may be obtained from the Company's Secretary, P.O. Box 22728, Jackson, Mississippi 39225-2728. A COPY OF THE COMPANY'S FORM 10-K FILED WITH THE SECURITIES AND EXCHANGE COMMISSION ("SEC") IS AVAILABLE WITHOUT CHARGE UPON WRITTEN REQUEST TO THE COMPANY'S SECRETARY AT THE COMPANY'S CORPORATE OFFICES, VIA E-MAIL ADDRESSED TO INVESTOR@EASTGROUP.NET, FROM THE COMPANY'S WEB SITE AT WWW.EASTGROUP.NET OR FROM THE SECURITIES AND EXCHANGE COMMISSION'S WEB SITE AT WWW.SEC.GOV. This Proxy Statement, Annual Report and Form of Proxy will first be sent to stockholders on or about April 21, 2004.

SOLICITATION AND REVOCABILITY OF PROXIES

The enclosed proxy for the Meeting is being solicited by the directors of the Company. Any person giving a proxy may revoke it at any time prior to the exercise thereof by filing with the Secretary of the Company a written revocation or duly executed proxy bearing a later date. The proxy may also be revoked by a stockholder attending the Meeting, withdrawing the proxy and voting in person.

The expense of preparing, printing and mailing the form of proxy and the material used in the solicitation thereof will be borne by the Company. In addition to solicitation by mail, proxies may be solicited by the directors, officers and regular employees of the Company (who will receive no additional compensation therefor) by means of personal interview, telephone or facsimile. It is anticipated that banks, brokerage houses and other institutions, custodians, nominees, fiduciaries or other record holders will be requested to forward the soliciting material to persons for whom they hold shares and to seek authority for the execution of proxies; in such cases, the Company will reimburse such holders for their charges and expenses. The Company has retained InvestorCom, Inc. to assist with the solicitation of proxies and will pay InvestorCom, Inc. a fee of \$5,000 plus reimbursement of out-of-pocket expenses for its services.

VOTING SECURITIES AND PRINCIPAL HOLDERS THEREOF

The record date for determining shares of common stock, par value \$0.0001 per share, of the Company (the "Common Stock"), entitled to vote at the Meeting has been fixed at the close of business on April 14, 2004. On such date there were 20,953,330 shares of Common Stock outstanding. The holders of Common Stock are entitled to one vote for each share of Common Stock on each matter submitted to a vote at a meeting of

stockholders. Pursuant to the Company's Bylaws, directors will be elected by a plurality of all the votes cast at the Meeting with each share being voted for as many individuals as there are directors to be elected and for whose election the share is entitled to vote. Ratification of the adoption of the EastGroup Properties, Inc. 2004 Equity Incentive Plan (the "2004 Plan") requires the affirmative vote of a majority of all the votes cast at the Meeting, provided that the total vote cast on the proposal represents over 50% in interest of all securities entitled to vote on the proposal as required by the New York Stock Exchange listing standards.

The presence, in person or by properly executed proxy, of the holders of shares of Common Stock entitled to cast a majority of all the votes entitled to be cast at the Meeting is necessary to constitute a quorum. Shares of Common

Edgar Filing: EASTGROUP PROPERTIES INC - Form DEF 14A

Stock represented by a properly signed, dated and returned proxy card, including abstentions and broker non-votes, will be treated as present at the Meeting for purposes of determining a quorum.

For purposes of the election of directors, abstentions will not be counted as votes cast and will have no effect on the result of the vote. For purposes of the vote on the ratification of the adoption of the 2004 Plan, abstentions will have the same effect as votes against the proposal and broker non-votes will have the same effect as votes against the proposal, unless holders of more than 50% in interest of all securities entitled to vote on the proposal cast votes, in which event broker non-votes will not have any effect on the result of the vote.

(1) This is the amount of incentive compensation payable to the Named Officer under the 1994 Incentive Plan. In 2001 and 2002, this amount was paid 60% in cash and 40% in shares of Common Stock.

(2) This represents the value of restricted shares granted to the Named Officer on March 17, 2004 effective as of January 1, 2003 as the Annual Long-Term Incentive portion of 2003 compensation. See "Report of the Compensation Committee." The restricted shares vest one-third on the date of grant, one-third on January 1, 2005 and one-third on January 1, 2006.

(3) These options were granted under the Company's 1994 Incentive Plan and become exercisable with respect to one-half of the shares on the first anniversary date of grant and one-half of the shares on the second anniversary date of grant.

- (5) Mr. Coleman became an executive officer of the Company during 2001.
- (6) On December 5, 2000, the Compensation Committee of the Board of Directors granted restricted shares to the Named Officers, effective as of January 1, 2000. Under these grants of restricted shares, employees' rights to the restricted shares were conditioned on the Company's achievement of specified performance goals or, if such performance goals were not achieved, the passage of time beginning December 31, 2005. The Company's performance goal with respect to these awards was the achievement of cumulative funds from

10

operations ("FFO") for the years 2000 through 2003. The Company did not achieve any of the performance goals, and the restricted shares will vest 20% on each December 31 from 2005 through 2009. If an employee's employment terminates before December 31, 2009 by reason of death or disability, the employee's interest in any forfeitable restricted shares may become nonforfeitable depending on the number of restricted shares already vested or the number of years elapsed since the date of grant. Dividends on the restricted shares will be retained by the Company, to be paid only when the related shares become nonforfeitable.

Option Grants. No options were granted to the Named Officers during the year ended December 31, 2003.

Option Exercises and Year End Values. No options were exercised by Mr. Corkern during 2003. The following table shows the value realized by Messrs. Hoster, McKey, Coleman and Petsas upon the exercise of options, and the year-end value of unexercised in-the-money options held by the Named Officers at the fiscal year-end. Year-end values are based upon the closing price of shares of Common Stock on the New York Stock Exchange, Inc. on December 31, 2003 (\$32.38).

REPORT OF THE COMPENSATION COMMITTEE

The following Report of the Compensation Committee does not constitute soliciting material and should not be deemed filed or incorporated by reference into any other filing by the Company under the Securities Act of 1933 or the Securities Exchange Act of 1934 except to the extent the Company specifically incorporates this Report by reference therein.

11

The Compensation Committee of the Board of Directors for 2003 consisted of Messrs. Anagnos, Bailey and Eaves. The Compensation Committee believes that base compensation to the executive officers of the Company should be commensurate with salary levels for other real estate companies and the officer's level of responsibility. The Compensation Committee considered a number of factors in setting the base compensation of Mr. Hoster, the Company's Chief Executive Officer, the most important of which were the level of compensation paid to the chief executive officers of other real estate companies of comparable size, the success of the Company's strategy of acquiring industrial properties and developing industrial properties, the Company's total return to stockholders and his importance in delineating and implementing the Company's future strategies.

The Compensation Committee has determined that the primary goals of the Company's compensation policies should be as follows:

- To provide total compensation opportunities for executive officers which are competitive with those provided to persons in similar positions with which the Company competes for employees.
- To strengthen the mutuality of interest between management and stockholders through the use of incentive compensation directly related to short-term and long-term corporate performance and through the use of the stock-based incentives that result in increased Common Stock ownership by executive officers.

The Compensation Committee restructured the executive compensation program during 2003. The Compensation Committee, with the help of a compensation consultant, conducted studies of the compensation policies of comparable companies and also the unique needs of the Company, its executives and its stockholders. The revised executive compensation program has four components:

- Base compensation
- Annual cash bonus
- Annual long term incentive
- Multi-year long-term incentive

An important factor in setting base compensation of the Company's executive officers is the level of compensation paid by other real estate companies of comparable size. The amount of the annual cash bonus is based upon the amount of

Edgar Filing: EASTGROUP PROPERTIES INC - Form DEF 14A

the Company's Funds from Operations per share ("FFO") compared to FFO targets set by the Compensation Committee and a bonus payment objective for each officer. The Compensation Committee determined the FFO targets for different levels of bonus payments after an analysis of the Company's internally prepared estimate of FFO for 2003 and the estimates of 2003 FFO prepared by independent securities analysts who follow the Company. The target FFO for 2003 was \$2.36, which the Company achieved. The Compensation Committee believed that the achievement of FFO of \$2.36 or more would benefit the Company's stockholders, and that the Named Officers should be rewarded for the benefit to stockholders. Accordingly, the bonus payments set forth in the Summary Compensation Table were paid to the executive officers of the Company.

The Compensation Committee also awarded the executive officers an annual long-term incentive award based upon the Company's (i) FFO growth as compared to the FFO growth of peer companies and (ii) its absolute FFO growth. These awards were made in the form of restricted stock grants that vest one-third each on January 1, 2004, 2005 and 2006. The Compensation Committee made restricted stock awards to the executives as set forth in the Summary Compensation Table. The Compensation Committee believes that a payment of annual long-term incentive compensation in the form of restricted stock awards further aligns the interest of the Company and its stockholders by giving the executive officers a greater equity interest in the Company.

12

Finally, the Compensation Committee may grant future awards of compensation in the form of restricted stock to the executive officers based upon the Company's annual return to stockholders on the three year period ending December 31, 2005 (multi-year long term incentive). These awards will also be made in the form of equity grants.

The Compensation Committee believes that the revised compensation plan will serve the objectives set forth above, but the Compensation Committee will evaluate the plan periodically to evaluate its effectiveness.

Set forth below is a line graph comparing the percentage change in the cumulative return to stockholders on shares of Common Stock over the five years ending December 31, 2003 against the cumulative return of the Standard & Poor's 500 ("S&P 500") and the Equity REIT Index prepared by the National Association of Real Estate Investment Trusts ("NAREIT Equity").

Directors' Fees. Under the Company's standard compensation arrangements with directors (except Mr. Speed and Mr. Hoster who are salaried officers), directors are paid a monthly stipend of \$1,500. In addition, they are paid \$1,000 plus reimbursement of expenses for attendance at each meeting of the Board of Directors

and \$750 plus reimbursement of expenses for each meeting of a committee established by the Board of Directors. Only one fee is paid in the event that more than one meeting is held on a single day.

Directors' Stock Option Plan. At the 2000 annual meeting, the stockholders of the Company approved the 2000 Directors' Plan which replaced the 1991 Directors' Plan. The 2000 Directors' Plan authorizes the issuance of options of up to 150,000 shares of Common Stock to directors of the Company who are not, and have not been for at least one year prior to the date of determination, employees of the Company ("Non-Employee Directors"). Under the 1991 Directors' Plan, each Non-Employee Director of the Company on March 15, 1991 was automatically granted an option to purchase 7,500 shares of Common Stock. Under the 2000 Directors' Plan, each person who first becomes a Non-Employee Director after June 1, 2000 is automatically granted an option to purchase 7,500 shares of Common Stock on the date the person becomes a Non-Employee Director, if such shares of Common Stock are available. Each Non-Employee Director is also granted an option to purchase 2,250 additional shares of Common Stock on the date of any annual meeting at which such Non-Employee Director is reelected to the Board of Directors. The option exercise price is the closing price of a share of Common Stock on the New York Stock Exchange on the date of grant. Such options are exercisable in full on the date of grant and expire ten years from the date of grant, or, if earlier, six months after the termination of the optionee's service as a Non-Employee Director, unless such service is terminated by reason of death, in which case the optionee's legal representative shall have one year in which to exercise the options.

No director, except Mr. Osnos, exercised options under the 1991 Directors' Plan or 2000 Directors' Plan during 2003. On March 7, 2003, Mr. Osnos exercised options for 7,500 shares of Common Stock at an exercise price of \$11.67. On May 29, 2003, Messrs. Aloian, Anagnos, Bailey, Eaves, Gould and Osnos each received options to purchase 2,250 shares of Common Stock at an exercise price of \$26.60 per share.

CERTAIN TRANSACTIONS AND RELATIONSHIPS

Cost Sharing Arrangement with Parkway Properties, Inc. Currently, Parkway Properties, Inc. and the Company equally share the services and expenses of the Chairman of the Board of Directors. These services and

14

expenses include rent for office and storage space, administrative costs, insurance benefits, entertainment and travel expenses, and the salary and benefits associated with the Chairman's administrative assistant. For the year ended December 31, 2003, EastGroup's share for these services and expenses totaled approximately \$50,000. EastGroup also leases 12,000 square feet of space for its executive offices in Jackson, Mississippi in a building owned by Parkway.

Change in Control Agreements. The Company is a party to a Change in Control Agreement with each of Messrs. Hoster, McKey, Coleman, Petsas and Corkern (the "Executives"). These agreements provide that, if an Executive is terminated or leaves the Company's employment for certain reasons during the 36-month period with respect to Messrs. Hoster and McKey and the 18-month period with respect to Messrs. Coleman, Petsas and Corkern, following a Change in Control, the Company will pay the Executive a lump sum benefit of 2.99 times in the cases of Messrs. Hoster and McKey and 1.5 times in the cases of Messrs. Coleman, Petsas and Corkern, the average of the Executive's salary and accrued bonus for the three calendar years that ended immediately before (or coincident with) the Change in Control (the "Average Annual Compensation"). The Change in Control Agreement also gives the Executive the ability to leave the employment of the Company at any time during the six-month period following a Change in Control, in which case the Executive will receive monthly severance payments from the Company for a period of 36 months in the cases of Messrs. Hoster and McKey and 18 months in the cases of Messrs. Coleman, Petsas and Corkern equal to one-twelfth of the Executive's Average Annual Compensation; provided that, if the Executive receives any remuneration in the form of wages, salary or consulting fees from another employer or income from self-employment during the 36-month (in the case of Messrs. Hoster and McKey) or 18-month (in the case of Messrs. Coleman, Petsas and Corkern) severance pay period, the Company's obligation under this sentence shall be reduced by one-half of the amount of such remuneration. Change in Control is defined in such agreement as (i) any change in control of a nature that would be required to be reported under the Exchange Act proxy rules; (ii) any person acquiring beneficial ownership of securities representing 30 percent or more of the combined voting power of the Company's outstanding securities; (iii) certain changes in the Company's Board of Directors; (iv) certain mergers; or (v) the approval of a plan of liquidation by the Company.

PROPOSAL 2 -- 2004 EQUITY INCENTIVE PLAN

At the Meeting, the stockholders will be asked to vote on a proposal to ratify the adoption of the 2004 Equity Incentive Plan. The approval of the 2004 Plan requires the affirmative vote of a majority of votes cast at the Meeting, provided that the total vote cast on the proposal represents over 50% in interest of all securities entitled to vote on the proposal as required by the New York Stock Exchange listing standards. The directors recommend a vote FOR ratification of the adoption of the 2004 Plan. Unless otherwise instructed, proxies will be voted FOR ratification of the adoption of the 2004 Plan.

Appendix D to this proxy statement sets forth the text of the 2004 Plan.

Edgar Filing: EASTGROUP PROPERTIES INC - Form DEF 14A

The following description of the 2004 Plan contains summaries of certain provisions of the 2004 Plan and is qualified in its entirety by reference to the 2004 Plan itself.

Background of the 2004 Plan. If the stockholders ratify the adoption of the 2004 Plan, the 2004 Plan will replace the 1994 Management Incentive Plan, which would otherwise expire effective September 21, 2004.

The 1994 Management Incentive Plan authorized grants to employees in the form of options, restricted stock, and stock bonuses in connection with EastGroup's annual incentive plan. The Compensation Committee (the "Committee") and the Board of Directors have determined that the Company and its stockholders would be

15

better served by an equity compensation plan offering a broader range of alternatives. Accordingly, the 2004 Plan authorizes grants to employees in the form of options, stock appreciation rights, restricted stock, deferred stock units, performance shares, stock bonuses, and stock in place of cash compensation (collectively, "Awards").

Shares Available for Awards; Limits on Awards. The 2004 Plan authorizes the issuance of up to 1,900,000 shares of Common Stock pursuant to Awards granted to employees of the Company. If the stockholders ratify the adoption of the 2004 Plan, the reserve for shares of Common Stock remaining for grant under the 1994 Management Incentive Plan (497,089 shares as of April 14, 2004) will be cancelled.

The 2004 Plan imposes additional limits on the number of shares of Common Stock that may be subject to certain Awards. During any calendar year the maximum number of shares of Common Stock with respect to which options and stock appreciation rights may be granted to any one employee may not exceed 100,000 shares. The aggregate number of shares of Common Stock that may be subject to Awards of restricted stock may not exceed 570,000 over the term of the Plan. The maximum number of shares of Common Stock with respect to which Awards of restricted stock may be granted to any one employee is 250,000 shares.

The 2004 Plan authorizes the Committee to adjust the limits described in the two preceding paragraphs and the terms of outstanding Awards (including the exercise and base prices of options and stock appreciation rights and other affected terms of Awards) in the event that a recapitalization, forward or reverse split, reorganization, merger, consolidation, spin-off, combination, repurchase, share exchange, or other similar corporate transaction or event affects shares of Common Stock.

Shares of Common Stock issued pursuant to the 2004 Plan may be either newly issued shares, or, at the Committee's discretion, shares purchased in open market or privately negotiated transactions from third parties, or a combination of those sources.

Eligibility. All employees of the Company and any subsidiaries of the Company are eligible to be selected for Awards under the 2004 Plan.

Administration. The Board of Directors has designated the Compensation Committee of the Board as the committee charged with responsibility for administration of the 2004 Plan. The Committee has the authority to select employees to receive Awards, determine the type and number of Awards to be granted and the number of shares of Common Stock to which Awards will relate, specify times at which Awards may be exercised or settled and risks of forfeiture and conditions on Awards (for example, achievement of FFO goals or

Edgar Filing: EASTGROUP PROPERTIES INC - Form DEF 14A

the performance of future services), set other terms and conditions of Awards, prescribe forms of Award agreements, interpret and specify rules and regulations relating to the 2004 Plan, and make all other determinations necessary or advisable for the administration of the 2004 Plan.

Restricted and Deferred Stock Units. The 2004 Plan authorizes the Committee to grant to employees restricted stock and deferred stock units. An Award of restricted stock is a grant of shares of Common Stock that may not be sold or disposed of, and that may be forfeited in the event of termination of employment, before the end of a restricted period specified by the Committee. An employee granted restricted stock generally has all of the rights of a stockholder of the Company. An Award of deferred stock units confers upon an employee the right to receive shares of Common Stock or their value in cash at the end of a restricted period specified by the Committee, subject to possible forfeiture of the Award in the event of termination of employment before the end of the restricted period. An Award of deferred stock units carries no voting or dividend rights or other rights associated with stock ownership, although the Committee may grant dividend equivalents in conjunction with an Award of deferred stock units. Restricted stock and deferred stock units may, in the discretion of the Committee, be made subject to additional risks of forfeiture, such as failure to achieve FFO goals, and the Committee may

16

subject restricted stock to transfer limitations after the expiration of the restricted period. If the only condition attached to the vesting of restricted stock or deferred stock units is the performance of future services, the restricted period will be at least three years; the Award may vest ratably over that period.

Bonus Stock and Awards in Place of Cash Compensation. The 2004 Plan authorizes the Committee to grant shares of Common Stock to employees as bonuses free of restrictions (for example, upon the attainment of targets under an annual incentive program), and to grant shares of Common Stock in place of cash compensation to which an employee would otherwise be entitled.

Performance Shares. The 2004 Plan authorizes the Committee to grant Awards called performance shares, which represent a conditional right to receive shares of Common Stock upon achievement of certain preestablished performance goals, such as FFO goals, or subjective individual goals. The Committee will determine the terms of performance share Awards, including the required levels of performance with respect to specified business criteria, the corresponding amounts payable upon achievement of such levels of performance, and termination and forfeiture provisions.

Stock Options. The 2004 Plan authorizes the Committee to grant stock options (both incentive stock options under section 422 of the Code and options that are not incentive stock options) to employees. The exercise price per share of Common Stock subject to an option will be determined by the Committee, but may not be less than the fair market value of a share of Common Stock on the date of grant. The Committee will set the term of an option and the times at which an option will become vested, except that the maximum term of an option is ten years. An employee will forfeit unvested options upon termination of employment other than by reason of death, disability, or retirement. Vested options will expire after the holder's termination of employment, at a time set by the Committee that is no longer than five years after the termination. Options may be exercised by payment of the exercise price in cash or shares of Common Stock having a fair market value equal to the exercise price.

Stock Appreciation Rights. The 2004 Plan authorizes the Committee to grant stock appreciation rights to employees. A stock appreciation right entitles an

Edgar Filing: EASTGROUP PROPERTIES INC - Form DEF 14A

employee to the appreciation in the fair market value of a share of Common Stock from the date of grant through the date of exercise; the Company will pay this amount in cash or in shares of Common Stock, as determined by the Committee. The Committee will set the term of each stock appreciation right and the times at which a stock appreciation right will become vested, except that the maximum term of a stock appreciation right is ten years. An employee will forfeit an unvested stock appreciation right upon termination of employment other than by reason of death, disability, or retirement. Vested stock appreciation rights will expire after the holder's termination of employment, at a time set by the Committee that is not longer than five years after the termination.

Other Terms of Awards. Under the 2004 Plan, the Committee may require or permit participants to defer the settlement of all or part of an Award in accordance with such terms and conditions as the Committee may establish. The Committee may condition any payment relating to an Award on the withholding of taxes and may provide that a portion of any shares of Common Stock to be distributed will be withheld (or previously acquired shares may be surrendered by the participant) to satisfy withholding tax obligations. Awards granted under the 2004 Plan generally are not transferable or assignable.

Acceleration of Vesting on Change in Control. Upon a change in control as defined in the 2004 Plan, all outstanding Awards become fully vested and conditions on exercisability lapse.

17

The definition of the term "change in control" in the 2004 Plan is the same as the definition of that term in the Executive Change in Control Agreements described above under "Certain Transactions and Relationships."

Amendment and Termination. The Board of Directors may amend or terminate the 2004 Plan without further stockholder approval, except stockholder approval is required for any amendment that would materially increase the number of shares of Common Stock issuable under the Plan or decrease the minimum exercise price or base price for options and stock appreciation requests. The Committee may amend Awards, provided, however, that stockholder approval is required for any amendment that would extend the term of an option or stock appreciation right beyond ten years, reduce the exercise price of an option or the base price of a stock appreciation right, or allow an option or stock appreciation right to be cancelled in exchange for an option or stock appreciation right with a lower exercise price or base price.

Federal Income Tax Consequences. A participant granted an option that is not an incentive stock option (a "nonqualified stock option") will not recognize income for federal income tax purposes upon the grant of the option but will, upon the exercise of the option, recognize ordinary income equal to the amount by which the fair market value of the shares of Common Stock acquired through the exercise of the option exceeds the exercise price of the option.

When a participant exercises a nonqualified option, the Company is entitled to a deduction for federal income tax purposes equal to the amount of income recognized by the participant upon the exercise of the option, provided any federal income tax withholding requirements are satisfied.

An employee granted an incentive stock option under section 422 of the Code will not recognize income for federal income tax purposes upon the grant or exercise of the option. However, the amount by which the fair market value of the shares of Common Stock acquired through the exercise of the incentive stock option exceeds the exercise price of the option is an item of tax preference for the purpose of computing the employee's alternative minimum taxable income for the year of exercise.

Edgar Filing: EASTGROUP PROPERTIES INC - Form DEF 14A

The Company is not entitled to a deduction for federal income tax purposes in connection with the grant or exercise of an incentive stock option. However, if within one year of an employee's acquisition of shares of Common Stock through the exercise of an incentive stock option the employee disposes of the shares, the employee will recognize ordinary income and the Company will be entitled to a deduction in the year of the disposition equal to the amount by which the fair market value of the shares on the date of exercise (or, in certain cases, if lower, the amount of the proceeds of the disposition) exceeds the exercise price of the option.

A participant's basis for determining capital gain or loss on the sale or exchange of shares of Common Stock acquired through the exercise of an option will be, in the case of a nonqualified option, the exercise price of the option plus any ordinary income recognized upon the exercise of the option, or, in the case of an incentive stock option, the exercise price of the option plus, if the sale or exchange occurs within one year of the employee's acquisition of the shares, any ordinary income recognized on the sale or exchange.

The Company may not deduct compensation of more than \$1,000,000 that is paid in one taxable year to an individual who is, on the last day of the year, the chief executive officer or one of its four other highest paid officers. The deduction limit, however, does not apply to certain types of performance based compensation. The Company believes that compensation attributable to options and stock appreciation rights granted under the 2004 Plan will be treated as qualified performance based compensation and thus will not be subject to the deduction limit. Compensation attributable to other Awards will not be treated as qualified performance based compensation and will be subject to the deduction limit.

No Outstanding Awards. The Committee has not yet granted any Award under the 2004 Plan.

PROPOSAL 3 -- OTHER MATTERS

The management of the Company does not know of any other matters to come before the Meeting. However, if any other matters come before the Meeting, it is the intention of the persons designated as proxies to vote in accordance with their judgment on such matters.

INDEPENDENT PUBLIC ACCOUNTANTS

The Board of Directors has appointed KPMG LLP, independent public accountants, to act as auditors for the fiscal year ending December 31, 2004. A representative of KPMG LLP is expected to be present at the Meeting and will have an opportunity to make a statement, if he so desires, and will be available to respond to appropriate questions.

The following table shows the fees paid or accrued by the Company for the audit and other services provided by KPMG LLP for fiscal years 2003 and 2002.

3.2 Delegation of Authority. The Committee may delegate to officers of the Company its duties, power, and authority under the Plan pursuant to such conditions or limits as the Committee may establish, except that only the Committee or the Board may select, and grant Awards to, Participants who are subject to section 16 of the Exchange Act, and only the Committee may act with respect to Awards intended to satisfy the Performance Based Exception to Code section 162(m).

3.3 Decisions Binding. All determinations made by the Committee under the Plan shall be final and binding on all persons.

4.2 Limit on Restricted Stock Awards. Of the Shares reserved for Awards under Sections 4.1, no more than 570,000 of such Shares may be issued with respect to Awards of Restricted Stock.

4.3 Individual Limits. The maximum number of Shares with respect to which Awards of Options or Stock Appreciation Rights may be granted to an Employee in any calendar year is 100,000 Shares, regardless, in the case of a Stock Appreciation Right, of whether the Award may be settled only in cash. without being exercised, expire, or are forfeited or canceled, and the number of Shares surrendered in payment of Awards or any tax withholding shall again be available for issuance pursuant to Awards under the Plan.

4.5 Adjustments in Authorized Shares. If a dividend or other distribution, recapitalization, forward or reverse split, reorganization, merger, consolidation, spin-off, combination, repurchase, Share exchange, liquidation, dissolution, or other similar corporate transaction or event affects the Common Stock of the Company, then the Committee shall, in such manner as it may determine equitable, substitute or adjust any or all of (a) the

remaining limits on the number and kind of Shares available for Awards subsequently granted, (b) the number and kind of Shares with respect to which Awards may subsequently be granted to an individual Participant, (c) the number and kind of Shares subject to or deliverable with respect to outstanding Awards, and (d) the Exercise Price or Base Price under any outstanding Award.

4.6 Source of Shares. Shares issued pursuant to the Plan may be either newly issued Shares, or, at the Committee's discretion, Shares purchased in open market or privately negotiated transactions from third parties, or a combination of those sources.

ARTICLE 5 ELIGIBILITY AND PARTICIPATION

5.1 Eligibility. All Employees are eligible to participate in the Plan.

5.2 Awards. The Committee may, from time to time, select Employees to whom Awards shall be granted and shall determine the nature and terms of, and the number of Shares subject to, each Award.

ARTICLE 6 STOCK OPTIONS

6.1 Grant of Options. The Company shall grant Nonstatutory and Incentive Stock Options to Employees in the number, upon the terms, and at the times determined by the Committee.

6.2 Award Agreement. Each Option grant shall be evidenced by an Award Agreement that shall specify the Exercise Price, the duration of the Option, the number of Shares subject to the Option, the manner, time, and rate of exercise or vesting of the Option, and such other conditions and provisions as the Committee shall determine. The Award Agreement shall specify whether the Option is intended to be a Nonstatutory or an Incentive Stock Option.

6.3 Exercise Price. The Exercise Price for each Share subject to an Option shall be not less than 100 percent of the Fair Market Value of a Share on the date the Option is granted.

6.4 Duration of Options. An Option shall expire at such time as the Committee shall determine at the time of grant; provided, however, that no Option shall be exercisable later than the tenth anniversary of the date of its grant.

6.5 Exercise of Options. Options shall be exercisable at such times and be subject to such restrictions and conditions as the Committee shall specify in the Award Agreement.

6.6 Payment. An Option shall be exercised by the delivery of a written

Edgar Filing: EASTGROUP PROPERTIES INC - Form DEF 14A

notice of exercise to the Company, setting forth the number of Shares with respect to which the Option is to be exercised and accompanied by payment of the Exercise Price and the amount required by the Company to satisfy its tax withholding obligation with respect to the exercise of the Option. Payment to the Company shall be made either in cash or its equivalent or, if permitted in the Award Agreement, by tender of previously acquired Shares having an aggregate Fair Market Value at the time of exercise equal to the required payment or by a combination of cash and Shares. The Committee may allow payment through cashless exercise, subject to applicable law and regulations, or by any other means the Committee determines to be consistent with the Plan's purpose and applicable law and regulations.

D-4

6.7 Restrictions on Share Transferability. The Committee may impose restrictions on the transferability of any Shares acquired pursuant to the exercise of an Option, including restrictions on transfer during employment with the Company and restrictions to comply with securities laws or the requirements of any stock exchange or market.

6.8 Termination of Employment. Upon termination of a Participant's employment with the Company and its Subsidiaries, other than by reason of death, Disability, or Retirement, any Options granted to the Participant that are not then exercisable shall expire on the date of termination, and Options that are then exercisable may remain exercisable for a period specified in the Award Agreement, which shall not exceed five years or the remaining term of the Option, if shorter.

Upon termination of a Participant's employment by reason of Retirement, any Options granted to the Participant that are not then exercisable shall expire on the date of termination, except to the extent the Committee determines that such Options shall become immediately exercisable; Options that are or are determined to become exercisable may remain exercisable for a period specified in the Award Agreement, which shall not exceed five years or the remaining term of the Option, if shorter.

Upon termination of a Participant's employment by reason of death or Disability, all outstanding Options granted to the Participant shall become exercisable and remain exercisable for a period specified in the Award Agreement, which shall not exceed five years or the remaining term of the Option, if shorter.

6.9 Limits on Incentive Stock Options.

(a) The aggregate Fair Market Value (determined as of the date an Incentive Stock Option is granted) of the Shares with respect to which Incentive Stock Options are exercisable for the first time by an Employee during any calendar year (under all plans of the Company or any Subsidiary) shall not exceed \$100,000.

(b) No Incentive Stock Option shall be granted to an Employee who, at the time the Option is granted, owns (actually or constructively under the provisions of section 424(d) of the Code) stock possessing more than 10 percent of the total combined voting power of all classes of stock of the Company or any Subsidiary, unless (i) the Exercise Price is at least 110 percent of the Fair Market Value (determined as of the time the Incentive Stock Option is granted) of the Shares subject to the Incentive Stock Option and (ii) the Incentive Stock Option is not exercisable more than five years after the date of grant.

(c) If an Option holder disposes of Shares acquired pursuant to the

Edgar Filing: EASTGROUP PROPERTIES INC - Form DEF 14A

exercise of an Incentive Stock Option in a disqualifying disposition within the time periods identified in section 422(a)(1) of the Code, the Option holder shall notify the Company of such disposition and provide the Company with information as to the date of disposition, sales price, number of Shares involved, and any other information about the disposition the Company may reasonably request.

(d) No Option that is an Incentive Stock Option may be granted after the tenth anniversary of the date of adoption of the Plan.

(e) If an Option intended to be an Incentive Stock Option fails to qualify as such, it shall be treated as a Nonstatutory Stock Option.

6.10 Nontransferability of Options. An Option shall be transferable only by will or the laws of descent and distribution. Further, an Option shall be exercisable during the recipient Participant's lifetime only by the Participant or the Participant's guardian or legal representative.

D-5

ARTICLE 7 STOCK APPRECIATION RIGHTS

7.1 Stock Appreciation Right Award. A Stock Appreciation Right Award is a grant of a right to receive, upon exercise of the Stock Appreciation Right, payment from the Company in an amount determined by multiplying:

(1) the excess of the Fair Market Value of a Share on the date of exercise over the Base Price; by

(2) the number of Shares with respect to which the Stock Appreciation Right is being exercised.

7.2 Grant of Stock Appreciation Rights. The Company shall grant Stock Appreciation Rights to Employees in the number, upon the terms, and at the times determined by the Committee.

7.3 Award Agreement. Each Stock Appreciation Right shall be evidenced by an Award Agreement that shall specify the Base Price, the duration of the Stock Appreciation Right, the number of Shares subject to the Stock Appreciation Right, the manner, time, and rate of exercise or vesting of the Stock Appreciation Right, and such other conditions and provisions as the Committee shall determine.

7.4 Base Price. The Base Price for each Share subject to a Stock Appreciation Right shall be not less than 100 percent of the Fair Market Value of a Share on the date the Stock Appreciation Right is granted.

7.5 Duration of Stock Appreciation Rights. A Stock Appreciation Right shall expire at such time as the Committee shall determine at the time of grant; provided, however, that no Stock Appreciation Right shall be exercisable later than the tenth anniversary of the date of its grant.

7.6 Exercise of Stock Appreciation Rights. Stock Appreciation Rights shall be exercisable at such times and be subject to such restrictions and conditions as the Committee shall specify in the Award Agreement.

7.7 Payment by Company. The Company shall satisfy a Stock Appreciation Right upon exercise by delivery of cash, Shares, or a combination of cash and Shares, as specified in the Award Agreement.

Edgar Filing: EASTGROUP PROPERTIES INC - Form DEF 14A

7.8 Termination of Employment. Upon termination of a Participant's employment with the Company and its Subsidiaries, other than by reason of death, Disability, or Retirement, any Stock Appreciation Rights granted to the Participant that are not then exercisable shall expire on the date of termination, and Stock Appreciation rights that are then exercisable may remain exercisable for a period specified in the Award Agreement, which shall not exceed five years or the remaining term of the Stock Appreciation Right, if shorter.

Upon termination of a Participant's employment by reason of Retirement, any Stock Appreciation Rights granted to the Participant that are not then exercisable shall expire on the date of termination, except to the extent the Committee determines that such Stock Appreciation Rights shall become immediately exercisable; Stock Appreciation Rights that are or are determined to become exercisable may remain exercisable for a period specified in the Award Agreement, which shall not exceed five years or the remaining term of the Stock Appreciation Right, if shorter.

Upon termination of a Participant's employment by reason of death or Disability, all outstanding Stock Appreciation Rights granted to the Participant shall become exercisable and remain exercisable for a period specified in the Award Agreement, which shall not exceed five years or the remaining term of the Stock Appreciation Right, if shorter.

7.9 Nontransferability of Stock Appreciation Rights. A Stock Appreciation Right shall be transferable only by will or the laws of descent and distribution. Further, a Stock Appreciation Right shall be exercisable

D-6

during the recipient Participant's lifetime only by the Participant or the Participant's guardian or legal representative.

ARTICLE 8 RESTRICTED STOCK

8.1 Restricted Stock Award. A Restricted Stock Award is a grant of Shares in which the Participant's interest will become vested only upon the satisfaction, lapse, or waiver of specified conditions, which may include, without limit, the performance of future services or the achievement of performance goals. The "Restricted Period" is the period between the date of grant of Restricted Stock and the date as of which the vesting conditions with respect to a Share of Restricted Stock are satisfied, lapse, or are waived. If the only condition on vesting is performance of future services, the Restricted Period shall not, subject to Section 8.7, be shorter than three years; the Award may vest ratably over that period.

8.2 Grant of Restricted Stock. The Company shall grant Restricted Stock Awards to Employees at the times, with respect to the number of Shares, and subject to the conditions and Restricted Period determined by the Committee.

8.3 Award Agreement; Share Certificate. A Restricted Stock Award shall be evidenced by an Award Agreement that shall specify the number of Shares granted, the conditions to which the Award is subject, the Restricted Period, and such other provisions as the Committee may determine. The Company shall retain in its possession the certificates representing Shares of Restricted Stock until such time as such Shares have fully vested.

8.4 Nontransferability. Restricted Stock may not be sold, transferred, pledged, assigned, or otherwise alienated before the end of the applicable Restricted Period. Furthermore, the Award Agreement may impose restrictions on

Edgar Filing: EASTGROUP PROPERTIES INC - Form DEF 14A

transfer of Restricted Shares after the end of the applicable Restricted Period, including restrictions on transfer during continued employment and restrictions to comply with securities laws or the requirements of any stock exchange or market.

8.5 Voting Rights. Unless otherwise provided in the Award Agreement, a Participant may, during the Restricted Period, exercise full voting rights with respect to Shares of Restricted Stock granted to the Participant.

8.6 Dividends and Other Distributions. During the Restricted Period, dividends and other distributions with respect to Shares of Restricted Stock may be paid currently to the Participant to whom the Restricted Stock was granted, accrued as contingent cash obligations, or converted into additional Shares of Restricted Stock, as determined by the Committee in the Award Agreement. The Committee may apply such restrictions to the crediting and payment of dividends and other distributions as the Committee determines advisable, subject to Section 8.7.

8.7 Termination of Employment.

(a) Except as provided in Section 8.7(b), upon termination of a Participant's employment with the Company and its Subsidiaries during the Restricted Period, the Participant shall forfeit all Shares subject to the Restricted Period.

(b) An Award Agreement may provide that upon termination of a Participant's employment by reason of death, Disability, or Retirement, the Restricted Period for outstanding Shares of Restricted Stock granted to the Participant shall end and the Participant's interest in those Shares shall become fully vested.

D-7

(c) A Participant's interest in any amount of dividends and other distributions accumulated on Shares of Restricted Stock and not paid before the termination of Participant's employment during the Restricted Period shall be forfeited or become fully vested upon the termination of the Participant's employment, in correspondence with the Participant's interest in the Shares to which the dividends and other distributions are attributable.

ARTICLE 9 DEFERRED STOCK UNITS

9.1 Deferred Stock Unit Award. A Deferred Stock Unit Award entitles the Participant to delivery in the future of Shares or payment of their Fair Market Value in cash, at a time specified by the Committee after satisfaction, lapse, or waiver of any conditions specified by the Committee. The "Restricted Period" is the period between the date of grant of a Deferred Stock Unit Award and the date as of which the vesting conditions with respect to the Award are satisfied, lapse, or are waived. If the only condition on vesting is the performance of future services, the Period shall not, subject to Section 9.7, be shorter than three years; the Award may vest ratably over that period.

9.2 Grant of Deferred Stock Units. The Company shall grant Deferred Stock Units to Employees at the time, with respect to the number of Shares, and subject to any conditions and Restricted Period determined by the Committee.

9.3 Award Agreement. A Deferred Stock Unit Award shall be evidenced by an Award Agreement that shall specify the number of Shares covered by the Award, any conditions to which the Award is subject, the Restricted Period, when the

Edgar Filing: EASTGROUP PROPERTIES INC - Form DEF 14A

Award shall be satisfied, whether the Award shall be satisfied by delivery of Shares or cash payment, and such other provisions as the Committee may determine.

9.4 Nontransferability. A Deferred Stock Unit Award may not be sold, transferred, pledged, assigned, or otherwise alienated.

9.5 No Shareholder Rights. A Deferred Stock Unit Award shall carry with it no voting or dividend or other rights associated with Share ownership.

9.6 Dividend Equivalents. Notwithstanding Section 9.5, the Committee may determine to grant the equivalent of dividends on the number of Shares covered by a Deferred Stock Unit Award. Dividend equivalents may be paid currently, accrued as contingent cash compensation, or converted into additional Deferred Stock Unit Awards, as determined by the Committee in the Award Agreement.

9.7 Termination of Employment.

(a) Except as provided in Section 9.7(b), upon termination of a Participant's employment with the Company and its Subsidiaries during the Restricted Period, the Participant shall forfeit all Deferred Stock Units with respect to which the Restricted Period has not expired.

(b) An Award Agreement may provide that upon termination of a Participant's employment by reason of death, Disability, or Retirement, all conditions attached to delivery or payment of an outstanding Deferred Stock Unit Award shall end.

(c) A Participant's interest in any dividend equivalents granted to the Participant pursuant to Section 9.6 and accumulated with respect to Deferred Stock Units and not paid before the termination of the Participant's employment during the Restricted Period shall be forfeited or become vested upon the

D-8

termination of the Participant's employment, in correspondence with the Participant's interest in the Deferred Share Units to which the dividend equivalents are attributable.

9.8 Satisfaction of Award. The Company shall satisfy a Deferred Stock Unit Award after the end of the Restricted Period, at such time as is provided for in the Award Agreement, by a delivery of Shares or cash payment, as specified in the Award Agreement. Any accrued dividend equivalents or the Shares covered by the Deferred Stock Unit Awards into which the dividend equivalents were converted shall also then be paid or delivered, as applicable.

ARTICLE 10 PERFORMANCE SHARES

10.1 Performance Share Award. A Performance Share Award entitles the Participant to the delivery of a number of Shares contingent upon the achievement of performance objectives during a time period set by the Committee, which shall be called the "Performance Period."

10.2 Grant of Performance Shares. The Company shall grant Performance Shares to Employees in the number, upon such terms, and at the time determined by the Committee. 10.3 Award Agreement. A Performance Share shall be evidenced by an Award Agreement that shall specify the terms and conditions of the Award and such other provisions as the Committee shall determine.

Edgar Filing: EASTGROUP PROPERTIES INC - Form DEF 14A

10.4 Earning of Performance Shares. The number of Shares to which a Participant to whom a Performance Share Award has been granted is entitled after the applicable Performance Period has ended shall be the number of Shares earned by the Participant over the Performance Period, to be determined as a function of the extent to which the corresponding performance objectives have been achieved.

10.5 Timing of Payment of Performance Shares. Except as provided in ARTICLE 13, delivery of earned Performance Shares shall be made following the close of the applicable Performance Period at a time and in a manner determined by the Committee.

10.6 Termination of Employment.

(a) Except as provided in Section 10.6(b), a Participant shall forfeit all Performance Shares upon termination of employment during a Performance Period.

(b) An Award Agreement may provide that upon termination of employment by reason of death, Disability, or Retirement during a Performance Period, the Participant shall be entitled to a number of Performance Shares that is prorated, as specified by the Committee.

(c) Delivery of earned Performance Shares shall be made at a time determined by the Committee.

10.7 Nontransferability. A Performance Share Award may not be sold, transferred, pledged, assigned or otherwise alienated, other than by will or by the laws of descent and distribution.

ARTICLE 11

BONUS STOCK AND STOCK IN PLACE OF CASH COMPENSATION

11.1 Bonus Stock. The Company shall award Shares to an Employee as a bonus ("Bonus Stock") under such terms and conditions and at such time as the Committee may determine.

D-9

11.2 Stock in Place of Certain Compensation. The Committee may determine that an Employee who would otherwise become entitled to payment in cash of salary, bonus, or other compensation shall be awarded Shares in place of such cash compensation ("Stock in Place of Cash Compensation"). The Fair Market Value of the Shares awarded shall be equal, on the date the compensation would otherwise be paid in cash, to the amount of compensation the Award is replacing.

11.3 Awards. Awards of Bonus Stock and Stock in Place of Cash Compensation shall be subject to any terms and conditions determined by the Committee.

ARTICLE 12

BENEFICIARY DESIGNATION

A Participant may name a beneficiary or beneficiaries to whom any benefit under the Plan that becomes payable after or on account of the Participant's death is to be paid. If no designated beneficiary survives the Participant, such benefits shall be paid to the Participant's surviving spouse or, if none, to the Participant's estate.

ARTICLE 13

DEFERRALS

Edgar Filing: EASTGROUP PROPERTIES INC - Form DEF 14A

The Committee may permit or require a Participant to defer receipt of the delivery of Shares or cash that would otherwise be due to such Participant by virtue of the exercise of an Option or Stock Appreciation Right, the satisfaction, lapse, or waiver of conditions with respect to Restricted Stock or Deferred Stock Unit Awards, or the satisfaction of any requirements or objectives with respect to Performance Shares. If a deferral election is permitted or required, the Committee shall establish rules for such deferrals and may retroactively amend such rules and unilaterally cancel deferral elections. Furthermore, the Committee in its sole discretion may defer the delivery of Shares or a cash payment if such delivery or payment would result in compensation not deductible by the Company by reason of Code section 162(m). Such a deferral may continue until the delivery or payment would result in a deduction for the Company.

ARTICLE 14 STATUS OF EMPLOYEES

14.1 Employment. Nothing in the Plan shall interfere with or limit the right of the Company or a Subsidiary to terminate a Participant's employment at any time, or confer upon a Participant any right to continue in the employ of the Company or a Subsidiary.

14.2 Participation. Any Award under the Plan is in the discretion of the Committee. No Employee shall, as a result of the existence of the Plan, have the right to be selected to receive an Award under this Plan.

ARTICLE 15 CHANGE IN CONTROL

15.1 Definition of Change in Control. For purposes of this Plan, a "Change in Control" shall mean a change in control of a nature that would be required to be reported in response to Item 6(e) of Schedule 14A of Regulation 14A promulgated under the Securities and Exchange Act of 1934, as amended (the "Exchange Act"), whether or not the Company is then subject to such reporting requirements; provided that, without limitation, such a Change in Control shall be deemed to have occurred if (a) any "person" (as such term is used in section

D-10

13(d) and 14(d) of the Exchange Act) is or becomes "beneficial owner" (as defined in Rule 13d 3 under the Exchange Act), directly or indirectly, of securities of the Company representing 30 percent or more of the combined voting power of the Company's then outstanding securities; or (B) during any period of two consecutive years, the following persons (the "Continuing Directors") cease for any reason to constitute a majority of the Board: individuals who at the beginning of such period constitute the Board and new Directors each of whose election to the Board or nomination for election to the Board by the Company's security holders was approved by a vote of at least two-thirds of the Directors then still in office who either were Directors at the beginning of the period or whose election or nomination for election was previously so approved; or (C) the security holders of the Company approve a merger or consolidation of the Company with any other corporation, other than (i) a merger or consolidation that would result in the voting securities of the Company outstanding immediately before the merger or consolidation continuing to represent (either by remaining outstanding or by being converted into voting securities of such surviving entity) more than 50 percent of the combined voting power of the voting securities of the Company or of such surviving entity outstanding immediately after such merger or consolidation or (ii) a merger or consolidation that is approved by a Board having a majority of its members persons who are Continuing Directors, of which Continuing Directors not less than two-thirds have approved the merger or consolidation; or (D) the security holders of the Company approve a plan of complete liquidation of the Company or an agreement for the sale or

Edgar Filing: EASTGROUP PROPERTIES INC - Form DEF 14A

disposition by the Company of all or substantially all of the Company's assets.

15.2 Definition of "Change in Control Price." The "Change in Control Price" means an amount in cash equal to the higher of (a) the amount of cash and fair market value of property that is the highest price per Share paid (including extraordinary dividends) in any corporate transaction triggering the Change in Control, or (c) the Fair Market Value per Share immediately preceding the Change in Control.

15.3 Treatment of Outstanding Awards. Upon the occurrence of a Change in Control:

(a) All terms, conditions, restrictions, and limits in effect on outstanding Options and Stock Appreciation Rights shall lapse as of the Change of Control, and all outstanding Options and Stock Appreciation Rights shall be immediately exercisable. Further, upon a Change of Control, the Committee in its sole discretion may (i) provide for the purchase of Options and Stock Appreciation Rights then outstanding for an amount of cash equal to the excess of the Fair Market Value of the Shares subject to such Option or Stock Appreciation Right (which shall not be less than the amount of cash and the fair market value of other consideration tendered for such Shares in the Change of Control transaction) over the aggregate Exercise Price for the Shares subject to the Option or Base Price for Shares subject to the Stock Appreciation Right, (ii) make such adjustments to Options or Stock Appreciation Rights then outstanding as the Committee finds appropriate to reflect the Change of Control, or (iii) cause any surviving corporation in the Change of Control to assume Options and Stock Appreciation Rights then outstanding or substitute new options for such outstanding Options and Stock Appreciation Rights.

(b) Any terms, conditions, restrictions, limits, and Restricted Periods imposed on outstanding Restricted Stock and Deferred Stock Unit Awards shall lapse, provided, however, that the degree of vesting associated with Restricted Stock or a Deferred Stock Unit Award that has been conditioned upon the achievement of performance objectives shall be determined in the manner set forth in Section 15.3(c).

(c) Except as otherwise provided in the Award Agreement, the vesting of Performance Shares shall be accelerated as of the effective date of the Change in Control, and there shall be delivered to Participants upon the Change in Control a pro rata number of Shares based upon an assumed achievement of all relevant

D-11

performance objectives at target levels, and upon the length of time within the Performance Period elapsed before the effective date of the Change in Control.

ARTICLE 16 AMENDMENT AND TERMINATION OF PLAN AND AWARDS

16.1 Amendment and Termination of Plan. The Board of Directors may amend or terminate the Plan at any time; provided, however, that (a) without the approval of stockholders, the Board of Directors may not amend the Plan (i) to increase (except for increases due to adjustments in accordance with Section 4.5) the aggregate number of Shares for which Awards may be granted or (ii) to decrease the minimum Exercise Price specified by the Plan in respect of Options or the minimum Base Price specified in respect of Stock Appreciation Rights, and (b) without the consent of the Participant or Participants adversely affected, the Board of Directors may not amend the Plan in a manner that has an adverse

Edgar Filing: EASTGROUP PROPERTIES INC - Form DEF 14A

effect on the rights of any Participant under any outstanding Award.

16.2 Amendment of Awards. The Committee may amend or terminate any outstanding Award without approval of the Participant; provided, however:

(a) unless allowed by the terms of the applicable Award Agreement, an amendment or termination shall not, without the Participant's consent, reduce the value of the Award determined as if the Award had been exercised, vested, cashed in (at the spread value in the case of Options and Stock Appreciation Rights) or otherwise settled on the date of an amendment or termination;

(b) the original term of an Option or Stock Appreciation Right may not be extended beyond ten years without the prior approval of the stockholders of the Company;

(c) except as otherwise provided in Section 4.5, the Exercise Price of an Option and the Base Price of a Stock Appreciation Right may not be reduced without the prior approval of the stockholders of the Company; and

(d) except as provided in Section 4.5 or as approved by the Company's stockholders, an Option or a Stock Appreciation Right may not be cancelled and replaced with an Option or Stock Appreciation Right having a lower Exercise Price or Base Price.

ARTICLE 17 WITHHOLDING

17.1 Tax Withholding. Subject to Section 17.2, the Company may deduct or withhold, or require a Participant to remit to the Company, an amount (either in cash or Shares) sufficient to satisfy the Company's obligation to withhold federal, state, and local taxes, with respect to any taxable event arising under or in connection with Awards granted under this Plan. 17.2 Share Withholding. With respect to withholding required upon the occurrence of any taxable event arising under or in connection with Awards granted under this Plan, the Company may satisfy its withholding obligation, in whole or in part, by withholding Shares having a Fair Market Value (determined on the date the Participant recognizes taxable income on the Award) equal to the withholding tax required to be collected on the transaction. The Participant may elect, however, subject to the approval of the Committee, to deliver the funds, in whole or in part, necessary to satisfy the withholding obligation to the Company, in which case there will be no reduction in the Shares otherwise distributable to the Participant.

D-12

ARTICLE 18 MISCELLANEOUS

18.1 Severability. If a provision of the Plan shall be held illegal or invalid, the illegality or invalidity shall not affect the remaining parts of the Plan, and the Plan shall be construed and enforced as if the illegal or invalid provision had not been included.

18.2 Unfunded Status of the Plan. The Plan is intended to be an "unfunded" plan for incentive and deferred compensation. With respect to any payments or deliveries of Shares not yet made to a Participant by the Company, nothing contained in this Plan shall give any rights that are greater than those of a general creditor of the Company. The Committee may authorize the creation of trusts or other arrangements to meet the obligations created under the Plan to deliver Shares or make payments.

Edgar Filing: EASTGROUP PROPERTIES INC - Form DEF 14A

18.3 Governing Law. To the extent not preempted by federal law, the Plan and all Award Agreements shall be construed in accordance with and governed by the laws of the State of Maryland.
