Section 1 Registrant's Business Operations

Item 1.01 Entry into a Material Definitive Agreement

On August 25, 2006, PICO Holdings, Inc., ("PICO"), a California corporation, entered into a Contribution Agreement with and among HyperFeed Technologies, Inc. ("HyperFeed"), Exegy Incorporated ("Exegy"), and PICO. PICO, which owns 80% of HyperFeed's issued and outstanding common shares, will contribute all of the outstanding shares of HyperFeed's common stock owned by PICO at the closing of the transaction to Exegy in exchange for shares of Exegy preferred stock. The merger agreement entered into by HyperFeed and Exegy in June 2006 has been terminated.

Under the terms of the contribution agreement, PICO will convert all outstanding principal and accrued but unpaid interest under the \$10 million Secured Convertible Promissory Note with HyperFeed into shares of HyperFeed common stock pursuant to the terms of the Note and the Note will be cancelled and terminated. The closing of the transaction, which is subject to customary conditions, is expected to occur on or about September 8, 2006. Exegy will then take HyperFeed private by completing a short form merger pursuant to applicable law, which will result in all the minority shareholders receiving cash for their shares. HyperFeed will withdraw and not pursue the previously announced 1 for 1000 reverse stock split.

Also, PICO and stockholders of Exegy will contribute a combined \$10 million in cash equity to Exegy. Each of PICO and the stockholders of Exegy will contribute \$3 million in cash at closing date and have agreed to contribute an additional \$2 million in cash in connection with the HyperFeed going private transaction.

The summary of the terms of the Contribution Agreement in the preceding paragraphs does not purport to be complete and is qualified in its entirety by reference to the full text of the Contribution Agreement, a form of which is attached hereto as Exhibit 10.11.
