Item 1.01. Entry into a Material Definitive Agreement.

In anticipation of funding the contemplated acquisition of SigmaKalon Group, on December 3, 2007, PPG Industries, Inc. (PPG) and certain of its subsidiaries entered into a three year 650,000,000 revolving credit facility with several banks and financial institutions and Societe Generale, as facility agent for the lenders. On December 7, 2007, PPG and a subsidiary also entered into two bridge loan agreements, one in an amount of 1,000,000,000 with multiple lenders and Credit Suisse as Administrative Agent for those lenders, and the other in the amount of US \$500,000,000 with Credit Suisse as the lender. Each bridge loan has a term of 364 days. Each facility agreement contains certain representations and warranties and certain positive and negative covenants as are customary in credit facility agreements. As of December 7, 2007, no funds had been drawn under any of these facilities. PPG s contemplated acquisition of SigmaKalon is subject to the receipt of regulatory approvals.

The foregoing is a summary of the material terms of the credit facility agreements and not a complete discussion of the documents. Accordingly, the foregoing is qualified in its entirety by reference to the full text of the credit facility agreements, which will be filed as exhibits to PPG s Annual Report on Form 10-K for its fiscal year ending December 31, 2007.
